Credit and Guaranty Agreement

On June 21, 2024, Eos Energy Enterprises, Inc. (the “Company”) entered into a credit and guaranty agreement (the “Credit Agreement”) by and among the Company, Eos Ingenuity Lab, LLC, a Delaware limited liability company (“Ingenuity”), Eos Energy Technology Holdings, LLC, a Delaware limited liability company (“IPCo”), Eos Energy Enterprises Intermediate Holdings, LLC, a Delaware limited liability company (“Intermediate Holdings”), Eos Services LLC, a Delaware limited liability company (“Services”), Eos Energy Storage LLC, a Delaware limited liability company (“Storage”), Eos Enterprise Holdings, LLC, a Delaware limited liability company (“IPHoldCo”), and Eos Hi-Power, LLC, a Delaware limited liability company (“Hi-Power” and, together with Storage, Services, Intermediate Holdings, IPHoldCo, IPCo and Ingenuity, the “Guarantors”) as guarantors, CCM Denali Debt Holdings, LP. as administrative agent and collateral agent (in such capacities, the “Agent”), and the lenders party thereto from time to time (the “Lenders”), pursuant to which the Lenders have agreed to provide a \$210.5 million secured multi-draw facility (the “Delayed Draw Term Loan”) to be made in four installments (\$75 million, which was funded on June 21, 2024, and the remainder upon three additional draws), and a \$105 million revolving credit facility, to be made available at the Lenders’ sole discretion and only if the Delayed Draw Term Loan is fully funded (the “Revolving Facility” and together with the Delayed Draw Term Loan, the “Facilities”), on terms and subject to conditions set forth in the Credit Agreement. The Company’s ability to make additional borrowings under the Delayed Draw Term Loan is subject to closing and drawing conditions, with each of the subsequent three future draws permitted to occur during specified availability periods set forth in the Credit Agreement and subject to the achievement of certain milestones (as described further below). The Company’s obligations under the Facilities are guaranteed by the Guarantors and secured by a first-priority lien on all assets of the Company and its subsidiaries. Upon each draw under the Delayed Draw Term Loan, the Company will issue Warrants (defined below) and/or Preferred Stock (defined below) in amounts representing predetermined, fully diluted, percentages (an “Applicable Percentage”) of Company common stock, par value \$0.0001 per share (the “Common Stock”). Upon any failure to achieve a milestone, in addition to not being able to receive a draw on the Delayed Draw Term Loan unless waived by the Lenders, the Applicable Percentage will be subject to up to a 4.0% increase for all milestone events as to each of the four milestone measurement dates (and a maximum of 16.0% in the aggregate) which could result in the issuance of, (i) if prior to obtaining Stockholder Approval (defined below), additional shares of a series of preferred stock on substantially similar terms as the Series A-1 Preferred Stock (“Series A Preferred Stock”) and (ii) if after obtaining Stockholder Approval, additional Warrants and/or shares of convertible preferred stock. Such increase is subject to forfeiture if future milestones are achieved by the Company. Please see the below discussion under “Securities Purchase Agreement” for further details related to the securities to be issued upon a draw under the Delayed Draw Term Loan and the potential failure to meet milestones.

Borrowings under the Credit Agreement bear interest at an annual rate equal to 15.0% per annum, subject to the following increases: (i) an additional 5.0% per annum upon the occurrence of an event of default under the Credit Agreement; and (ii) an additional 1.0-5.0% per annum for failure to obtain stockholder approval (defined below) within 90 to 240 days following the signing of the Credit Agreement. Each draw under the Delayed Draw Term Loan is subject to an original issue discount payable at the time of each draw. Borrowings under the Credit Agreement are subject to certain fees, including (i) an exit fee, (ii) a make-whole payment for certain prepayments prior to June 21, 2027 and (iii) a prepayment premium for any prepayments prior to the scheduled maturity date.

The Facilities include various affirmative and negative covenants applicable to the Company including, among others, (i) meeting certain minimum EBITDA and revenue metrics, measured quarterly, and maintaining certain minimums of liquid cash with accounts controlled by the Agent, (ii) reporting and information covenants including the delivery of annual, quarterly and monthly financial statements, daily cash reports, annual financial plans and forecasts with weekly progress reports and updates, (iii) monthly meetings with the Lenders and the engagement of advisors and consultants requested by the Lenders, and (iv) restrictions on business and activities including debt incurrence, asset dispositions, distributions, investments, and modifications to or terminations of various material contracts. The Facilities are subject to certain events of default which can be triggered by, among other things, (i) breach of payment obligations and other obligations and representations in the Credit Agreement or related documents, (ii) default under other debt facilities with a principal above a predetermined amount, (iii) failure to perform or comply with certain covenants in the Credit Agreement, (iv) entry into a decree or order for relief in respect of the Company or any of its subsidiaries in an involuntary case under the Bankruptcy Code of the United States or under any other debtor relief law, (v) any money judgment, writ or warrant of attachment or similar process involving in the aggregate at any time an amount in excess of \$2.5 million, (vi) any order, judgment or decree entered against the Company or the Guarantors decreeing the dissolution or split up of such entity, (vii) the failure of the Common Stock to be listed on an internationally recognized stock exchange in the United States and (viii) a change of control.

The Facilities are scheduled to mature on the earlier of (i) the date that is five years after the signing of the Credit Agreement and (ii) 91 days prior to the maturity of certain of the Company's outstanding convertible notes.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Securities Purchase Agreement

On June 21, 2024, the Company entered into a Securities Purchase Agreement (the "Securities Purchase Agreement") with CCM Denali Equity Holdings, LP (the "Purchaser"), pursuant to which the Company agreed to sell, pursuant to the terms and conditions set forth in the Credit Agreement, on the initial closing date (i) 59 shares of non-voting, non-convertible preferred stock (the "Series A-1 Preferred Stock") of the Company, having the designation, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications and terms and conditions as specified in the Series A-1 Certificate of Designation attached hereto as Exhibit 3.1 (the "Series A-1 Certificate of Designation") and (ii) a warrant to purchase 43,276,194 shares of Common Stock in the form attached hereto as Exhibit 10.3 (the "Warrant"), representing a collective Applicable Percentage of 19.9%.

Subsequent to the initial \$75 million draw under the Delayed Draw Term Loan (the "Initial Draw"), subject to the terms and conditions stated in and required by the Credit Agreement, the Company will issue and sell in a private placement to the Purchaser (i) if prior to obtaining Stockholder Approval (as defined below), shares of Series A Preferred Stock and (ii) if after obtaining Stockholder Approval, Warrants and/or shares of Series B convertible preferred stock substantially in the form attached as Exhibit 99.2 to this Current Report on Form 8-K, which will be substantially similar to the Series A Preferred Stock except that the Series B convertible preferred stock will be convertible into Common Stock and will have preemptive rights to participate in certain future equity offerings by the Company (any subseries, collectively, the "Series B Preferred Stock," and, collectively with the Series A Preferred Stock, "Preferred Stock"), such allocation between the Warrants, the Series A Preferred Stock and the Series B Preferred Stock at the Purchaser's election (the "SPA Issuance Structure").

Pursuant to the terms of the Securities Purchase Agreement, the Company will be required to hold a stockholder vote within 90 days of the initial closing of the Securities Purchase Agreement to approve the transactions described under the Credit Agreement and Securities Purchase Agreement (the "Stockholder Approval"). Following the Stockholder Approval, the Series A-1 Preferred Stock issued upon the Initial Draw will be convertible into a number of shares of Series B Preferred Stock (such initial tranche, the "Series B-1 Preferred Stock") equal to the number of shares of Common Stock represented by the liquidation value of the Series A-1 Preferred Stock, and the Warrant Conversion Cap (as defined below) will be increased to 49.9% beneficial ownership of the issued and outstanding Common Stock. Each full share of Series B-1 Preferred Stock will be convertible into 1.0 million shares of Common Stock, subject to a beneficial ownership cap of a maximum of 49.9% of the issued and outstanding Common Stock.

Following the Initial Draw, on three separate predetermined draw dates, upon the achievement of the corresponding performance milestone for each such draw date, the Company will receive additional funds under the Credit Agreement and will issue securities under the Securities Purchase Agreement in an amount equal to the Applicable Percentage, up to an aggregate of 33.0% ownership limitation on a fully-diluted basis at such time the Delayed Draw Term Loan is fully drawn. Upon subsequent draws under the Delayed Draw Term Loan and the achievement of the applicable milestones, the Company will issue Warrants and/or Preferred Stock in accordance with the SPA Issuance Structure. The performance milestones include measures related to the Company's automated line, materials cost, Z3 technology and backlog/cash conversion. Performance milestones related to the Company's automated line, materials cost and Z3 technology have not yet been achieved but are in line with the Company's internal business goals through April 30, 2025. The milestones related to backlog and cash conversion approximate the cash that would be expected to be received related to certain customer milestone payments at the lower end of the Company's previously released revenue guidance for 2024 and potential 2025 revenue scenarios in its December 2023 strategic outlook as adjusted through April 30, 2025. In the event the Company fails to achieve any milestones on any predetermined draw date or the one additional milestone measurement date, the Company will not receive the specific draw unless waived by the Lenders and will be subject to a penalty represented by an up to 4.0% increase in the Applicable Percentage at each missed milestone measurement date, which could result in the issuance of additional shares of Preferred Stock or Warrants up to an Applicable Percentage increase of up to 16.00% for all missed milestones, or up to a 49.0% overall Applicable Percentage taking into account the 33.0% Applicable Percentage described above. The Lenders will be prevented from converting or exercising Series B Preferred Stock and Warrants, respectively, if such conversion or exercise would result in the Lenders beneficially owning more than 49.9% of the Common Stock of the Company.

The Credit Agreement and the Securities Purchase Agreement each contain certain customary representations and warranties of the parties and are subject to a number of conditions to closing, including, among others, (i) the accuracy of the representations and warranties of the parties, (ii) performance and satisfaction in all material respects with all covenants, agreements and conditions required under the Securities Purchase Agreement and the Credit Agreement, respectively, (iii) delivery by the Company of all required documents pursuant to the Securities Purchase Agreement, and (iv) no event or series of events having occurred that would reasonably be expected to have a material adverse effect.

The representations, warranties, covenants and agreements contained in each of the Credit Agreement and the Securities Purchase Agreement, which were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to each such agreement, may be subject to limitations agreed upon by the contracting parties (including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Credit Agreement and the Securities Purchase Agreement instead of establishing these matters as facts) and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to stockholders and investors and reports and documents filed with the Securities and Exchange Commission ("SEC"). Stockholders and investors should not rely on the representations, warranties, covenants and agreements, or any descriptions thereof, as characterizations of the actual state of facts or condition of any party to the Credit Agreement and the Securities Purchase Agreement. In addition, the representations, warranties, covenants and agreements and other terms of the Securities Purchase Agreement may be subject to subsequent waiver or modification. Moreover, information concerning the subject matter of the representations and warranties and other terms may change after the date of the Credit Agreement and the Securities Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company.

The Purchaser agreed not to transfer any securities issued pursuant to the Securities Purchase Agreement for a period of one (1) year following the initial closing date, and subject to certain excluded issuances, the Company agreed, for a period one (1) year following the initial closing date, not to sell securities unless the Purchaser fails to fund a draw under the Delayed Draw Credit Facility. The Company also agreed to register the resale of Common Stock underlying the Series B Preferred Stock and issuable upon exercise of the Warrant no later than the date that is sixty (60) days prior to the date of the one (1) year anniversary of the initial closing date.

The foregoing description of the Securities Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Securities Purchase Agreement, a copy of which is filed as Exhibit 10.2 hereto and incorporated herein by reference.

Warrant

In connection with the initial closing under the Securities Purchase Agreement and the Credit Agreement and upon the Initial Draw, the Company issued a Warrant to purchase 43,276,194 shares of Common Stock to the Purchaser.

The Warrant has a ten-year term and a \$0.01 per share exercise price. The Warrant includes anti-dilutive rights, subject to certain excluded issuances, in the event any shares of Common Stock, options, warrants, convertible securities or other equity or equity equivalent securities payable in Common Stock are issued at a price per share of less than the fair market value (as defined in the Warrant) of a share of Common Stock on the issuance date of the Warrant, subject to adjustment. Prior to Stockholder Approval, in lieu of receiving such anti-dilution protection, the liquidation value of the Series A-1 Preferred Stock will be proportionately increased to give effect to such anti-dilution protection. Until or unless the Company receives Stockholder Approval, the Company may not issue additional shares of Common Stock exceeding 19.99% of shares of Common Stock issued and outstanding as of the date of the Initial Draw (such percentage, as may be adjusted in accordance with the terms of the Warrant, the "Warrant Conversion Cap") upon exercise of the Warrant, and is required to issue Series A Preferred Stock upon a draw under the Delayed Draw Credit Facility. Following Stockholder Approval, the Warrant Conversion Cap increases to 49.9% of the number of shares of Common Stock issued and outstanding as of the applicable measurement date; provided that, following Stockholder Approval, the holder of the Warrant has the option to amend the Warrant Conversion Cap to any percentage less than 49.9%.

The Warrant is exercisable at the holder's discretion for cash or on a cashless basis. The Warrant is subject to automatic cashless exercise on the expiration date if the fair market value (as defined in the Warrant) of one share is greater than the exercise price then in effect. Upon an acceleration under the Credit Agreement, the Company will be required to purchase the Warrant from the holder at an amount equal to the closing sale price (as defined in the Warrant) less the warrant price at the request of the holder. The terms of any additional Warrant issued pursuant to the terms of the Credit Agreement and Securities Purchase Agreement will be substantially similar to those of the Warrant issued on the date of the Initial Draw, but for the number of Common Stock to which such Warrant is exercisable.

The foregoing description of the Warrants does not purport to be complete and is qualified in its entirety by reference to the full text of the Form of Warrant, a copy of which is filed as Exhibit 10.3 hereto and incorporated herein by reference.

Series A-1 Preferred Stock Certificate of Designation

On June 21, 2024, the Company filed with the Secretary of State of the State of Delaware the Series A-1 Certificate of Designation.

Under the terms of the Series A-1 Certificate of Designation, each share of Series A-1 Preferred Stock has an original issue price of \$455,822.59 (the "A-1 Original Issue Price") and a liquidation value, payable *pari passu* with the Common Stock, as if such shares were convertible into 541,357 shares, or an aggregate of 31,940,063 shares of Common Stock, subject to adjustment. The Series A-1 Preferred Stock is non-voting and non-convertible into Common Stock. Holders of the Series A-1 Preferred Stock are entitled to receive dividends or distributions on each share of Series A-1 Preferred Stock equal to dividends or distributions actually paid on each share of Common Stock, multiplied by the number of shares of Common Stock represented by the Series A-1 Preferred Stock Liquidation Value (as defined in the Series A-1 Certificate of Designation). The Series A-1 Preferred Stock will become convertible into shares of Series B-1 Preferred Stock when Stockholder Approval is obtained.

Under the terms of the Series A-1 Certificate of Designation, at all times when the holders of the Preferred Stock beneficially own at least 10.0% of the capital stock of the Company (subject to adjustment as indicated in the Certificate of Designation), such holders of the Preferred Stock, exclusively and voting together as a separate class, will have the right to appoint one (1) director to the board of directors of the Company (the "Board"). At all times holders of the Preferred Stock beneficially own at least 15.0% of the capital stock of the Company (subject to adjustment as indicated in the Series A-1 Certificate of Designation), such holders of the Preferred Stock, exclusively and voting together as a separate class, will have the right to appoint a second director to the Board. At all times holders of the Preferred Stock beneficially own at least 30.0% of the capital stock of the Company (subject to adjustment as indicated in the Series A-1 Certificate of Designation), such holders of the Preferred Stock, exclusively and voting together as a separate class, will have the right to appoint a third director to the Board. At all times holders of the Preferred Stock beneficially own at least 40.0% of the capital stock of the Company (subject to adjustment as indicated in the Series A-1 Certificate of Designation), such holders of the Preferred Stock, exclusively and voting together as a separate class, will have the right to nominate and designate a fourth director, who shall be designated by the Board or the nominating committee of the Board to a class of common directors and stand for election as a common director on the Board; provided that, the nominating committee of the Board determine that such appointment of the fourth director not result in a change of control under any Company governing documents or violate any applicable laws, including requirements of the SEC and Nasdaq. In the event that any such fourth director is not approved by the stockholders of the Company at the applicable annual meeting of stockholders, the holders of record of the shares of Preferred Stock will have the right to appoint and elect a replacement for such director, pursuant to the approval requirements set forth above. To the extent any of such directors qualify to serve on any committees of the Board, for each such committee for which at least one (1) director is qualified, such director will be entitled to serve on such committee of the Board. So long as the holders of Series A-1 Preferred Stock have a right to appoint a director, the holders thereof will be entitled to appoint a non-voting observer to the Board. At all times when the holders of Preferred Stock have a right to appoint a director, the holders of Preferred Stock shall not vote any shares of Common Stock they receive upon the conversion of any Preferred Stock or the exercise of any Warrants in any appointment of directors.

At any time after the fifth (5th) anniversary of the original issue date (which is the date on which the Series A-1 Certificate of Designation with the Secretary of State of Delaware), the outstanding shares of Series A-1 Preferred Stock held by any holder become redeemable for cash at the redemption price. The redemption price will be an amount per share equal to the greater of (i) A-1 Original Issue Price plus all accrued and unpaid dividends thereon, up to and including the date of redemption and (ii) the number of shares of Common Stock represented by the Series A-1 Liquidation Value (as defined in the Series A-1 Certificate of Designation) multiplied by the average of the closing sale price of the Common Stock for the five (5) business days immediately prior to the date of redemption plus all accrued and unpaid dividends thereon, up to and including the date of redemption. Subject to certain excluded issuances (as defined in the Series A-1 Certificate of Designation), the Series A-1 Preferred Stock is subject to anti-dilution protection in the number of shares of Common Stock represented by the liquidation preference. Additionally, the Series A-1 Preferred Stock provides that, to the extent any Warrant so requires, the number of shares of Common Stock represented by the Series A-1 Liquidation Value will be increased as set forth in the Warrant.

Until the later of (i) such time when the holders of Preferred Stock shall no longer beneficially own at least 5% of the outstanding capital stock of the Corporation and (ii) five (5) years following June 21, 2024, the Preferred Stock shall have certain other protective provisions including, among others, limiting the ability of the Company to perform any of the following without the affirmative vote or consent of the holders of the Preferred Stock: (i) liquidate, dissolve or wind-up the business and affairs of the Company or effect any event that requires a distribution to the Company's stockholders in accordance to their liquidation preference, or any other merger, consolidation, statutory conversion, transfer, domestication or continuance; (ii) amend, alter or repeal any provision of the certificate of formation or bylaws of the Company in a manner that adversely affects the special rights, powers and preferences of the Preferred Stock (or any series thereof); (iii) create or issue or obligate itself to issue shares of, or reclassify, any capital stock other than excluded issuances (as defined in the Series A -1 Certificate of Designation); (iv) increase or decrease the authorized number of shares of preferred stock, or create any additional class or series of capital stock of the Company (other than increases in the number of authorized shares of Common Stock); or (v) purchase or redeem (or permit any subsidiary to purchase or redeem) or pay or declare any dividend or make any distribution on, any shares of capital stock of the Company other than (a) redemptions of or dividends or distributions on the Preferred Stock as expressly authorized therein or in the certificate of designation of any Preferred Stock, and (b) dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock.

The terms of any additional shares of Series A Preferred Stock issued pursuant to the terms of the Credit Agreement and Securities Purchase Agreement will be substantially similar to the Series A-1 Preferred Stock, but for the number of shares constituting such shares, the original issue price of such series and the liquidation value of such shares.

The foregoing description of the Series A-1 Preferred Stock does not purport to be complete and is qualified in its entirety by reference to the full text of the Series A-1 Certificate of Designation, a copy of which is filed as Exhibit 3.1 hereto and incorporated herein by reference.

Series B Preferred Stock

The Certificate of Designation for each subseries of Series B Preferred Stock will contain substantially similar terms to the Series A-1 Preferred Stock Certificate of Designation except that each share of Series B Preferred Stock will be convertible into 1.0 million shares of Common Stock and will contain pre-emptive rights to participate in certain future offerings of equity securities by the Company.

SECTION 6. VOTING.

6.1 General. Except as required by applicable law and as set forth below, the holders of the Series A-1 Preferred Stock shall not be entitled as such to receive notice of or to attend any meeting of the stockholders of the Corporation or to vote at any such meeting or any matters of the Corporation.

6.2 Election of Directors; Board Observer Right.

(a) At all times when the holders of Investor Preferred Stock shall beneficially own at least ten percent (10%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect one (1) director of the Corporation. At all times when the holders of Investor Preferred Stock shall beneficially own at least fifteen percent (15%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect two (2) directors of the Corporation. At all times when the holders of the Investor Preferred Stock shall beneficially own at least thirty percent (30%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect three (3) directors of the Corporation. At all times when the holders of Investor Preferred Stock shall beneficially own at least forty percent (40%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to nominate and designate a fourth director of the Corporation, provided, however, that any fourth director proposed to be appointed pursuant to this Section 6.2(a) would be subject to the reasonable, good faith review and determination of the nominating and corporate governance committee of the Board (the “Nominating Committee”) that the election of such director not result in either (i) the Corporation being in violation of any rules and regulations (including the independence and other director qualification requirements) of the Securities and Exchange Commission or any national securities exchange on which the Corporation’s securities are then listed or any other applicable law or (ii) a determination that such appointment would constitute a change in control of the Company under the Company’s governing documents or applicable law, in the case of each of the foregoing clauses (i) and (ii) as reasonably determined in good faith by the Nominating Committee upon the written advice of counsel (which such advice shall be shared with the holders of the Investor Preferred Stock), and any such director following appointment shall be designated by the Nominating Committee (or Board) to a class of common directors for approval by the stockholders of the Company at the applicable annual meeting of stockholders. In the event that any such fourth director designated pursuant to the foregoing sentence is not approved by the stockholders of the Company at the applicable annual meeting of stockholders, the holders of record of the shares of Investor Preferred Stock shall have the right to appoint and elect a replacement for such director, in each case pursuant to the Nominating Committee approval requirements set forth above, which such director following Nominating Committee approval shall be designated to the same class of common directors as the prior appointee for approval by the stockholders of the Company at the applicable annual meeting of stockholders to approve directors of such class. . To the extent one or more directors are appointed and elected as provided in this Section 6.2(a), for each committee of the Board for which at least one such director is qualified under applicable law and the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed to serve, the Board shall invite at least one such director, so qualified, to serve on such committee. The appointment and election of any director pursuant to this Section 6.2(a) may be made by, and only by, the affirmative vote of the holders of record of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders. Any director appointed and elected as provided in this Section 6.2(a) may be removed without cause by, and only by, the affirmative vote of the holders of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders, and any such notification may be made by electronic mail directed to the Secretary of the Corporation. In the event that a director appointed and elected by the holders of Investor Preferred Stock resigns or is unable to serve as a member of the Board, the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect a director to fill such vacancy. Any appointment or removal of any director pursuant to this Section 6.2(a) shall be effective immediately upon delivery to the Corporation of a notification of the results of the applicable special meeting or upon delivery of the applicable written consent, as the case may be. If the holders of the Investor Preferred Stock fail to appoint a sufficient number of directors to fill all directorships for which they are entitled to appoint directors pursuant to this Section 6.2(a) (including following the removal or resignation of any such director or the inability of any such director to serve on the Board), then any directorship not so filled shall remain vacant until such time as the holders of the Investor Preferred Stock appoint and elect an individual to fill such directorship voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a); and no such directorship may be filled other than by the holders of the Investor Preferred Stock, voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a). For the avoidance of doubt, the rights provided by this Section 6.2(a) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint and elect a maximum of four (4) directors of the Corporation pursuant to the designation rights provided by the certificates of designations governing the Investor Preferred Stock.

(b) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of Investor Preferred Stock share the right to appoint one non-voting observer to the Board (the “**Board Observer**”). The Board shall permit the Board Observer to attend all meetings of the Board and of any committee thereof as a non-voting observer, in each case to the extent permissible under applicable law or the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed, and will give such individual notice of such meetings at the same time and in the same manner as notice is provided to the members of the Board. The Board Observer shall be entitled to concurrent receipt of any materials provided to the Board or any committee thereof, provided, that the Board Observer shall agree to hold in confidence and trust all information so provided; and provided further, that the Board may withhold any information and exclude the Board Observer from any meeting or portion thereof for any legitimate business or legal reason (as determined in the Board’s sole discretion). The Board will provide expense reimbursement to any Board Observer on the same basis as if such Board Observer were a director of the Corporation. For the avoidance of doubt, the rights provided by this Section 6.2(b) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint one (1) Board Observer pursuant to the designation rights provided by the certificate of designations governing the Investor Preferred Stock.

At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of the Investor Preferred Stock shall, by exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement or conversion of the Investor Preferred Stock, be deemed to have agreed to not vote any shares of Common Stock they receive upon the conversion of any Investor Preferred Stock or the exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement in any election of directors.

6.3 Preferred Stock Protective Provisions. Until the later of (i) such time when the holders of Investor Preferred Stock shall no longer beneficially own at least 5% of the outstanding capital stock of the Corporation and (ii) five (5) years following the Original Issue Date, the Corporation shall not, either directly or indirectly by amendment, merger, consolidation, domestication, transfer, continuance, recapitalization, reclassification, waiver, statutory conversion, or otherwise, effect or validate any of the following acts or transactions without (in addition to any other vote required by law or the Restated Certificate) the written consent or affirmative vote of a majority of the outstanding shares of preferred stock (the “**Investor Preferred Stock**”) issued pursuant to that certain Securities Purchase Agreement, dated as of June 21, 2024, by and among the Corporation and CCM Denali Equity Holdings, LP (the “**Securities Purchase Agreement**”) or that certain Credit and Guaranty Agreement, dated as of the date hereof, by and among the Corporation, the guarantors party thereto, the various lenders thereto and CCM Denali Debt Holdings, LP, as Administrative Agent and Collateral Agent (the “**Credit Agreement**”), and any such act or transaction that has not been approved by such consent or vote prior to such act or transaction being effected shall be null and void ab initio, and of no force or effect:

(b) amend, alter, repeal or waive any provision of the Restated Certificate or Bylaws of the Corporation in a manner that would adversely affect the special rights, powers, preferences or privileges of the Preferred Stock (or any series thereof);

(c) create or issue, or obligate itself to issue, shares of, or reclassify, any capital stock of the Corporation other than Excluded Issuances;

(d) increase or decrease the authorized number of shares of Preferred Stock, or create any additional class or series of capital stock of the Corporation (other than increases in the number of the authorized shares of Common Stock); or

(e) purchase or redeem (or permit any subsidiary to purchase or redeem) or pay or declare any dividend or make any distribution on, any shares of capital stock of the Corporation, other than (i) redemptions of or dividends or distributions on the Investor Preferred Stock as expressly authorized herein or in the certificate of designations of any Investor Preferred Stock, and (ii) dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock;

provided, however, holders of Investor Preferred Stock shall have the right set forth in Section 6.3(b) so long as any shares of Investor Preferred Stock remain outstanding.

SECTION 7. CONVERSION. The shares of Series A-1 Preferred Stock shall not be convertible into shares of Common Stock or any other securities of the Corporation. Notwithstanding the foregoing, on the second (2nd) business day after the date that the Corporation receives the Requisite Stockholder Approval (as defined in the Credit Agreement), each share of Series A-1 Preferred Stock shall convert into a number of shares of Series B-1 Preferred Stock, having the terms and conditions set forth in Exhibit B to the Securities Purchase Agreement, initially convertible into a number of shares of Common Stock equal to the number of shares of Common Stock represented by the Series A-1 Liquidation Value, provided that the holders of Series A-1 Preferred Stock shall have the option to request, in writing, that any portion of the Series A-1 Preferred Stock not be so converted. With respect to any shares of Series A-1 Preferred Stock that remain outstanding after the Corporation receives the Requisite Stockholder Approval (as defined in the Credit Agreement), the Corporation shall be required to convert such shares into shares of Series B-1 Preferred Stock pursuant to this Section 7 within five (5) business days of receiving a written request (which may be by electronic mail) from the holders of such shares. The Series B-1 Preferred Stock shall have substantively similar terms to the Series A-1 Stock, except that the Series B-1 Preferred Stock shall be convertible into Common Stock, and include conversion and antidilution terms related thereto, shall provide the holders thereof certain pre-emptive rights to participate in future offerings of equity securities by the Corporation and shall include a provision that limits the beneficial ownership of the holders thereof (together with any group of which such holders are a member) to no more than 49.9% (the “**Beneficial Ownership Limitation**”) of the number of shares of Common Stock then issued and outstanding, all as set forth in Exhibit B to the Securities Purchase Agreement. Notwithstanding the foregoing, by written notice to the Corporation, any holder may amend the Beneficial Ownership Limitation percentage with respect to such holder to any percentage that is lower than or equal to 49.9%.

SECTION 8. REDEMPTION.

8.1 Redemption and Redemption Price. At any time after the fifth anniversary of the Original Issue Date, any holder of the shares of Series A-1 Preferred Stock may, at its option, require the Corporation to redeem the Series A-1 Preferred Stock, in whole or in part, owned by such holder at the Redemption Price (as defined below); provided, however, that the Corporation shall not redeem or be required to redeem any shares of Series A-1 Preferred Stock or give notice of any redemption unless the Corporation has sufficient and lawful funds to redeem the shares to be redeemed. The redemption price of the Series A-1 Preferred Stock shall be an amount per share equal to the greater of (i) the Original Issue Price plus all accrued and unpaid dividends thereon, up to and including the Redemption Date and (ii) the number of shares of Common Stock represented by the Series A-1 Liquidation Value multiplied by the average of the closing sale price of the Common Stock for the five (5) Business Days immediately prior to the Redemption Date plus all accrued and unpaid dividends thereon, up to and including the Redemption Date (the "**Redemption Price**"). The Redemption Price must be paid in cash.

8.2 Redemption Notice. A holder of Series A-1 Preferred Stock shall, not less than thirty (30) days nor more than sixty (60) days prior to the date of redemption, give written notice to the Corporation of the shares of Series A-1 Preferred Stock required to be redeemed. For purposes of this Certificate of Designation, the date upon which a holder of Series A-1 Preferred Stock desires the redemption to take effect, shall be the "**Redemption Date**," and the written notice given by a holder of Series A-1 Preferred Stock to the Corporation in connection with such redemption, shall be the "**Redemption Notice**." The Redemption Notice shall state the total number of shares required by the holder of Series A-1 Preferred Stock to be redeemed and the Redemption Date. Promptly following receipt of a Redemption Notice given by a holder of Series A-1 Preferred Stock, the Corporation shall notify such holder of the time, place and manner in which the holder is to surrender to the Corporation the certificate or certificates representing the shares of Series A-1 Preferred Stock required to be redeemed.

8.3 Payment of Redemption Price and Surrender of Stock. On the Redemption Date, the Redemption Price of the Series A-1 Preferred Stock required by the holder thereof to be redeemed shall be payable to the holder(s) of the Series A-1 Preferred Stock being so redeemed. On or before the Redemption Date, each holder of Series A-1 Preferred Stock required by the holder thereof to be redeemed shall surrender the certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the notice of the Corporation described in Section 8.2 above, and thereupon the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be cancelled and retired.

8.4 Termination of Rights. If the Redemption Notice is duly given, and if at least ten (10) days prior to the Redemption Date the Redemption Price is either paid or made available for payment through the arrangement specified in Section 8.5 below, then notwithstanding that the certificates evidencing any of the shares of Series A-1 Preferred Stock so called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, have not been surrendered, all rights with respect to such shares shall forthwith after the Redemption Date cease, except only the right of the holders to receive the Redemption Price without interest upon surrender of their certificates therefor.

8.5 Deposit of Funds. At least ten (10) days prior to the Redemption Date, the Corporation may, but shall not be obligated to, deposit with any bank or trust company in San Francisco, California, having a capital and surplus of at least \$1 billion as a trust fund, a sum equal to the aggregate Redemption Price of all shares of the Series A-1 Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, and not yet redeemed, with irrevocable instructions and authority to the bank or trust company to pay, on or after the Redemption Date or prior thereto, the Redemption Price to the respective holders upon the surrender of their share certificates. The deposit, if made, shall constitute full payment of the shares of Series A-1 Preferred Stock to their holders, and from and after the date of such deposit (even if prior to the Redemption Date), the shares of Series A-1 Preferred Stock shall be deemed to be redeemed and no longer outstanding, and the holders thereof shall cease to be shareholders with respect to such shares and shall have no rights with respect thereto, except the right to receive from the bank or trust company payment of the Redemption Price of the shares, without interest, upon surrender of their certificates therefor. Any monies so deposited and unclaimed at the end of one (1) year from the Redemption Date shall be released or repaid to the Corporation, after which the holders of shares of Series A-1 Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, shall be entitled to receive payment of the Redemption Price only from the Corporation.

SECTION 9. ANTI-DILUTION ADJUSTMENTS.

9.1 Stock Dividends, Splits, Etc. If the Corporation declares or pays a dividend or distribution on the outstanding shares of Common Stock or securities convertible into, exercisable or exchangeable for, or which otherwise entitles the holder thereof to acquire, any shares of Common Stock ("**Convertible Securities**") then the Series A-1 Liquidation Value of each share of Series A-1 Preferred Stock shall be increased by the total shares of Common Stock issued (or issuable in the case of Convertible Securities) that would have been issued to a holder of the number of shares of Common Stock equal to the number of shares of Common Stock represented by the Series A-1 Liquidation Value immediately prior to such dividend or distribution. If the Corporation subdivides the Common Stock by reclassification or otherwise into a greater number of shares, the number of shares of Common Stock represented by the Series A-1 Liquidation Value shall be proportionately increased, provided the Original Issue Price shall remain the same. If the outstanding shares of the Common Stock are combined or consolidated, by reclassification or otherwise, into a lesser number of shares, the Series A-1 Liquidation Value shall be proportionately decreased, provided the Original Issue Price shall remain the same.

9.2 Reclassification, Exchange, Combinations or Substitution. Upon any event whereby all of the outstanding shares of Common Stock are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Corporation securities of a different class and/or series, then from and after the consummation of such event, the Series A-1 Liquidation Value should be equal to the number, class and series of Corporation securities that a holder of the number of shares of Common Stock equal to the Series A-1 Liquidation Value immediately prior to such reclassification, exchange, combination or substitution would have received, provided the Original Issue Price shall remain the same, subject to further adjustment thereafter from time to time in accordance with the provisions hereof. The provisions of this Section 9.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

9.3 Adjustment for Issuance of Applicable Shares. If the Corporation shall issue or sell any shares of Common Stock (other than shares included in the Excluded Issuances, as defined below) ("**Applicable Shares**"), or options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares, in each case without consideration or for a consideration per share initially deliverable upon issuance, conversion or exchange of such securities less than the quotient of the then applicable Original Issue Price divided by the number of shares of Common Stock represented by the then applicable Series A-1 Liquidation Value, as may be adjusted to account for stock splits, stock combinations, stock dividends or other distributions and recapitalizations affecting the Common Stock (the "**Original Issue Price Per Share**"), then effective immediately upon such issuance or sale, the Series A-1 Liquidation Value immediately prior to any such issuance or sale shall be increased, and shall not be reduced, in accordance with the following formula:

$$LV_1 = LV_0 \times [(OS + D) / (OS + PS)]$$

LV₁ = new number of shares of Common Stock equal to the Series A-1 Liquidation Value

LV₀ = then applicable number of shares of Common Stock equal to the Series A-1 Liquidation Value

OS = the number of shares of Common Stock outstanding immediately prior to the issuance of such securities

D = the maximum number of shares of Common Stock deliverable upon issuance of such securities

PS = the aggregate number of shares of Common Stock which the aggregate amount of consideration received by the Corporation upon such issuance or sale would have purchased at the Original Issue Price Per Share.

9.4 Exceptions to Adjustments. Except as specifically provided for herein, there shall be no adjustment or readjustment to the Series A-1 Liquidation Value in the following circumstances (each of the following, an “**Excluded Issuance**”): (1) securities issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement or upon the exercise of warrants or conversion of preferred stock issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement; (2) upon conversion, exercise or exchange of securities, including convertible debt securities and convertible debt securities issued as payment-in-kind interest thereon, outstanding prior to the date of this Certificate of Designation without alteration; (3) pursuant to agreements in effect as of date of this Certificate of Designation (provided that such agreements are not amended, amended and restated, modified or supplemented after the date of this Certificate of Designation to increase the number of securities, reduce the consideration payable in connection with such securities, or otherwise change the terms of such agreements so as to have a dilutive effect on this Certificate of Designation (or any securities issued or issuable hereunder)); (4) the issuance of Common Stock (or options or other similar instruments convertible into Common Stock) to the Corporation’s management, directors or other service providers pursuant to compensation and incentive programs approved by the Board; and (5) the issuance of Common Stock pursuant to any registered offering of Common Stock or a private placement of Common Stock in accordance with the exemptions provided under Section 4(a)(2) of the Securities Act, as amended, each as principally for bona fide equity financing purposes; provided, however, that clause (5) of the definition of Excluded Issuance shall only be an Excluded Issuance for the purposes of Section 6.3(c) of this Certificate of Designation (and, for the avoidance of doubt, not an “Excluded Issuance” for any other purposes (including, without limitation, any anti-dilution adjustments in this Certificate of Designation)).

9.5 Expiration of Securities. Upon the expiration or termination of any unexercised options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Series A-1 Liquidation Value, the Series A-1 Liquidation Value shall be readjusted to such Series A-1 Liquidation Value as would have been in effect had such options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) never been issued.

9.6 Warrant Anti-dilution Adjustments. To the extent any warrant issued pursuant to the Securities Purchase Agreement and Credit Agreement so requires, the number of shares of Common Stock the Series A-1 Liquidation Value represents shall be increased as set forth in the terms of such warrant. To the extent the Series A-1 Liquidation Value is increased pursuant to this Section 9.6, the Series A-1 Liquidation Value as so increased shall benefit from the anti-dilution protections of this Section 9 thereafter.

9.7 Certain Events. If any event of the type contemplated by the provisions of this Section 9.7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features) occurs, then the Board shall make an appropriate adjustment in the number of the Series A-1 Liquidation Value so as to protect the rights of the holders of the Series A-1 Preferred Stock in a manner consistent with the provisions of this Section; provided, that no such adjustment pursuant to this Section 9.7 shall decrease the Original Issue Price or decrease the Series A-1 Liquidation Value.

9.8 Calculations. All calculations under this Section 9.8 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 9.8, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

9.9 Notice of Adjustments. Whenever the Series A-1 Liquidation Value is adjusted as provided under this Section 9, the Corporation shall, as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Corporation is not aware of such occurrence, as soon as reasonably practicable after becoming so aware), provide a written notice to the holders of the Series A-1 Preferred Stock of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Series A-1 Liquidation Value was determined and setting forth the adjusted applicable Series A-1 Liquidation Value.

SECTION 10. NO RE-ISSUANCE OF PREFERRED STOCK. No shares of Series A-1 Preferred Stock redeemed, purchased or acquired by the Corporation shall be reissued, and all such shares shall be canceled and eliminated from the shares the Corporation shall be authorized to issue.

SECTION 11. AMENDMENT, SUPPLEMENT AND WAIVER. Without the consent of a majority of holders of the Series A-1 Preferred Stock, the Corporation may amend or supplement this Certificate of Designation to make any change that would grant any additional rights or benefits to the holders of the Series A-1 Preferred Stock or that does not affect the legal rights under this Certificate of Designation of any such holder.

SECTION 12. LOST OR MUTILATED SERIES A-1 PREFERRED STOCK CERTIFICATE. If a holder's Series A-1 Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series A-1 Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership thereof, reasonably satisfactory to the Corporation and, in each case, customary and reasonable indemnity, if requested. Applicants for a new certificate under such circumstances shall also comply with such other reasonable regulations and procedures as the Corporation may prescribe.

SECTION 13. NO IMPAIRMENT. The Corporation will not, by amendment of its Restated Certificate or Bylaws or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Certificate of Designation and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders against impairment.

SECTION 14. SEVERABILITY. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

SECTION 15. DISPUTE RESOLUTION.

15.1 **Submission to Dispute Resolution.** In the case of a dispute relating to an Original Issuance Price, a Redemption Price, a Series A-1 Liquidation Value and fair market value or any other computation to be made hereunder (each of the foregoing a "**Disputed Calculation**" and together the "**Disputed Calculations**") or the arithmetic calculation of any of the foregoing (as the case may be) (including, without limitation, a dispute relating to the determination of any of the foregoing), the Corporation or the applicable holder (as the case may be) (the "**Disputing Party**") shall notify the other party (the "**Responding Party**") of the dispute via electronic mail (A) if by the Corporation, within two (2) Business Days after the occurrence of the circumstances giving rise to such dispute or (B) if by such holder at any time after such holder learned of the circumstances giving rise to such dispute. If the Disputing Party and the Responding Party are unable to promptly resolve such dispute relating to such Disputed Calculation, or the arithmetic calculation of such Disputed Calculation (as the case may be), at any time after the fifth (5th) Business Day following such initial notice by the Disputing Party to the Responding Party, then the Disputing Party may select and submit to the Responding Party via electronic email a list of independent, reputable investment banks to resolve such dispute (the "**Disputing Party's Selection List**"). If the Responding Party objects to all such independent, reputable investment banks included in the Disputing Party's Selection List, then the Responding Party may submit to the Disputing Party via electronic mail an alternative list of independent, reputable investment banks (the "**Responding Party's Selection List**") within ten (10) Business Days of receiving the Disputing Party's Selection List. If the Disputing Party objects to all such independent, reputable investment banks on the Responding Party's Selection List, then the Disputing Party must notify the Responding Party via electronic mail of such objection within ten (10) Business Days of receiving the Responding Party's Selection List (the "**Selection Deadline**"). Following which, each of the Disputing Party and the Responding Party shall select an independent, reputable investment bank within five (5) Business Days of the Selection Deadline (the "**Alternative Selection Deadline**"), and the two selected independent, reputable investment banks shall have five (5) Business Days from the Alternative Selection Deadline to select a third independent, reputable investment bank to resolve the dispute (the "**Final Selection Deadline**"). The Disputing Party and the Responding Party shall take all such reasonable steps necessary to jointly engage the appointed bank as shortly thereafter as reasonably possible, and in any event, within ten (10) Business Days of the Final Selection Deadline.

15.2 The Disputing Party and the Responding Party shall each deliver to the investment bank engaged pursuant to the procedures set forth in Section 15.1 (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of Section 15.1 and (B) written documentation supporting such respective party's position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5th) Business Day immediately following the date on which such investment bank was engaged (the "**Dispute Submission Deadline**") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "**Required Dispute Documentation**") (it being understood and agreed that if either the Disputing Party and the Responding Party fails to raise any claims in the Required Dispute Documentation it submits by the Dispute Submission Deadline, then the party who fails to raise such claim in the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) raise such claim to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on the claims raised in the Required Dispute Documentation that was delivered to such investment bank prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Disputing Party and the Responding Party or otherwise requested by such investment bank, neither the Disputing Party nor the Responding Party shall be entitled to deliver or submit any written documentation or other support to such investment bank in connection with such dispute (other than the Required Dispute Documentation).

15.3 The Disputing Party and the Responding Party shall use their reasonable best efforts to cause the investment bank engaged pursuant to Section 15.1 to determine the resolution of such dispute and notify the Disputing Party and the Responding Party of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. The fees and expenses of such investment bank shall be borne solely by the Corporation, and such investment bank's resolution of such dispute shall be final and binding upon all parties absent manifest error.

15.4 Notwithstanding anything to the contrary set forth in this Section 15, nothing in this Section 15 shall limit a holder's right to pursue any and all remedies available to it, at law, in equity or otherwise, including, without limitation, any action seeking the entry of an order specifically enforcing the terms and conditions hereof, granting injunctive relief and/or awarding damages arising from any breach or threatened breach of this Section 15 or any other Section hereof. Any holder may choose to seek an alternative remedy in lieu of or in addition to effectuating the dispute resolution procedures provided in this Section 15 by providing written notice to the Corporation of its intent to do so at any time prior to the Selection Deadline.

SECTION 16. CORPORATE OPPORTUNITIES. Notwithstanding anything contained herein or in any other Transaction Documents (as defined in the Securities Purchase Agreement), each of the holders of Investor Preferred Stock, any of their respective Affiliates and any of its or their respective directors, officers, employees and consultants, including any director appointed to the Board pursuant to Section 6.2(a) (collectively, the "**Investor Related Parties**"), may freely offer to any other Person or effect on behalf of itself or any other Person any other investment or business opportunity or prospective economic advantage, including those competitive with the business of the Corporation, or other transactions in which the Corporation, its subsidiaries, any member of the Board or any other shareholder of the Corporation may have an interest or expectancy, including as a result of any fiduciary duties applicable to such Person ("**Investor Transactions**"), unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, such Investor Related Party expressly and solely in such Investor Related Party's capacity as a director of the Corporation, in each case without any prior Corporation, Board or stockholder notification or approval; provided, that if the Corporation, to the Investor Related Party's knowledge, is considering the same Investor Transaction, the Investor Related Party will promptly notify the Corporation of its interest in such Investor Transaction and cause each member of the Board that is an Investor Related Party to recuse himself from all Board discussions and activities relating to such Investor Transaction. Without limiting the generality of the foregoing, the Corporation agrees and acknowledges that Investor Related Parties and their respective Affiliates may have both passive and non-passive interests in Persons deemed competitors of the Corporation, and that the provisions of the immediately preceding sentence shall be applicable to such competitors, their respective Affiliates and any of their respective directors, officers and employees in respect thereof. Any person or entity purchasing, holding or otherwise acquiring any interest in any shares of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Section 16.

Any requirement for a referenced agreement, instrument, certificate or other document to be in "substantially" the form of an Appendix, Schedule, or Exhibit hereto means that such referenced document shall be in the form of such Appendix, Schedule, or Exhibit with such modifications to such form as are approved by Administrative Agent, and, in the case of any Collateral Document, Collateral Agent, in each case in such Agent's sole discretion. The words "hereof", "hereunder", "hereby", and words of similar import used in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement.

(c) The use herein of the word "include" or "including," when following any general statement, term or matter, shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as "without limitation" or "but not limited to" or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that fall within the broadest possible scope of such general statement, term or matter.

(d) The word "will" shall be construed to have the same meaning and effect as the word "shall".

(e) Unless the context requires otherwise (i) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as it was originally executed or as it may from time to time be amended, restated, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (ii) any reference herein to any Person shall be construed to include such Person's successors and permitted assigns, (iii) the words "hereof", "herein" and "hereunder" and words of similar import shall be construed to refer to this Agreement as a whole and not to any particular provision hereof, (iv) except as otherwise expressly provided herein, references to statutes, legislative acts, laws, regulations, and rules shall be deemed to refer to such statutes, acts, laws, regulations, and rules as in effect from time to time, including any amendments of the same and any successor statutes, acts, laws, regulations, and rules, unless any such reference is expressly limited to refer to any statute, act, law, regulation, or rule "as in effect on" a specified date and (v) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including Cash, Securities, accounts and contract rights.

(g) The terms lease and license shall be construed to include sub-lease and sub-license.

(h) Whenever the context may require, any pronoun shall be construed to include the corresponding masculine, feminine, and neuter forms.

(i) Unless otherwise expressly stated, if a Person may not take an action under this Agreement, then it may not take that action indirectly, or take any action assisting or supporting any other Person in taking that action directly or indirectly. “Taking an action indirectly” means taking an action that is not expressly prohibited for the Person but is intended to have substantially the same effects as the prohibited action. Except as otherwise provided therein, this [Section 1.3](#) shall apply equally to each other Credit Document as if fully set forth therein, *mutatis mutandis*.

1.4 Divisions. For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Capital Stock at such time. Any reference herein to a merger, transfer, consolidation, amalgamation, assignment, sale, or disposition, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability companies (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, assignment, sale, or disposition, or similar term, as applicable, to, of or with a separate Person.

For the avoidance of doubt, the Lenders shall have no obligation to make the Term Loans under clauses (ii) through (iv) above unless or until the applicable milestone event set forth in the Milestone Schedule has been satisfied (or otherwise waived) in accordance with the terms thereof. Each Borrowing Request shall be irrevocable; provided that, without limiting Section 3.2(e), Borrowing Requests for a Delayed Draw Term Loan may be expressly conditioned upon the compliance with the applicable milestone event set forth in the Milestone Schedule, in each case, to the extent that Borrower reasonably believes (at such time and continuing through the Borrowing Date) such milestone event will be achieved or satisfied in accordance with the terms thereof. Promptly upon receipt by Administrative Agent of such Borrowing Request for Term Loans, Administrative Agent shall notify each Lender of the proposed borrowing.

(ii) Each Lender shall make its Term Loan available to Administrative Agent not later than 11:00 a.m. (New York City time) on the Closing Date (or such later time as Administrative Agent may agree in its sole discretion), by wire transfer of same day funds in Dollars, at Administrative Agent's Principal Office. No portion of the proceeds of any Loan shall be used in any manner that causes or might cause such Loan or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Federal Reserve Board or any other regulation thereof or to violate the Exchange Act.

2.4 Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of Borrower to such Lender, including the amounts of the Loans made by it (including Capitalized Interest) and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on Borrower, absent manifest error; provided that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Commitments or Borrower's Obligations in respect of any Loans; provided, further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Notes. If so requested by any Lender by written notice to Borrower at least two (2) Business Days prior to the Closing Date, or at any time thereafter, Borrower shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after Borrower's receipt of such notice) a Note or Notes to evidence such Lender's Loans.

<u>Applicable Period</u>	<u>Interest Rate</u>

October 20, 2024 to November 18, 2024	17%
November 19, 2024 to December 18, 2024	18%
December 19, 2024 to January 17, 2025	19%
January 18, 2025 to the Approval Date	20%

(b) Except as otherwise set forth herein, interest on each Loan shall be payable in arrears (i) daily (unless the cash interest election has been made or deemed made pursuant to Section 2.5(d)), (ii) upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid, and (iii) at maturity, including final maturity.

(c) Interest payable shall be computed on the basis of a 360-day year for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan (or, in the case of Capitalized Interest, the date of such capitalization, which is daily on each calendar day) shall be included, and the date of payment in cash of such Loan, shall be excluded; provided that, if a Loan is repaid on the same day on which it is made, one (1) day's interest shall be paid on that Loan. In computing interest on any other Obligation, the date such Obligation is due and payable shall be included, and the date of payment of such Obligation shall be excluded; provided, further, that, if such Obligation is repaid on the same day on which it is due and payable, no interest shall accrue thereon.

(d) All accrued and unpaid interest on the Loans (other than interest accruing at the Default Rate which, for the avoidance of doubt, shall be payable in cash on demand by Administrative Agent) shall be due and payable, in arrears, on a daily basis as compounded interest, added on a daily basis to the then outstanding principal balance of the Loans, which thereafter accrues interest at the then applicable rate (each such addition, "Capitalized Interest"); provided that Borrower may elect to pay interest in cash in arrears for any calendar month by providing written notice to Administrative Agent (in form and substance satisfactory to Administrative Agent in its sole discretion) at least five (5) Business Days prior to the end of such calendar month (in which case the interest for such month shall not be capitalized and shall instead be paid in cash on the last calendar day of each month (or, if such date is not a Business Day, on the next Business Day, including interest to, but excluding, such Business Day)); provided, further, that upon the occurrence and continuance of a Default or Event of Default, Borrower shall be deemed to have made such election and all interest shall be due and payable in cash as set forth in the preceding proviso. Interest shall also be paid on the date of any payment or prepayment of the Loans. All Capitalized Interest shall constitute additional principal on the Loans and shall begin accruing interest thereon commencing on the date on which such Capitalized Interest is added to the principal amount of the Loans on a daily basis each calendar day. Notwithstanding anything herein to the contrary, all interest due and payable on the date that the entire then outstanding principal amount of the Loans becomes due and payable (including, without limitation, all Capitalized Interest), whether at maturity, by acceleration or otherwise, shall be due and payable in full in cash on such date. All amounts (including fees, costs, expenses, indemnification obligations or other amounts payable hereunder or under any other Credit Document) shall constitute Obligations secured by the Collateral and, if not paid in cash when due, shall bear interest at the rate then applicable to Loans. Any portion of such interest that has accrued pursuant to this Section 2.5 that is not permitted to be capitalized pursuant to this clause (d) shall be paid in cash.

(e) Each determination of an interest rate by Administrative Agent pursuant to any provision of this Agreement or any other Credit Document shall be conclusive and binding on Borrower and the Lenders in the absence of manifest error.

2.6 Default Interest. Automatically upon the occurrence and during the continuance of any Event of Default, the principal amount of all Loans outstanding (inclusive of any Capitalized Interest) and, to the extent permitted by applicable law, any accrued and unpaid interest on the Loans and all Obligations (to the extent not paid when due) owed under any Credit Document, shall bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable Debtor Relief Laws) payable on demand at a rate (the "Default Rate") that is five percent (5.00%) per annum in excess of the Interest Rate. Payment or acceptance of the increased rates of interest provided for in this Section 2.6 is not a permitted alternative to timely payment and shall not constitute a waiver of any Default or Event of Default or otherwise prejudice or limit any rights or remedies of any Agent or Lender. Default interest payable pursuant to this Section 2.6 shall be computed on the basis of a 360-day year, for the actual number of days elapsed in the period during which it accrues. Interest at the Default Rate shall be payable in cash on demand.

(a) Term Loans. Except as expressly provided in Section 2.8 and Section 2.10, at any time on or prior to June 21, 2027, Borrower may not prepay any Term Loans (whether in whole or in part) unless Administrative Agent consents to any such prepayment in its sole discretion. At any time after June 21, 2027, Borrower may prepay the Term Loans on any Business Day, in whole or in part, by giving written notice to Administrative Agent (and Administrative Agent will promptly notify each Lender) no later than 11:00 a.m. (New York City time) twelve (12) Business Days prior to the date of such prepayment, in each case, together with any fees required to be repaid pursuant to the Fee Letter. Each such notice shall be irrevocable and shall specify the proposed date of such prepayment and the principal amount of the Term Loans or portion thereof to be prepaid. If such notice is given, the aggregate amount specified in such notice shall be due and payable on the date designated in such notice. Each partial prepayment of the Term Loans shall be in an amount not less than Twenty Million Dollars (\$20,000,000) and integral multiples of Ten Million Dollars (\$10,000,000) in excess of that amount. Any such voluntary prepayment shall be applied as specified in Section 2.11(a).

(b) Revolving Loans. Borrower may prepay the Revolving Loans on any Business Day, in whole or in part, by giving written notice to Administrative Agent (and Administrative Agent will promptly notify each Lender) no later than 11:00 a.m. (New York City time) twelve (12) Business Days prior to the date of such prepayment, in each case, together with any accrued and unpaid interest and any fees required to be repaid pursuant to the Fee Letter. Each such notice shall be irrevocable and shall specify the proposed date of such prepayment and the principal amount of the Revolving Loans or portion thereof to be prepaid. If such notice is given, the aggregate amount specified in such notice shall be due and payable on the date designated in such notice. Each partial prepayment of the Revolving Loans shall be in an amount not less than One Million Dollars (\$1,000,000) and integral multiples of One Million Dollars (\$1,000,000) in excess of that amount. Any such voluntary prepayment shall be applied as specified in Section 2.11(a).

2.10 Mandatory Prepayments.

(a) Asset Sales. No later than the second (2nd) Business Day following the date of receipt by any Credit Party or any of its Subsidiaries of any Net Cash Proceeds in respect of any Asset Sale in excess of Three Million Dollars (\$3,000,000) in the aggregate in any Fiscal Year, Borrower shall prepay the Term Loans as set forth in Section 2.11(a) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided, that, upon written notice by the Borrower to the Administrative Agent not more than two (2) Business Days following receipt of such Net Cash Proceeds, such Net Cash Proceeds shall be excluded from the prepayment requirements of this 2.10(a) if (x) the Borrower shall deliver to the Administrative Agent a certificate to the effect that the Borrower intends to apply the Net Cash Proceeds (or a portion thereof specified in such notice) to reinvest such Net Cash Proceeds in long term assets used or useful in the business of the Credit Parties within one hundred eighty (180) days after receipt of such Net Cash Proceeds (any such event, a "Asset Sale Reinvestment"), and certifying therein that no Event of Default exists prior to giving such notice and prior to or after giving effect to such Asset Sale Reinvestment, and (y) within one hundred eighty (180) days from the date of receipt of such Net Cash Proceeds, such Net Cash Proceeds shall be applied to such Asset Sale Reinvestment; provided, further, however, that the amount of such Net Cash Proceeds (i) that the Borrower or the applicable Credit Party or Subsidiary of any Credit Party shall have determined not to, or shall have otherwise ceased to, or is not able to, by operation of contract or law or otherwise (including not being able to make the certifications required pursuant to this clause (i) above), apply toward an Asset Sale Reinvestment or (ii) that have not been so applied toward an Asset Sale Reinvestment by the end of such one hundred eighty (180)-day period, in each case shall be applied to a mandatory prepayment of the Loans pursuant to this Section 2.10(a); provided, further, that no prepayment under this clause (a) shall be required for any Permitted Tax Credit Transaction consisting solely of an outright sale of such Production Tax Credits to a third party that is not an Affiliate and not in connection with a securitization or other financing transaction (it being understood, for the avoidance of doubt, that Net Cash Proceeds from any Permitted Tax Credit Transaction that is a securitization or other financing transaction shall be subject to prepayment pursuant to this clause (a)).

(b) Insurance/Condemnation Proceeds. No later than the second (2nd) Business Day following the date of receipt by any Credit Party or any of its Subsidiaries (and immediately upon the direct receipt by Collateral Agent as lender loss payee of any Net Cash Proceeds of the type described in this clause (b) of the definition thereof), Borrower shall prepay the Term Loans as set forth in Section 2.11(a) in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds of the type described in clause (b) of the definition thereof; provided, that, with respect to Net Cash Proceeds of the type described in this clause (b), upon written notice by Borrower to Administrative Agent not more than two (2) Business Days following receipt of such Net Cash Proceeds, such Net Cash Proceeds shall be excluded from the prepayment requirements of this clause (b) if (i) Borrower shall deliver to Administrative Agent a certificate to the effect that Borrower intends to apply the Net Cash Proceeds (or a portion thereof specified in such notice) to reinvest such Net Cash Proceeds to restore or replace any assets affected by the related casualty event, within three hundred sixty five (365) days after receipt of such Net Cash Proceeds (any such event, an “Insurance/Condemnation Reinvestment”), and certifying therein that no Default or Event of Default exists prior to giving such notice and prior to or after giving effect to such Insurance/Condemnation Reinvestment, and (ii) within three hundred sixty five (365) days from the date of receipt of such Net Cash Proceeds, such Net Cash Proceeds shall be applied to such Insurance/Condemnation Reinvestment; provided, however, that the amount of such Net Cash Proceeds (x) that Borrower or the applicable Credit Party or Subsidiary of any Credit Party shall have determined not to, or shall have otherwise ceased to, or is not able to, by operation of contract or law or otherwise (including not being able to make the certifications required pursuant to clauses (b)(i) and (ii) above), apply toward an Insurance/Condemnation Reinvestment or (y) that have not been so applied toward an Insurance/Condemnation Reinvestment by the end of such three hundred sixty five (365)-day period, in each case shall be applied to a mandatory prepayment of the Term Loans pursuant to this clause (b).

(c) Issuance of Debt. On the date of receipt by any Credit Party or any of its Subsidiaries of any Net Cash Proceeds from the issuance or incurrence of any Indebtedness of any Credit Party or any of its Subsidiaries (other than with respect to any Indebtedness permitted to be incurred pursuant to Section 6.1), Borrower shall prepay the Term Loans as set forth in Section 2.11(a) in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds.

(d) Extraordinary Receipts. No later than the second (2nd) Business Day following the date of receipt by any Credit Party or any of its Subsidiaries of any Net Cash Proceeds in respect of any Extraordinary Receipt in excess of Five Million Dollars (\$5,000,000) in the aggregate in any Fiscal Year, Borrower shall prepay the Term Loans as set forth in Section 2.11(a) in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds; provided that no prepayment under this clause (d) shall be required for any Permitted Tax Credit Transaction consisting solely of an outright sale of such Production Tax Credits to a third party that is not an Affiliate and not in connection with a securitization or other financing transaction (it being understood, for the avoidance of doubt, that Net Cash Proceeds from any Permitted Tax Credit Transaction that is a securitization or other financing transaction shall be subject to prepayment pursuant to this clause (d)).

(e) Excess Cash Flow. Within twelve (12) Business Days of the date of delivery of the audited financial statements pursuant to Section 5.1(a) (or, if not delivered, the date on which such audited financial statements were required to have been delivered pursuant to Section 5.1(a)), Borrower shall prepay Loans in an aggregate amount equal to Excess Cash Flow for such Fiscal Year multiplied by the ECF Percentage(s) applicable to such Excess Cash Flow for such Fiscal Year; provided that such amount shall be reduced by the aggregate amount of: (i) voluntary prepayments of principal of Term Loans during such Fiscal Year and (ii) Capital Expenditures made in cash during such period to the extent in accordance with the CapEx Budget (other than Capital Expenditures that were financed with the proceeds of Indebtedness or issuances of Capital Stock of Borrower); provided, further, that such amount shall be subject to further reduction ~~as~~ necessary to ensure that, (i) in the case of the first occurrence of a prepayment required under this clause (e) due to Excess Cash Flow exceeding zero Dollars (\$0) for such Fiscal Year, immediately after giving effect to such payment the aggregate amount of Cash and Cash Equivalents held by Borrower and its Subsidiaries is not less than Thirty Million Dollars (\$30,000,000), (ii) in the case of the second occurrence of a prepayment required under this clause (e) due to Excess Cash Flow exceeding zero Dollars (\$0) for such Fiscal Year, immediately after giving effect to such payment the aggregate amount of Cash and Cash Equivalents held by Borrower and its Subsidiaries is not less than Forty Million Dollars (\$40,000,000) and (iii) in the case of the each subsequent occurrence of a prepayment required under this clause (e) due to Excess Cash Flow exceeding zero Dollars (\$0) for such Fiscal Year, immediately after giving effect to such payment the aggregate amount of Cash and Cash Equivalents held by Borrower and its Subsidiaries is not less than Fifty Million Dollars (\$50,000,000). Borrower shall include reasonably detailed calculations of Excess Cash Flow and the prepayment amount (including any component thereof) in the Compliance Certificate required to be delivered with such financial statements and otherwise in accordance with clause (f) below. If such audited financials are not available or not delivered as required, Agent may elect to calculate Excess Cash Flow with reference to the December 31 quarterly financials or monthly financials, as determined by Agent in its sole discretion.

(f) Prepayment Certificate. By or before 12:00 p.m. (New York City time) at least twelve (12) Business Days prior to any prepayment under this Section 2.10 or as soon as practicable thereafter, Borrower shall deliver written notice to Administrative Agent providing the proposed date of the prepayment, a reasonably detailed calculation of the prepayment and the sub-clause of this Section 2.10 pursuant to which the payment is being made. Concurrently with any prepayment of the Term Loans pursuant to Sections 2.10(a) through 2.10(e) or as soon as practicable thereafter, Borrower shall deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the calculation of the amount of the applicable Net Cash Proceeds or Excess Cash Flow (as the case may be), and the Total Prepayment Amount owing to Lenders under the Fee Letter, if any, as the case may be. In the event that Borrower shall subsequently determine that the actual amount received by the Credit Parties or their Subsidiaries exceeded the amount set forth in such certificate, Borrower shall promptly make an additional prepayment of the Term Loans in an amount equal to such excess, and Borrower shall concurrently therewith deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the derivation of such excess.

(g) Prepayments Generally. Nothing contained in this Section 2.10 shall permit any Credit Party or any of its Subsidiaries to take any action that is otherwise prohibited by the terms and conditions of this Agreement.

2.11 Application of Prepayments/Reductions.

(a) Application of Prepayments by Type of Loans. Any voluntary prepayments of Loans pursuant to Section 2.9 and any mandatory prepayment of any Term Loan pursuant to Section 2.10 shall be applied as follows:

first, to the payment of all fees, costs, indemnities or other expenses then due pursuant to this Agreement or in any other Credit Document (including, without limitation, expenses and indemnities specified in Sections 2.10 and 10.3), to the full extent thereof;

second, to the payment of any accrued interest at the Default Rate, if any;

third, to the payment of any accrued interest (other than Default Rate interest);

fourth, to the payment of, as applicable, the Total Prepayment Amount, if any, on any Loan;

fifth, except as otherwise set forth in Section 2.11(b) in connection with any Waivable Mandatory Prepayment, to prepay Term Loans (inclusive of any Capitalized Interest) on a pro rata basis (in accordance with the respective outstanding principal amounts thereof);

sixth, other than with respect to any mandatory prepayment required by Section 2.10, to prepay Revolving Loans (inclusive of any Capitalized Interest) on a pro rata basis (in accordance with the respective outstanding principal amounts thereof);

seventh, to the payment in full of all other Obligations; and

eighth, upon satisfaction in full of all Obligations, to Borrower or as otherwise required by law.

Subject to items “*first*” through “*seventh*” preceding, Administrative Agent shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations.

(b) Waivable Mandatory Prepayment. In the event a Credit Party (or any of its Subsidiaries) is required to make any mandatory prepayment (a “Waivable Mandatory Prepayment”) of the Term Loans, not less than twelve (12) Business Days prior to the date (or such shorter period permitted by Administrative Agent in its sole discretion or as may be required due to the later occurrence of the event giving rise to such requirement) (the “Required Prepayment Date”) on which any Credit Party (or any of its Subsidiaries) is required to make such Waivable Mandatory Prepayment, Borrower shall notify Administrative Agent of the amount of such prepayment in accordance with the requirements set forth in Section 2.10(f), and Administrative Agent will thereafter notify each Lender holding an outstanding Term Loan of the amount of such Lender’s Pro Rata Share of such Waivable Mandatory Prepayment and such Lender’s option to refuse such amount. Each such Lender may exercise such option by giving written notice to Administrative Agent of its election to do so on or before 12:00 p.m. (New York City time) the first (1st) Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify Administrative Agent of its election to exercise such option on or before 12:00 p.m. (New York City time) the first (1st) Business Day prior to the Required Prepayment Date shall be deemed not to have elected to exercise such option). On the Required Prepayment Date, Borrower shall (or cause any Subsidiary to) pay to Administrative Agent an amount (the “Required Mandatory Prepayment Amount”) equal to (x) the amount of the Waivable Mandatory Prepayment less (y) an amount equal to that portion of the Waivable Mandatory Prepayment that would otherwise be payable to those Lenders that have elected to exercise such option. The Required Mandatory Prepayment Amount shall be applied to prepay the Term Loans of those Lenders that have elected (or have been deemed to have elected) not to exercise such option (which prepayment shall be applied in accordance with Section 2.11(a)). Such Required Mandatory Prepayment Amount shall include any fees payable pursuant to the Fee Letter (including without limitation the applicable Total Prepayment Amount).

2.12 General Provisions Regarding Payments.

(a) All payments by Borrower of principal, interest, fees and other Obligations shall be made in Dollars in immediately available funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition, and delivered to Administrative Agent, for the account of Lenders, not later than 12:00 p.m. (New York City time) on the date due at the Principal Office designated by Administrative Agent. For purposes of computing interest and fees, funds received by Administrative Agent after that time on such due date shall be deemed to have been paid by Borrower on the next succeeding Business Day (unless determined otherwise by Administrative Agent in its sole discretion).

(b) All payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) Administrative Agent shall promptly distribute to each Lender at such address or account as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due with respect thereto, including all fees payable with respect thereto, to the extent received by Administrative Agent.

(d) Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder.

(e) Unless Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to Administrative Agent for the account of the Lenders hereunder that Borrower will not make such payment, Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each of the Lenders, severally agrees to repay to Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate reasonably determined by Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) Any payment by or on behalf of Borrower hereunder that is not made in same day funds prior to 11:00 a.m. (New York City time) shall be a non-conforming payment (unless determined otherwise by Administrative Agent in its sole discretion). Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Administrative Agent shall give prompt written notice to Borrower and each applicable Lender (which may be by electronic mail) if any payment is non-conforming. Any non-conforming payment may constitute or become an Event of Default in accordance with the terms of [Section 8.1\(a\)](#). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such payment is actually received by Administrative Agent (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) from the date such amount was due and payable until the date such amount is paid in full and from and after the date such non-conforming payment constitutes an Event of Default such interest shall accrue at the Default Rate determined pursuant to [Section 2.6](#).

(g) If an Event of Default shall have occurred and not otherwise been waived, and the Obligations have become due and payable in full hereunder, whether by acceleration, maturity or otherwise, all payments or proceeds received by any Agent hereunder or under any Collateral Document in respect of any of the Obligations, including, but not limited to all proceeds received by any Agent in respect of any sale, any collection from, or other realization upon all or any part of the Collateral, shall be applied in full or in part as follows: first, to the payment of all costs and expenses of such sale, collection or other realization, including reasonable compensation to each Agent and its agents and counsel, and all other expenses, liabilities and advances made or incurred by any Agent in connection therewith, and all amounts for which any Agent is entitled to indemnification hereunder or under any Collateral Document (in its capacity as an Agent and not as a Lender) and all advances made by any Agent under any Collateral Document (including, without limitation, any Administrative Agent Advances) for the account of the applicable Grantor, and to the payment of all costs and expenses paid or incurred by any Agent in connection with the exercise of any right or remedy hereunder or under any Collateral Document, all in accordance with the terms hereof or thereof; second, to the extent of any excess of such proceeds, to the payment of all other Obligations for the ratable benefit of the Lenders; and third, to the extent of any excess of such proceeds, to the payment to or upon the order of such Grantor or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

2.13 Ratable Sharing. Lenders hereby agree among themselves that, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set-off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Credit Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code or other applicable Debtor Relief Laws, receive payment or reduction of a proportion of the aggregate amount of principal, interest and other amounts then due and owing to such Lender hereunder or under the other Credit Documents (collectively, the "Aggregate Amounts Due" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided that, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. Borrower expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker's lien, set-off or counterclaim with respect to any and all monies owing by Borrower to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder. The provisions of this Section 2.13 shall not be construed to apply to (a) any payment made by or on behalf of Borrower pursuant to and in accordance with the express terms of this Agreement or the Fee Letter or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it in accordance with the express terms of this Agreement.

2.14 Increased Costs; Capital Requirements.

(a) Compensation for Increased Costs. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its Loans, Loan principal, Commitments, or other obligations under the Credit Documents, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or such other Recipient, Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements; Certificates for Reimbursement; Delay in Requests.

(i) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time, Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(ii) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 2.14(a) or 2.14(b) and delivered to Borrower, shall be conclusive absent manifest error. Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(iii) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to Section 2.14(a) or 2.14(b) shall not constitute a waiver of such Lender's right to demand such compensation; provided that Borrower shall not be required to compensate a Lender pursuant to this Section 2.14 for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine month period referred to above shall be extended to include the period of retroactive effect thereof).

2.15 Taxes; Withholding, etc.

(a) Defined Terms. For purposes of this Section 2.15, the term “applicable law” includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.15) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by Borrower. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by Borrower. The Credit Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that a Credit Party has not already indemnified Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 10.6 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by Administrative Agent to the Lender from any other source against any amount due to Administrative Agent under this Section 2.15(e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.15, such Credit Party shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment satisfactory to Administrative Agent in its sole discretion.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of U.S. withholding Tax with respect to payments made under any Credit Document shall deliver to Borrower and Administrative Agent, at the time or times reasonably requested by Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower or Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower or Administrative Agent as will enable Borrower or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.15(g)(ii)(A), 2.15(g)(ii)(B) and 2.15(g)(ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" related to Borrower as described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or Administrative Agent to determine the withholding or deduction required to be made;

(D) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by Borrower or Administrative Agent as may be necessary for Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) Administrative Agent, and any successor or supplemental Administrative Agent, shall deliver to Borrower, on or prior to the date on which it becomes Administrative Agent, either (x) a properly completed and duly signed copy of IRS Form W-9 or (y) a properly completed and duly signed copy of IRS Form W-8ECI with respect to payments to be received under the Credit Documents for its own account and a properly completed and duly signed copy of IRS Form W-8IMY evidencing its agreement with Borrower to be treated as a U.S. person for U.S. federal withholding tax purposes.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.15 (including by the payment of additional amounts pursuant to this Section 2.15), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.15 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this clause (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Tax Treatment. The Credit Parties and the Lenders hereby acknowledge and agree that, for U.S. federal income tax purposes,

(i) Each Term Loan shall be treated as debt (and not as equity) under Section 385 of the Internal Revenue Code and the Treasury Regulations promulgated thereunder, and shall be treated as a debt instrument that is not a “contingent payment debt instrument” within the meaning of Treasury Regulation Section 1.1275-4;

(ii) Each draw of the Term Loan and concurrent issuance of Equity Instruments constitutes an investment unit within the meaning of Section 1273(c)(2) of the Internal Revenue Code.

(iii) As soon as reasonably practicable (and in no event later than ten (10) Business Days) after the Closing Date with respect to the Initial Term Loan, and at least ten (10) Business Days prior to each closing of a Delayed Draw Term Loan, Borrower shall deliver to the Administrative Agent its proposed determination, which determination shall be made reasonably and in good faith, of the issue price of the applicable Term Loan in accordance with Treasury Regulations Section 1.1273-2(h)(1) together with supporting calculations (including the fair market value of the Equity Instruments being issued in connection with such Term Loan), and Borrower shall consider in good faith Administrative Agent’s comments to such proposed determination;

(iv) Borrower and the Lenders shall report all income tax matters with respect to the Term Loans and Equity Instruments consistent with U.S. federal income tax treatment and issue price determinations provided for by this Section 2.15(i), and shall not take any action or file any Tax return, report or declaration inconsistent therewith, unless: (x) otherwise required by a final determination within the meaning of Section 1313 of the Internal Revenue Code, or (y) a Lender notifies Borrower that it is taking a different position and properly discloses such position in accordance with Treasury Regulations Section 1.1273-2(h)(2).

(j) Survival. Each party’s obligations under this Section 2.15 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations under any Credit Document.

2.16 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Requisite Lenders and as set forth in Section 10.5(b) and Section 10.5(c); and

(ii) Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by Administrative Agent from a Defaulting Lender pursuant to Section 10.4 shall be applied at such time or times as may be determined by Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; *second*, as Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; *third*, if so determined by Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

2.17 Mitigation of Obligations. If any Lender requests compensation under Section 2.14(a) or 2.14(b), or requires Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall (at the request of Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.15 as the case may be, in the future, (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender and (iii) would not otherwise adversely affect the Loans or Commitments, as applicable, of such Lender. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

4.2 Capital Stock and Ownership; Certain Intercompany Loans. The CapEx Budget has been prepared in good faith, with due care and based upon assumptions Borrower believes to be reasonable. To the knowledge of Borrower, no facts exist that (either individually or in the aggregate) would result in any material change in the 13-Week Forecasts or the CapEx Budget.

4.9 No Material Adverse Change. Since December 31, 2023, no event, circumstance, development or change (either individually or in the aggregate) has occurred that has resulted in or caused, or could reasonably be expected to result in or cause, a Material Adverse Effect.

7. GUARANTY

7.1 Guaranty of the Obligations. Subject to the provisions of Section 7.2, Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to Administrative Agent for the ratable benefit of the Beneficiaries the due and punctual payment and performance in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the “Guaranteed Obligations”).

7.2 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the “Contributing Guarantors”), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a “Funding Guarantor”) under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor’s Aggregate Payments to equal its Fair Share as of such date. “Fair Share” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Guaranteed Obligations. “Fair Share Contribution Amount” means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided that, solely for purposes of calculating the Fair Share Contribution Amount with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. “Aggregate Payments” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third-party beneficiary to the contribution agreement set forth in this Section 7.2.

7.3 Payment by Guarantors. Subject to Section 7.2, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Borrower to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in Cash in Dollars, to Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrower’s becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

7.4 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability; this Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence of a Default or an Event of Default notwithstanding the existence of any dispute between Borrower and any Beneficiary with respect to the existence of such Default or Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Borrower or any of such other guarantors and whether or not Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid; provided that, without limiting the generality of the foregoing, if Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; and (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against Borrower or any security for the Guaranteed Obligations; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents or any agreement or instrument executed in connection therewith, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for Indebtedness other than the Guaranteed Obligations) to the payment of Indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Borrower or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

7.5 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any Deposit Account, Securities Account or credit on the books of any Beneficiary in favor of Borrower or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to willful misconduct; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, under any of the Credit Documents relating to the Guaranteed Obligations or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Borrower and notices of any of the matters referred to in [Section 7.4](#) and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

7.6 Guarantors' Rights of Subrogation, Contribution, etc. Until the Guaranteed Obligations (other than contingent indemnity Obligations for which no claim has been asserted) shall have been indefeasibly paid in full in Cash and the Commitments shall have terminated, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations (other than contingent indemnity Obligations for which no claim has been asserted) shall have been indefeasibly paid in full in Cash and the Commitments shall have terminated, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations (other than contingent indemnity Obligations for which no claim has been asserted) shall not have been finally and indefeasibly paid in full in Cash and the Commitments shall not have been terminated, such amount shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

7.7 Subordination of Other Obligations. Any Indebtedness of Borrower or any Guarantor now or hereafter held by any Guarantor (the "Obligee Guarantor") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such Indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

7.8 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations shall have been indefeasibly paid in full in Cash and the Commitments shall have terminated. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

7.9 Authority of Guarantors or Borrower. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

7.10 Financial Condition of Borrower. Any Loans may be made to Borrower or continued from time to time may be entered into from time to time, in each case without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrower at the time of any such grant or continuation. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of Borrower. Each Guarantor has adequate means to obtain information from Borrower on a continuing basis concerning the financial condition of Borrower and its ability to perform its obligations under the Credit Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrower now known or hereafter known by any Beneficiary.

7.11 Bankruptcy, etc.

(a) So long as any Guaranteed Obligations remain outstanding, no Guarantor shall, without the prior written consent of Administrative Agent acting pursuant to the instructions of Requisite Lenders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Borrower or any other Guarantor. The obligations of Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Borrower or any other Guarantor or by any defense which Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve Borrower of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay Administrative Agent (for the benefit of Beneficiaries), or allow the claim of Administrative Agent (for the benefit of Beneficiaries) in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by Borrower, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

7.12 Discharge of Guaranty Upon Sale of Guarantor. If all of the Capital Stock of any Guarantor or any of its successors in interest hereunder shall be sold, transferred or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such Asset Sale.

8. EVENTS OF DEFAULT

8.1 Events of Default. If any one or more of the following conditions or events shall occur (each, an “Event of Default”):

(a) Failure to Make Payments When Due. Failure by Borrower to pay (i) when due any amount of principal of any Loan, whether at stated maturity, by acceleration, by notice of voluntary prepayment, by mandatory prepayment or otherwise, (ii) when required to be paid hereunder, any Administrative Agent Advance, or (iii) any interest payable in cash on any Obligation or any fee or any other amount under any Credit Document (other than any amount of principal of any Loan or any Administrative Agent Advance) when due or, in the case of cash interest, within three (3) Business Days after the date due;

(b) Default Under Other Agreements. (i) Failure of any Credit Party or any of its Subsidiaries to pay when due (after giving effect to any applicable grace or cure period) any principal of or interest on or any other amount, including any payment in settlement, payable in respect of one or more items of Material Indebtedness or (ii) breach or default by any Credit Party or any of its Subsidiaries with respect to any other term of, or the occurrence of any other event under, (1) one or more items of Material Indebtedness or (2) any loan agreement, mortgage, indenture or other agreement relating to such item(s) of Material Indebtedness, in each case beyond the grace or cure period, if any, provided therefor, if the effect of such breach, default or other event is to cause, or to permit the holder or holders of that Material Indebtedness (or a trustee on behalf of such holder or holders), with or without the passage of time, to cause, all or any portion of such Material Indebtedness to become or be declared due and payable (or subject to a compulsory repurchase or redeemable) prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; provided that the conversion of Convertible Notes in accordance with their terms shall not constitute an Event of Default under this clause (b)(ii), to the extent that (x) Borrower is expressly permitted to settle such conversions solely with the issuance of its common stock and (y) any payment of Cash or Cash Equivalents upon settlement thereof is expressly permitted by this Agreement; provided, further any transaction or series of transactions with respect to the Capital Stock of Borrower undertaken by Cerberus or any of its Affiliates that results in a “change of control” thereunder shall not give rise to an Event of Default under this clause (b) solely as a result of such “change of control”.

(c) Breach of Certain Covenants. (I) Failure of any Credit Party to perform or comply with any term or condition contained in Section 5.1 and such default shall not have been remedied or waived within three (3) Business Days after such default, provided that the cure period set forth in this clause (I) shall apply on no more than three (3) separate occasions during the term of this Agreement; or (II) failure of any Credit Party or any of its Subsidiaries to perform or comply with any term or condition contained in Section 2.3, or Section 5.2, 5.3, 5.4(b), 5.5, 5.6, 5.7, 5.8, 5.11, 5.14, 5.17, 5.18, 5.19, 5.20 or Section 6;

(d) Breach of Representations, etc. Any representation, warranty, certification or other statement made or deemed made by any Credit Party in any Credit Document or in any statement or certificate at any time given by any Credit Party or any of its Subsidiaries in writing to any Agent or Lender pursuant hereto or thereto or in connection herewith or therewith shall be false or misleading in any material respect as of the date made or deemed made or, to the extent that any such representation, warranty, certification or other statement is already qualified by materiality or material adverse effect, such representation, warranty, certification or other statement shall be false in any respect as of the date made or deemed made;

(e) Other Defaults Under Credit Documents. Any Credit Party shall default in the performance of or compliance with any term contained herein or any of the other Credit Documents or any Equity Instrument, other than any such term referred to in any other Section of this Section 8.1, and such default shall not have been remedied or waived within fifteen (15) days after the occurrence thereof;

(f) Involuntary Bankruptcy; Appointment of Receiver, etc. (i) A court of competent jurisdiction shall enter a decree or order for relief in respect of any Credit Party or any of its Subsidiaries in an involuntary case under the Bankruptcy Code or under any other Debtor Relief Law now or hereafter in effect, which decree or order is not stayed; or any other similar relief shall be granted under any applicable federal or state law; or (ii) an involuntary case shall be commenced against any Credit Party or any of its Subsidiaries under the Bankruptcy Code or under any other Debtor Relief Law now or hereafter in effect; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee, conservator, custodian or other officer having similar powers over any Credit Party or any of its Subsidiaries, or over all or a substantial part of its property, shall have been entered; or there shall have occurred the involuntary appointment of an interim receiver, trustee, conservator or other custodian of any Credit Party or any of its Subsidiaries for all or a substantial part of its property; or a warrant of attachment, execution or similar process shall have been issued against any substantial part of the property of any Credit Party or any of its Subsidiaries, and any such event described in this clause (ii) shall continue for sixty (60) days without having been dismissed, bonded or discharged (provided that no Borrowings shall be available during the pendency of such proceedings);

(g) Voluntary Bankruptcy; Appointment of Receiver, etc. (i) Any Credit Party or any of its Subsidiaries shall have an order for relief entered with respect to it or shall commence a voluntary case under the Bankruptcy Code or under any other Debtor Relief Law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case, or to the conversion of an involuntary case to a voluntary case, under any such law, or shall consent to the appointment of or taking possession by a receiver, trustee, conservator or other custodian for all or a substantial part of its property; or any Credit Party or any of its Subsidiaries shall make any assignment for the benefit of creditors; or (ii) any Credit Party or any of its Subsidiaries shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or (iii) the board of directors (or similar governing body) of any Credit Party or any of its Subsidiaries (or any committee thereof) shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to herein or in Section 8.1(f);

(h) Judgments and Attachments. Any money judgment, writ or warrant of attachment or similar process involving in the aggregate at any time an amount in excess of Two Million Five Hundred Thousand Dollars (\$2,500,000) (in either case to the extent not adequately covered by insurance as to which a solvent and unaffiliated insurance company does not dispute coverage) shall be entered or filed against any Credit Party or any of its Subsidiaries or any of their respective assets and shall remain undischarged, unvacated, unbonded or unstayed for a period of sixty (60) days after the entry thereof (provided that no Borrowings shall be available during the pendency thereof);

(j) Employee Benefit Plans. (k) Change of Control. A Change of Control shall occur;

(l) Guaranties, Collateral Documents and other Credit Documents. At any time after the execution and delivery thereof, (i) the Guaranty for any reason, other than the satisfaction in full of all Obligations, shall cease to be in full force and effect (other than in accordance with its terms) or shall be declared to be null and void or any Guarantor shall repudiate its obligations thereunder, (ii) this Agreement or any Collateral Document ceases to be in full force and effect (other than by reason of a release of Collateral in accordance with the terms hereof or thereof or the satisfaction in full of the Obligations in accordance with the terms hereof) or shall be declared null and void, or Collateral Agent (for the benefit of the Secured Parties) shall not have or shall cease to have a valid and perfected Lien in any Collateral purported to be covered by the Collateral Documents with the priority required by the relevant Collateral Document (other than in respect of assets that, individually and in the aggregate, are not material to the Credit Parties, as determined by Administrative Agent in its sole discretion), in each case for any reason other than the failure of Collateral Agent or any Secured Party to take any action within its control, (iii) any Credit Party or other Person shall contest the validity or enforceability of any Credit Document in writing or deny in writing that it has any further liability, including with respect to future advances by Lenders, under any Credit Document to which it is a party or shall contest the validity or perfection of any Lien in any Collateral purported to be covered by the Collateral Documents, (iv) any subordination agreement (or subordination provisions incorporated in any Subordinated Indebtedness) or any other intercreditor agreement, or any provisions thereof, ceases to be valid and enforceable against any holder of Indebtedness intended to be subordinated to the Obligations or secured by a Lien intended to be subordinated to the Lien of Collateral Agent or any holder of such Indebtedness shall so assert in writing, (v) the failure of any party thereto (other than any Agent or Lender) to comply in any material respect with the terms of any subordination agreement (or subordination provisions incorporated in any Subordinated Indebtedness) or any other intercreditor agreement, or (vi) without limiting the foregoing, any impairment of the first priority security interest in the Collateral, including, without limitation, the existence of Liens or security interests in the Collateral in favor of any party other than Collateral Agent or any other Secured Party than except for Permitted Liens;

(o) Delisting. The common stock of Borrower is no longer listed on an internationally recognized stock exchange in the United States.

9. AGENTS

9.1 Appointment of Agents. CCM Denali Debt Holdings, LP is hereby appointed Administrative Agent and Collateral Agent hereunder and under the other Credit Documents and each Lender hereby authorizes CCM Denali Debt Holdings, LP, in such capacity, to act as Administrative Agent and Collateral Agent in accordance with the terms hereof and the other Credit Documents. Each Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Credit Documents, as applicable. The provisions of this Section 9 are solely for the benefit of Agents and the Lenders, and no Credit Party shall have any rights as a third party beneficiary of any of the provisions of this Section 9. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower or any of its Subsidiaries. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to Administrative Agent or Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law but instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

9.2 Powers and Duties. Each Lender irrevocably authorizes each Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Credit Documents as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. In the event that any obligations (other than the Obligations) are permitted to be incurred hereunder and secured by Liens permitted to be incurred hereunder on all or a portion of the Collateral, each Lender authorizes the Administrative Agent and Collateral Agent, as applicable, to enter into intercreditor agreements, subordination agreements and amendments to the Collateral Documents to reflect such arrangements on terms acceptable to the Administrative Agent and Collateral Agent, as applicable. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Credit Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. No Agent shall have, by reason hereof or any of the other Credit Documents, a fiduciary relationship or other implied (or express) obligations arising under agency doctrine of any applicable law in respect of any Lender; and nothing herein or any of the other Credit Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Credit Documents except as expressly set forth herein or therein.

9.3 General Immunity.

(a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Credit Document, or for the creation, perfection or priority of any Lien, or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of any Credit Party to any Agent or any Lender in connection with the Credit Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Credit Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Credit Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Default or Event of Default or as to the value or sufficiency of any Collateral or as to the satisfaction of any condition set forth in Section 3 or elsewhere herein (other than confirm receipt of items expressly required to be delivered to such Agent) or to inspect the properties, books or records of Borrower or any of its Subsidiaries or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amounts thereof.

(b) Exculpatory Provisions. No Agent nor any of its officers, partners, directors, managers, members, employees or agents shall be liable to Lenders (i) for any action taken or omitted by any Agent (A) under or in connection with any of the Credit Documents or (B) with the consent or at the request of the Requisite Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement) except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction or (ii) for any failure of any Credit Party to perform its obligations under this Agreement or any other Credit Document. No Agent shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose or be liable for the failure to disclose, any information relating to any Credit Party or any of its Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Credit Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) and, upon receipt of such instructions from Requisite Lenders (or such other Lenders, as the case may be), such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions; provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall have no liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Borrower and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Person shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Credit Documents in accordance with the instructions of Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5). Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, each Administrative Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. No Agent shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity.

(c) Notice of Default or Event of Default. No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent by a Credit Party or a Lender. In the event that Administrative Agent shall receive such a notice, Administrative Agent shall give notice thereof to the Lenders; provided that failure to give such notice shall not result in any liability on the part of Administrative Agent.

9.4 Agents Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans, each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term “Lender” shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with any Credit Party or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any of its Subsidiaries for services in connection herewith and otherwise without having to account for the same to Lenders. The Lenders acknowledge that pursuant to such activities, Agents or their Affiliates may receive information regarding any Credit Party or any Affiliate of any Credit Party (including information that may be subject to confidentiality obligations in favor of such Credit Party or such Affiliate) and acknowledge that Agents and their Affiliates shall be under no obligation to provide such information to them.

9.5 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective and their respective Related Parties. The exculpatory, indemnification and other provisions of this Section 9 shall apply to any such sub-agent and to the Related Parties of such Agent and any such sub-agent. No Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.6 Lenders’ Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Borrower and its Subsidiaries in connection with the Loans hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of Borrower and its Subsidiaries. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Term Loan on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Credit Document and each other document required to be approved by any Agent, Requisite Lenders or Lenders, as applicable on the Closing Date.

9.7 Right to Indemnity. Each Lender, in proportion to its Pro Rata Share, severally agrees to indemnify each Agent, and its Related Parties (each, an “Indemnitee Related Party”), to the extent that such Indemnitee Related Party shall not have been reimbursed by any Credit Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Indemnitee Related Party in exercising its powers, rights and remedies or performing its duties hereunder or under the other Credit Documents or otherwise in its capacity as such Indemnitee Related Party in any way relating to or arising out of the Obligations, this Agreement or the other Credit Documents, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OF SUCH INDEMNITEE RELATED PARTY;** provided that (x) no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Indemnitee Related Party’s gross negligence or willful misconduct, as determined by a court of competent jurisdiction in a final, non-appealable order, and (y) the unreimbursed liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements, as the case may be, was incurred by or asserted against such Agent (or any such sub-agent) in its capacity as such, or against any Indemnitee Related Party of any of the foregoing acting for such Agent (or any such sub-agent) in connection with such capacity. If any indemnity furnished to any Indemnitee Related Party for any purpose shall, in the opinion of such Indemnitee Related Party, be insufficient or become impaired, such Indemnitee Related Party may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Indemnitee Related Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender’s Pro Rata Share thereof; provided, further, this sentence shall not be deemed to require any Lender to indemnify any Indemnitee Related Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

9.8 Successor Administrative Agent and Collateral Agent.

(a) Administrative Agent and Collateral Agent may resign at any time by giving thirty (30) days’ prior written notice thereof to Lenders and Borrower. Upon any such notice of resignation, Requisite Lenders shall have the right, upon five (5) Business Days’ notice to Borrower, to appoint a successor Administrative Agent and Collateral Agent; provided that in no event shall any such successor Agent be a Defaulting Lender. Upon the acceptance of any appointment as Administrative Agent and Collateral Agent hereunder by a successor Administrative Agent and Collateral Agent, that successor Administrative Agent and Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent and Collateral Agent and the retiring Administrative Agent and Collateral Agent shall promptly (i) transfer to such successor Administrative Agent and Collateral Agent all sums, Securities and other items of Collateral held under the Collateral Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent and Collateral Agent under the Credit Documents, and (ii) execute and deliver to such successor Administrative Agent and Collateral Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administrative Agent and Collateral Agent of the security interests created under the Collateral Documents, whereupon such retiring Administrative Agent and Collateral Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent’s and Collateral Agent’s resignation hereunder as Administrative Agent and Collateral Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent and Collateral Agent hereunder.

(b) Notwithstanding anything herein to the contrary, Administrative Agent and Collateral Agent may assign their rights and duties as Administrative Agent and Collateral Agent hereunder to an Affiliate of Cerberus without the prior written consent of, or prior written notice to, Borrower or the Lenders; provided that Borrower and the Lenders may deem and treat such assigning Administrative Agent and Collateral Agent as Administrative Agent and Collateral Agent for all purposes hereof, unless and until such assigning Administrative Agent or Collateral Agent, as the case may be, provides written notice to Borrower and the Lenders of such assignment. Upon such assignment such Affiliate shall succeed to and become vested with all rights, powers, privileges and duties as Administrative Agent and Collateral Agent hereunder and under the other Credit Documents.

9.9 Collateral Documents and Guaranty.

(a) Agents under Collateral Documents and Guaranty. Each Lender hereby further authorizes Administrative Agent or Collateral Agent, as applicable, on behalf of and for the benefit of Lenders, to be the agent for and representative of Lenders with respect to the Guaranty, the Collateral and the Collateral Documents. Subject to Section 10.5, without further written consent or authorization from Lenders, Administrative Agent or Collateral Agent, as applicable, may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral (A) that is the subject of a sale, transfer or other disposition of assets permitted hereby to a Person that is not Borrower or any other Credit Party, or to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented or (B) upon termination of all Commitments and payment in full of all Obligations, or (ii) release any Guarantor from the Guaranty (x) pursuant to Section 7.12 or with respect to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented, in the case of each of clause (i) and (ii), in form and substance satisfactory to Administrative Agent. Upon request by any Agent at any time, the Requisite Lenders will confirm in writing such Agent's authority to release its interest in particular types or items of Collateral, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.9.

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Credit Documents to the contrary notwithstanding, Borrower, Administrative Agent, Collateral Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by Administrative Agent, on behalf of Lenders in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by Collateral Agent, and (ii) in the event of a foreclosure by Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale or other disposition and Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Requisite Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Collateral Agent at such sale or other disposition.

(c) No Duty With Respect to Collateral. No Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall such Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(d) Administrative Agent Advances. Administrative Agent may (but shall not be obligated to) from time to time make such disbursements and advances ("Administrative Agent Advances") which Administrative Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by Borrower of the Loans and other Obligations or to pay any other amount chargeable to Borrower pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 10.2. Administrative Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to the Loans. Administrative Agent Advances shall constitute Obligations hereunder. Administrative Agent shall notify each Lender and Borrower in writing of each such Administrative Agent Advance, which notice shall include a description of the purpose of such Administrative Agent Advance. Without limitation to its obligations pursuant to Section 9.7, each Lender agrees that it shall make available to Administrative Agent, upon Administrative Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Administrative Agent Advance. If such funds are not made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to Administrative Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the rate applicable to the Loans.

(e) If Administrative Agent (x) notifies a Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party (any such Lender, Secured Party or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under Section 9.11(b)) that any funds (as set forth in such notice by Administrative Agent) received by such Payment Recipient from Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of Administrative Agent pending its return or repayment as contemplated below in this Section 9.11(a) and held in trust for the benefit of Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than one (1) Business Day thereafter (or such later date as Administrative Agent may, in its sole discretion, specify in writing), return to Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the other Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Sections 2.7, 2.9, 10.2 and 10.3) allowed in such judicial proceeding;

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders to pay to Administrative Agent any amount due for the compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 2.7, 2.9, 10.2 and 10.3.

9.11 Erroneous Payments.

(a) Without limiting immediately preceding clause (a), each Lender, Secured Party or other Payment Recipient who has received funds on behalf of a Lender, Secured Party or other Payment Recipient (and each of their respective successors and assigns), hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment (a "Payment Notice"), (y) that was not preceded or accompanied by a Payment Notice, or (z) that such Payment Recipient otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then, in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one (1) Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying Administrative Agent pursuant to this Section 9.11(b).

For the avoidance of doubt, the failure to deliver a notice to Administrative Agent pursuant to this Section 9.11(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.11(a) or on whether or not an Erroneous Payment has been made.

(b) Each Lender or Secured Party hereby authorizes Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Credit Document, or otherwise payable or distributable by Administrative Agent to such Lender or Secured Party under any Credit Document with respect to any payment of principal, interest, fees or other amounts, against any amount that Administrative Agent has demanded to be returned under immediately preceding clause (a).

(c) (i) In the event an Erroneous Payment (or portion thereof) is not recovered by Administrative Agent for any reason, after demand therefor by Administrative Agent in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon Administrative Agent's request to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by Administrative Agent in such instance)), and is hereby (together with Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to the Platform as to which Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to Borrower or Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under Section 9.7 and its applicable Commitments which shall survive as to such assigning Lender, (D) Administrative Agent and Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 10.6 (but excluding, in all events, any assignment consent or approval requirements (whether from Borrower or otherwise)), Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by Administrative Agent) and (y) may, in the sole discretion of Administrative Agent, be reduced by any amount specified by Administrative Agent in writing to the applicable Lender from time to time.

(d) The parties hereto agree that (x) irrespective of whether Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender or Secured Party, to the rights and interests of such Lender or Secured Party, as the case may be) under the Credit Documents with respect to such amount (the “Erroneous Payment Subrogation Rights”) (provided that the Credit Parties’ Obligations under the Credit Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by Borrower or any other Credit Party; provided that this Section 9.11 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by Administrative Agent from Borrower for the purpose of making such Erroneous Payment.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine

(f) Each party’s obligations, agreements and waivers under this Section 9.11 shall survive the resignation or replacement of Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the payment in full of all Obligations (or any portion thereof) under any Credit Document.

9.12 Credit Bid. Each of the Lenders hereby irrevocably authorizes Agents, on behalf of Lenders, to take any of the following actions upon the instruction of the Requisite Lenders:

(a) consent to the disposition of all or any portion of the Collateral free and clear of the Liens securing the Obligations in connection with any disposition pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;

(b) credit bid all or any portion of the Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code, including under Section 363 thereof;

(c) credit bid all or any portion of the Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC;

(d) credit bid all or any portion of the Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other disposition conducted in accordance with applicable law following the occurrence of an Event of Default, including by power of sale, judicial action or otherwise; and/or

(e) estimate the amount of any contingent or unliquidated Obligations of such Lender or other Secured Party.

Each Lender agrees that Agents are under no obligation to credit bid any part of the Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clauses (b), (c) or (d) above, the Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by Agents on a ratable basis.

With respect to each contingent or unliquidated claim that is an Obligation, Agents are hereby authorized, but are not required, to estimate the amount thereof for purposes of any credit bid or purchase described above so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of Agents to credit bid the Obligations or purchase the Collateral in the relevant disposition. In the event that Agents, in their sole discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of Agents to consummate any credit bid or purchase in accordance with the above provisions, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

In connection with any such credit bid (i) Agents shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Agents shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Agents with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Capital Stock thereof shall be governed, directly or indirectly, by the vote of the Requisite Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Requisite Lenders contained in Section 10.5 of this Agreement), (iii) Agents shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Capital Stock issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Capital Stock issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive Capital Stock issued by such acquisition vehicle) as Agents may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(v) All uses of the Platform shall be governed by and subject to, in addition to this Section 10.1, separate terms and conditions posted or referenced in such Platform and related agreements executed by the Lenders and their Affiliates in connection with the use of such Platform.

(vi) Any notice of Default or Event of Default may be provided by telephone if confirmed promptly thereafter by delivery of written notice thereof.

10.2 Expenses. Whether or not the transactions contemplated hereby shall be consummated, each Credit Party agrees to, jointly and severally, pay promptly (a) all reasonable costs and expenses incurred by any Agent or any Lender in connection with the negotiation, preparation and documentation of the Credit Documents (including the reasonable fees, charges and disbursements of counsel for Agents) and any consents, amendments, supplements, waivers or other modifications thereto, regardless of whether the same become effective; (b) all reasonable fees, costs, expenses and disbursements of counsel to Agents in connection with the negotiation, preparation, execution and administration of the Credit Documents or in connection therewith or the transactions completed therein and any consents, amendments, supplements, waivers or other modifications thereto and any other documents or matters requested by the Credit Parties; (c) all reasonable fees, costs and expenses incurred by Agents in creating, perfecting, recording, maintaining and preserving Liens in favor of Collateral Agent, for the benefit of Secured Parties, including filing and recording fees, expenses and Taxes, stamp or documentary Taxes, search fees, title insurance premiums and reasonable fees, costs, expenses and disbursements of counsel to each Agent or Lender in connection with the Credit Documents or the transactions contemplated therein; (d) all reasonable fees, costs and expenses for, and disbursements of, any Agent’s or any Lender’s auditors, accountants, consultants, experts, appraisers and other advisors whether internal or external, and all reasonable attorneys’ fees (including allocated costs of internal counsel and expenses and disbursements of outside counsel) incurred by any Agent or any Lender; (e) all reasonable fees, costs and expenses (including the reasonable fees, expenses and disbursements of any appraisers, consultants, advisors and agents employed or retained by any Agent and its respective counsel) in connection with the enforcement, custody or preservation of any of the Collateral; (f) all other reasonable fees, costs and expenses incurred by any Agent or any Lender in connection with the syndication of the Loans and Commitments and the negotiation, preparation and execution of the Credit Documents and any consents, amendments, supplements, waivers or other modifications thereto and the transactions contemplated thereby; (g) reasonable costs or expenses (including Taxes and insurance premiums) required to be paid by any Credit Party, under any of the Credit Documents that are paid, advanced, or incurred by any Agent, (h) all costs and expenses, including reasonable attorneys’ fees (including allocated costs of internal counsel) and costs of settlement, incurred by any Agent or any Lender (x) in connection with the enforcement, preservation or protection of its rights or remedies hereunder or under the other Credit Documents (including in connection with the sale, lease or license of, collection from, or other realization upon any of the Collateral or the enforcement of the Guaranty) or (y) in connection with any refinancing, restructuring, workout or negotiations of the credit arrangements provided under the Credit Documents (including all such costs and expenses incurred in connection with any insolvency or bankruptcy cases or proceedings); and (i) without limitation, all “Expenses” (as defined in that certain Non-Binding Proposal, dated as of May 14, 2024, by and among Borrower and Cerberus) incurred or accrued by Cerberus. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 10.3 may be unenforceable in whole or in part because they are violative of any law or public policy, the applicable Credit Party shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them. This Section 10.3(a) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(b) To the extent permitted by applicable law, no Credit Party shall assert, and each Credit Party hereby waives, any claim against Lenders, Agents and their respective Related Parties, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Credit Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, the transmission of information through the Internet, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Credit Party hereby waives, releases and agrees not to sue upon or assert any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. No Person referred to in the immediately preceding sentence shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby.

(c) All amounts due under this Section 10.3 shall be due and payable promptly (and in any event within thirty (30) days) following receipt by Borrower of an invoice relating thereto setting forth such expenses.

10.4 Set-Off. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuation of any Event of Default, Administrative Agent, each Lender and each of their respective Affiliates is hereby authorized by each Credit Party at any time or from time to time (subject, in the case of a Lender or its Affiliates) to the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Credit Party or to any other Person (other than Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (time or demand, provisional or final, general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured (in whatever currency)) and any other Indebtedness at any time held or owing by such Lender or Administrative Agent, to or for the credit or the account of any Credit Party (in whatever currency) against and on account of the obligations and liabilities of any Credit Party to such Lender or Administrative Agent and under the other Credit Documents, including all claims of any nature or description arising out of or connected hereto or with any other Credit Document, irrespective of whether or not (a) such Lender or Administrative Agent shall have made any demand hereunder, (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Section 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured or (c) such obligation or liability is owed to a branch or office of such different from the branch or office holding such deposit or obligation or such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees to notify Borrower and Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender and their respective Affiliates under this Section 10.4 are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have.

10.5 Amendments and Waivers.

(a) Requisite Lenders' Consent. Subject to Sections 10.5(b) and 10.5(c), no amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom, shall in any event be effective without the written concurrence of Administrative Agent and the Requisite Lenders.

(b) Affected Lenders' Consent. Without the written consent of each Lender (other than a Defaulting Lender) that would be directly and adversely affected thereby, no amendment, modification, termination, waiver or consent shall be effective if the effect thereof would:

(i) extend the scheduled final maturity of any Loan or Note of such Lender; provided that no amendment, modification or waiver of any condition precedent, covenant (other than the covenant to repay the Loans on the Maturity Date), Default or Event of Default shall constitute an extension of scheduled final maturity;

(ii) waive, reduce or postpone any scheduled repayment of principal (but not any prepayment of principal which may be waived, reduced or postponed with the consent solely of the Requisite Lenders) owed to such Lender; provided that (A) the waiver of (or amendment of the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal and (B) the waiver of any Default (other than a Default under Section 8.1(a)), Event of Default or mandatory reduction of the Commitments shall not constitute a postponement of any date scheduled for, or a reduction in the amount of, any scheduled repayment of principal;

(iii) reduce the rate of interest on any Loan (other than as provided in Section 2.5 or any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.6) or any fee or any premium payable hereunder;

(iv) waive or extend the time for payment of any such interest, fees or premiums (it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute an extension of any time for payment of interest, fees or premiums);

(v) reduce or forgive the principal amount of any Loan;

(vi) amend, modify, terminate or waive any provision of Section 2.11, Section 2.12(g), Section 2.13, this Section 10.5(b) or Section 10.5(c); provided that Administrative Agent and the Requisite Lenders may waive, in whole or in part, any prepayment so long as the application of any portion of such prepayment which is still required to be made is not altered;

(vii) amend the definition of "Requisite Lenders" or "Pro Rata Share"; provided that, with the consent of Administrative Agent and the Requisite Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Requisite Lenders" or "Pro Rata Share" on substantially the same basis as the Term Loan Commitments and the Term Loans are included on the Closing Date;

(viii) (A) release all or substantially all of the Collateral or all or substantially all of the Guarantors from the Guaranty except as expressly provided in the Credit Documents, (B) subordinate the Lien of Collateral Agent on all or substantially all of the Collateral securing the Obligations to the Liens securing any other Indebtedness of the Credit Parties or subordinate any Guaranty of the Guarantors, except in each case as expressly provided in the Credit Documents as in effect on the Closing Date, (C) subordinate all or any portion of the Obligations in right of payment to any other Indebtedness, or (D) change or have the effect of changing the priority or pro rata treatment of any payment (including voluntary and mandatory prepayment), Liens, proceeds of Collateral or reductions in Commitments (including as a result, in whole or in part, of allowing the issuance or incurrence, pursuant to this Agreement or otherwise, of new loans or other Indebtedness having any priority senior to any of the Obligations in respect of any payments, Liens, Collateral or proceeds of Collateral, in exchange for any Obligations or otherwise), except in each case as expressly provided in the Credit Documents as in effect on the Closing Date; or

(ix) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document.

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom, shall:

(i) increase any Commitment of any Lender over the amount thereof then in effect without the consent of such Lender; provided that no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall be deemed to constitute an increase in any Commitment of any Lender; or

(ii) amend, modify, terminate or waive any provision of Section 9 as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the consent of such Agent.

(d) Consent of Administrative Agent and Borrower. With the consent of Borrower only, Administrative Agent may amend, modify or supplement this Agreement (i) to cure any ambiguity, omission, defect or inconsistency, so long as such amendment, modification or supplement does not adversely affect the rights of any Lender and (ii) to enter into additional or supplemental Collateral Documents.

(e) Defaulting Lenders; Events of Default. Notwithstanding anything contained herein to the contrary, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (A) the Commitment of such Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender and (B) subject in all respects to Section 2.16, no amendment or waiver shall reduce the principal amount of any Loan or reduce the rate of interest on any Loan, in each case, owing to a Defaulting Lender, without the consent of such Defaulting Lender and (ii) this Agreement may be amended and restated without the consent of any Lender (but with the consent of Borrower and Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Commitments of such Lender shall have terminated (but such Lender shall continue to be entitled to the benefits of Section 2.11, Section 2.13, Section 2.14, Section 2.15, Section 10.2 and Section 10.3), such Lender shall have no other commitment or other obligation hereunder and shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement. Notwithstanding anything herein or otherwise to the contrary, any Default or Event of Default occurring hereunder shall continue to exist (and shall be deemed to be continuing) until such time as such Default or Event of Default is waived in writing in accordance with the terms of this Section 10.5 notwithstanding (x) any attempted cure or other action taken by Borrower or any other Person subsequent to the occurrence of such Default or Event of Default or (y) any action taken or omitted to be taken by Administrative Agent or any Lender prior to or subsequent to the occurrence of such Default or Event of Default (other than the granting of a waiver in writing in accordance with the terms of this Section 10.5).

(f) Execution of Amendments, etc. Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Agent, each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party.

10.6 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Borrower nor any other Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of clause (b) of this Section 10.6, (ii) by way of participation in accordance with the provisions of clause (d) of this Section 10.6, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of clause (e) of this Section 10.6 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in clause (d) of this Section 10.6 and, to the extent expressly contemplated hereby, the Related Parties of each of Administrative Agent and Collateral Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to Approved Funds (determined after giving effect to such assignments) that equal at least the amount specified in Section 10.6(b)(i)(B), in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 10.6(b)(i)(A), the aggregate amount of the Commitment or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment Agreement with respect to such assignment is delivered to Administrative Agent) shall not be less than \$1,000,000.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned (or as otherwise permitted by Administrative Agent).

(iii) Required Consents. No consent shall be required for any assignment, except that the consent of Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for assignments in respect of any Loans to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund.

(iv) Assignment Agreement. The parties to each assignment shall execute and deliver to Administrative Agent an Assignment Agreement, together with a processing and recordation fee of Three Thousand Five Hundred Dollars (\$3,500); provided that Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to Administrative Agent an Administrative Questionnaire, documentation required under Section 2.15(g) and any and all documentation and other information with respect to the assignee that is required by regulatory authorities under applicable "know your customer," Anti-Money Laundering Laws and other anti-money laundering regulations, including the Patriot Act.

(v) No Assignment to Certain Persons. No such assignment shall be made to (A) any Credit Party or to any Credit Party's Affiliates or Subsidiaries or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person).

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Pro Rata Share thereof. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by Administrative Agent pursuant to Section 10.6(c), from and after the effective date specified in each Assignment Agreement (which for the avoidance of doubt shall be the date of recordation in the Register), the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment Agreement covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.14, 2.15 and 10.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (d) of this Section 10.6.

(c) Register. Administrative Agent, acting solely for this purpose as a non-fiduciary agent of Borrower, shall maintain at one of its offices in the United States a copy of each Assignment Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Borrower, Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior written notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, Borrower or Administrative Agent, sell participations to any Person (other than a natural person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person, any Credit Party or any Credit Party's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) Borrower, Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.7 with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may, at such Lender's option, provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 10.5(b) and 10.5(c) that affects such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14 and 2.15 subject to the requirements and limitations therein, including the requirements under Section 2.15 (it being understood that the documentation required under Section 2.15(g) shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.6(b); provided that such Participant (A) agrees to be subject to the provisions of Section 2.17 as if it were an assignee under Section 10.6(b); and (B) shall not be entitled to receive any greater payment under Section 2.14 or 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Commitment and/or the Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

10.7 Independence of Covenants, etc. All covenants, conditions and other terms hereunder and under the other Credit Documents shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, conditions or other terms, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant, condition or other term shall not avoid the occurrence of a Default or Event of Default if such action is taken or condition exists.

10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of the Loans. Notwithstanding anything herein or implied by law to the contrary, the obligations of each Credit Party set forth in Sections 2.14, 2.15, 5.20, 10.2, 10.3, 10.4, and 10.10 and the agreements of Lenders set forth in Sections 2.13, 9.3(b), and 9.7 shall survive the repayment of the Loans and the termination of the Credit Documents.

10.9 No Waiver; Remedies Cumulative. No failure or delay or course of dealing on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to Administrative Agent or Lenders (or to Administrative Agent, on behalf of Lenders), or Administrative Agent, Collateral Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.11 Severability. In case any provision in or obligation hereunder or under any Note or other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12 Obligations Several; Actions in Concert. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. Anything in this Agreement or any other Credit Document to the contrary notwithstanding, each Lender hereby agrees with each other Lender that no Lender shall take any action to protect or enforce its rights arising out of this Agreement or any Note or otherwise with respect to the Obligations without first obtaining the prior written consent of Administrative Agent or Requisite Lenders (as applicable), it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and any Note or otherwise with respect to the Obligations shall be taken in concert and at the direction or with the consent of Administrative Agent or Requisite Lenders (as applicable).

10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.14 Applicable Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) THEREOF.

10.15 Consent To Jurisdiction.

(a) ALL JUDICIAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, OR ANY OF THE OBLIGATIONS, SHALL BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH CREDIT PARTY, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, HEREBY EXPRESSLY AND IRREVOCABLY (i) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS; (ii) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (iii) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE CREDIT PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.1 AND SUCH SERVICE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE CREDIT PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; (iv) AGREES THAT A FINAL JUDGMENT IN ANY SUCH PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW AND (v) AGREES THAT AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY CREDIT PARTY IN THE COURTS OF ANY OTHER JURISDICTION.

(b) EACH CREDIT PARTY HEREBY AGREES THAT PROCESS MAY BE SERVED ON IT BY CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE ADDRESSES PERTAINING TO IT AS SPECIFIED IN SECTION 10.1. ANY AND ALL SERVICE OF PROCESS AND ANY OTHER NOTICE IN ANY SUCH ACTION, SUIT OR PROCEEDING SHALL BE EFFECTIVE AGAINST ANY CREDIT PARTY IF GIVEN BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, OR BY ANY OTHER MEANS OR MAIL WHICH REQUIRES A SIGNED RECEIPT, POSTAGE PREPAID, MAILED AS PROVIDED ABOVE.

10.16 Waiver Of Jury Trial. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER CREDIT DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER CREDIT DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

10.17 Confidentiality. Each Agent and Lender shall hold all non-public information regarding the Credit Parties and their Subsidiaries and their businesses identified as such by Borrower and obtained by such Agent or Lender pursuant to the requirements hereof in accordance with such Agent's or Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by each Credit Party that, in any event, an Agent or a Lender may make (i) disclosures of such information to Affiliates or Related Parties of each Lender and Agent and to their respective current and prospective equity holders (including without limitation, partners) and Related Parties (and to other persons authorized by a Lender or Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17), (ii) disclosures of such information reasonably required by (A) any pledgee referred to in Section 10.6(e), (B) any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation by such Lender of any Commitments and/or Loans or any participations therein or (C) any direct or indirect investor or prospective investor in an Related Parties, (iii) disclosure to any rating agency when required by it; provided that, prior to any disclosure, such rating agency shall be instructed to preserve the confidentiality of any confidential information relating to the Credit Parties received by it from any Agent or any Lender, (iv) disclosure to any Lender's financing sources; provided that prior to any disclosure, such financing source is informed of the confidential nature of the information, (v) in connection with any litigation or dispute (including with respect to the exercise of remedies) which relates to this Agreement or any other Credit Document to which any Agent or any Lender is a party or is otherwise subject and (vi) disclosures required or requested by any Governmental Authority or representative thereof (including any self-regulatory authority, such as the NAIC) purporting to have authority over such Person or its Affiliates, respective current and prospective equity holders (including without limitation, partners) and Related Parties of such Person and of such Person's Affiliates or pursuant to legal or judicial process or other legal proceeding; provided that, unless specifically prohibited by applicable law or court order, such Agent or such Lender, as the case may be, shall make reasonable efforts to notify Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender by such Governmental Authority) for disclosure of any such non-public information prior to disclosure of such information. In addition, Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to Agents and the Lenders in connection with the administration of this Agreement, the other Credit Documents, and the Commitments. Notwithstanding anything to the contrary set forth herein, each party hereto (and each of their respective employees, representatives or other agents) may disclose to any and all persons without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions and other tax analyses) that are provided to any such party relating to such tax treatment and tax structure. However, any information relating to the tax treatment or tax structure shall remain subject to the confidentiality provisions hereof. For this purpose, "tax structure" means any facts relevant to the federal income tax treatment of the transactions contemplated by this Agreement but does not include information relating to the identity of any of the parties hereto or any of their respective Affiliates. Notwithstanding the foregoing, on or after the Closing Date, Administrative Agent or any Lender may, at its own expense issue news releases and publish "tombstone" advertisements and other announcements relating to this transaction in newspapers, trade journals and other appropriate media (which may include use of logos of one or more of the Credit Parties) (collectively, "Trade Announcements"). No Credit Party shall issue any Trade Announcement except disclosures required by applicable law, regulation, legal process or the rules of the Securities and Exchange Commission; provided that Borrower shall have provided Administrative Agent a reasonable opportunity and in any event not less than three (3) Business Days to review any such disclosures and shall revise and/or redact such disclosure as Administrative Agent may request so long as such revisions and/or redactions comply with applicable law, regulation, legal process or rules.

10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged or agreed to be paid with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, Borrower shall pay to Administrative Agent, for the benefit of the Lenders and Agents, as applicable, an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to Borrower. In determining whether the interest contracted for, charged, or received by Administrative Agent or a Lender exceeds the Highest Lawful Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Obligations hereunder.

10.19 Counterparts. This Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by facsimile, emailed .pdf or other electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

10.20 Effectiveness; Entire Agreement; No Third Party Beneficiaries. Subject to Section 3.1, this Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by Borrower and Administrative Agent of written or telephonic notification of such execution and authorization of delivery thereof. This Agreement and the other Credit Documents represent the entire agreement of the Credit Parties and their Subsidiaries, Agents and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Agent or Lender relative to the subject matter hereof or thereof not expressly set forth or referred to herein or in the other Credit Documents. Nothing in this Agreement or in the other Credit Documents, express or implied, shall be construed to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, Affiliates of each of Agents and Lenders, holders of participations in all or any part of a Lender's Commitments, Loans or in any other Obligations, and the Indemnitees) any rights, remedies, obligations, claims or liabilities under or by reason of this Agreement or the other Credit Documents. In the event of any conflict between the provisions of this Agreement and those of any other Credit Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of any Agent or Lender in any other Credit Document shall not be deemed a conflict with this Agreement.

10.21 Patriot Act. Each Lender and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender or Administrative Agent, as applicable, to identify such Credit Party in accordance with the Patriot Act.

10.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

10.23 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, Administrative Agent could purchase in the New York foreign exchange market, the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Credit Party agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following the date Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency, each Credit Party agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify Administrative Agent against such loss. The term “rate of exchange” in this Section 10.23 means the spot rate at which Administrative Agent, in accordance with normal practices, is able on the relevant date to purchase the Original Currency with the Second Currency, and includes any premium and costs of exchange payable in connection with such purchase.

10.24 Original Issue Discount. THE LOANS HAVE BEEN ISSUED WITH ORIGINAL ISSUE DISCOUNT WITHIN THE MEANING OF SECTION 1273(a) OF THE CODE AND TREASURY REGULATIONS SECTION 1.1273-1 FOR U.S. FEDERAL INCOME TAX PURPOSES. THE ISSUE PRICE, AMOUNT OF ORIGINAL ISSUE DISCOUNT, ISSUE DATE AND YIELD TO MATURITY OF THE LOANS MAY BE OBTAINED BY WRITING TO BORROWER AT ITS ADDRESS SET FORTH IN APPENDIX B.

10.25 Electronic Execution of Assignments and Credit Documents. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in this Agreement or any other Credit Document shall in each case be deemed to include electronic signatures, electronic deliveries, signatures exchanged by electronic transmission, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that Administrative Agent or Collateral Agent may request, and upon any such request the Credit Parties shall be obligated to provide, manually executed “wet ink” signatures to any Credit Document. Without limiting the generality of the foregoing, each Credit Party hereby (i) agrees that, for all purposes, including in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Agents, the other Secured Parties and the Credit Parties, electronic images of this Agreement or any other Credit Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Credit Documents based solely on the lack of paper original copies of any Credit Documents, including with respect to any signature pages thereto.

10.26 No Fiduciary Duty. Each Agent, each Lender and each of their respective Affiliates (collectively, solely for purposes of this Section 10.26, the “Lenders”), may have economic interests that conflict with those of the Credit Parties, their equity holders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its equity holders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s- length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its equity holders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its equity holders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

 - a. **Tranche 1 Term Loan.** The Lenders' several obligations to make the Tranche 1 Term Loan pursuant to Section 2.1(a)(ii) of the Credit Agreement shall be subject to the achievement of the First Milestone on the First Milestone Test Date. In the event that the Borrower fails to achieve the First Milestone on the First Milestone Test Date, each of the Tranche 1 Commitment, the Tranche 2 Commitment and the Tranche 3 Commitment shall (subject to Section 3 below) be automatically terminated, effective immediately after the First Milestone Test Date.
 - b. **Tranche 2 Term Loan.** The Lenders' several obligations to make the Tranche 2 Term Loan pursuant to Section 2.1(a)(iii) of the Credit Agreement shall be subject to the achievement of the Second Milestone on the Second Milestone Test Date. 2. **Applicable Percentage Milestones.** The Applicable Percentage shall be subject to increase or, solely in the case of achieving the Fourth Milestone Components, decrease, as set forth below. Each adjustment to the Applicable Percentage set forth below is iterative, such that the failure to achieve each applicable Milestone Component shall result in a separate adjustment that is separate from, and in addition to, any preceding or succeeding adjustment to the Applicable Percentage. Each adjustment to the Applicable Percentage set forth below is in addition to, and separate from, any increases in the Applicable Percentage as set forth in the definition thereof upon the making of any applicable Delayed Draw Term Loan.
 - a. **First Milestone Adjustments.** Subject to Sections 2(d) and (e) below, the Applicable Percentage shall be increased by [*] percent ([*]%) for each failure to achieve any First Milestone Component, in each case on the First Milestone Test Date, subject to a maximum increase of four percent (4%) for the failure to achieve First Milestone Components. By way of example, the failure to achieve Automation Milestone 1 and Cost Milestone 1, combined with the achievement of each of Sales Milestone 1 and Technology Milestone 1, in each case on First Milestone Test Date, would result in an Applicable Percentage increase of [*] percent ([*]%).

- b. Second Milestone Adjustments. Subject to Sections 2(d) and (e) below, the Applicable Percentage shall be increased by [*] percent ([*]%) for each failure to achieve any Second Milestone Component, in each case on the Second Milestone Test Date, subject to a maximum increase of four percent (4%) for the failure to achieve Second Milestone Components. By way of example, the failure to achieve Automation Milestone 2 and Cost Milestone 2, combined with the achievement of each of Sales Milestone 2 and Technology Milestone 2, in each case on the Second Milestone Test Date, would result in an Applicable Percentage increase of [*] percent ([*]%).

By way of example, the failure to achieve Automation Milestone 3 and Cost Milestone 3, combined with the achievement of each of Sales Milestone 3 and Technology Milestone 3, in each case on the Third Milestone Test Date, would result in an Applicable Percentage increase of [*] percent ([*]%).
- d. Fourth Milestone Adjustments. Subject to Section 2(e) below, the Applicable Percentage shall be increased by [*] percent ([*]%) for each failure to achieve any Fourth Milestone Component, in each case on the Fourth Milestone Test Date, subject to a maximum increase of four percent (4%) for the failure to achieve Fourth Milestone Components; provided, that upon the achievement of any Fourth Milestone Component (in its entirety, not including fractional achievement), if, from and after the Closing Date through and including the Fourth Milestone Test Date, none of the Borrower or any of its Subsidiaries has received any Net Cash Proceeds from the incurrence of any Indebtedness (other than the Term Loans, any Revolving Loans or any Indebtedness permitted by Section 6.1(i) or (j)) or the issuance of any Capital Stock, then any increase to the Applicable Percentage previously made pursuant to any of Sections 2(a), (b) and (c) above due to the failure to achieve any Milestone Component of the same category (e.g., automation) shall be of no further force and effect as of the Fourth Milestone Test Date, and as a result the cumulative increase of the Applicable Percentage due to the prior failure to achieve any Milestone Component of such category shall be reduced to [*]. By way of example, the failure to achieve any of Automation Milestone 1, Automation Milestone 2 or Automation Milestone 3, followed by the achievement of Automation Milestone 4, would result in a cumulative adjustment to the Applicable Percentage of [*] with respect to the automation category of Milestones (so long as from and after the Closing Date through and including the Fourth Milestone Test Date, none of the Borrower or any of its Subsidiaries has received any Net Cash Proceeds from the incurrence of any Indebtedness (other than the Term Loans, any Revolving Loans or any Indebtedness permitted by Section 6.1(i) or (j)) or the issuance of any Capital Stock). In the foregoing example, any adjustments to the Applicable Percentage prior to the Fourth Milestone would remain in effect, notwithstanding the achievement of any Fourth Milestone Component, if after the Closing Date through and including the Fourth Milestone Test Date, the Borrower or any of its Subsidiaries received any Net Cash Proceeds from the incurrence of any Indebtedness (other than the Term Loans, any Revolving Loans or any Indebtedness permitted by Section 6.1(i) or (j)) or the issuance of any Capital Stock. In the event of any decrease to the Applicable Percentage as a result of the achievement of any Fourth Milestone Component such that the Equity Instruments held by Lenders or their assignees or designees, as applicable, exceed the Equity Instruments required in order to satisfy the Equity Instruments Coverage Condition, such Lender, assignee or designee holding any Equity Instruments shall promptly, upon request, cooperate with Borrower to amend, forfeit or return such Equity Instruments as necessary to give effect to such decrease.

- e. Fractional Adjustments. In the case of any Milestone Component that has more than one sub-component, if such Milestone Component has not been achieved but one or more of such sub-components have been achieved, then the total increase to the Applicable Percentage with respect to such Milestone Component shall be equal to [*] percent ([*]%) multiplied by a *fraction* where (x) the *numerator* is the number of sub-components of such Milestone Components that were not achieved and (y) the *denominator* is the total number of sub-components of such Milestone Component.

3. Milestone Certificates. The achievement of all Milestones and Milestone Components set forth herein shall be evidenced by delivery to the Administrative Agent of a certificate of an Authorized Officer in form and substance satisfactory to the Administrative Agent in its sole discretion that certifies achievement or failure of such Milestone and/or Milestone Components and attaching such as the Administrative Agent may request in its sole discretion demonstrating such achievement or failure of such Milestone and/or Milestone Components. The failure to deliver such certificate on or prior to the date that is five (5) Business Days after the applicable Test Date shall be deemed to constitute a failure to achieve each Milestone and/or Milestone Components to which such Test Date is applicable. For the avoidance of doubt, the parties understand and agree that achievement or failure of certain Milestone Components may require evaluation of results to verify satisfaction of the criteria thereof. Administrative Agent may, in its sole discretion, extend or otherwise stay any termination of Commitments pending further determination of whether any such Milestone Component has been satisfied or failed. Upon determination by Agent in its sole discretion that any such Milestone Component has been satisfied after the occurrence of the applicable Test Date or the date on which such certificate is required, such Milestone Component shall be deemed to have been satisfied as of the applicable Test Date. Any Applicable Percentage increase resulting from the failure to achieve any Milestone Component shall be deemed to have occurred immediately and automatically upon (i) delivery of the certificate or (ii) upon the failure to deliver such certificate on or prior to the date that is five (5) Business Days after the applicable Test Date.

(m) Sarbanes-Oxley; Disclosure Controls. The Company is in compliance in all material respects with the applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder. Except as set forth in the SEC Reports, the Company maintains a system of internal accounting controls designed to ensure that (i) material information relating to the Company and its Subsidiaries is made known to the Company's principal executive officer and its principal financial officer by others within those entities and (ii) that information required to be disclosed by the Company in reports that it files, furnishes or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms, including controls and procedures designed to ensure that such information is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure. Except as set forth in the SEC Reports, the Company has established and maintains disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company is made known to the certifying officers by others within those entities, particularly during the period in which the Company's most recently filed periodic report under the Exchange Act, as the case may be, is being prepared. The Company has established internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. The Company's certifying officers have evaluated the effectiveness of the Company's disclosure controls and procedures and the Company's internal control over financial reporting (collectively, "*internal controls*") as of the end of the period covered by the most recently filed periodic report under the Exchange Act (such date, the "*Evaluation Date*"). The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of such internal controls based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no significant changes in the Company's internal controls or, to the Company's Knowledge, in other factors that could materially affect the Company's internal controls and there have been no material weaknesses in the Company's internal control over financial reporting (whether or not remediated). The Company maintains and will continue to maintain a standard system of accounting established and administered in accordance with GAAP and the applicable requirements of the Exchange Act.

(n) Certain Fees. No Person will have, as a result of the transactions contemplated by this Agreement, any valid right, interest or claim against or upon the Company or a Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Company. The Purchaser shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section 3.1(n) that may be due in connection with the transactions contemplated by the Transaction Documents. The Company shall indemnify, pay, and hold the Purchaser harmless against, any liability, loss or expense (including, without limitation, attorneys' fees and out-of-pocket expenses) arising in connection with any such right, interest or claim.

(o) Private Placement. The issuance and sale of the Securities hereunder (including, subject to the Company obtaining Requisite Stockholder Approval, the issuance of Conversion Shares upon the conversion of the Preferred Stock and the issuance of Warrant Shares upon exercise of the Warrants) does not contravene the rules and regulations of the Principal Trading Market.

(p) Investment Company Status. The Company has never been, is not, and will not be, immediately after receipt of payment for the Preferred Stock and Warrants, required to register as an "investment company" under the Investment Company Act of 1940, as amended.

(q) Registration Rights. Other than registration rights pursuant to the Registration Rights, any piggy back rights that will be honored in connection with the Registration Rights or as set forth in the SEC Reports, no Person has any right to cause the Company to effect the registration under the Securities Act of the offer and sale of any securities of the Company other than those offers and sales which are currently registered on an effective registration statement on file with the Commission.

(r) Listing and Maintenance Requirements. The Company's Common Stock is registered pursuant to Section 12(b) or Section 12(g) of the Exchange Act, and the Company has taken no action designed to terminate the registration of the Common Stock under the Exchange Act, nor has the Company received any notification that the Commission or the Principal Trading Market is contemplating terminating such registration or listing. Except as otherwise publicly disclosed, the Company is, and immediately following the Closing will be, in compliance with all applicable listing requirements of the Principal Trading Market. The Company has filed with the Principal Trading Market a Listing of Additional Shares Notification covering the Conversion Shares and the Warrant Shares and has not received any written objection from the Principal Trading Market with respect to such notification with respect to the transactions contemplated hereby.

(s) No Integrated Offering. Assuming the accuracy of the Purchaser's representations and warranties set forth in Section 3.2, none of the Company, its Subsidiaries nor any of its Affiliates or any Person acting on its behalf has, directly or indirectly, at any time within the past six (6) months, made any offers or sales of any Company security or solicited any offers to buy any security under circumstances that would (i) eliminate the availability of the exemption from registration under the Securities Act, including Regulation D, in connection with the offer and sale by the Company of the Preferred Stock and Warrants as contemplated hereby or (ii) cause the offering of the Preferred Stock and Warrants pursuant to the Transaction Documents to be integrated with prior offerings by the Company for purposes of any applicable law, regulation or stockholder approval provisions, including, without limitation, under the rules and regulations of any Trading Market on which any of the securities of the Company are listed or designated.

(t) No General Solicitation. Neither the Company nor any Person acting on behalf of the Company has, directly or indirectly, offered or sold any of the Securities, or solicited any offers to buy any Securities, under any circumstances that would require registration under the Securities Act of the Securities, including by any form of general solicitation or general advertising.

(u) Off Balance Sheet Arrangements. There is no transaction, arrangement, or other relationship between the Company (or any Subsidiary) and an unconsolidated or other off balance sheet entity that is required to be disclosed by the Company in SEC Reports and is not so disclosed and would have or reasonably be expected to result in a Material Adverse Effect.

(v) Acknowledgment Regarding Purchaser's Purchase of Securities. The Company acknowledges and agrees that the Purchaser is acting solely in the capacity of an arm's length purchaser with respect to this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby. The Company further acknowledges that no Purchaser is acting as a financial advisor or fiduciary of the Company or any of its Subsidiaries (or in any similar capacity) with respect to this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby, and any advice given by a Purchaser or any of its representatives or agents in connection with this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to such Purchaser's purchase of the Preferred Stock and Warrants. The Company further represents to the Purchaser that the Company's decision to enter into the Transaction Documents has been based solely on the independent evaluation by the Company and its representatives. Furthermore, it is understood and acknowledged by the Company that: (i) none of the Purchaser have been asked by the Company to agree, nor has any Purchaser agreed, to desist from purchasing or selling, long and/or short, securities of the Company, or "derivative" securities based on securities issued by the Company or to hold the Securities for any specific term; (ii) past or future open market or other transactions by any Purchaser, specifically including, without limitation, Short Sales or "derivative" transactions made before or after the closing of the transactions contemplated hereunder or future private placement transactions may negatively impact the market price of the Company's publicly-traded securities; and (iii) the Purchaser shall not be deemed to have any affiliation with or control over any arm's length counterparty in any "derivative" transaction. The Company further understands and acknowledges that, (a) the Purchaser may engage in hedging activities at various times during the period that the Securities are outstanding and (b) such hedging activities (if any) could reduce the value of the existing stockholders' equity interests in the Company at and after the time that the hedging activities are being conducted. The Company acknowledges that such aforementioned hedging activities do not constitute a breach of any of the Transaction Documents.

(w) No Price Stabilization or Manipulation; Compliance with Regulation M. Neither the Company nor any of its Subsidiaries has taken, directly or indirectly, any action designed to or that might cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities or otherwise, and has taken no action which would directly or indirectly violate Regulation M under the Exchange Act.

(x) No Additional Agreements. The Company does not have any agreement or understanding (including side letters) with any Purchaser with respect to the transactions contemplated by the Transaction Documents other than as specified in the Transaction Documents.

(y) No Disqualification Events. No "bad actor" disqualifying event described in Rule 506(d)(1)(i)-(viii) of the Securities Act (a "**Disqualification Event**") is applicable to the Company or, to the Company's Knowledge, any Company Covered Person (as defined below), except for a Disqualification Event as to which Rule 506(d)(2)(ii)-(iv) or (d)(3), is applicable. "**Company Covered Person**" means, with respect to the Company as an "issuer" for purposes of Rule 506 promulgated under the Securities Act, any person listed in the first paragraph of Rule 506(d)(1). The Company is not aware of any Person (other than any Company Covered Person) that has been or will be paid (directly or indirectly) remuneration for solicitation of purchasers in connection with the sale of the Securities or the Conversion Shares pursuant to this Agreement.

3.2 Representations and Warranties of the Purchaser. The Purchaser hereby, for itself and for no other Purchaser, represents and warrants to the Company as follows:

(a) Organization; Authority. Such Purchaser is an entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization with the requisite corporate or, if such Purchaser is not a corporation, such partnership, limited liability company or other applicable power and authority to enter into and to consummate the transactions contemplated by the applicable Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of this Agreement by such Purchaser and performance by such Purchaser of the transactions contemplated by this Agreement have been duly authorized by all necessary corporate or, if such Purchaser is not a corporation, such partnership, limited liability company or other applicable like action, on the part of such Purchaser. Each Transaction Document to which it is a party has been duly executed by such Purchaser, and when delivered by such Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of such Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, examinership, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application.

(b) No Conflicts. The execution, delivery and performance by such Purchaser of this Agreement and the Registration Rights and the consummation by such Purchaser of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Purchaser, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Purchaser is a party, or (iii) result in a violation of any Law, rule, regulation, order, judgment or decree (including U.S. federal and state securities laws) applicable to such Purchaser, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Purchaser to perform its obligations hereunder.

(c) Investment Intent. Such Purchaser understands that the Preferred Stock and Warrants are (and the Warrant Shares and Conversion Shares will be) "restricted securities" and the offer and sale thereof have not been registered under the Securities Act or any applicable U.S. state securities law and is acquiring the Preferred Stock and Warrants as principal for its own account and not with a view to, or for distributing or reselling such Securities or any part thereof in violation of the Securities Act or any applicable U.S. state or other securities laws, *provided, however*, that by making the representations herein, such Purchaser does not agree to hold any of the Securities for any minimum period of time and reserves the right, subject to the provisions of this Agreement and the Registration Rights, at all times to sell or otherwise dispose of all or any part of such Securities pursuant to an effective registration statement under the Securities Act or under an exemption from such registration and in compliance with applicable U.S. federal, state and other securities laws. Such Purchaser is acquiring the Preferred Stock and Warrants hereunder in the ordinary course of its business.

Such Purchaser does not presently have any agreement, plan or understanding, directly or indirectly, with any Person to distribute or effect any distribution of any of the Securities (or any securities which are derivatives thereof) to or through any person or entity in violation of federal securities law; such Purchaser is not a registered broker-dealer under Section 15 of the Exchange Act or an entity engaged in a business that would require it to be so registered as a broker-dealer.

(d) Purchaser Status. At the time such Purchaser was offered the Preferred Stock and Warrants, it was, at the date hereof it is, and at the date of any exercise of the Warrants for cash it will be, (i) an "accredited investor" as defined in Rule 501(a) under the Securities Act and (ii) an "institutional account" as defined in FINRA Rule 4512(c) or a type of Person otherwise specified in FINRA Rule 5123(b).

(e) General Solicitation. Such Purchaser is not purchasing the Preferred Stock and Warrants as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general advertisement. The purchase of the Preferred Stock and Warrants by such Purchaser has not been solicited by or through anyone other than the Company.

(f) Experience of Such Purchaser. Such Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Preferred Stock and Warrants, and has so evaluated the merits and risks of such investment. Such Purchaser is able to bear the economic risk of an investment in the Preferred Stock and Warrants.

(g) Access to Information. Such Purchaser acknowledges that it has had the opportunity to review the SEC Reports and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Preferred Stock and Warrants and the merits and risks of investing in the Preferred Stock and Warrants; (ii) access to information about the Company and the Subsidiaries and their respective financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is requested in order to make an informed investment decision with respect to the investment. Neither such inquiries nor any other investigation conducted by or on behalf of such Purchaser or its representatives or counsel shall modify, amend or affect such Purchaser's right to rely on the truth, accuracy and completeness of the SEC Reports and the Company's representations and warranties contained in the Transaction Documents. Such Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed decision with respect to its acquisition of the Preferred Stock and Warrants.

(h) Brokers and Finders. No Person will have, as a result of the transactions contemplated by this Agreement, any valid right, interest or claim against or upon the Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Purchaser. No Purchaser shall have any obligation with respect to any fees, or with respect to any claims made by or on behalf of other Persons for fees, in each case of the type contemplated by this Section 3.2(h) that may be due in connection with the transactions contemplated by this Agreement or the Transaction Documents.

(i) Independent Investment Decision. Such Purchaser has independently evaluated the merits of its decision to purchase Preferred Stock and Warrants pursuant to the Transaction Documents, and such Purchaser confirms that it has not relied on the advice of any other Purchaser's business and/or legal counsel in making such decision. Such Purchaser understands that nothing in this Agreement or any other materials presented by or on behalf of the Company to the Purchaser in connection with the purchase of the Preferred Stock and Warrants constitutes legal, tax or investment advice. Such Purchaser has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of the Preferred Stock and Warrants.

(j) Reliance on Exemptions. Such Purchaser understands that the Preferred Stock and Warrants are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Purchaser's compliance with, the representations, warranties, agreements, acknowledgements and understandings of such Purchaser set forth herein in order to determine the availability of such exemptions and the eligibility of such Purchaser to acquire the Preferred Stock and Warrants.

(k) No Governmental Review. Such Purchaser understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Preferred Stock and Warrants or the fairness or suitability of the investment in the Preferred Stock and Warrants nor have such authorities passed upon or endorsed the merits of the offering of the Preferred Stock and Warrants.

The Company and the Purchaser each acknowledges and agrees that no party to this Agreement has made or makes any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in this Article 3 and the Transaction Documents.

ARTICLE 4

OTHER AGREEMENTS OF THE PARTIES

4.1 Transfer Restrictions.

(a) Compliance with Laws. Notwithstanding any other provision of this Article 4, the Purchaser covenants that the Securities may be disposed of only pursuant to an effective registration statement under, and in compliance with the requirements of, the Securities Act, or pursuant to an available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, and in compliance with any applicable U.S. state and federal securities laws. In connection with any transfer of the Securities other than (i) pursuant to an effective registration statement, (ii) to the Company, (iii) pursuant to Rule 144, or (iv) in connection with a bona fide pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act and, as a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and the Registration Rights and shall have the rights of a Purchaser under this Agreement and the Registration Rights with respect to such transferred Securities.

(b) Legends. Certificates and book-entry statements evidencing the Securities and any Conversion Shares or Warrant Shares shall bear any legend as required by the “blue sky” Laws of any state and a restrictive legend in substantially the following form:

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (“**SECURITIES ACT**”), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. ACCORDINGLY, THIS SECURITY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED, HYPOTHECATED, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

A Purchaser may request that the Company remove, and, to the extent the Purchaser delivers to the Company or its Transfer Agent its legended certificate representing such Securities (or a request for legend removal, in the case of Securities issued in book-entry form), the Company agrees to cause the removal of, any legend from such Securities: (i) if there is an effective registration statement covering the resale of such Securities (the date of effectiveness thereof, the “**Registration Statement Effective Date**”), (ii) if such Securities are sold or transferred pursuant to Rule 144, or (iii) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations permitted to be removed in accordance with pronouncements issued by the staff of the SEC), in each case of the foregoing, provided that any contractual lock-up period applicable to such Purchaser’s Securities (if any) has expired (collectively, the “**Unrestricted Conditions**”). If a legend removal request is made pursuant to the foregoing, the Company will, no later than the Standard Settlement Period following the delivery by a Purchaser to the Company or the Company’s Transfer Agent of a legended certificate representing such Securities (or a request for legend removal, in the case of Securities issued in book-entry form) together with any reasonable and customary representation letter(s) requested by the Company or its legal counsel (the “**Unlegended Share Delivery Date**”), deliver or cause to be delivered to such Purchaser a certificate representing such Securities that is free from all restrictive legends, or an equivalent book-entry position, as requested by the Purchaser. In the event that Conversion Shares or Warrant Shares are issued upon conversion or exercise, as applicable, after the Registration Statement Effective Date, the Conversion Shares or Warrant Shares shall be issued without restrictive legends. Without limiting the foregoing, either (a) upon request of the Purchaser or (b) as contemplated by the Irrevocable Transfer Agent Instructions, the Company shall reasonably promptly cause a restrictive legend to be removed from any certificate or book-entry statement for any Securities in accordance with the terms of this Agreement and deliver, or cause to be delivered, to any Purchaser new certificate(s) or book entry statement(s) representing the Securities that are free from all restrictive and other legends or, at the request of such Purchaser, via DWAC (as defined below) transfer to such Purchaser’s account. If so requested by a Purchaser, Securities free from all restrictive legends shall be transmitted by the Company’s Transfer Agent to a Purchaser by crediting the account of such Purchaser’s prime broker with the Depository Trust Company (“**DTC**”) through DTC’s Deposit/Withdrawal at Custodian system (“**DWAC**”), as directed by such Purchaser. The Company warrants that the Securities shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement. If a Purchaser effects a transfer of the Securities in accordance with this Section 4.1(b), the Company shall permit the transfer and shall promptly instruct its Transfer Agent to issue one or more certificates or credit the Securities to the applicable balance accounts at DTC in such name and in such denominations as specified by such Purchaser to effect such transfer. Without limiting the obligations of the Company pursuant to the foregoing, if required by the Transfer Agent, the Company shall cause its counsel to issue a blanket legal opinion to its Transfer Agent promptly after the Registration Statement Effective Date, or at such other time as any of the Unrestricted Conditions has been met, to effect the removal of any legends hereunder. If the Company shall fail to issue to any Purchaser (other than a failure caused by incorrect, incomplete or untimely information provided by the Purchaser to the Company or its Transfer Agent), by the applicable Unlegended Share Delivery Date, a certificate, or a book-entry statement, as applicable, representing such Securities without restrictive legend or to issue such Securities to such Purchaser without restrictive legend through DWAC to the applicable balance account at DTC, as applicable, and after the Unlegended Share Delivery Date such Purchaser is required by its brokerage firm to purchase (in an open market transaction or otherwise) or such Purchaser or such Purchaser’s brokerage firm otherwise purchases the Securities to deliver in satisfaction of a sale by such Purchaser of the Securities which such Purchaser anticipated receiving without restrictive legend (a “**Buy-In**”), then the Company shall pay in cash to such Purchaser the amount by which (if any) (X) such Purchaser’s total purchase price (including brokerage commissions, if any) for the Securities so purchased in the Buy-In exceeds (Y) the amount obtained by multiplying (I) the number of shares of the Securities that the Company was required to deliver without restrictive legend to such Purchaser on the Unlegended Share Delivery Date multiplied by (II) the price at which the sell order giving rise to such purchase obligation was executed. Nothing herein shall limit any Purchaser’s right to pursue any other remedies available to it hereunder or under the Registration Rights, or otherwise at law or in equity, including a decree of specific performance and/or injunctive relief, with respect to the Company’s failure to timely deliver the Securities without restrictive legend as required pursuant to the terms hereof. The Purchaser hereby agrees that the removal of the restrictive legend pursuant to this Section 4.1(b) is predicated upon the Company’s reliance that such Purchaser will only sell any such Securities pursuant to either the registration requirements of the Securities Act, or an exemption therefrom. Any fees (with respect to the Company’s Transfer Agent, Company counsel or otherwise) associated with the issuance of any required opinion or the removal of such legend shall be borne by the Company. The Company shall not be responsible for any fees incurred by the Purchaser in connection with the delivery of such unlegended Securities.

The Company acknowledges and agrees that a Purchaser may from time to time pledge, and/or grant a security interest in, some or all of the legended Securities in connection with applicable securities laws, pursuant to a bona fide margin agreement in compliance with a bona fide margin loan. Such a pledge would not be subject to approval or consent of the Company and no legal opinion of legal counsel to the pledgee, secured party or pledgor shall be required in connection with the pledge, but such legal opinion shall be required in connection with a subsequent transfer or foreclosure following default by the Purchaser transferee of the pledge. No notice shall be required of such pledge, but Purchaser's transferee shall promptly notify the Company of any such subsequent transfer or foreclosure. The Purchaser acknowledges that the Company shall not be responsible for any pledges relating to, or the grant of any security interest in, any of the Securities or for any agreement, understanding or arrangement between any Purchaser and its pledgee or secured party. At the appropriate Purchaser's expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities, including the preparation and filing of any required prospectus supplement under Rule 424(b)(3) of the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of selling stockholders thereunder. The Purchaser acknowledges and agrees that, except as otherwise provided in Section 4.1(c), any Securities subject to a pledge or security interest as contemplated by this Section 4.1(b) shall continue to bear the legend set forth in this Section 4.1(b) and be subject to the restrictions on transfer set forth herein.

(c) Irrevocable Transfer Agent Instructions. The Company shall issue the Irrevocable Transfer Agent Instructions. The Company represents and warrants that no instruction other than the Irrevocable Transfer Agent Instructions referred to in this Section 4.1(c) (or instructions that are consistent therewith) will be given by the Company to its Transfer Agent in connection with this Agreement, and that the Securities shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and the other Transaction Documents and applicable law. The Company acknowledges that a breach by it of its obligations under this Section 4.1(c) will cause irreparable harm to a Purchaser. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Section 4.1(c) may be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section 4.1(c) that a Purchaser shall be entitled, in addition to all other available remedies, to an order and/or injunction restraining any breach and requiring immediate issuance and transfer, without the necessity of showing irreparable harm or economic loss and without any bond or other security being required.

(d) Lock-up Restriction.

(i) The Purchaser agrees it shall not Transfer any Securities issued hereby until one year following the Initial Closing Date (the "**Lock-up Restriction**"). For a period of one year following the Initial Closing Date, certificates and book-entry statements evidencing the Securities and any Conversion Shares or Warrant Shares shall bear the following restrictive legend:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO RESTRICTIONS ON TRANSFER UNDER THAT CERTAIN SECURITIES PURCHASE AGREEMENT, DATED AS OF June 21, 2024, BETWEEN THE COMPANY AND THE PURCHASER NAMED ON THE SIGNATURE PAGES THERETO.

(ii) Notwithstanding the provisions set forth in paragraph 4(d)(i), the Lock-up Restriction shall not apply to transfers of Securities (a) to the officers or directors of the Purchaser or its affiliates, any affiliate of the Purchaser or entity under common control, any family member of any of the Purchaser's or its affiliates' officers or directors, any members or partners of the Purchaser or their affiliates, or any employees of such affiliates; (b) in the case of an individual, by gift to a member of one of the individual's immediate family or to a trust, the beneficiary of which is a member of the individual's immediate family, an affiliate of such person or to a charitable organization; (c) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual; (d) in the case of an individual, pursuant to a qualified domestic relations order; (e) by virtue of the Purchaser's organizational documents upon liquidation or dissolution of the Purchaser or pursuant to a distribution by the Purchaser; (f) to the Company for no value for cancellation; (g) in the event of the Company's liquidation; (h) in the event of completion of a liquidation, merger, share exchange or other similar transaction by the Company in which shareholders generally have a right to exchange shares that results in a Change of Control (as defined in the Credit Agreement) or (i) in connection with a Change of Control (as defined in the Credit Agreement); provided, however, that in the case of clauses (a) through (d) these permitted transferees must enter into a written agreement agreeing to be bound by these transfer restrictions.

4.2 Furnishing of Information. In order to enable the Purchaser to sell the Securities under Rule 144, until such time as Purchaser may sell the Securities without limitation under Rule 144, the Company shall timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act and, if during such period, the Company is not required to file reports pursuant to the Exchange Act, it will prepare and furnish to the Purchaser and make publicly available in accordance with Rule 144(c) such information as is required for the Purchaser to sell the Securities under Rule 144.

4.3 Integration. The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Preferred Stock and Warrants in a manner that would require the registration under the Securities Act of the sale of the Preferred Stock, the Warrants to the Purchaser or that will be integrated with the offer or sale of the Preferred Stock and Warrants for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

4.4 Shareholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that any Purchaser is an “*Acquiring Person*” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement or Law (including Section 203 of the Delaware General Corporation Law) (a “*Shareholder Rights Plan*”) in effect or hereafter adopted by the Company, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, in either case solely by virtue of receiving Preferred Stock and Warrants under the Transaction Documents, and no such Shareholder Rights Plan is currently in effect.

4.5 Non-Public Information. If at any time the Purchaser has not designated a director or a board observer to the Board of Directors pursuant to its rights to do so as set forth in the Certificate of Designations, then except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, including this Agreement, or as expressly required by any applicable securities law, the Company covenants and agrees that neither it, nor any other Person acting on its behalf including its representatives, Affiliates, officers, directors, employees or agents, will provide the Purchaser or any of the Purchaser’s Affiliates, representatives, agents or counsel with any information regarding the Company or any Subsidiary that constitutes, or that the Company reasonably believes constitutes, material non-public information without the express written (email being sufficient) consent of the Purchaser, unless prior thereto the Purchaser or any of the Purchaser’s Affiliates, attorneys, agents or representatives shall have previously consented in writing to the receipt of such information and agreed with the Company to keep such information confidential until such time as such information is publicly disclosed or such time as set forth in such written agreement. The Company understands and confirms that the Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company. To the extent that the Company delivers any material, non-public information to the Purchaser without the Purchaser’s consent, the Company hereby covenants and agrees that the Purchaser shall not have any duty of confidentiality or trust to the Company or any of its officers, directors, agents, employees or Affiliates, or a duty to the Company or any of its officers, directors, agents, employees or Affiliates, not to trade while aware of such material non-public information. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material, non-public information regarding Company or any of its Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Company understands and confirms that the Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

4.6 Principal Trading Market Listing. The Company shall use its reasonable best efforts to take all steps necessary to cause the Conversion Shares and the Warrant Shares to be approved for listing on the Principal Trading Market as promptly as possible.

4.7 Beneficial Ownership Limitation. Notwithstanding anything to the contrary set forth in the Certificate of Designation or the Warrants, the Company shall not effect any conversion of any share of Preferred Stock or any exercise of any Warrant, and a Purchaser shall not have the right to convert any portion of its Preferred Stock or exercise any portion of its Warrant, to the extent that, after giving effect to such attempted conversion set forth on an applicable Notice of Conversion (as defined in the Certificate of Designation) with respect to the Preferred Stock or such attempted exercise set forth on an applicable Notice of Exercise (as defined in the Warrant), as the case may be, such Purchaser (or any of such Purchaser's Affiliates or any other Person who would be a beneficial owner of Common Stock beneficially owned by the Purchaser for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission, including any "group" of which the Purchaser is a member (the foregoing, "**Attribution Parties**")) would beneficially own a number of shares of Common Stock in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such Purchaser and its Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of the Warrant subject to the Notice of Exercise or conversion of Preferred Stock subject to the Notice of Conversion or the automatic conversion, as applicable, with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Preferred Stock beneficially owned by such Purchaser or any of its Attribution Parties, (ii) exercise of the remaining, unexercised portion of the Warrants beneficially owned by such Purchaser or any of its Attribution Parties and (iii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such Purchaser or any of its Attribution Parties that are subject to and would exceed a limitation on conversion or exercise similar to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this Section 4.7, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission, and the terms "beneficial ownership" and "beneficially own" have the meanings ascribed to such terms therein. In addition, for purposes hereof, "group" has the meaning set forth in Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission. For purposes of this Section 4.7, in determining the number of outstanding shares of Common Stock, a Purchaser may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (a) the Company's most recent periodic or annual filing with the Commission, as the case may be, (b) a more recent public announcement by the Company that is filed with the Commission, or (c) a more recent notice by the Company or the Company's transfer agent to the Purchaser setting forth the number of shares of Common Stock then outstanding. For any reason at any time, upon the written request of a Purchaser (which may be by e-mail), the Company shall, within two (2) Trading Days of such request, confirm in writing to such Purchaser (which may be by e-mail) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Company, including Series B Preferred Stock and Warrants, by such Purchaser or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Purchaser. The "**Beneficial Ownership Limitation**" (y) shall initially be set at the discretion of the Purchaser to a percentage between 0% and 19.99% of the number of shares of the Common Stock outstanding or deemed to be outstanding as of the Initial Closing Date, and (z) following receipt of the Requisite Stockholder Approval, shall be set at the discretion of the Purchaser to a percentage between 0% and 49.9% of the number of shares of Common Stock outstanding or deemed to be outstanding as of the applicable measurement date. The Company shall be entitled to rely on representations made to it by any Purchaser in any Notice of Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Company, upon receipt of the Requisite Stockholder Approval, any Purchaser may amend the Beneficial Ownership Limitation percentage with respect to such Purchaser to any percentage that is lower than or equal to 49.9%. The provisions of this Section 4.7 shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the Securities in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the Purchaser for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act.

4.8 Requisite Stockholder Approval. The Company shall take all action necessary under applicable law to call, give notice of and hold a special meeting of stockholders (a "**Stockholder Meeting**") within 90 days from the Initial Closing (the "**Stockholder Meeting Deadline**") for the purpose of obtaining stockholder approval of the Transactions (the "**Requisite Stockholder Approval**"). The Company shall use its commercially reasonable best efforts to solicit its stockholders' approval of such resolution and to cause the Board of Directors to recommend to the stockholders that they approve such resolution.

4.9 Conversion and Exercise Procedures. The form of Notice of Conversion included in any Series B Certificate of Designation and the form of Notice of Exercise included in the Warrants set forth the totality of the procedures required of the Purchaser in order to convert the Series B Preferred Stock or to exercise the Warrants. No additional legal opinion, other information or instructions shall be required of the Purchaser to convert their Series B Preferred Stock or to exercise their Warrants. Without limiting the preceding sentence, no ink-original Notice of Conversion or Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion or Notice of Exercise form be required in order for the registered holder thereof to convert or exercise the Series B Preferred Stock or Warrants. The Company shall honor conversions of the Series B Preferred Stock and exercises of the Warrants and shall deliver Conversion Shares and Warrant Shares in accordance with the terms, conditions and time periods set forth in the Transaction Documents.

4.10 Indemnification of Purchaser. Subject to the provisions of this Section 4.10, the Company will indemnify and hold the Purchaser and its directors, officers, shareholders, members, partners, employees, investment advisers and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls such Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners, investment advisers or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a **"Purchaser Party"**) harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any such Purchaser Party may suffer or incur as a result of or relating to (i) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (ii) any Action instituted against a Purchaser in any capacity, or any Purchaser Party, by any stockholder of the Company who is not an Affiliate of such Purchaser seeking indemnification, with respect to any of the transactions contemplated by the Transaction Documents (unless such Action is based upon a breach of such Purchaser's representations, warranties or covenants under the Transaction Documents). Promptly after receipt by any such Person (the **"Indemnified Person"**) of notice of any demand, claim or circumstances that would or may give rise to a claim or the commencement of any Proceeding or investigation in respect of which indemnity may be sought pursuant to this Section 4.10, such Indemnified Person shall promptly notify the Company in writing and the Company shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person, and shall assume the payment of all fees and expenses relating to such Proceeding or investigation; *provided, however*, that the failure of any Indemnified Person so to notify the Company shall not relieve the Company of its obligations hereunder except to the extent that the Company is actually and materially prejudiced by such failure to notify. In any such Proceeding, any Indemnified Person shall have the right to retain its own counsel; *provided*, that the reasonable fees and expenses of such counsel shall be at the expense of such Indemnified Person unless: (a) the Company and the Indemnified Person shall have mutually agreed to the retention of such counsel; (b) the Company shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Person in such Proceeding; or (c) in the reasonable judgment of counsel to such Indemnified Person, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. In the event of the circumstances described in the foregoing clause (c), if the Indemnified Person notifies the Company in writing that such Indemnified Person elects to employ separate counsel at the expense of the Company, then the Company shall not have the right to assume the defense of such claim on behalf of such Indemnified Person. The Company shall not be liable for any (x) settlement of any Proceeding effected without its prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned or (y) to the extent fees or costs incurred pursuant to this Section 4.10 are attributable to the Indemnified Person's breach of any of the representations, warranties, covenants or agreements made by the Purchaser in this Agreement or the other Transaction Documents or any violations by such Purchaser Party of state or federal securities laws or any conduct by such Purchaser Party which is finally judicially determined to constitute fraud, gross negligence or willful misconduct. Without the prior written consent of the Indemnified Person, which consent shall not be unreasonably withheld, delayed or conditioned, the Company shall not effect any settlement of any pending or threatened Proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability arising out of such Proceeding and does not include any admission to fault. The indemnity agreements contained herein shall be in addition to any cause of action or similar right of any Indemnified Person against the Company or others and any liabilities the Company may be subject to pursuant to law.

4.11 Subsequent Equity Sales.

(a) From the date hereof until the one year anniversary of the Initial Closing Date, neither the Company nor its Subsidiaries shall issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or Common Stock Equivalents; *provided, however*, that the restrictions set forth in this Section 4.11(a) shall not apply during any period in which the Purchaser has failed to fund a Delayed Draw Term Loan (as defined in the Credit Agreement), irrespective of whether the applicable Milestone (as defined in the Credit Agreement) with respect thereto has been achieved. Notwithstanding the foregoing, the restrictions set forth in this Section 4.11(a) shall not apply in respect of an Exempt Issuance, except that no Variable Rate Transaction shall be an Exempt Issuance.

(b) From the date hereof until the date that is the earlier of nine (9) months after the Initial Closing Date and the date that no Securities are outstanding, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company of any Common Stock or Common Stock Equivalents (or a combination of units thereof) involving a Variable Rate Transaction. For purposes hereof, "**Variable Rate Transaction**" means a transaction in which the Company (i) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive, additional shares of Common Stock either (A) at a conversion price, exercise price or exchange rate or other price that is based upon, and/or varies with, the trading prices of or quotations for the Common Stock at any time after the initial issuance of such debt or equity securities, or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock, or (ii) enters into, or effects a transaction under, any agreement, including, but not limited to, an equity line of credit, whereby the Company may issue securities at a future determined price (but not including an "at-the-market" offering).

4.12 Registration Rights. The Company and the Purchaser agree to be bound by the Registration Rights set forth on Annex A, the term of which are incorporated by reference herein.

(f) No Suspensions of Trading in Common Stock; No Stop Orders; Listing. (a) Representations and Warranties. The representations and warranties made by such Purchaser in Section 3.2 hereof shall be true and correct in all material respects (except for those representations and warranties which are qualified as to materiality, in which case such representations and warranties shall be true and correct in all respects) as of the date when made, except for representations and warranties that speak as of a specific date, which shall be true and correct in all material respects (except for those representations and warranties which are qualified as to materiality or Material Adverse Effect, which representations and warranties shall be true and correct in all respects) as of such date.

(c) Termination. This Agreement shall not have been terminated as to the Purchaser in accordance with Section 6.17 herein.

ARTICLE 6

6.1 Fees and Expenses. Fees and expenses shall be governed by the Credit Agreement. Additionally, and not in duplication of the Credit Agreement, the Company shall remain obligated to pay all reasonable fees, costs and expenses (but excluding the payment of an exercise price), including all reasonable attorney's fees, incurred by the Purchaser in connection with the administration of this Agreement or any Securities issued hereunder, including any consents, amendments, supplements, waivers or other modifications of this Agreement or any Securities issued hereunder and the exercise of Purchaser's exercise or redemption rights, and the enforcement, preservation or protection of Purchaser's rights and remedies under this Agreement or in respect of any Securities issued hereunder.

6.4 Amendments; Waivers; No Additional Consideration. No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed by the Company and the Purchaser.

6.5 Construction. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. This Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement or any of the Transaction Documents. As used in this Agreement, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

6.6 Successors and Assigns. The provisions of this Agreement shall inure to the benefit of and be binding upon the parties and their successors and permitted assigns. This Agreement, or any rights or obligations hereunder, may not be assigned by the Company without the prior written consent of the Purchaser. Any Purchaser may assign its rights hereunder in whole or in part to any Person to whom such Purchaser assigns or transfers any Preferred Stock or Warrants in compliance with the Transaction Documents and applicable law, provided such transferee shall agree in writing to be bound, with respect to the transferred Preferred Stock or Warrants, by the terms and conditions of this Agreement that apply to the Purchaser.

6.7 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

6.8 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, employees or agents) shall be commenced exclusively in the New York Courts. Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Proceeding, any claim that it is not personally subject to the jurisdiction of any such New York Court, or that such Proceeding has been commenced in an improper or inconvenient forum. Each party hereto hereby irrevocably waives personal service of process and consents to process being served in any such Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.**

6.9 Survival. Subject to applicable statute of limitations, the representations, warranties, agreements and covenants contained herein shall survive the Initial Closing and the delivery of the Preferred Stock and Warrants.

6.10 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a “.pdf” format data file, or by any electronic signature complying with the U.S. E-SIGN Act of 2000 or the New York Electronic Signatures and Records Act, such signature shall create a legally valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

6.11 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

6.12 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) the Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights; *provided, however*, that, in the case of a rescission of an exercise of Warrants, the applicable Purchaser shall be required to return any Warrant Shares subject to any such rescinded exercise notice concurrently with the return to such Purchaser of the aggregate exercise price paid to the Company for such Warrant Shares and the restoration of such Purchaser's right to acquire such Warrant Shares pursuant to such Purchaser's Warrant (including, issuance of a replacement warrant certificate evidencing such restored right).

6.13 Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company may issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company and the Transfer Agent of such loss, theft or destruction and the execution by the holder thereof of a customary lost certificate affidavit of that fact and an agreement to indemnify and hold harmless the Company and the Transfer Agent for any losses in connection therewith or, if required by the Transfer Agent, a bond in such form and amount as is required by the Transfer Agent. The applicants for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs associated with the issuance of such replacement Securities. If a replacement certificate or instrument evidencing any Securities is requested due to a mutilation thereof, the Company may require delivery of such mutilated certificate or instrument as a condition precedent to any issuance of a replacement.

6.14 Remedies. In addition to being entitled to exercise all rights provided herein or granted by Law, including recovery of damages, each of the Purchaser and the Company will be entitled to specific performance under the Transaction Documents, without the requirement of posting a bond. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agree to waive in any action for specific performance of any such obligation (other than in connection with any action for a temporary restraining order) the defense that a remedy at law would be adequate.

6.15 Payment Set Aside. To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any Law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

6.16 Adjustments in Share Numbers and Prices. In the event of any stock split, subdivision, dividend or distribution payable in shares of Common Stock (or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly shares of Common Stock), combination or other similar recapitalization or event occurring after the date hereof and prior to the Closing, each reference in any Transaction Document to a number of shares or a price per share shall be deemed to be amended to appropriately account for such event.

6.17 Termination. This Agreement may be terminated and issuance of the Preferred Stock and Warrants abandoned at any time at the sole discretion of the Purchaser. For the avoidance of doubt, no such abandonment shall release Purchaser from any obligations under any other Transaction Document. Nothing in this Section 6.17 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or the other Transaction Documents or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement or the other Transaction Documents.

6.18 Arm's Length Transaction. The Company acknowledges and agrees that (i) the transactions described in this Agreement are an arm's-length commercial transaction between the parties, (ii) the Purchaser have not assumed nor will they assume an advisory or fiduciary responsibility in the Company's favor with respect to any of the transactions contemplated by this Agreement or the process leading thereto, and the Purchaser have no obligation to the Company with respect to the transactions contemplated by this Agreement except those obligations expressly set forth in this Agreement or the other Transaction Documents to which they are a party, and (iii) the Company's decision to enter into the Transaction Documents has been based solely on the independent evaluation by the Company and its representatives.

6.19 No Use of Names. Except as otherwise required by applicable law or regulation, the Company shall not use the Purchaser's names or the name of any of their Affiliates in any advertisement, announcement, press release or other similar public communication unless it has received the prior written consent of the applicable Purchaser for the specific use contemplated. For the avoidance of doubt, this Section 6.19 shall not prevent the Company from making disclosures concerning the Transaction Documents in filings made with the Commission.

6.20 Tax Treatment. For so long as any Securities issued to Purchaser or any shares of Common Stock issued and delivered to Purchaser upon conversion of such Securities remain outstanding, the Company shall be classified as an association taxable as a corporation for U.S. federal income tax purposes and a "United States person" within the meaning of Section 7701(a)(30) of the Code. The Company and the Purchaser intend and agree that: (i) the Series A-1 Preferred Stock, the Subsequent Series A Preferred Stock, and the Series B Preferred Stock shall be treated as stock that is not preferred stock for U.S. federal and applicable state income tax purposes, including Section 305 of the Code, (ii) the Company shall not report on IRS Form 1099-DIV (or any applicable successor or substitute form) any amount, including accrued but unpaid dividends, as a dividend paid in respect of such Preferred Stock unless and until such amount is paid to Purchaser in cash, (iii) each of the conversion of Series A Preferred Stock into Series B Preferred Stock pursuant to the Series A Certificate of Designation and the conversion of Series B Preferred Stock into Common Stock pursuant to the Series B Certificate of Designation shall constitute a reorganization under Section 368(a)(1)(E) of the Code or an exchange under Section 1036 of the Code, and (iv) solely for U.S. federal and applicable state income tax purposes, ownership of the Warrants shall be treated as ownership of the underlying Warrant Shares. The Company and Purchaser shall, and shall cause their Affiliates to, report all income tax matters with respect to the Securities consistent with the U.S. federal income tax treatment provided for by this Section 6.20, and shall not take any action or file any Tax return, report or declaration inconsistent therewith, unless otherwise required by a final determination within the meaning of Section 1313 of the Code.

REGISTRATION RIGHTS

Capitalized terms used in this Annex A shall have the meanings set forth in the Securities Purchase Agreement unless otherwise defined in the body of this Annex A.

(a) No later than the date that is sixty (60) days prior to the date of the expiration of the Lock- Up Restriction, the Company shall submit to or file with the SEC a registration statement registering the resale of the Conversion Shares, the Warrant Shares, and any securities issued or issuable with respect to the Conversion Shares or Warrant Shares by way of a stock dividend or stock split or in connection with a combination of shares, recapitalization, merger, consolidation, spin-off, reclassification or other reorganization or similar transaction (including, for the avoidance of doubt, any Conversion Shares and Warrant Shares issued pursuant to any Subsequent Closings) (the “Registrable Securities”) (determined as of two (2) business days prior to such filing) on any form of registration statement (a “Registration Statement”) as is then available to effect a registration for resale of such Registrable Securities, which may be on Form S-1, for an offering to be made on a continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by the Purchaser(s) (or a bona fide pledgee thereof) of all of the Registrable Securities held by the Purchaser (or bona fide pledgee thereof) (the “Initial Registration Statement”). The Purchaser shall not be named as an underwriter on any Registration Statement, provided, that if the SEC requires that the Purchaser be identified as a statutory underwriter in a Registration Statement, the Purchaser will have the option, in its sole and absolute discretion, to either (i) withdraw from the Registration Statement, it being understood that such withdrawal shall not relieve the Company of its obligation to register for resale such Purchaser’s Registrable Securities at a later date or (ii) be included as such in the Registration Statement. In the event that a Purchaser elects to include its Registrable Securities on a Registration Statement in accordance with the foregoing clause (ii), the Company shall provide such Purchaser with a draft of such Registration Statement (and any amendments or supplements thereto) as soon as reasonably practicable, and any disclosures contained therein relating to such Purchaser shall be subject to the approval of such Purchaser (which approval shall not be unreasonably withheld or delayed). Such Registrable Securities will cease to become Registrable Securities upon the earliest to occur of: (A) a Registration Statement with respect to the sale of such securities shall have become effective under the Securities Act and all Registrable Securities held by the Purchaser shall have been sold, transferred, disposed of or exchanged in accordance with such Registration Statement by the applicable Purchaser; (B) such securities shall have ceased to be outstanding; (C) such securities may be sold without restriction on volume or manner of sale in any three-month period pursuant to Rule 144 or any successor rule promulgated under the Securities Act; and (D) all Registrable Securities held by the Purchaser have been sold to, or through, a broker, dealer or underwriter in a public distribution or other public securities transaction.

(b) The Company shall use commercially reasonable efforts to have the Initial Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) the ninetieth (90th) calendar day following the filing date thereof if the SEC notifies the Company that it will “review” the Registration Statement and (ii) the tenth (10th) business day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or will not be subject to further review. The Company shall notify the Purchasers as promptly as practicable after the Registration Statement is declared effective and shall simultaneously or prior thereto file with the SEC pursuant to Rule 424(b) promulgated under the Securities Act, and provide the Purchasers with copies of, any related prospectus to be used in connection with the sale or other disposition of the securities covered thereby (each, a “Prospectus”). The Registration Statement shall contain a Prospectus in such form as to permit any Purchaser to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement, and shall provide that such Registrable Securities may be sold pursuant to any method or combination of methods legally available to, and requested by, the Purchasers.

(c) The Company shall maintain the Initial Registration Statement and any subsequent Registration Statement in accordance with the terms hereof, and shall prepare and file with the SEC such amendments, including post-effective amendments, and supplements as may be necessary to keep the Initial Registration Statement and any subsequent Registration Statement continuously effective, available for use to permit the Purchasers named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities (the "Effectiveness Period").

(d) In furtherance of the foregoing, the Company shall:

i. provide copies to, and permit the Purchaser to review, the Registration Statement and all amendments and supplements thereto not less than two (2) business days prior to the filing of the Registration Statement and not less than one (1) business day prior to the filing of any related Prospectus or any amendment or supplement thereto (except any amendment or supplement in relation to annual reports on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K and any similar or successor reports) and provide the Purchaser a reasonable opportunity to comment thereon, and the Company shall consider such comments in good faith before filing any Registration Statement or amendment or supplement thereto;

ii. use commercially reasonable efforts to (x) prevent the issuance of any stop order or other suspension of effectiveness and (y) if such order is issued, obtain the withdrawal of any such order as soon as practicable;

iii. prior to any public offering of Registrable Securities, use commercially reasonable efforts to register or qualify or cooperate with the Purchaser and its counsel in connection with the registration or qualification of such Registrable Securities for the offer and sale under the securities or blue sky laws of such jurisdictions upon notice and as requested by the Purchaser and do any and all other commercially reasonable acts or things necessary or advisable as requested by the Purchaser to enable the distribution in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this provision; (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this provision; or (iii) file a general consent to service of process in any such jurisdiction;

iv. use commercially reasonable efforts to cause all Registrable Securities covered by a Registration Statement to be listed on each national securities exchange or other market on which similar securities issued by the Company are then listed;

v. provide a transfer agent or warrant agent, if any, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

vi. promptly notify the Purchaser at any time prior to the end of the Effectiveness Period, upon discovery that, or upon the happening of any event as a result of which, the Prospectus included in the Registration Statement, as then in effect, includes a untrue statement of a material fact or an omission to state a material fact required to be stated in a Registration Statement or Prospectus or necessary to make the statements in a Registration Statement or Prospectus (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading (a "Misstatement"), which the Purchaser will maintain in confidence, and (i) promptly prepare, file with the SEC and furnish to such Purchaser a supplement to or an amendment of such Prospectus as may be necessary so that such Prospectus shall not include such Misstatement or (ii) suspend the filing, initial effectiveness or continued use of any Registration Statement in accordance with Section (g) of this Annex A below;

vii. use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC under the Securities Act and the Exchange Act; and

viii. otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Purchaser, consistent with the terms of this Securities Purchase Agreement and the Securities offered thereunder, in connection with such registration.

(e) In the event that any Purchaser holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon written request of such Purchaser (a "Registration Request"), shall promptly use its commercially reasonable efforts to cause the resale of such Registrable Securities to be covered by either, at the Company's option, any then available Registration Statement (including by means of a post-effective amendment) or by filing a subsequent Registration Statement (each such Registration Statement, an "Additional Registration Statement"), with such Additional Registration Statement to be (i) filed in accordance with the requirements of Section (a) of this Annex A, provided that, any Additional Registration Statement shall be filed as soon as practicable following the date of a Registration Request but no later than thirty (30) calendar days following the date of such Registration Request, and causing the same to become effective as soon as reasonably practicable after such filing in accordance with Section (b) of this Annex A, and such Additional Registration Statement shall be subject to the terms of this Annex A.

(f) If the Initial Registration Statement or any Additional Registration Statement ceases to be effective under the Securities Act for any reason at any time while Registrable Securities are still outstanding, the Company shall use its commercially reasonable efforts to as promptly as is reasonably practicable to cause such Initial Registration Statement or Additional Registration Statement, as applicable, to again become effective under the Securities Act or file an Additional Registration Statement registering the resale of all Registrable Securities (determined as of two (2) business days prior to such filing) pursuant to any method or combination of methods legally available to the Company.

(g) For not more than ninety (90) consecutive days or for a total of not more than one-hundred twenty (120) days, in each case, in any twelve (12) month period, the Company may suspend the filing, initial effectiveness or continued use of any Registration Statement in respect of any registration contemplated by this Annex A in the event that the Company determines in good faith that such suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company, in the best interests of the Company; (B) amend or supplement the affected Registration Statement or the related prospectus so that such Registration Statement or prospectus shall not include any misstatement; or (C) require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control (each, an "Allowed Delay"); provided that the Company shall promptly (1) notify the Purchaser in writing of the commencement of an Allowed Delay, but shall not (without the prior written consent of a Purchaser) disclose to such Purchaser any material non-public information giving rise to an Allowed Delay, (2) advise the Purchaser in writing to cease all sales under such Registration Statement until the end of the Allowed Delay (but not, for the avoidance of doubt, any sale pursuant to Rule 144 or other applicable exemption under the Securities Act) and (3) use commercially reasonable efforts to terminate an Allowed Delay as promptly as reasonably practicable.

(h) The Company will pay all expenses associated with each Registration Statement filed pursuant to this Annex A, including filing and printing fees, the fees and expenses of the Company's counsel and accounting fees and expenses, costs associated with clearing the Registrable Securities for sale under applicable state securities laws and listing fees, but excluding discounts, commissions, fees of underwriters, selling brokers, dealer managers or similar securities industry professionals with respect to the Registrable Securities being sold.

(i) The Company agrees to indemnify and hold harmless the Purchaser, and each of its officers, employees, affiliates, directors, partners, members, managers, equityholders, attorneys, advisors and agents, and each person or entity, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Securities and Exchange Act) the Purchaser (each, a "Purchaser Indemnified Party"), to the fullest extent permitted by applicable law, from and against any expenses, losses, judgments, actions, claims, proceedings (whether commenced or threatened), damages, liabilities or costs (including, without limitation, reasonable attorneys' fees) (each a "Loss" and collectively, "Losses"), as incurred, arising out of or based upon any Misstatement contained in any Registration Statement under which the sale of such Registrable Securities was registered under the Securities Act, any preliminary Prospectus, final Prospectus or summary Prospectus contained in such Registration Statement, any amendment or supplement to such Registration Statement, preliminary Prospectus, final Prospectus or summary Prospectus, or any free writing prospectus relating to such Registration Statement, or any violation by the Company of the Securities Act or any rule or regulation promulgated thereunder applicable to the Company or any state securities (or Blue Sky) law, rule or regulation and relating to action or inaction required of the Company in connection with any such registration; and the Company shall promptly reimburse the Purchaser Indemnified Party for any reasonable, customary and documented out-of-pocket legal and any other expenses reasonably incurred, as incurred, by such Purchaser Indemnified Party in connection with investigating and defending any such Losses, except to the extent the Purchaser is liable to indemnify the Company for such Losses pursuant to Section (j) of this Annex A below; provided, however, that the indemnity agreement contained in this Section (i) of this Annex A shall not apply to amounts paid in settlement of any claim or proceeding if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld, and the Company will not be liable in any such case to the extent that any such losses, judgments, claims, damages, liabilities or out-of-pocket expenses arises out of or is based upon any Misstatement made in such Registration Statement in reliance upon and in conformity with information furnished to the Company, in writing, by the applicable Purchaser Indemnified Party expressly for use therein.

(j) The Purchaser will, in the event that any registration of any Registrable Securities held by the Purchaser is being effected under the Securities Act pursuant to this Agreement and the Company has required the Purchaser to provide such an undertaking on the same terms, indemnify and hold harmless the Company, each of its directors and officers and each underwriter (if any), and each other person, if any, who controls such underwriter within the meaning of the Securities Act, against any Losses, insofar as such Losses arise out of or are based upon any Misstatement contained in any Registration Statement under which the sale of such Registrable Securities was registered under the Securities Act, any preliminary Prospectus, final Prospectus or summary Prospectus contained in the Registration Statement, or any amendment or supplement thereto, if the Misstatement was made (or not made, in the case of an omission) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of such Purchaser expressly for use therein, and shall reimburse the Company and its directors and officers for any reasonable, customary and documented out-of-pocket legal or other expenses incurred by any of them in connection with investigation or defending any such Loss.

(k) No holder shall be entitled to include any of its Registrable Securities in any Registration Statement pursuant to this Annex A unless such holder furnishes to the Company in writing, within 10 days after receipt of a written request therefor (such written request, a "Notice and Questionnaire"), such information as the Company, after conferring with counsel with regard to information relating to holders that would be required by the SEC to be included in the Registration Statement or prospectus included therein, may reasonably request for inclusion in any Registration Statement or Prospectus included therein. The Company shall mail the Notice and Questionnaire to the holders no later than 20 days prior to the date of initial filing of the Registration Statement with the SEC. No Holder shall be entitled to be named as a selling securityholder in the Registration Statement as of the initial effective date of the Registration Statement, and no holder may use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless such holder has returned a completed and signed Notice and Questionnaire to the Company by the deadline for response set forth therein; provided, however, that holders shall have at least 10 days from the date on which the Notice and Questionnaire is first mailed to such holders to return a completed and signed Notice and Questionnaire to the Company. Notwithstanding the foregoing, (x) upon the request of any holder that did not return a Notice and Questionnaire on a timely basis or did not receive a Notice and Questionnaire because it was a subsequent transferee of Registrable Securities after the Company mailed the Notice and Questionnaire, the Company shall distribute a Notice and Questionnaire to such holders at the address set forth in the request and (y) upon receipt of a properly completed Notice and Questionnaire from such holder, the Company shall use its commercially reasonable efforts to name such holder as a selling securityholder in the Registration Statement by means of a pre-effective amendment, or, if permitted by the SEC, by means of a post-effective amendment or a prospectus supplement to the Registration Statement; provided, however, that the Company will have no obligation to add holders to the Registration Statement as selling securityholders more frequently than once every 30 calendar days.

(iii) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board.

SECTION 6. VOTING.

6.1 General. Except as required by applicable law and as set forth below, the holders of the Series A-[●] Preferred Stock shall not be entitled as such to receive notice of or to attend any meeting of the stockholders of the Corporation or to vote at any such meeting or any matters of the Corporation.

6.2 Election of Directors; Board Observer Right.

(a) At all times when the holders of Investor Preferred Stock shall beneficially own at least ten percent (10%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect one (1) director of the Corporation. At all times when the holders of Investor Preferred Stock shall beneficially own at least fifteen percent (15%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect two (2) directors of the Corporation. At all times when the holders of the Investor Preferred Stock shall beneficially own at least thirty percent (30%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect three (3) directors of the Corporation. At all times when the holders of Investor Preferred Stock shall beneficially own at least forty percent (40%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to nominate and designate a fourth director of the Corporation, provided, however, that any fourth director proposed to be appointed pursuant to this Section 6.2(a) would be subject to the reasonable, good faith review and determination of the nominating and corporate governance committee of the Board (the “Nominating Committee”) that the election of such director not result in either (i) the Corporation being in violation of any rules and regulations (including the independence and other director qualification requirements) of the Securities and Exchange Commission or any national securities exchange on which the Corporation’s securities are then listed or any other applicable law or (ii) a determination that such appointment would constitute a change in control of the Company under the Company’s governing documents or applicable law, in the case of each of the foregoing clauses (i) and (ii) as reasonably determined in good faith by the Nominating Committee upon the written advice of counsel (which such advice shall be shared with the holders of the Investor Preferred Stock), and any such director following appointment shall be designated by the Nominating Committee (or Board) to a class of common directors for approval by the stockholders of the Company at the applicable annual meeting of stockholders. In the event that any such fourth director designated pursuant to the foregoing sentence is not approved by the stockholders of the Company at the applicable annual meeting of stockholders, the holders of record of the shares of Investor Preferred Stock shall have the right to appoint and elect a replacement for such director, in each case pursuant to the Nominating Committee approval requirements set forth above, which such director following Nominating Committee approval shall be designated to the same class of common directors as the prior appointee for approval by the stockholders of the Company at the applicable annual meeting of stockholders to approve directors of such class. To the extent one or more directors are appointed and elected as provided in this Section 6.2(a), for each committee of the Board for which at least one such director is qualified under applicable law and the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed to serve, the Board shall invite at least one such director, so qualified, to serve on such committee. The appointment and election of any director pursuant to this Section 6.2(a) may be made by, and only by, the affirmative vote of the holders of record of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders. Any director appointed and elected as provided in this Section 6.2(a) may be removed without cause by, and only by, the affirmative vote of the holders of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders, and any such notification may be made by electronic mail directed to the Secretary of the Corporation. In the event that a director appointed and elected by the holders of Investor Preferred Stock resigns or is unable to serve as a member of the Board, the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect a director to fill such vacancy. Any appointment or removal of any director pursuant to this Section 6.2(a) shall be effective immediately upon delivery to the Corporation of a notification of the results of the applicable special meeting or upon delivery of the applicable written consent, as the case may be. If the holders of the Investor Preferred Stock fail to appoint a sufficient number of directors to fill all directorships for which they are entitled to appoint directors pursuant to this Section 6.2(a) (including following the removal or resignation of any such director or the inability of any such director to serve on the Board), then any directorship not so filled shall remain vacant until such time as the holders of the Investor Preferred Stock appoint and elect an individual to fill such directorship voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a); and no such directorship may be filled other than by the holders of the Investor Preferred Stock, voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a). For the avoidance of doubt, the rights provided by this Section 6.2(a) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint and elect a maximum of four (4) directors of the Corporation pursuant to the designation rights provided by the certificates of designations governing the Investor Preferred Stock.

(b) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of Investor Preferred Stock share the right to appoint one non-voting observer to the Board (the “**Board Observer**”). The Board shall permit the Board Observer to attend all meetings of the Board and of any committee thereof as a non-voting observer, in each case to the extent permissible under applicable law or the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed, and will give such individual notice of such meetings at the same time and in the same manner as notice is provided to the members of the Board. The Board Observer shall be entitled to concurrent receipt of any materials provided to the Board or any committee thereof, provided, that the Board Observer shall agree to hold in confidence and trust all information so provided; and provided further, that the Board may withhold any information and exclude the Board Observer from any meeting or portion thereof for any legitimate business or legal reason (as determined in the Board’s sole discretion). The Board will provide expense reimbursement to any Board Observer on the same basis as if such Board Observer were a director of the Corporation. For the avoidance of doubt, the rights provided by this Section 6.2(b) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint one (1) Board Observer pursuant to the designation rights provided by the certificate of designations governing the Investor Preferred Stock.

(c) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of the Investor Preferred Stock shall, by exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement or conversion of the Investor Preferred Stock, be deemed to have agreed to not vote any shares of Common Stock they receive upon the conversion of any Investor Preferred Stock or the exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement in any election of directors.

6.3 Preferred Stock Protective Provisions. Until the later of (i) such time when the holders of Investor Preferred Stock shall no longer beneficially own at least 5% of the outstanding capital stock of the Corporation and (ii) five (5) years following the Original Issue Date, the Corporation shall not, either directly or indirectly by amendment, merger, consolidation, domestication, transfer, continuance, recapitalization, reclassification, waiver, statutory conversion, or otherwise, effect or validate any of the following acts or transactions without (in addition to any other vote required by law or the Restated Certificate) the written consent or affirmative vote of a majority of the outstanding shares of preferred stock (the “**Investor Preferred Stock**”) issued pursuant to that certain Securities Purchase Agreement, dated as of June 21, 2024, by and among the Corporation and CCM Denali Equity Holdings, LP (the “**Securities Purchase Agreement**”) or that certain Credit and Guaranty Agreement, dated as of the date hereof, by and among the Corporation, the guarantors party thereto, the various lenders thereto and CCM Denali Debt Holdings, LP, as Administrative Agent and Collateral Agent (the “**Credit Agreement**”), and any such act or transaction that has not been approved by such consent or vote prior to such act or transaction being effected shall be null and void ab initio, and of no force or effect:

(a) liquidate, dissolve or wind-up the business and affairs of the Corporation or effect any event that requires a distribution to the Corporation’s stockholders in accordance with their liquidation preference, or any other merger, consolidation, statutory conversion, transfer, domestication or continuance;

(b) amend, alter, repeal or waive any provision of the Restated Certificate or Bylaws of the Corporation in a manner that would adversely affect the special rights, powers, preferences or privileges of the Preferred Stock (or any series thereof);

(c) create or issue, or obligate itself to issue, shares of, or reclassify, any capital stock of the Corporation other than Excluded Issuances;

(d) increase or decrease the authorized number of shares of Preferred Stock, or create any additional class or series of capital stock of the Corporation (other than increases in the number of the authorized shares of Common Stock); or

(e) purchase or redeem (or permit any subsidiary to purchase or redeem) or pay or declare any dividend or make any distribution on, any shares of capital stock of the Corporation, other than (i) redemptions of or dividends or distributions on the Investor Preferred Stock as expressly authorized herein or in the certificate of designations of any Investor Preferred Stock, and (ii) dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock;

provided, however, holders of Investor Preferred Stock shall have the right set forth in Section 6.3(b) so long as any shares of Investor Preferred Stock remain outstanding.

SECTION 7. CONVERSION. The shares of Series A-[●] Preferred Stock shall not be convertible into shares of Common Stock or any other securities of the Corporation. Notwithstanding the foregoing, on the second (2nd) business day after the date that the Corporation receives the Requisite Stockholder Approval (as defined in the Credit Agreement), each share of Series A-[●] Preferred Stock shall convert into a number of shares of Series B-1 Preferred Stock, having the terms and conditions set forth in Exhibit B to the Securities Purchase Agreement, initially convertible into a number of shares of Common Stock equal to the number of shares of Common Stock represented by the Series A-[●] Liquidation Value, provided that the holders of Series A-[●] Preferred Stock shall have the option to request, in writing, that any portion of the Series A-[●] Preferred Stock not be so converted. With respect to any shares of Series A-[●] Preferred Stock that remain outstanding after the Corporation receives the Requisite Stockholder Approval (as defined in the Credit Agreement), the Corporation shall be required to convert such shares into shares of Series B-1 Preferred Stock pursuant to this Section 7 within five (5) business days of receiving a written request (which may be by electronic mail) from the holders of such shares. The Series B-1 Preferred Stock shall have substantively similar terms to the Series A-[●] Stock, except that the Series B-1 Preferred Stock shall be convertible into Common Stock, and include conversion and antidilution terms related thereto, shall provide the holders thereof certain pre-emptive rights to participate in future offerings of equity securities by the Corporation and shall include a provision that limits the beneficial ownership of the holders thereof (together with any group of which such holders are a member) to no more than 49.9% (the "**Beneficial Ownership Limitation**") of the number of shares of Common Stock then issued and outstanding, all as set forth in Exhibit B to the Securities Purchase Agreement. Notwithstanding the foregoing, by written notice to the Corporation, any holder may amend the Beneficial Ownership Limitation percentage with respect to such holder to any percentage that is lower than or equal to 49.9%.

SECTION 8. REDEMPTION.

8.1 Redemption and Redemption Price. At any time after the fifth anniversary of the Original Issue Date, any holder of the shares of Series A-[●] Preferred Stock may, at its option, require the Corporation to redeem the Series A-[●] Preferred Stock, in whole or in part, owned by such holder at the Redemption Price (as defined below); provided, however, that the Corporation shall not redeem or be required to redeem any shares of Series A-[●] Preferred Stock or give notice of any redemption unless the Corporation has sufficient and lawful funds to redeem the shares to be redeemed. The redemption price of the Series A-[●] Preferred Stock shall be an amount per share equal to the greater of (i) the Original Issue Price plus all accrued and unpaid dividends thereon, up to and including the Redemption Date and (ii) the number of shares of Common Stock represented by the Series A-[●] Liquidation Value multiplied by the average of the closing sale price of the Common Stock for the five (5) Business Days immediately prior to the Redemption Date plus all accrued and unpaid dividends thereon, up to and including the Redemption Date (the “**Redemption Price**”). The Redemption Price must be paid in cash.

8.2 Redemption Notice. A holder of Series A-[●] Preferred Stock shall, not less than thirty (30) days nor more than sixty (60) days prior to the date of redemption, give written notice to the Corporation of the shares of Series A-[●] Preferred Stock required to be redeemed. For purposes of this Certificate of Designation, the date upon which a holder of Series A-[●] Preferred Stock desires the redemption to take effect, shall be the “**Redemption Date**,” and the written notice given by a holder of Series A-[●] Preferred Stock to the Corporation in connection with such redemption, shall be the “**Redemption Notice**.” The Redemption Notice shall state the total number of shares required by the holder of Series A-[●] Preferred Stock to be redeemed and the Redemption Date. Promptly following receipt of a Redemption Notice given by a holder of Series A-[●] Preferred Stock, the Corporation shall notify such holder of the time, place and manner in which the holder is to surrender to the Corporation the certificate or certificates representing the shares of Series A-[●] Preferred Stock required to be redeemed.

8.3 Payment of Redemption Price and Surrender of Stock. On the Redemption Date, the Redemption Price of the Series A-[●] Preferred Stock required by the holder thereof to be redeemed shall be payable to the holder(s) of the Series A-[●] Preferred Stock being so redeemed. On or before the Redemption Date, each holder of Series A-[●] Preferred Stock required by the holder thereof to be redeemed shall surrender the certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the notice of the Corporation described in Section 8.2 above, and thereupon the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be cancelled and retired.

8.4 Termination of Rights. If the Redemption Notice is duly given, and if at least ten (10) days prior to the Redemption Date the Redemption Price is either paid or made available for payment through the arrangement specified in Section 8.5 below, then notwithstanding that the certificates evidencing any of the shares of Series A-[●] Preferred Stock so called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, have not been surrendered, all rights with respect to such shares shall forthwith after the Redemption Date cease, except only the right of the holders to receive the Redemption Price without interest upon surrender of their certificates therefor.

8.5 Deposit of Funds. At least ten (10) days prior to the Redemption Date, the Corporation may, but shall not be obligated to, deposit with any bank or trust company in San Francisco, California, having a capital and surplus of at least \$1 billion as a trust fund, a sum equal to the aggregate Redemption Price of all shares of the Series A-[●] Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, and not yet redeemed, with irrevocable instructions and authority to the bank or trust company to pay, on or after the Redemption Date or prior thereto, the Redemption Price to the respective holders upon the surrender of their share certificates. The deposit, if made, shall constitute full payment of the shares of Series A-[●] Preferred Stock to their holders, and from and after the date of such deposit (even if prior to the Redemption Date), the shares of Series A-[●] Preferred Stock shall be deemed to be redeemed and no longer outstanding, and the holders thereof shall cease to be shareholders with respect to such shares and shall have no rights with respect thereto, except the right to receive from the bank or trust company payment of the Redemption Price of the shares, without interest, upon surrender of their certificates therefor. Any monies so deposited and unclaimed at the end of one (1) year from the Redemption Date shall be released or repaid to the Corporation, after which the holders of shares of Series A-[●] Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, shall be entitled to receive payment of the Redemption Price only from the Corporation.

SECTION 9. ANTI-DILUTION ADJUSTMENTS.

9.1 Stock Dividends, Splits, Etc. If the Corporation declares or pays a dividend or distribution on the outstanding shares of Common Stock or securities convertible into, exercisable or exchangeable for, or which otherwise entitles the holder thereof to acquire, any shares of Common Stock (“*Convertible Securities*”) then the Series A-[●] Liquidation Value of each share of Series A-[●] Preferred Stock shall be increased by the total shares of Common Stock issued (or issuable in the case of Convertible Securities) that would have been issued to a holder of the number of shares of Common Stock equal to the number of shares of Common Stock represented by the Series A-[●] Liquidation Value immediately prior to such dividend or distribution. If the Corporation subdivides the Common Stock by reclassification or otherwise into a greater number of shares, the number of shares of Common Stock represented by the Series A-[●] Liquidation Value shall be proportionately increased, provided the Original Issue Price shall remain the same. If the outstanding shares of the Common Stock are combined or consolidated, by reclassification or otherwise, into a lesser number of shares, the Series A-[●] Liquidation Value shall be proportionately decreased, provided the Original Issue Price shall remain the same.

9.2 Reclassification, Exchange, Combinations or Substitution. Upon any event whereby all of the outstanding shares of Common Stock are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Corporation securities of a different class and/or series, then from and after the consummation of such event, the Series A-[●] Liquidation Value should be equal to the number, class and series of Corporation securities that a holder of the number of shares of Common Stock equal to the Series A-[●] Liquidation Value immediately prior to such reclassification, exchange, combination or substitution would have received, provided the Original Issue Price shall remain the same, subject to further adjustment thereafter from time to time in accordance with the provisions hereof. The provisions of this Section 9.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

9.3 Adjustment for Issuance of Applicable Shares. If the Corporation shall issue or sell any shares of Common Stock (other than shares included in the Excluded Issuances, as defined below) (“*Applicable Shares*”), or options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares, in each case without consideration or for a consideration per share initially deliverable upon issuance, conversion or exchange of such securities less than the quotient of the then applicable Original Issue Price divided by the number of shares of Common Stock represented by the then applicable Series A-[●] Liquidation Value, as may be adjusted to account for stock splits, stock combinations, stock dividends or other distributions and recapitalizations affecting the Common Stock (the “*Original Issue Price Per Share*”), then effective immediately upon such issuance or sale, the Series A-[●] Liquidation Value immediately prior to any such issuance or sale shall be increased, and shall not be reduced, in accordance with the following formula:

$$LV_1 = LV_0 \times [(OS + D) / (OS + PS)]$$

LV₁ = new number of shares of Common Stock equal to the Series A-[●] Liquidation Value

LV₀ = then applicable number of shares of Common Stock equal to the Series A-[●] Liquidation Value

OS = the number of shares of Common Stock outstanding immediately prior to the issuance of such securities

D = the maximum number of shares of Common Stock deliverable upon issuance of such securities

PS = the aggregate number of shares of Common Stock which the aggregate amount of consideration received by the Corporation upon such issuance or sale would have purchased at the Original Issue Price Per Share.

9.4 Exceptions to Adjustments. Except as specifically provided for herein, there shall be no adjustment or readjustment to the Series A-[●] Liquidation Value in the following circumstances (each of the following, an “*Excluded Issuance*”): (1) securities issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement or upon the exercise of warrants or conversion of preferred stock issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement; (2) upon conversion, exercise or exchange of securities, including convertible debt securities and convertible debt securities issued as payment-in-kind interest thereon, outstanding prior to the date of this Certificate of Designation without alteration; (3) pursuant to agreements in effect as of date of this Certificate of Designation (provided that such agreements are not amended, amended and restated, modified or supplemented after the date of this Certificate of Designation to increase the number of securities, reduce the consideration payable in connection with such securities, or otherwise change the terms of such agreements so as to have a dilutive effect on this Certificate of Designation (or any securities issued or issuable hereunder)); (4) the issuance of Common Stock (or options or other similar instruments convertible into Common Stock) to the Corporation’s management, directors or other service providers pursuant to compensation and incentive programs approved by the Board; and (5) the issuance of Common Stock pursuant to any registered offering of Common Stock or a private placement of Common Stock in accordance with the exemptions provided under Section 4(a)(2) of the Securities Act, as amended, each as principally for bona fide equity financing purposes; provided, however, that clause (5) of the definition of Excluded Issuance shall only be an Excluded Issuance for the purposes of Section 6.3(c) of this Certificate of Designation (and, for the avoidance of doubt, not an “Excluded Issuance” for any other purposes (including, without limitation, any anti-dilution adjustments in this Certificate of Designation)).

9.5 Expiration of Securities. Upon the expiration or termination of any unexercised options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Series A-[●] Liquidation Value, the Series A-[●] Liquidation Value shall be readjusted to such Series A-[●] Liquidation Value as would have been in effect had such options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) never been issued.

9.6 Reserved.

9.7 Certain Events. If any event of the type contemplated by the provisions of this Section 9.7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features) occurs, then the Board shall make an appropriate adjustment in the number of the Series A-[●] Liquidation Value so as to protect the rights of the holders of the Series A-[●] Preferred Stock in a manner consistent with the provisions of this Section; provided, that no such adjustment pursuant to this Section 9.7 shall decrease the Original Issue Price or decrease the Series A-[●] Liquidation Value.

9.8 Calculations. All calculations under this Section 9.8 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 9.8, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

9.9 Notice of Adjustments. Whenever the Series A-[●] Liquidation Value is adjusted as provided under this Section 9, the Corporation shall, as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Corporation is not aware of such occurrence, as soon as reasonably practicable after becoming so aware), provide a written notice to the holders of the Series A-[●] Preferred Stock of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Series A-[●] Liquidation Value was determined and setting forth the adjusted applicable Series A-[●] Liquidation Value.

SECTION 10. NO RE-ISSUANCE OF PREFERRED STOCK. No shares of Series A-[●] Preferred Stock redeemed, purchased or acquired by the Corporation shall be reissued, and all such shares shall be canceled and eliminated from the shares the Corporation shall be authorized to issue.

SECTION 11. AMENDMENT, SUPPLEMENT AND WAIVER. Without the consent of a majority of holders of the Series A-[●] Preferred Stock, the Corporation may amend or supplement this Certificate of Designation to make any change that would grant any additional rights or benefits to the holders of the Series A-[●] Preferred Stock or that does not affect the legal rights under this Certificate of Designation of any such holder.

SECTION 12. LOST OR MUTILATED SERIES A-[●] PREFERRED STOCK CERTIFICATE. If a holder's Series A-[●] Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series A-[●] Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership thereof, reasonably satisfactory to the Corporation and, in each case, customary and reasonable indemnity, if requested. Applicants for a new certificate under such circumstances shall also comply with such other reasonable regulations and procedures as the Corporation may prescribe.

SECTION 13. NO IMPAIRMENT. The Corporation will not, by amendment of its Restated Certificate or Bylaws or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Certificate of Designation and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders against impairment.

SECTION 14. SEVERABILITY. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

SECTION 15. DISPUTE RESOLUTION.

15.1 **Submission to Dispute Resolution.** In the case of a dispute relating to an Original Issuance Price, a Redemption Price, a Series A-[●] Liquidation value and fair market value or any other computation to be made hereunder (each of the foregoing a "***Disputed Calculation***") and together the "***Disputed Calculations***") or the arithmetic calculation of any of the foregoing (as the case may be) (including, without limitation, a dispute relating to the determination of any of the foregoing), the Corporation or the applicable holder (as the case may be) (the "***Disputing Party***") shall notify the other party (the "***Responding Party***") of the dispute via electronic mail (A) if by the Corporation, within two (2) Business Days after the occurrence of the circumstances giving rise to such dispute or (B) if by such holder at any time after such holder learned of the circumstances giving rise to such dispute. If the Disputing Party and the Responding Party are unable to promptly resolve such dispute relating to such Disputed Calculation, or the arithmetic calculation of such Disputed Calculation (as the case may be), at any time after the fifth (5th) Business Day following such initial notice by the Disputing Party to the Responding Party, then the Disputing Party may select and submit to the Responding Party via electronic email a list of independent, reputable investment banks to resolve such dispute (the "***Disputing Party's Selection List***"). If the Responding Party objects to all such independent, reputable investment banks included in the Disputing Party's Selection List, then the Responding Party may submit to the Disputing Party via electronic mail an alternative list of independent, reputable investment banks (the "***Responding Party's Selection List***") within ten (10) Business Days of receiving the Disputing Party's Selection List. If the Disputing Party objects to all such independent, reputable investment banks on the Responding Party's Selection List, then the Disputing Party must notify the Responding Party via electronic mail of such objection within ten (10) Business Days of receiving the Responding Party's Selection List (the "***Selection Deadline***"). Following which, each of the Disputing Party and the Responding Party shall select an independent, reputable investment bank within five (5) Business Days of the Selection Deadline (the "***Alternative Selection Deadline***"), and the two selected independent, reputable investment banks shall have five (5) Business Days from the Alternative Selection Deadline to select a third independent, reputable investment bank to resolve the dispute (the "***Final Selection Deadline***"). The Disputing Party and the Responding Party shall take all such reasonable steps necessary to jointly engage the appointed bank as shortly thereafter as reasonably possible, and in any event, within ten (10) Business Days of the Final Selection Deadline.

15.2 The Disputing Party and the Responding Party shall each deliver to the investment bank engaged pursuant to the procedures set forth in Section 15.1 (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of Section 15.1 and (B) written documentation supporting such respective party's position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5th) Business Day immediately following the date on which such investment bank was engaged (the "**Dispute Submission Deadline**") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "**Required Dispute Documentation**") (it being understood and agreed that if either the Disputing Party and the Responding Party fails to raise any claims in the Required Dispute Documentation it submits by the Dispute Submission Deadline, then the party who fails to raise such claim in the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) raise such claim to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on the claims raised in the Required Dispute Documentation that was delivered to such investment bank prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Disputing Party and the Responding Party or otherwise requested by such investment bank, neither the Disputing Party nor the Responding Party shall be entitled to deliver or submit any written documentation or other support to such investment bank in connection with such dispute (other than the Required Dispute Documentation).

15.3 The Disputing Party and the Responding Party shall use their reasonable best efforts to cause the investment bank engaged pursuant to Section 15.1 to determine the resolution of such dispute and notify the Disputing Party and the Responding Party of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. The fees and expenses of such investment bank shall be borne solely by the Corporation, and such investment bank's resolution of such dispute shall be final and binding upon all parties absent manifest error.

15.4 Notwithstanding anything to the contrary set forth in this Section 15, nothing in this Section 15 shall limit a holder's right to pursue any and all remedies available to it, at law, in equity or otherwise, including, without limitation, any action seeking the entry of an order specifically enforcing the terms and conditions hereof, granting injunctive relief and/or awarding damages arising from any breach or threatened breach of this Section 15 or any other Section hereof. Any holder may choose to seek an alternative remedy in lieu of or in addition to effectuating the dispute resolution procedures provided in this Section 15 by providing written notice to the Corporation of its intent to do so at any time prior to the Selection Deadline.

SECTION 16. CORPORATE OPPORTUNITIES. Notwithstanding anything contained herein or in any other Transaction Documents (as defined in the Securities Purchase Agreement), each of the holders of Investor Preferred Stock, any of their respective Affiliates and any of its or their respective directors, officers, employees and consultants, including any director appointed to the Board pursuant to Section 6.2(a) (collectively, the "**Investor Related Parties**"), may freely offer to any other Person or effect on behalf of itself or any other Person any other investment or business opportunity or prospective economic advantage, including those competitive with the business of the Corporation, or other transactions in which the Corporation, its subsidiaries, any member of the Board or any other shareholder of the Corporation may have an interest or expectancy, including as a result of any fiduciary duties applicable to such Person ("**Investor Transactions**"), unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, such Investor Related Party expressly and solely in such Investor Related Party's capacity as a director of the Corporation, in each case without any prior Corporation, Board or stockholder notification or approval; provided, that if the Corporation, to the Investor Related Party's knowledge, is considering the same Investor Transaction, the Investor Related Party will promptly notify the Corporation of its interest in such Investor Transaction and cause each member of the Board that is an Investor Related Party to recuse himself from all Board discussions and activities relating to such Investor Transaction. Without limiting the generality of the foregoing, the Corporation agrees and acknowledges that Investor Related Parties and their respective Affiliates may have both passive and non-passive interests in Persons deemed competitors of the Corporation, and that the provisions of the immediately preceding sentence shall be applicable to such competitors, their respective Affiliates and any of their respective directors, officers and employees in respect thereof. Any person or entity purchasing, holding or otherwise acquiring any interest in any shares of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Section 16.

The undersigned, Michael Silberman, the Secretary of Eos Energy Enterprises, Inc., a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware (the “*Corporation*”), does hereby certify, in the name of and on behalf of the Corporation, and as its corporate act, that in accordance with the Corporation’s Second Amended and Restated Bylaws (the “*Bylaws*”), the Board of Directors (the “*Board*”) of the Corporation has adopted the following preamble and resolution at a meeting of the Board held on [●], 20__:

5.1 In the event of a voluntary or involuntary liquidation, dissolution, or winding up of the Corporation, the holders of the Series B-[●] Preferred Stock shall be entitled to receive distribution of any of the assets or surplus funds of the Corporation pro rata with the holders of the Common Stock and any other Investor Preferred Stock (as defined below) so entitled, in an amount equal to such amount per share as would have been payable had all shares of Series B Preferred Stock been converted to Common Stock pursuant to Section 7 immediately prior to such liquidation, dissolution or winding up of the Corporation, which amounts shall be paid *pari passu* with all holders of Common Stock.

(a) Securities not subject to investment letter or other similar restrictions on free marketability covered by (b) below:

(iii) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board.

(b) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder’s status as an Affiliate or former Affiliate) shall be to make an appropriate discount from the market value determined as above in (a) (i), (ii) or (iii) to reflect the approximate fair market value thereof, as determined in good faith by the Board.

Except as required by applicable law and as set forth below, the holders of the Series B-[●] Preferred Stock shall not be entitled as such to receive notice of or to attend any meeting of the stockholders of the Corporation or to vote at any such meeting or any matters of the Corporation.

6.2 Election of Directors; Board Observer Right.

(a) At all times when the holders of Investor Preferred Stock shall beneficially own at least ten percent (10%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect one (1) director of the Corporation. At all times when the holders of Investor Preferred Stock shall beneficially own at least fifteen percent (15%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect two (2) directors of the Corporation. At all times when the holders of the Investor Preferred Stock shall beneficially own at least thirty percent (30%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect three (3) directors of the Corporation. At all times when the holders of Investor Preferred Stock beneficially own at least forty percent (40%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to nominate and designate a fourth director of the Corporation, provided, however, that any fourth director proposed to be appointed pursuant to this Section 6.2(a) would be subject to the reasonable, good faith review and determination of the nominating and corporate governance committee of the Board (the “**Nominating Committee**”) that the election of such director not result in either (i) the Corporation being in violation of any rules and regulations (including the independence and other director qualification requirements) of the Securities and Exchange Commission or any national securities exchange on which the Corporation’s securities are then listed or any other applicable law or (ii) a determination that such appointment would constitute a change in control of the Company under the Company’s governing documents or applicable law, in the case of each of the foregoing clauses (i) and (ii) as reasonably determined in good faith by the Nominating Committee upon the written advice of counsel (which such advice shall be shared with the holders of the Investor Preferred Stock) and any such director following appointment shall be designated by the Nominating Committee (or Board) to a class of common directors for approval by the stockholders of the Company at the applicable annual meeting of stockholders. In the event that any such fourth director designated pursuant to the foregoing sentence is not approved by the stockholders of the Company at the applicable annual meeting of stockholders, the holders of record of the shares of Investor Preferred Stock shall have the right to appoint and elect a replacement for such director, in each case pursuant to the Nominating Committee approval requirements set forth above, which such director following Nominating Committee approval shall be designated to the same class of common directors as the prior appointee for approval by the stockholders of the Company at the applicable annual meeting of stockholders to approve directors of such class. To the extent one or more directors are appointed and elected as provided in this Section 6.2(a) for each committee of the Board for which at least one such director is qualified under applicable law and the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed to serve, the Board shall invite at least one such director, so qualified, to serve on such committee. The appointment and election of any director pursuant to this Section 6.2(a) may be made by, and only by, the affirmative vote of the holders of record of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders. Any director appointed and elected as provided in this Section 6.2(a) may be removed without cause by, and only by, the affirmative vote of the holders of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders, and any such notification may be made by electronic mail directed to the Secretary of the Corporation. In the event that a director appointed and elected by the holders of Investor Preferred Stock resigns or is unable to serve as a member of the Board, the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect a director to fill such vacancy. Any appointment or removal of any director pursuant to this Section 6.2(a) shall be effective immediately upon delivery to the Corporation of a notification of the results of the applicable special meeting or upon delivery of the applicable written consent, as the case may be. If the holders of the Investor Preferred Stock fail to appoint a sufficient number of directors to fill all directorships for which they are entitled to appoint directors pursuant to this Section 6.2(a) (including following the removal or resignation of any such director or the inability of any such director to serve on the Board), then any directorship not so filled shall remain vacant until such time as the holders of the Investor Preferred Stock appoint and elect an individual to fill such directorship voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a); and no such directorship may be filled other than by the holders of the Investor Preferred Stock, voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a). For the avoidance of doubt, the rights provided by this Section 6.2(a) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint and elect a maximum of four (4) directors of the Corporation pursuant to the designation rights provided by the certificates of designations governing the Investor Preferred Stock.

(b) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of Investor Preferred Stock share the right to appoint one non-voting observer to the Board (the “**Board Observer**”). The Board shall permit the Board Observer to attend all meetings of the Board and of any committee thereof as a non-voting observer, in each case to the extent permissible under applicable law or the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed, and will give such individual notice of such meetings at the same time and in the same manner as notice is provided to the members of the Board. The Board Observer shall be entitled to concurrent receipt of any materials provided to the Board or any committee thereof, provided, that the Board Observer shall agree to hold in confidence and trust all information so provided; and provided further, that the Board may withhold any information and exclude the Board Observer from any meeting or portion thereof for any legitimate business or legal reason (as determined in the Board’s sole discretion). The Board will provide expense reimbursement to any Board Observer on the same basis as if such Board Observer were a director of the Corporation. For the avoidance of doubt, the rights provided by this Section 6.2(b) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint one (1) Board Observer pursuant to the designation rights provided by the certificate of designations governing the Investor Preferred Stock.

(c) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of the Investor Preferred Stock shall, by exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement or conversion of the Investor Preferred Stock, be deemed to have agreed to not vote any shares of Common Stock they receive upon the conversion of any Investor Preferred Stock or the exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement in any election of directors.

6.3 Preferred Stock Protective Provisions. Until the later of (i) such time when the holders of Investor Preferred Stock shall no longer beneficially own at least 5% of the outstanding capital stock of the Corporation and (ii) five (5) years following the Original Issue date, the Corporation shall not, either directly or indirectly, by amendment, merger, consolidation, domestication, transfer, continuance, recapitalization, reclassification, waiver, statutory conversion, or otherwise, effect or validate any of the following acts or transactions without (in addition to any other vote required by law or the Restated Certificate) the written consent or affirmative vote of a majority of the outstanding shares of preferred stock (the “**Investor Preferred Stock**”) issued pursuant to that certain Securities Purchase Agreement, dated as of June 21, 2024, by and among the Corporation and CCM Denali Equity Holdings, LP (the “**Securities Purchase Agreement**”) or that certain Credit and Guaranty Agreement, dated as of the date hereof, by and among the Corporation, the guarantors party thereto, the various lenders thereto and CCM Denali Debt Holdings, LP, as Administrative Agent and Collateral Agent (the “**Credit Agreement**”), and any such act or transaction that has not been approved by such consent or vote prior to such act or transaction being effected shall be null and void ab initio, and of no force or effect:

(a) liquidate, dissolve or wind-up the business and affairs of the Corporation or effect any event that requires a distribution to the Corporation’s stockholders in accordance with their liquidation preference, or any other merger, consolidation, statutory conversion, transfer, domestication or continuance;

(b) amend, alter, repeal or waive any provision of the Restated Certificate or Bylaws of the Corporation in a manner that would adversely affect the special rights, powers, preferences or privileges of the Preferred Stock (or any series thereof);

(c) create or issue or obligate itself to issue shares of, or reclassify, any capital stock of the Corporation, other than Excluded Issuances;

(d) increase or decrease the authorized number of shares of Preferred Stock, or create any additional class or series of capital stock of the Corporation (other than increases in the number of the authorized shares of Common Stock); or

(e) purchase or redeem (or permit any subsidiary to purchase or redeem) or pay or declare any dividend or make any distribution on, any shares of capital stock of the Corporation, other than (i) redemptions of or dividends or distributions on the Investor Preferred Stock as expressly authorized herein or in the certificate of designations of any Investor Preferred Stock, and (ii) dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock;

provided, however, holders of the Investor Preferred Stock shall have the right set forth in Section 6.3(b) so long as any shares of Investor Preferred Stock remain outstanding.

SECTION 7. CONVERSION.

7.1 Conversions at Option of Holder. Each share of Series B-[●] Preferred Stock shall be convertible, at any time and from time to time from and after the Original Issue Date and through the Maturity Date (as defined in the Credit Agreement), at the option of the holder thereof, into a number of shares of Common Stock equal to the Conversion Ratio (as defined below). Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as Annex A (a "**Notice of Conversion**"), duly completed and executed. Other than a conversion pursuant to Section 5.4 or Section 9.2, or following a notice provided for under Section 7.4(b) hereof, the Notice of Conversion must specify a number of shares of Series B-[●] Preferred Stock to be converted. Conversion Shares issuable hereunder shall be transmitted by the Transfer Agent to the holder by either, as the Notice of Conversion so specifies, (i) by crediting the account of the holder's (or its designee's) balance account with The Depository Trust Company ("**DTC**") through its Deposit or Withdrawal at Custodian system ("**DWAC**") if the Transfer Agent is then a participant in the DTC Fast Automated Securities Transfer Program (a "**DWAC Delivery**") and such Conversion Shares may be so issued in compliance with the requirements of the Securities Act and DTC, or (ii) by physical or electronic delivery, at the election of the holder, of a book entry statement(s), registered in the name of the holder (or its designee), for the number of Conversion Shares to which the holder is entitled pursuant to such conversion to the address or e-mail, as applicable, specified by the holder in the Notice of Conversion. The "**Conversion Date**," or the date on which a conversion shall be deemed effective, shall be defined as the Trading Day that the Notice of Conversion, completed and executed, is sent by email to, and received during regular business hours by, an officer of the Corporation provided that, to the extent there are such officers, each such notice shall be sent to each of the chief executive officer, chief financial officer and general counsel of the Corporation; provided, further, that the original share certificate(s) (if applicable) representing such shares of Series B-[●] Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation within two (2) Trading Days thereafter. In all other cases, the Conversion Date shall be defined as the Trading Day on which the original share certificate(s) (if applicable) of Series B-[●] Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation. The calculations set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. No ink original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required.

7.2 Conversion Ratio. Each share of Series B-[●] Preferred Stock is convertible at a rate of one million (1,000,000) shares of Common Stock for each share of Series B-[●] Preferred Stock, subject to adjustment as set forth in Section 9 below (this rate, as adjusted from time to time, the “*Conversion Ratio*”).

7.3 Beneficial Ownership Limitation. Notwithstanding anything herein to the contrary, the Corporation shall not effect any conversion of the Series B-[●] Preferred Stock, and a holder shall not have the right to convert any portion of the Series B-[●] Preferred Stock, to the extent that, after giving effect to an attempted conversion set forth on an applicable Notice of Conversion, such holder (together with such holder’s Affiliates, and any other Person whose beneficial ownership of Common Stock would be aggregated with the holder’s for purposes of Section 13(d) of the Exchange Act and the applicable regulations of the Commission, including any “group” of which the holder is a member (the foregoing, “*Attribution Parties*”)) would beneficially own a number of shares of Common Stock in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such holder and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series B-[●] Preferred Stock subject to the Notice of Conversion with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (A) conversion of the remaining, unconverted Series B-[●] Preferred Stock beneficially owned by such holder or any of its Attribution Parties, and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation beneficially owned by such holder or any of its Attribution Parties that are subject to a limitation on conversion or exercise similar to the limitation contained herein. For purposes of this Section 7.3, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable regulations of the Commission. In addition, for purposes hereof, “group” has the meaning set forth in Section 13(d) of the Exchange Act and the applicable regulations of the Commission. For purposes of this Section 7.3, in determining the number of outstanding shares of Common Stock, a holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (A) the Corporation’s most recent periodic or annual filing with the Commission, as the case may be, (B) a more recent public announcement by the Corporation that is filed with the Commission, or (C) a more recent notice by the Corporation or the Corporation’s transfer agent to the holder setting forth the number of shares of Common Stock then outstanding. Upon the written request of a holder (which may be by email), the Corporation shall, within two (2) Trading Days thereof, confirm in writing to such holder (which may be via email) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Corporation, including shares of Series B-[●] Preferred Stock and Warrant Shares (as defined in the Securities Purchase Agreement) issued pursuant to the Securities Purchase Agreement and Credit Agreement, by such holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the holder. The “*Beneficial Ownership Limitation*” shall initially be 49.9% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock pursuant to such Notice of Conversion (to the extent permitted pursuant to this Section 7.3); provided, however, that by written notice to the Corporation, which will not be effective until the 61st day after such notice is delivered to the Corporation, the holder may waive or amend the provisions of this Section 7.3 to change the Beneficial Ownership Limitation to any other number less than or equal to 49.9%, and the provisions of this Section 7.3 shall continue to apply. The Corporation shall be entitled to rely on representations made to it by the holder in any Notice of Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Corporation, any holder may amend the Beneficial Ownership Limitation percentage with respect to such holder to any percentage that is lower than or equal to 49.9%. The provisions of this Section 7.3 shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the Series B-[●] Preferred Stock in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act.

7.4 Mechanics of Conversion

(a) Delivery of Certificate or Electronic Issuance Upon Conversion. Not later than three (3) Trading Days after the applicable Conversion Date, or if the holder requests the issuance of physical certificate(s) for its Conversion Shares, two (2) Trading Days after receipt by the Corporation of the original certificate(s) representing such shares of Series B-[●] Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion (the “*Share Delivery Date*”), the Corporation shall (a) deliver, or cause to be delivered, to the converting holder a physical certificate or certificates (or electronic book entry statements) representing the number of Conversion Shares being acquired upon the conversion of shares of Series B-[●] Preferred Stock or (b) in the case of a DWAC Delivery, electronically transfer such Conversion Shares by crediting the account of the holder’s (or its designee’s) prime broker with DTC through its DWAC system. If in the case of any Notice of Conversion such certificate or certificates (or electronic book entry statements) are not delivered to or as directed by or, in the case of a DWAC Delivery, such shares are not electronically delivered to or as directed by, the applicable holder by the Share Delivery Date, the applicable holder shall be entitled to elect to rescind such Notice of Conversion by written notice to the Corporation at any time on or before its receipt of such certificate or certificates (or electronic book entry statements) for Conversion Shares or electronic receipt of such shares, as applicable, in which event the Corporation shall promptly return to such holder any original Series B-[●] Preferred Stock certificate delivered to the Corporation and such holder shall promptly return to the Corporation any Common Stock certificates (or electronic book entry statements) or otherwise direct the return of any shares of Common Stock delivered to the holder through the DWAC system, representing the shares of Series B-[●] Preferred Stock unsuccessfully tendered for conversion to the Corporation.

(b) Obligation Absolute. Subject to Section 7.3 hereof and subject to holder’s right to rescind a Notice of Conversion pursuant to Section 7.4(a) above, the Corporation’s obligation to issue and deliver (or cause the Transfer Agent to deliver) the Conversion Shares upon conversion of Series B-[●] Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such holder in connection with the issuance of such Conversion Shares. Subject to Section 7.3 hereof and subject to holder’s right to rescind a Notice of Conversion pursuant to Section 7.4(a) above, in the event a holder shall elect to convert any or all of its Series B-[●] Preferred Stock, the Corporation may not refuse conversion based on any claim that such holder or anyone associated or affiliated with such holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to holder, restraining and/or enjoining conversion of all or part of the Series B-[●] Preferred Stock of such holder shall have been sought and obtained by the Corporation, and the Corporation posts a surety bond for the benefit of such holder in the amount of 150% of the value of the Conversion Shares into which would be converted the Series B-[●] Preferred Stock which is subject to such injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such holder to the extent it obtains judgment. In the absence of such injunction, the Corporation shall, subject to Section 7 hereof and subject to holder’s right to rescind a Notice of Conversion pursuant to Section 7.4(a) above, issue Conversion Shares upon a properly noticed conversion. If the Corporation fails to deliver (or cause the Transfer Agent to deliver) to a holder such certificate or certificates (or book entry statements), or electronically deliver (or cause its transfer agent to electronically deliver) such shares in the case of a DWAC Delivery, pursuant to Section 7.4(a) on or prior to the fifth (5th) Trading Day after the Share Delivery Date applicable to such conversion (other than a failure caused by incorrect or incomplete information provided by holder to the Corporation), then, unless the holder has rescinded the applicable Notice of Conversion pursuant to Section 7.4(a) above, the Corporation shall pay (as liquidated damages and not as a penalty) to such holder an amount payable, at the holder’s option, either (a) in cash or (b) to the extent that it would not cause the holder or its Attribution Parties to exceed the Beneficial Ownership Limitation, in shares of Common Stock that are valued for these purposes at the Closing Sale Price on the date of such calculation, in each case equal to the product of (x) the number of Conversion Shares required to have been issued by the Corporation on such Share Delivery Date, (y) an amount equal to the Daily Failure Amount and (z) the number of Trading Days actually lapsed after such fifth (5th) Trading Day after the Share Delivery Date during which such certificates (or book entry statements) have not been delivered, or, in the case of a DWAC Delivery, such shares have not been electronically delivered; provided, however, the holder shall only receive up to such amount of shares of Common Stock such that holder and its Attribution Parties and any other persons or entities whose beneficial ownership of Common Stock would be aggregated with the holder’s for purposes of Section 13(d) of the Exchange Act (including shares held by any “group” of which the holder is a member, but excluding shares beneficially owned by virtue of the ownership of securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase similar to the limitation set forth herein) shall not collectively beneficially own greater than the Beneficial Ownership Limitation. Nothing herein shall limit a holder’s right to pursue actual damages for the Corporation’s failure to deliver (or failure to cause the Transfer Agent to deliver) Conversion Shares within the period specified herein and such holder shall have the right to pursue all remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief; provided, that holder shall not receive duplicate damages for the Corporation’s failure to deliver (or failure to cause the Transfer Agent to deliver) Conversion Shares within the period specified herein. The exercise of any such rights shall not prohibit a holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(c) Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Conversion. If the Corporation fails to deliver (or cause the Transfer Agent to electronically deliver) to a holder the applicable certificate or certificates or book entry statement or statements or to effect a DWAC Delivery, as applicable, by the Share Delivery Date pursuant to Section 7.4(a) (other than a failure caused by incorrect or incomplete information provided by holder to the Corporation), and if after such Share Delivery Date such holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such holder of the Conversion Shares which such holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Corporation shall (A) pay in cash to such holder (in addition to any other remedies available to or elected by such holder) the amount by which (x) such holder's total purchase price (including any brokerage commissions) for the shares of Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such holder, either reissue (if surrendered) the shares of Series B-[●] Preferred Stock equal to the number of shares of Series B-[●] Preferred Stock submitted for conversion or deliver to such holder the number of shares of Common Stock that would have been issued if the Corporation had timely complied (or caused the Transfer Agent to timely comply) with its delivery requirements under Section 7.4(a). For example, if a holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series B-[●] Preferred Stock with respect to which the actual sale price (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Corporation shall be required to pay such holder \$1,000. The holder shall provide the Corporation written notice, within three (3) Trading Days after the occurrence of a Buy-In, indicating the amounts payable to such holder in respect of such Buy-In together with applicable confirmations and other evidence reasonably requested by the Corporation. Nothing herein shall limit a holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Corporation's failure to timely deliver (or cause the Transfer Agent to deliver) certificates (or book entry statements) representing shares of Common Stock upon conversion of the shares of Series B-[●] Preferred Stock as required pursuant to the terms hereof; provided, however, that the holder shall not be entitled to both (i) require the reissuance of the shares of Series B-[●] Preferred Stock submitted for conversion for which such conversion was not timely honored and (ii) receive the number of shares of Common Stock that would have been issued if the Corporation had timely complied (or caused the Transfer Agent to timely comply) with its delivery requirements under Section 7.4(a).

(d) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series B-[●] Preferred Stock, free from preemptive rights or any other actual contingent purchase rights of persons other than the holders of the Series B-[●] Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments of Section 9) upon the conversion of all outstanding shares of Series B-[●] Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable.

(e) Fractional Shares. No fractional shares or scrip representing fractional shares of Common Stock shall be issued upon the conversion of the Series B-[●] Preferred Stock. As to any fraction of a share which a holder would otherwise be entitled to receive upon such conversion, such fraction shall be rounded down to the next whole share.

(f) Transfer Taxes. The issuance of certificates (or book entry statements) for shares of the Common Stock upon conversion of the Series B-[●] Preferred Stock shall be made without charge to any holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates (or book entry statements), provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate (or book entry statement) upon conversion in a name other than that of the registered holder(s) of such shares of Series B-[●] Preferred Stock and the Corporation shall not be required to issue or deliver such certificates (or book entry statements) unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

(g) Status as Stockholder. Upon each Conversion Date, (i) the shares of Series B-[●] Preferred Stock being converted shall be deemed converted into shares of Common Stock; (ii) the holders of such converted shares shall assume the rights, privileges, and obligations of a holder of Common Stock of the Corporation; and (iii) the holder's rights as a holder of such Converted Shares of Series B-[●] Preferred Stock shall cease and terminate, excepting only the right to receive certificates (or book-entry statements) or otherwise electronic delivery for such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the holder shall retain all of its rights and remedies for the Corporation's failure to convert Series B-[●] Preferred Stock.

7.5 Register. The Corporation or the Transfer Agent shall maintain a register for the recordation of the names and addresses of the holders of each share of the Series B-[●] Preferred Stock (the "**Series B-[●] Preferred Stock Register**"). The Corporation may deem and treat the registered holder as the absolute owner thereof for the purpose of any conversion thereof and for all other purposes. The Corporation shall register the transfer of any shares of Series B-[●] Preferred Stock in the Series B-[●] Preferred Stock Register, upon surrender of the certificates evidencing such shares to be transferred, duly endorsed by the holder thereof, to the Corporation at its address specified herein. Upon any such registration or transfer, a new certificate evidencing the shares of Series B-[●] Preferred Stock so transferred shall be issued to the transferee and a new certificate evidencing the remaining portion of the shares not so transferred, if any, shall be issued to the transferring holder, in each case, within three (3) Business Days. The provisions of this Certificate of Designation are intended to be for the benefit of all holders from time to time and shall be enforceable by any such holder.

SECTION 8. REDEMPTION

8.1 Redemption and Redemption Price. At any time after the fifth anniversary of the Original Issue Date any holder of the shares of Series B-[●] Preferred Stock may, at its option, require the Corporation to redeem the Series B-[●] Preferred Stock, in whole or in part, owned by such holder at the Redemption Price (as defined below); provided, however, that the Corporation shall not redeem or be required to redeem any shares of Series B-[●] Preferred Stock or give notice of any redemption unless the Corporation has sufficient and lawful funds to redeem the shares to be redeemed. The redemption price per share of the Series B-[●] Preferred Stock shall be an amount per share equal to the greater of (i) the Original Issue Price plus all accrued and unpaid dividends thereon, up to and including the Redemption Date and (ii) the number of shares of Common Stock issuable pursuant to the Conversion Ratio multiplied by the average of the Closing Sale Price of the Common Stock for the five (5) Business Days immediately prior to the date of the Redemption Notice (defined below) plus all accrued and unpaid dividends thereon, up to and including the Redemption Date (the "**Redemption Price**"). The Redemption Price must be paid in cash.

8.2 Redemption Notice. A holder of Series B-[●] Preferred Stock shall, not less than thirty (30) days nor more than sixty (60) days prior to the date of redemption, give written notice to the Corporation of the shares of Series B-[●] Preferred Stock required to be redeemed. For purposes of this Certificate of Designation, the date upon which a holder of Series B-[●] Preferred Stock desires the redemption to take effect, shall be the "**Redemption Date**," and the written notice given by a holder of Series B-[●] Preferred Stock to the Corporation in connection with such redemption, shall be the "**Redemption Notice**." The Redemption Notice shall state the total number of shares required by the holder of Series B-[●] Preferred Stock to be redeemed and the Redemption Date. Promptly following receipt of a Redemption Notice given by a holder of Series B-[●] Preferred Stock, the Corporation shall notify such holder of the time, place and manner in which the holder is to surrender to the Corporation the certificate or certificates representing the shares of Series B-[●] Preferred Stock required to be redeemed.

8.3 Payment of Redemption Price and Surrender of Stock. On the Redemption Date, the Redemption Price of the Series B-[●] Preferred Stock required by the holder thereof to be redeemed shall be payable to the holder(s) of the Series B-[●] Preferred Stock being so redeemed. On or before the Redemption Date, each holder of Series B-[●] Preferred Stock required by the holder thereof to be redeemed shall surrender the certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the notice of the Corporation described in Section 8.2 above, and thereupon the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be cancelled and retired.

8.4 Termination of Rights. If the Redemption Notice is duly given, and if at least ten (10) days prior to the Redemption Date the Redemption Price is either paid or made available for payment through the arrangement specified in Section 8.5 below, then notwithstanding that the certificates evidencing any of the shares of Series B-[●] Preferred Stock so called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, have not been surrendered, all rights with respect to such shares shall forthwith after the Redemption Date cease, except only the right of the holders to receive the Redemption Price without interest upon surrender of their certificates therefor.

8.5 Deposit of Funds. At least ten (10) days prior to the Redemption Date, the Corporation may, but shall not be obligated to, deposit with any bank or trust company in San Francisco, California, having a capital and surplus of at least \$1 billion as a trust fund, a sum equal to the aggregate Redemption Price of all shares of the Series B-[●] Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, and not yet redeemed, with irrevocable instructions and authority to the bank or trust company to pay, on or after the Redemption Date or prior thereto, the Redemption Price to the respective holders upon the surrender of their share certificates. The deposit, if made, shall constitute full payment of the shares of Series B-[●] Preferred Stock to their holders, and from and after the date of such deposit (even if prior to the Redemption Date), the shares of Series B-[●] Preferred Stock shall be deemed to be redeemed and no longer outstanding, and the holders thereof shall cease to be shareholders with respect to such shares and shall have no rights with respect thereto, except the right to receive from the bank or trust company payment of the Redemption Price of the shares, without interest, upon surrender of their certificates therefor. Any monies so deposited and unclaimed at the end of one (1) year from the Redemption Date shall be released or repaid to the Corporation, after which the holders of shares of Series B-[●] Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, shall be entitled to receive payment of the Redemption Price only from the Corporation.

SECTION 9. ANTI-DILUTION ADJUSTMENTS.

9.1 Stock Dividends, Splits, Etc. If the Corporation declares or pays a dividend or distribution on the outstanding shares of Common Stock or securities convertible into, exercisable or exchangeable for, or which otherwise entitles the holder thereof to acquire, any shares of Common Stock ("**Convertible Securities**") then the Conversion Ratio shall be increased by the total shares of Common Stock issued (or issuable in the case of Convertible Securities) that would have been issued to a holder of the number of shares of Common Stock equal to the Conversion Ratio immediately prior to such dividend or distribution. If the Corporation subdivides the Common Stock by reclassification or otherwise into a greater number of shares, then the Conversion Ratio shall be proportionately increased, provided the Original Issue Price shall remain the same. If the outstanding shares of the Common Stock are combined or consolidated, by reclassification or otherwise, into a lesser number of shares, the Conversion Ratio shall be proportionately decreased, provided the Original Issue Price shall remain the same.

9.2 Reclassification, Exchange, Combinations or Substitution. Upon any event whereby all of the outstanding shares of Common Stock are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Corporation securities of a different class and/or series, then from and after the consummation of such event, a share of Series B-[●] Preferred Stock shall be convertible into the number, class and series of Corporation securities that a holder of the number of shares of Common Stock equal to the Conversion Ratio immediately prior to such reclassification, exchange, combination or substitution would have received, provided the Original Issue Price shall remain the same, subject to further adjustment thereafter from time to time in accordance with the provisions hereof. The provisions of this Section 9.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

9.3 Adjustment for Issuance of Applicable Shares. If the Corporation shall issue or sell any shares of Common Stock (other than shares included in the Excluded Issuances, as defined below) (“*Applicable Shares*”), or options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares, in each case without consideration or for a consideration per share initially deliverable upon issuance, conversion or exchange of such securities less than the then applicable Conversion Price, then effective immediately upon such issuance or sale, the Conversion Ratio shall be increased, and shall not be reduced, in accordance with the following formula:

$$CR_1 = CR_0 \times [(OS + D) / (OS + PS)]$$

CR₁ = the new Conversion Ratio

CR₀ = the then applicable Conversion Ratio

OS = the number of shares of Common Stock outstanding immediately prior to the issuance of such securities

D = the maximum number of shares of Common Stock deliverable upon issuance of such securities

PS = the aggregate number of shares of Common Stock which the aggregate amount of consideration received by the Corporation upon such issuance or sale would have purchased at the Conversion Price

9.4 Exceptions to Adjustments. Except as specifically provided for herein, there shall be no adjustment or readjustment to the Conversion Ratio in the following circumstances (each of the following, an “*Excluded Issuance*”): (1) securities issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement or upon the exercise of warrants or conversion of preferred stock issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement; (2) upon conversion, exercise or exchange of securities, including convertible debt securities and convertible debt securities issued as payment-in-kind interest thereon, outstanding prior to the date of this Certificate of Designation without alteration; (3) pursuant to agreements in effect as of date of this Certificate of Designation (provided that such agreements are not amended, amended and restated, modified or supplemented after the date of this Certificate of Designation to increase the number of securities, reduce the consideration payable in connection with such securities, or otherwise change the terms of such agreements so as to have a dilutive effect on this Certificate of Designation (or any securities issued or issuable hereunder)); (4) the issuance of Common Stock (or options or other similar instruments convertible into Common Stock) to the Corporation’s management, directors or other service providers pursuant to compensation and incentive programs approved by the Board; and (5) the issuance of Common Stock pursuant to any registered offering of Common Stock or a private placement of Common Stock in accordance with the exemptions provided under Section 4(a)(2) of the Securities Act, each as principally for bona fide equity financing purposes; provided, however, that clause (5) of the definition of Excluded Issuance shall only be an Excluded Issuance for the purposes of Section 6.3(c) of this Certificate of Designation (and, for the avoidance of doubt, not an “Excluded Issuance” for any other purposes (including, without limitation, any anti-dilution adjustments in this Certificate of Designation)).

9.5 Expiration of Securities. Expiration of Securities. Upon the expiration or termination of any unexercised options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Ratio, the Conversion Ratio shall be readjusted to such Conversion Ratio as would have been in effect had such options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) never been issued.

9.6 Pre-emptive Rights.

(a) If the Corporation proposes to offer or sell any New Securities (as defined below), the Corporation shall first offer such New Securities to the holders of the Series B-[●] Preferred Stock. The holder shall be entitled to participate in the such offering of New Securities (the “*Offering*”) on a pro rata basis, determined by dividing (i) the number of shares of Series B-[●] Preferred Stock, on an as converted basis, held by the holder, by the (ii) total number of shares of Common Stock issued and outstanding at the time of such offering plus the number of shares of Series B Preferred Stock outstanding, on an as converted basis. The Corporation shall give notice (the “*Offer Notice*”) to the Purchaser, stating (i) its bona fide intention to offer such New Securities, (ii) the number of such New Securities to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such New Securities, provided that if the New Securities are to be sold in an underwritten public offering, the price with respect to such New Securities shall be such public offering price that the Corporation anticipates in such offering, as determined by the Corporation in good faith at the time of the Offer Notice. The holder may elect by written notice delivered to the Corporation within two (2) Business Days, or, in the case of a registered offering, one (1) Business Day, of the date the Offer Notice is given to purchase or otherwise acquire, at the price and on the terms specified in the Offer Notice, up to that portion of such New Securities which equals the proportion that shares of Common Stock then held by the holder (including all shares of Common Stock represented by Preferred Stock or other Convertible Securities) bears to the total number of shares of Common Stock of the Corporation then outstanding; provided that, if such holder elects to participate in the Offering pursuant to this Section 9.6, upon the request of the holder, the Corporation shall be required to extend the closing for the holder’s purchase of New Securities in the Offering to a date selected by such holder, which date shall be no later than the date that is ten (10) Business Days following the closing of the Offering.

(b) For the purposes of Section 9.6(a), “*New Securities*” shall mean any Securities other than (i) Common Stock or Convertible Securities to give effect to the transactions contemplated under the Securities Purchase Agreement and Credit Agreement; (ii) Common Stock, Convertible Securities, or Common Stock issuable upon exercise of options or restricted stock under the Corporation’s equity plans; (iii) Common Stock upon the conversion, exchange or exercise of any Convertible Securities; (iv) Common Stock issuable upon stock dividend or distribution, stock split, share subdivision, recapitalization, reclassification or similar transaction affecting the holders of Common Stock on a pro rata basis or (v) Common Stock issuable pursuant to the adjustments provided in Section 9 hereof and similar provisions contained in equity issued pursuant to the Securities Purchase Agreement and Credit Agreement.

9.7 Certain Events. If any event of the type contemplated by the provisions of this Section 9.7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features) occurs, then the Board shall make an appropriate adjustment to the Conversion Ratio so as to protect the rights of the holders of the Series B-[●] Preferred Stock in a manner consistent with the provisions of this Section 9.7; provided, that no such adjustment pursuant to this Section 9.7 shall decrease the Conversion Ratio or decrease the Original Issue Price.

9.8 Calculations. All calculations under this Section 9.8 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 9.8, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

9.9 Notice of Adjustments. Whenever the Conversion Ratio is adjusted as provided under this Section 9.9, the Corporation shall, as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Corporation is not aware of such occurrence, as soon as reasonably practicable after becoming so aware), provide a written notice to the holders of the Series B-[●] Preferred Stock of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Ratio was determined and setting forth the adjusted applicable Conversion Ratio.

SECTION 10. NO RE-ISSUANCE OF PREFERRED STOCK. No shares of Series B-[●] Preferred Stock redeemed, purchased or acquired by the Corporation shall be reissued, and all such shares shall be canceled and eliminated from the shares the Corporation shall be authorized to issue.

SECTION 11. AMENDMENT, SUPPLEMENT AND WAIVER. Without the consent of a majority of holders of the Series B-[●] Preferred Stock, the Corporation may amend or supplement this Certificate of Designation to make any change that would grant any additional rights or benefits to the holders of the Series B-[●] Preferred Stock or that does not affect the legal rights under this Certificate of Designation of any such holder.

SECTION 12. LOST OR MUTILATED SERIES B-[●] PREFERRED STOCK CERTIFICATE. If a holder's Series B-[●] Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series B-[●] Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership thereof, reasonably satisfactory to the Corporation and, in each case, customary and reasonable indemnity, if requested. Applicants for a new certificate under such circumstances shall also comply with such other reasonable regulations and procedures as the Corporation may prescribe.

SECTION 13. NO IMPAIRMENT. The Corporation will not, by amendment of its Restated Certificate or Bylaws or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Certificate of Designation and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders against impairment.

SECTION 14. SEVERABILITY. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

SECTION 15. DISPUTE RESOLUTION.

15.1 Submission to Dispute Resolution. In the case of a dispute relating to a Closing Sale Price, Conversion Ratio, Original Issue Price, Redemption Price, Buy-In and fair market value or any other computation required to be made hereunder (each of the foregoing a "**Disputed Calculation**") and together the "**Disputed Calculations**") or the arithmetic calculation of any of the foregoing (as the case may be) (including, without limitation, a dispute relating to the determination of any of the foregoing), the Corporation or the applicable holder (as the case may be) (the "**Disputing Party**") shall notify the other party (the "**Responding Party**") of the dispute via electronic mail (A) if by the Corporation, within two (2) Business Days after the occurrence of the circumstances giving rise to such dispute or (B) if by such holder at any time after such holder learned of the circumstances giving rise to such dispute. If the Disputing Party and the Responding Party are unable to promptly resolve such dispute relating to such Disputed Calculation, or the arithmetic calculation of such Disputed Calculation (as the case may be), at any time after the fifth (5th) Business Day following such initial notice by the Disputing Party to the Responding Party, then the Disputing Party may select and submit to the Responding Party via electronic mail a list of independent, reputable investment banks to resolve such dispute (the "**Disputing Party's Selection List**"). If the Responding Party objects to all such independent, reputable investment banks included in the Disputing Party's Selection List, then the Responding Party may submit to the Disputing Party via electronic mail an alternative list of independent, reputable investment banks (the "**Responding Party's Selection List**") within ten (10) Business Days of receiving the Disputing Party's Selection List. If the Disputing Party objects to all such independent, reputable investment banks on the Responding Party's Selection List, then the Disputing Party must notify the Responding Party via electronic mail of such objection within ten (10) Business Days of receiving the Responding Party's Selection List (the "**Selection Deadline**"). Following which, each of the Disputing Party and the Responding Party shall select an independent, reputable investment bank within five (5) Business Days of the Selection Deadline (the "**Alternative Selection Deadline**"), and the two selected independent, reputable investment banks shall have five (5) Business Days from the Alternative Selection Deadline to select a third independent, reputable investment bank to resolve the dispute (the "**Final Selection Deadline**"). The Disputing Party and the Responding Party shall take all such reasonable steps necessary to jointly engage the appointed bank as shortly thereafter as reasonably possible, and in any event, within ten (10) Business Days of the Final Selection Deadline.

15.2 The Disputing Party and the Responding Party shall each deliver to the investment bank engaged pursuant to the procedures set forth in Section 15.1 (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of Section 15.1 and (B) written documentation supporting such respective party's position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5th) Business Day immediately following the date on which such investment bank was engaged (the "**Dispute Submission Deadline**") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "**Required Dispute Documentation**") (it being understood and agreed that if either the Disputing Party and the Responding Party fails to raise any claims in the Required Dispute Documentation it submits by the Dispute Submission Deadline, then the party who fails to raise such claim in the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) raise such claim to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on the claims raised in the Required Dispute Documentation that was delivered to such investment bank prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Disputing Party and the Responding Party or otherwise requested by such investment bank, neither the Disputing Party nor the Responding Party shall be entitled to deliver or submit any written documentation or other support to such investment bank in connection with such dispute (other than the Required Dispute Documentation).

15.3 The Disputing Party and the Responding Party shall use their reasonable best efforts to cause the investment bank engaged pursuant to Section 15.1 to determine the resolution of such dispute and notify the Disputing Party and the Responding Party of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. The fees and expenses of such investment bank shall be borne solely by the Corporation, and such investment bank's resolution of such dispute shall be final and binding upon all parties absent manifest error.

15.4 Notwithstanding anything to the contrary set forth in this Section 15, nothing in this Section 15 shall limit a holder's right to pursue any and all remedies available to it, at law, in equity or otherwise, including, without limitation, any action seeking the entry of an order specifically enforcing the terms and conditions hereof, granting injunctive relief and/or awarding damages arising from any breach or threatened breach of this Section 15 or any other Section hereof. Any holder may choose to seek an alternative remedy in lieu of or in addition to effectuating the dispute resolution procedures provided in this Section 15 by providing written notice to the Corporation of its intent to do so at any time prior to the Selection Deadline..

SECTION 16. CORPORATE OPPORTUNITIES. Notwithstanding anything contained herein or in any other Transaction Documents (as defined in the Securities Purchase Agreement), each of the holders of Investor Preferred Stock, any of their respective Affiliates and any of its or their respective directors, officers, employees and consultants, including any director appointed to the Board pursuant to Section 6.2(a) (collectively, the "**Investor Related Parties**"), may freely offer to any other Person or effect on behalf of itself or any other Person any other investment or business opportunity or prospective economic advantage, including those competitive with the business of the Corporation, or other transactions in which the Corporation, its subsidiaries, any member of the Board or any other shareholder of the Corporation may have an interest or expectancy, including as a result of any fiduciary duties applicable to such Person ("**Investor Transactions**"), unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, such Investor Related Party expressly and solely in such Investor Related Party's capacity as a director of the Corporation, in each case without any prior Corporation, Board or stockholder notification or approval; provided, that if the Corporation, to the Investor Related Party's knowledge, is considering the same Investor Transaction, the Investor Related Party will promptly notify the Corporation of its interest in such Investor Transaction and cause each member of the Board that is an Investor Related Party to recuse himself from all Board discussions and activities relating to such Investor Transaction. Without limiting the generality of the foregoing, the Corporation agrees and acknowledges that Investor Related Parties and their respective Affiliates may have both passive and non-passive interests in Persons deemed competitors of the Corporation, and that the provisions of the immediately preceding sentence shall be applicable to such competitors, their respective Affiliates and any of their respective directors, officers and employees in respect thereof. Any person or entity purchasing, holding or otherwise acquiring any interest in any shares of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Section 16.

FORM OF WARRANT TO PURCHASE COMMON STOCK

Company: EOS Energy Enterprises, Inc., a Delaware corporation

Number of Shares: [●] shares

Type/Series of Stock: Common Stock of the Company (the “**Common Stock**”)

Warrant Price: \$0.01 per share

Issue Date: [●]

Expiration Date: [●]

Purchase & Credit Agreement: This Warrant to Purchase Common Stock (“**Warrant**”) is issued pursuant to that certain Securities Purchase Agreement (the “**Securities Purchase Agreement**”), dated as of June 21, 2024 among CCM Denali Equity Holdings, LP (“**Cerberus**”) and the Company. THIS WARRANT CERTIFIES THAT, for good and valuable consideration, Cerberus (together with any successor or permitted assignee or transferee of this Warrant or of any shares issued upon exercise hereof, “**Holder**”) is entitled to purchase the above-stated number of fully paid and non-assessable shares (the “**Shares**”) of the above-stated Type/Series of Stock (the “**Class**”) of the above-named company (the “**Company**”) at the above-stated Warrant Price, all as set forth above and as adjusted pursuant to Section 3 of this Warrant, subject to the provisions and upon the terms and conditions set forth in this Warrant. Capitalized terms used in this Warrant shall have the meanings set forth in the Securities Purchase Agreement unless otherwise defined in the body of this Warrant or in Section 4.17 below.

SECTION 1. EXERCISE.

1.1 Method of Exercise. Holder may at any time and from time to time through the above- stated expiration date (the “*Expiration Date*”) exercise this Warrant, in whole or in part, by (i) delivering to the Company the duly executed Notice of Exercise in substantially the form attached hereto as Appendix 1 (a “*Notice of Exercise*”) (such date of delivery of the Notice of Exercise, the “*Exercise Date*”) and (ii) unless Holder is exercising this Warrant pursuant to a cashless exercise set forth in Section 1.3, payment of the aggregate above-stated warrant price (the “*Warrant Price*”) (by cash, check or wire transfer (to an account designated by the Company), or other form of payment acceptable to the Company) for the Shares being purchased.

1.2 Company’s Failure to Timely Deliver Securities. If the Company, for any reason or for no reason, on or prior to the Share Delivery Date (as defined below):

(a) if the Company’s transfer agent (the “*Transfer Agent*”) is not participating in The Depository Trust Company’s (“*DTC*”) Fast Automated Transfer Program (“*FAST*”), the Company is not then required to have a Registration Statement (as defined below) available for the resale of Shares pursuant to the terms of the Securities Purchase Agreement and the Company is otherwise unable to deliver (or to cause the Transfer Agent to deliver) the Shares electronically without any restrictive legend pursuant to applicable securities laws upon the advice of counsel, shall fail to issue and deliver (or to cause the Transfer Agent to deliver) to the Holder (or its designee) a certificate (which may be an electronic book entry statement) for the number of Shares to which the Holder is entitled and register such Shares on the Company’s share register;

(b) if the Transfer Agent is participating in FAST and the Company is not otherwise prohibited from delivering the Shares electronically without any restrictive legend pursuant to applicable securities laws upon the advice of counsel, shall fail to credit (or to cause the Transfer Agent to credit) the balance account of the Holder (or its designee) with DTC for such number of Shares to which the Holder is entitled upon the Holder’s exercise of this Warrant ; or

(c) if a registration statement meeting the requirements set forth in Annex A of the Securities Purchase Agreement and covering the resale (as provided for in Annex A of the Securities Purchase Agreement) of the Shares by the Holder (a “*Registration Statement*”) that are the subject of the Notice of Exercise (the “*Unavailable Warrant Shares*”) is not available for the resale of such Unavailable Warrant Shares and a Registration Statement is then required to be available pursuant to the terms of Annex A of the Securities Purchase Agreement, shall fail to promptly, but in no event later than as required pursuant to Annex A of the Securities Purchase Agreement, so notify the Holder and deliver (or cause the Transfer Agent to deliver) the Shares electronically without any restrictive legend by crediting such aggregate number of Shares to which the Holder is entitled pursuant to such exercise to the Holder’s (or its designee’s) balance account with DTC through its Deposit/Withdrawal At Custodian system (the event described in this clause (b) is herein referred to as a “*Notice Failure*”; and each of the events described in the foregoing clause (a) and this clause (b) is herein referred to as a “*Delivery Failure*”),

then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and for so long as such Delivery Failure is continuing an amount equal to 2.0% of the product of (A) the sum of the number of Shares not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, *multiplied by* (B) any trading price of the Common Stock selected by the Holder in writing as in effect at any time during the period beginning on the applicable Exercise Date and ending on the applicable Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Notice of Exercise with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Notice of Exercise (including, for the avoidance of doubt, as to the Shares that were the subject of such voided Notice of Exercise); provided, however, that the voiding of a Notice of Exercise shall not affect the Company’s obligations to make any payments which have accrued up to but excluding the date of such notice of voiding pursuant to this Section 1.2 or otherwise.

(d) In addition to the foregoing, if on or prior to the Share Delivery Date either (I) (a) the Transfer Agent is not participating in FAST and the Company is not then required to have a Registration Statement available for the resale of Shares pursuant to the terms of Annex A of the Securities Purchase Agreement, and the Company shall fail to issue and deliver (or to cause the Transfer Agent to deliver) to the Holder (or its designee) a certificate (or electronic book entry statement) and register such Shares on the Company's share register, or, (b) if the Transfer Agent is participating in FAST or the Company is then required to have a Registration Statement available for the resale of Shares pursuant to the terms of Annex A of the Securities Purchase Agreement, the Company shall fail (or shall fail to cause to the Transfer Agent) to credit the balance account of the Holder (or its designee) with DTC for the number of Shares to which the Holder is entitled upon the Holder's exercise hereunder or pursuant to the Company's obligation pursuant to clause (ii) below or (II) a Notice Failure occurs, and if on or after such Share Delivery Date the Holder acquires (in an open market transaction, stock loan or otherwise) shares of the Common Stock corresponding to all or any portion of the number of Shares issuable upon such exercise (i.e., equivalent to the Shares in respect of which an exercise has been made) that the Holder is entitled to receive from the Company and has not received from the Company in connection with such Delivery Failure or Notice Failure, as applicable, then, in addition to all other remedies available to the Holder, the Company shall, within two (2) Business Days after the Holder's request and in the Holder's discretion, either

(i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions, stock loan costs and other out-of-pocket expenses, if any) for the shares of the Common stock so acquired (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate or certificates (which may be an electronic book entry statement or statements) representing such Shares or credit the balance account of such Holder (or its designee) with DTC for the number of Shares to which the Holder is entitled upon the Holder's exercise hereunder and to issue such Shares (as the case may be) shall terminate, or

(ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates (which may be an electronic book entry statement or statements) representing such Shares or credit the balance account of such Holder (or its designee) with DTC for the number of Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Shares multiplied by (B) the lowest Closing Sale Price of the Common Stock on any Trading Day during the period commencing on the date of the applicable Notice of Exercise and ending on the date of such issuance and payment under this clause (ii).

Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing the Shares (or to electronically deliver such Shares) upon the exercise of this Warrant as required pursuant to the terms hereof. In addition to the foregoing rights, (I) if the Company fails to deliver the applicable number of Shares upon an exercise pursuant to Section 1 by the applicable Share Delivery Date, then the Holder shall have the right to rescind such exercise in whole or in part and retain and/or have the Company return, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Notice of Exercise (including the Shares that were the subject of such rescinded exercise); provided, however that the rescission of an exercise shall not affect the Company's obligation to make any payments that have accrued prior to the date of such notice pursuant to this Section 1.2 or otherwise, and (II) if a Registration Statement covering the resale of the Shares that are subject to a Notice of Exercise is not available, but is then required to be available pursuant to Annex A of the Securities Purchase Agreement for the resale of such Shares, and the Holder has submitted a Notice of Exercise prior to receiving notice of the non-availability of such Registration Statement and the Company has not already delivered the Shares underlying such Notice of Exercise electronically without any restrictive legend by crediting such aggregate number of Shares to which the Holder is entitled pursuant to such exercise to the Holder's (or its designee's) balance account with DTC through its Deposit / Withdrawal At Custodian system, the Holder shall have the option, by delivery of notice to the Company, to (x) rescind such Notice of Exercise in whole or in part and retain and/or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Notice of Exercise (including the Shares that were the subject of such rescinded exercise); provided, however, that the rescission of a Notice of Exercise shall not affect the Company's obligation to make any payments that have accrued up to but excluding the date of such notice pursuant to this Section 1.2 or otherwise, and/or (y) switch some or all of such Notice of Exercise from a cash exercise to a Cashless Exercise.

1.3 Cashless Exercise. On any exercise of this Warrant, in lieu of payment of the aggregate Warrant Price in the manner as specified in Section 1.1 above, but otherwise in accordance with the requirements of Section 1.1, Holder shall have the right to elect to receive Shares equal to the value of this Warrant, or portion hereof as to which this Warrant is being exercised ("**Cashless Exercise**"). Thereupon, the Company shall issue to the Holder such number of fully paid and non-assessable Shares as are computed using the following formula:

$$X = (Y(A-B))/A$$

where:

X = the number of Shares to be issued to the Holder;

Y = the number of Shares with respect to which this Warrant is being exercised (inclusive of the Shares surrendered to the Company in payment of the aggregate Warrant Price);

A = the fair market value (as determined pursuant to Section 1.4 below) of one Share; and

B = the Warrant Price.

If the Shares are issued in a Cashless Exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Shares take on the registered characteristics of the Warrants being exercised. For purposes of Rule 144(d) promulgated under the Securities Act, as in effect on the above-stated Issue Date (the "**Issue Date**"), it is intended that the Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Securities Purchase Agreement and Credit Facility.

1.4 Fair Market Value.

(a) If the Common Stock is then traded or quoted on a nationally recognized securities exchange, inter-dealer quotation system or over-the-counter market, the fair market value of a Share shall be the lesser of (i) the closing price or last sale price of a share of Common Stock reported for the Business Day immediately before the date on which Holder delivers its Notice of Exercise to the Company or (ii) the average closing price or last sale price of the Common Stock reported for the five (5) Business Days immediately before the date on which Holder delivers its Notice of Exercise to the Company (or, if the Shares have not been actively trading during the five (5) business days prior to the applicable date of determination, the last sale price of the Common Stock for the Business Day immediately prior to the applicable date of determination).

(b) If the fair market value cannot be calculated for a security as of the particular time of determination on any of the foregoing bases, the fair market value of such security as of such time of determination shall be the fair market value as mutually determined by the Company and the Holder.

(c) In the case of any dispute as to the determination of fair market value as determined in accordance with this Section 1.4, any closing price or sales price of the Shares, the arithmetic calculation of the Warrant Price or the number of Shares for which this Warrant is exercisable, or any other computation required to be made hereunder (each a "**Disputed Calculation**"), the Company or the holder (as the case may be) (the "**Disputing Party**") shall notify the other party (the "**Responding Party**") of the dispute via electronic mail (A) if by the Company, within two (2) Business Days after the occurrence of the circumstances giving rise to such dispute or (B) if by such holder at any time after such holder learned of the circumstances giving rise to such dispute. If the Disputing Party and the Responding Party are unable to properly resolve such dispute relating to such Disputed Calculation, or the arithmetic calculation of such Disputed Calculation (as the case may be), at any time after the fifth (5th) Business Days following such initial notice by the Disputing Party to the Responding Party, then the Disputing Party may select and submit to the Responding Party via electronic email a list of independent reputable investment banks to resolve such dispute (the "**Disputing Party's Selection List**"). If the Responding Party objects to all such independent, reputable investment banks included in the Disputing Party's Selection List, then the Responding Party may submit to the Disputing Party via electronic mail an alternative list of an independent, reputable investment banks (the "**Responding Party's Selection List**") within ten (10) Business Days of receiving the Disputing Party's Selection List. If the Disputing Party objects to all such independent, reputable investment banks on the Responding Party's Selection List, then the Disputing Party must notify the Responding Party via electronic mail of such objection within ten (10) Business Days of receiving the Responding Party's Selection List (the "**Selection Deadline**"). Following which, each of the Disputing Party and the Responding Party shall select an independent, reputable investment bank within five (5) Business Days of the Selection Deadline (the "**Alternative Selection Deadline**"), and the two selected independent, reputable investment banks shall have five (5) Business Days from the Alternative Selection Deadline to select a third independent, reputable investment bank to resolve the dispute (the "**Final Selection Deadline**"). The Disputing Party and the Responding Party shall take all such reasonable steps necessary to jointly engage the appointed bank as shortly thereafter as reasonably possible, and in any event, within ten (10) Business Days of the selection.

(i) The Disputing Party and the Responding Party shall each deliver to the investment bank engaged pursuant to the procedures of Section 1.4(c) (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of this Section 1.4(c) and (B) written documentation supporting such respective party's position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5th) Business Day immediately following the date on which such investment bank was engaged (the "**Dispute Submission Deadline**") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "**Required Dispute Documentation**") (it being understood and agreed that if either the Disputing Party and the Responding Party fails to raise any claims in the Required Dispute Documentation it submits by the Dispute Submission Deadline, then the party who fails to raise such claim in the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) raise such claim to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on claims raise in the Required Dispute Documentation that was delivered to such Third-Party Advisor prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Disputing Party and the Responding Party or otherwise requested by such investment bank, neither the Disputing Party nor the Responding Party shall be entitled to deliver or submit any written documentation or other support to such Third-Party Advisor in connection with such dispute (other than the Required Dispute Documentation).

(ii) The Disputing Party and the Responding Party shall use their reasonable best efforts to cause the investment bank engaged pursuant to this Section 1.4(c) to determine the resolution of such dispute and notify the Disputing Party and the Responding Party of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. Such investment bank's determination of such disputed matter(s) shall be binding upon all parties absent demonstrable error. The fees and expenses of such investment bank shall be borne solely by the Company.

(iii) Notwithstanding anything to the contrary set forth in this Section 1.4(c), nothing in this Section 1.4(c) shall limit a holder's right to pursue any and all remedies available to it, at law, in equity or otherwise, including, without limitation, any action seeking the entry of an order specifically enforcing the terms and conditions hereof, granting injunctive relief and/or awarding damages arising from any breach or threatened breach of this Section 1.4(c) or any other Section hereof. Any holder may choose to seek an alternative remedy in lieu of or in addition to effectuating the dispute resolution procedures provided in this Section 1.4(c) by providing written notice to the Corporation of its intent to do so at any time prior to the Selection Deadline.

1.5 Delivery of Shares. The Holder shall not be required to deliver the original of this Warrant in order to effect an exercise hereunder. Execution and delivery of a Notice of Exercise with respect to less than all of the Shares shall have the same effect as cancellation of the original of this Warrant and issuance of a new Warrant (for the avoidance of doubt, containing the same terms, rights and conditions, as would be contained in a Warrant issued in compliance with Section 1.7) evidencing the right to purchase the remaining number of Shares underlying the Warrant. Execution and delivery of a Notice of Exercise for all of the then-remaining Shares shall have the same effect as cancellation of the original of this Warrant after delivery of the Shares in accordance with the terms hereof.

On or before the first (1st) Trading Day following the date on which the Company has received a Notice of Exercise, the Company shall transmit by electronic mail an acknowledgment of confirmation of receipt of such Notice of Exercise, in the form attached hereto as Appendix 2, to the Holder. On or before the first (1st) Trading Day following the date on which the Company has received such Notice of Exercise (or such earlier date as required pursuant to the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”) or other applicable law, rule or regulation for the settlement of a trade of such Shares initiated on the applicable Exercise Date), the Company shall (X) provided that the Transfer Agent is participating in FAST and the Company is not otherwise prohibited from delivering the Shares electronically without any restrictive legend pursuant to applicable securities laws upon advice of counsel, upon the request of the Holder, credit such aggregate number of Shares to which the Holder is entitled pursuant to such exercise to the Holder’s (or its designee’s) balance account with DTC through its Deposit/Withdrawal at Custodian system, or (Y) if the Transfer Agent is not participating in FAST and the Company is otherwise unable to deliver the Shares electronically without any restrictive legend pursuant to applicable securities laws upon the advice of counsel, upon the request of the Holder, issue and deliver (via reputable overnight courier or electronic mail, as applicable) to the address as specified in the Notice of Exercise, a certificate (which may be an electronic book entry statement), registered in the name of the Holder or its designee, for the number of Shares to which the Holder shall be entitled pursuant to such exercise. Upon delivery of a Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Shares with respect to which this Warrant has been exercised, irrespective of the date such Shares are credited to the Holder’s DTC account or the date of delivery of the certificates (or electronic book entry statements) evidencing such Shares (as the case may be). Notwithstanding that the Holder shall not be required to deliver or submit this Warrant in order effectuate an exercise, if the original of this Warrant is submitted in connection with an exercise pursuant to this Section 1 and the number of Shares represented by this Warrant is greater than the number of Shares being acquired upon such exercise and submission of this Warrant to the Company by the Holder, then, the Company shall as soon as practicable and in no event later than two (2) Business Days after such exercise and submission and at the Company’s own expense, issue and deliver to the Holder (or its designee) a new Warrant (in accordance with Section 1.7) representing the right to purchase a number of Shares equal to (i) the number of Shares purchasable pursuant to this Warrant immediately prior to such exercise under this Warrant, less (ii) the number of Shares with respect to which this Warrant is so exercised. The Company shall pay any and all transfer, stamp, issuance and similar taxes, costs and expenses (including, without limitation, fees and expenses of the Transfer Agent) that may be payable with respect to the issuance and delivery of Shares upon exercise of this Warrant. The Company’s failure to deliver Shares to the Holder on or prior to the later of (i) one (1) Trading Day after receipt of the applicable Notice of Exercise (or such earlier date as required pursuant to the Exchange Act or other applicable law, rule or regulation for the settlement of a trade of such Shares initiated on the applicable Exercise Date) and (ii) one (1) Trading Day after the Company’s receipt of the aggregate Warrant Price (or valid notice of a Cashless Exercise) (such later date, the “*Share Delivery Date*”) shall be a breach of this Warrant. From the Issue Date through and including the Expiration Date, the Company shall maintain a transfer agent that participates in FAST.

1.6 Replacement of Warrant. On receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of loss, theft or destruction, on delivery of an indemnity agreement reasonably satisfactory in form, substance and amount to the Company or, in the case of mutilation, on surrender of this Warrant to the Company for cancellation, the Company shall, within a reasonable time, execute and deliver to Holder, in lieu of this Warrant, a new warrant of like tenor and amount in accordance with Section 1.7 below.

1.7 Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant (whether to the Holder or a transferee thereof), such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 1.6 or Section 4.5, the Shares underlying this Warrant designated by the Holder which, when added to the number of Shares underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issue Date, and (iv) shall have the same terms, rights and conditions as this Warrant.

1.8 Reservation of Shares.

(a) Required Reserve Amount. So long as this Warrant remains outstanding, the Company shall at all times keep reserved for issuance under this Warrant a number of shares of Common Stock that is not less than 100% of the maximum number of shares of Common Stock as shall be necessary to satisfy the Company’s obligation to issue shares of Common Stock under all of the Warrants (the “*SPA Warrants*”) then outstanding or issuable pursuant to the Securities Purchase Agreement and the Credit Facility (without regard to any limitations on exercise) (the “*Required Reserve Amount*”); provided, however, that at no time shall the number of shares of Common Stock reserved pursuant to this Section 1.8 be reduced other than proportionally to the number of Shares delivered in connection with any exercise of the SPA Warrants or such other event covered by Section 3.

(b) Insufficient Authorized Shares. If, notwithstanding Section 1.8(a), and not in limitation thereof, at any time while any of the SPA Warrants remain outstanding, the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve the Required Reserve Amount (an “**Authorized Share Failure**”), then the Company shall immediately take all action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock such that the Company shall have sufficient authorized shares of Common Stock in order to enable the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its best efforts to solicit its stockholders’ approval of such increase in authorized shares of Common Stock and to cause its board of directors (the “**Board**”) to recommend to the stockholders that they approve such proposal. Notwithstanding the foregoing, if at any such time of an Authorized Share Failure, the Company is able to obtain the written consent of two-thirds of the shares of its issued and outstanding shares of Common Stock to approve the increase in the number of authorized shares of Common Stock in order to enable the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding, the Company may satisfy this obligation by obtaining such consent and submitting for filing with the Commission an Information Statement on Schedule 14C. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the “**Authorization Failure Shares**”), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the greatest Closing Sale Price of the Common Stock on any Trading Day during the period commencing on the date the Holder delivers the applicable Notice of Exercise with respect to such Authorization Failure Shares to the Company and ending on the date of such issuance and payment under this Section 1.8(b); *plus* (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any Buy-In Price payment amount, brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. Nothing contained in this Section 1.8(b) shall limit any obligations of the Company under any provision of the Securities Purchase Agreement. An Authorized Share Failure which remains uncured for more than thirty (30) consecutive Trading Days shall be an “Event of Default” under the Credit Facility.

1.9 Voting in Director Elections. At all times when the holders of preferred stock issued pursuant to the Securities Purchase Agreement have a right to appoint at least one (1) director, Holder agrees not to vote any shares of Common Stock it receives upon exercise of this Warrant in any election of directors.

SECTION 2. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

2.1 Purchase Rights. In addition to any adjustments pursuant to Section 3 below, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of Shares acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Beneficial Ownership Cap (as defined below)) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties (as defined below) exceeding the Beneficial Ownership Cap, then the Holder shall not be entitled to participate in such Purchase Right to the extent of such excess of the Beneficial Ownership Cap (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Beneficial Ownership Cap, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).

2.2 Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Transaction Documents (as defined in the Securities Purchase Agreement) in accordance with the provisions of this Section 2.2 pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the Shares acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the Warrant Price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of the applicable Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of each Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 2.1, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 2 hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 2.2 to permit the Fundamental Transaction without the assumption of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "*Corporate Event*"), the Company shall make appropriate provision to ensure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 2.1, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant) (the "*Corporate Event Consideration*"). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

2.3 Acceleration Redemption. Notwithstanding the foregoing and the provisions of Section 2.2 above, at the request of the Holder delivered at any time after the occurrence of an acceleration under the Credit Facility, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Closing Sale Price on the date of such request less the Warrant Price.

2.4 Equity Issuance Limit. Notwithstanding anything to the contrary herein, the Company shall not issue to any Holder, and no Holder may acquire, a number of shares of Common Stock upon any exercise of this Warrant to the extent that, upon such exercise, the number of shares of Common Stock then beneficially owned by such Holder and its Affiliates and any other persons or entities whose beneficial ownership of Common Stock would be aggregated with such Holder's for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the Securities and Exchange Commission (including shares held by any "group" of which such Holder is a member, but excluding shares beneficially owned by virtue of the ownership of any securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase similar to the limitation set forth herein) (collectively, the "*Attribution Parties*") (i) prior to the receipt of the Requisite Stockholder Approval (as defined in the Credit Facility), would exceed 19.99% of the total number of shares of Common Stock then issued and outstanding as of the Initial Funding Date and (ii) and following receipt of the Requisite Stockholder Approval, would exceed 49.9% of the number of shares of Common Stock then issued and outstanding (such percentage limits on the shares of Common Stock pursuant to (i) and (ii), the "*Beneficial Ownership Cap*"); provided, however, that the Beneficial Ownership Cap shall only apply to the extent that the Common Stock is deemed to constitute an "equity security" pursuant to Rule 13d-1(i) promulgated under the Exchange Act. Notwithstanding the foregoing, by written notice to the Company, upon receipt of the Requisite Stockholder Approval, any Holder may amend the Beneficial Ownership Cap percentage with respect to such Holder to any percentage that is lower than or equal to 49.9%. For purposes hereof, "group" has the meaning set forth in Section 13(d) of the Exchange Act and applicable regulations of the Securities and Exchange Commission, and the percentage held by any Holder shall be determined in a manner consistent with the provisions of Section 13(d) of the Exchange Act. Upon the written request of a Holder, the Company shall, within two (2) trading days, confirm orally and in writing (which may be by e-mail) to such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Company, including Series B Preferred Stock (as defined in the Securities Purchase Agreement) and SPA Warrants, by such Holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Holder.

SECTION 3. ADJUSTMENTS TO THE SHARES AND WARRANT PRICE.

3.1 Stock Dividends, Splits, Etc. If the Company declares or pays a dividend or distribution on the outstanding shares of the Class payable in Common Stock or other securities or property (including in the form of cash), then upon exercise of this Warrant, for each Share acquired, Holder shall receive, without additional cost to Holder, the total number and kind of securities and property (including cash) which Holder would have received had Holder owned the Shares of record as of the date the dividend or distribution occurred. If the Company subdivides the outstanding shares of the Class by reclassification or otherwise into a greater number of shares, the number of Shares purchasable hereunder shall be proportionately increased and the Warrant Price shall be proportionately decreased, provided the aggregate Warrant Price for the Shares shall remain the same. If the outstanding shares of the Class are combined or consolidated, by reclassification or otherwise, into a lesser number of shares, the Warrant Price shall be proportionately increased and the number of Shares shall be proportionately decreased, provided the aggregate Warrant Price for the Shares shall remain the same.

3.2 Reclassification, Exchange, Combinations or Substitution. Upon any event whereby all of the outstanding shares of the Class are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Company securities of a different class and/or series, then from and after the consummation of such event, this Warrant will be exercisable for the number, class and series of Company securities that Holder would have received had the Shares been outstanding on and as of the consummation of such event, provided the aggregate Warrant Price of the Shares shall remain the same and subject to further adjustment thereafter from time to time in accordance with the provisions of this Warrant. The provisions of this Section 3.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

3.3 Adjustment for Issuance of Applicable Shares.

(a) Subject to the requirements of Section 3.3(b) below, if the Company shall issue or sell any Shares (other than shares included in the Excluded Issuances, as defined below) (the “**Applicable Shares**”), Options, warrants, Convertible Securities and similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares, in each case without consideration or for a consideration per Share initially deliverable upon issuance, conversion or exchange of such securities less than the quotient of (x) the product of (i) the fair market value (as calculated in accordance with Section 1.4) of the Common Stock on the Issue Date (as proportionately adjusted to account for stock splits, stock combinations, stock dividends or other distributions and recapitalizations affecting the Common Stock) (the “**Original Price**”) multiplied by (ii) the number Shares originally issuable upon exercise of this Warrant on the Issue Date (as adjusted to account for any transfers or exercises of this Warrant and as proportionately adjusted to account for stock splits, stock combinations, stock dividends or other distributions and recapitalizations affecting the Common Stock) divided by (y) the number of Shares then issuable upon exercise of this Warrant (the “**Original Issue Price Per Share**”), then, effective immediately upon such issuance or sale, the number of Shares issuable upon exercise of this Warrant immediately prior to any such issuance or sale shall be increased (such number of additional Shares, the “**Anti-dilution Shares**”), and shall not be reduced, in accordance with the following formula:

$$S_1 = S \times [(OS + D) / (OS + PS)]$$

S_1 = new number of Shares issuable upon exercise of this Warrant

S = then applicable number of Shares issuable upon exercise of this Warrant immediately prior to the issuance or sale

OS = the number of Shares outstanding immediately prior to the issuance of such securities

D = the maximum number of Shares deliverable upon issuance of such securities

PS = the aggregate number of Shares which the aggregate amount of consideration received by the Company upon such issuance or sale would have purchased at the Original Issue Price Per Share.

(b) Prior to the receipt of the Requisite Stockholder Approval, the number of shares issuable upon exercise of this Warrant shall not be increased by Anti-dilution Shares in connection with any issuance or sale, however, provided, that the aggregate number of shares of Common Stock equal to the Series A-1 Liquidation Value (as defined in the Certificate of Designations for the Series A-1 Preferred Stock) of all of the outstanding shares of Series A-1 Preferred Stock shall be increased by the number of Anti-Dilution Shares that would otherwise be required to be added to the number of Shares issuable upon exercise of this Warrant by this Section 3.3 in connection with such issuance or sale.

(c) Upon the expiration or termination of any unexercised Options, warrants, Convertible Securities and similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the number of shares issuable upon exercise of this Warrant, the number of shares issuable under this Warrant shall be readjusted to such number of shares as would have been issuable had such Options, warrants, Convertible Securities and similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) never been issued.

3.4 Exceptions to Adjustments. Except as specifically provided for herein, there shall be no adjustment or readjustment to the number of Shares issuable in the following circumstances (each of the following, an “**Excluded Issuance**”): (1) securities issued to the Company’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement or upon the conversion of preferred stock issued pursuant to the Credit Agreement or Securities Purchase Agreement or the exercise of this Warrant or any of the other SPA Warrants; (2) upon conversion, exercise or exchange of securities, including convertible debt securities and convertible debt securities issued as payment-in-kind interest thereon, outstanding prior to the Initial Closing Date (as defined in the Credit Facility); (3) pursuant to agreements in effect as of the Initial Closing Date (provided that such agreements are not amended after the Initial Closing Date to increase the number of securities, reduce the consideration payable in connection with such securities, or otherwise change the terms of such agreements so as to have a dilutive effect on this Warrant); and (4) pursuant to the Company’s management, directors or other service providers as part of compensation and incentive programs approved by the Board.

3.5 Certain Events. If any event of the type contemplated by the provisions of this Section 3.5 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features that is not an Excluded Issuance) occurs, then the Board shall make an appropriate adjustment in the number of the Shares issuable upon exercise of this Warrant so as to protect the rights of the Holder in a manner consistent with the provisions of this Section 3; provided, that no such adjustment pursuant to this Section 3.5 shall increase the Warrant Price or decrease the number of the Shares issuable hereunder.

3.6 No Fractional Share. No fractional Share shall be issuable upon exercise of this Warrant and the number of Shares to be issued shall be rounded down to the nearest whole Share. If a fractional Share interest arises upon any exercise of the Warrant, the Company shall eliminate such fractional Share interest by paying Holder in cash the amount computed by multiplying the fractional interest by (a) the fair market value (as determined in accordance with Section 1.4 above) of a full Share, less (b) the then-effective Warrant Price.

3.7 Notice/Certificate as to Adjustments. Upon each adjustment of the Warrant Price, Class and/or number of Shares, the Company, at the Company's expense, shall notify Holder in writing within a reasonable time setting forth the adjustments to the Warrant Price, Class and/or number of Shares and facts upon which such adjustment is based. The Company shall, upon written request from Holder, furnish Holder with a certificate of its Chief Executive Officer or Chief Financial Officer, including computations of such adjustment and the Warrant Price, Class and number of Shares in effect upon the date of such adjustment.

SECTION 4. MISCELLANEOUS.

4.1 (a) Term and Automatic Conversion Upon Expiration. Subject to the provisions of Section 2.2 above, this Warrant is exercisable in whole or in part at any time and from time to time on or before 5:00 P.M. Eastern time, on the Expiration Date and shall be void thereafter.

(b) Automatic Cashless Exercise upon Expiration. In the event that, upon the Expiration Date, the fair market value of one Share (or other security issuable upon the exercise hereof) as determined in accordance with Section 1.4 above is greater than the Warrant Price in effect on such date, then this Warrant shall automatically be deemed on and as of such date to be exercised pursuant to Section 1.3 above as to all Shares (or such other securities) for which it shall not previously have been exercised, and the Company shall, within a reasonable time, deliver a certificate representing the Shares (or such other securities) issued upon such exercise to Holder (and if the Company's shares are uncertificated, the Company shall deliver reasonably satisfactory evidence to the Holder signifying the valid issuance of such uncertificated shares) in accordance with Section 1.5 above.

4.2 Legends. The Shares (and the securities issuable, directly or indirectly, upon conversion of the Shares, if any) shall be imprinted with a legend in substantially the following form:

THE SHARES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "*ACT*"), OR THE SECURITIES LAWS OF ANY STATE AND, EXCEPT AS SET FORTH IN THAT CERTAIN WARRANT TO PURCHASE COMMON STOCK ISSUED BY THE ISSUER TO CCM DENALI EQUITY HOLDINGS, LP DATED _____, MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED UNLESS AND UNTIL REGISTERED UNDER SAID ACT AND LAWS OR IN FORM AND SUBSTANCE SATISFACTORY TO THE ISSUER, SUCH OFFER, SALE, PLEDGE OR OTHER TRANSFER IS EXEMPT FROM SUCH REGISTRATION.

4.3 Compliance with Securities Laws on Transfer. This Warrant and the Shares issuable upon exercise of this Warrant (and the securities issuable, directly or indirectly, upon conversion of the Shares, if any) may not be transferred or assigned in whole or in part except in compliance with applicable federal and state securities laws by the transferor and the transferee (including, without limitation, the delivery of investment representation letters and legal opinions reasonably satisfactory to the Company, as reasonably requested by the Company). The Company shall not require Holder to provide an opinion of counsel if the transfer is to any Affiliate of Holder, provided that any such transferee is an "accredited investor" as defined in Regulation D promulgated under the Act. Additionally, the Company shall also not require an opinion of counsel if there is no material question as to the availability of Rule 144 promulgated under the Act, provided that, Holder represents that it has complied with Rule 144 in reasonable detail, the selling broker represents that it has complied with Rule 144, and the Company is provided with a copy of Holder's proposed notice of sale.

4.4 No Impairment; Further Assurances. The Company will not, by amendment of its certificate of incorporation or bylaws, each as in effect as of the Issue Date, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed by it hereunder, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may reasonably be requested by Holder in order to protect the exercise privilege of Holder against dilution or other impairment, consistent with the tenor and purpose of this Warrant. The Company (i) will not increase the par value of any Shares above the Warrant Price then in effect, and (ii) will take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable Shares upon the exercise of this Warrant.

4.5 Transfer Procedure. Subject to the provisions of Section 4.3 and upon providing the Company with written notice, Holder may transfer all or part of this Warrant or the Shares issuable upon exercise of this Warrant (or the securities issuable directly or indirectly, upon conversion of the Shares, if any) to any transferee, provided, however, in connection with any such transfer, Holder will give the Company notice of the portion of the Warrant being transferred with the name, address and taxpayer identification number of the transferee and Holder will surrender this Warrant to the Company for reissuance to the transferee(s) (and Holder if applicable); and provided further, that any subsequent transferee shall make to the Company each of the representations and warranties set forth in Section 3.2 of the Securities Purchase Agreement and agree in writing with the Company to be bound by all of the terms and conditions of this Warrant.

4.6 Binding on Successors. This Warrant will be binding upon any entity succeeding to the Company by merger, consolidation or acquisition of all or substantially all of the Company's assets.

4.7 Taxes. The Company will pay all taxes (other than taxes based upon income) and other lock-up governmental charges that may be imposed with respect to the issuance or delivery of the Shares, other than any tax or other charge imposed in connection with any transfer involved in the issue and delivery of the Shares in a name other than that of the Holder.

4.8 Notices. All notices and other communications hereunder from the Company to the Holder, or vice versa, shall be deemed delivered and effective (i) when given personally, (ii) on the third (3rd) Business Day after being mailed by first-class registered or certified mail, postage prepaid, (iii) upon actual receipt if given by facsimile or electronic mail and such receipt is confirmed in writing by the recipient, or (iv) on the first (1st) Business Day following delivery to a reliable overnight courier service, courier fee prepaid, in any case at such address as may have been furnished to the Company or Holder, as the case may be, in writing by the Company or such Holder from time to time in accordance with the provisions of this Section 4.8. 4.9 Waiver. This Warrant and any term hereof may be changed, waived, discharged or terminated (either generally or in a particular instance and either retroactively or prospectively) only by an instrument in writing signed by the party against which enforcement of such change, waiver, discharge or termination is sought.

4.10 Attorneys' Fees. Subject to the provisions of Section 1.4(c), in the event of any dispute between the parties concerning the terms and provisions of this Warrant, the party prevailing in such dispute shall be entitled to collect from the other party all costs incurred in such dispute, including reasonable attorneys' fees.

4.11 Counterparts; Facsimile/Electronic Signatures. This Warrant may be executed in counterparts, all of which together shall constitute one and the same agreement. Any signature page delivered electronically or by facsimile shall be binding to the same extent as an original signature page with regards to any agreement subject to the terms hereof or any amendment thereto.

4.12 Governing Law. This Warrant shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflict of law principles that would result in the application of any other than the laws of the State of New York.

4.13 Waiver of Jury Trial. **AS A MATERIAL INDUCEMENT FOR EACH PARTY HERETO TO ENTER INTO THIS WARRANT, THE PARTIES HERETO HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING RELATED IN ANY WAY TO THIS WARRANT AND/OR ANY AND ALL OF THE OTHER DOCUMENTS ASSOCIATED WITH THIS TRANSACTION.**

4.15 Registration of Warrants. The Company shall register ownership of this Warrant, upon records to be maintained by the Company for that purpose (the "**Warrant Register**"), in the name of the record Holder (which shall include the initial Holder or, as the case may be, any assignee to which this Warrant is permissibly assigned hereunder) from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

4.16 Warrant Agent. The Company shall initially serve as warrant agent under this Warrant. Upon ten (10) days' notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or shareholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

Number of Shares: [●] shares

Type/Series of Stock: Common Stock of the Company (the “**Common Stock**”)

Warrant Price: \$0.01 per share

Issue Date: [●]

Purchase & Credit Agreement: This Warrant to Purchase Common Stock (“**Warrant**”) is issued pursuant to that certain Securities Purchase Agreement (the “**Securities Purchase Agreement**”), dated as of June 21, 2024 among CCM Denali Equity Holdings, LP (“**Cerberus**”) and the Company. Capitalized terms used in this Warrant shall have the meanings set forth in the Securities Purchase Agreement unless otherwise defined in the body of this Warrant or in Section 4.17 below.

SECTION 1. EXERCISE.

1.1 Method of Exercise. Holder may at any time and from time to time through the above-stated expiration date (the “**Expiration Date**”) exercise this Warrant, in whole or in part, by (i) delivering to the Company the duly executed Notice of Exercise in substantially the form attached hereto as Appendix 1 (a “**Notice of Exercise**”) (such date of delivery of the Notice of Exercise, the “**Exercise Date**”) and (ii) unless Holder is exercising this Warrant pursuant to a cashless exercise set forth in Section 1.3, payment of the aggregate above-stated warrant price (the “**Warrant Price**”) (by cash, check or wire transfer (to an account designated by the Company), or other form of payment acceptable to the Company) for the Shares being purchased.

1.2 Company’s Failure to Timely Deliver Securities. If the Company, for any reason or for no reason, on or prior to the Share Delivery Date (as defined below):

(a) if the Company’s transfer agent (the “**Transfer Agent**”) is not participating in The Depository Trust Company’s (“**DTC**”) Fast Automated Transfer Program (“**FAST**”), the Company is not then required to have a Registration Statement (as defined below) available for the resale of Shares pursuant to the terms of the Securities Purchase Agreement and the Company is otherwise unable to deliver (or to cause the Transfer Agent to deliver) the Shares electronically without any restrictive legend pursuant to applicable securities laws upon the advice of counsel, shall fail to issue and deliver (or to cause the Transfer Agent to deliver) to the Holder (or its designee) a certificate (which may be an electronic book entry statement) for the number of Shares to which the Holder is entitled and register such Shares on the Company’s share register;

(b) if the Transfer Agent is participating in FAST and the Company is not otherwise prohibited from delivering the Shares electronically without any restrictive legend pursuant to applicable securities laws upon the advice of counsel, shall fail to credit (or to cause the Transfer Agent to credit) the balance account of the Holder (or its designee) with DTC for such number of Shares to which the Holder is entitled upon the Holder’s exercise of this Warrant ; or

(c) if a registration statement meeting the requirements set forth in Annex A of the Securities Purchase Agreement and covering the resale (as provided for in Annex A of the Securities Purchase Agreement) of the Shares by the Holder (a “**Registration Statement**”) that are the subject of the Notice of Exercise (the “**Unavailable Warrant Shares**”) is not available for the resale of such Unavailable Warrant Shares and a Registration Statement is then required to be available pursuant to the terms of Annex A of the Securities Purchase Agreement, shall fail to promptly, but in no event later than as required pursuant to Annex A of the Securities Purchase Agreement, so notify the Holder and deliver (or cause the Transfer Agent to deliver) the Shares electronically without any restrictive legend by crediting such aggregate number of Shares to which the Holder is entitled pursuant to such exercise to the Holder’s (or its designee’s) balance account with DTC through its Deposit/Withdrawal At Custodian system (the event described in this clause (b) is herein referred to as a “**Notice Failure**”; and each of the events described in the foregoing clause (a) and this clause (b) is herein referred to as a “**Delivery Failure**”),

then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and for so long as such Delivery Failure is continuing an amount equal to 2.0% of the product of (A) the sum of the number of Shares not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, *multiplied by* (B) any trading price of the Common Stock selected by the Holder in writing as in effect at any time during the period beginning on the applicable Exercise Date and ending on the applicable Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Notice of Exercise with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Notice of Exercise (including, for the avoidance of doubt, as to the Shares that were the subject of such voided Notice of Exercise); provided, however, that the voiding of a Notice of Exercise shall not affect the Company’s obligations to make any payments which have accrued up to but excluding the date of such notice of voiding pursuant to this Section 1.2 or otherwise.

(d) In addition to the foregoing, if on or prior to the Share Delivery Date either (I) (a) the Transfer Agent is not participating in FAST and the Company is not then required to have a Registration Statement available for the resale of Shares pursuant to the terms of Annex A of the Securities Purchase Agreement, and the Company shall fail to issue and deliver (or to cause the Transfer Agent to deliver) to the Holder (or its designee) a certificate (or electronic book entry statement) and register such Shares on the Company's share register, or, (b) if the Transfer Agent is participating in FAST or the Company is then required to have a Registration Statement available for the resale of Shares pursuant to the terms of Annex A of the Securities Purchase Agreement, the Company shall fail (or shall fail to cause to the Transfer Agent) to credit the balance account of the Holder (or its designee) with DTC for the number of Shares to which the Holder is entitled upon the Holder's exercise hereunder or pursuant to the Company's obligation pursuant to clause (ii) below or (II) a Notice Failure occurs, and if on or after such Share Delivery Date the Holder acquires (in an open market transaction, stock loan or otherwise) shares of the Common Stock corresponding to all or any portion of the number of Shares issuable upon such exercise (i.e., equivalent to the Shares in respect of which an exercise has been made) that the Holder is entitled to receive from the Company and has not received from the Company in connection with such Delivery Failure or Notice Failure, as applicable, then, in addition to all other remedies available to the Holder, the Company shall, within two (2) Business Days after the Holder's request and in the Holder's discretion, either

(i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions, stock loan costs and other out-of-pocket expenses, if any) for the shares of the Common stock so acquired (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate or certificates (which may be an electronic book entry statement or statements) representing such Shares or credit the balance account of such Holder (or its designee) with DTC for the number of Shares to which the Holder is entitled upon the Holder's exercise hereunder and to issue such Shares (as the case may be) shall terminate, or

(ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates (which may be an electronic book entry statement or statements) representing such Shares or credit the balance account of such Holder (or its designee) with DTC for the number of Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Shares multiplied by (B) the lowest Closing Sale Price of the Common Stock on any Trading Day during the period commencing on the date of the applicable Notice of Exercise and ending on the date of such issuance and payment under this clause (ii).

Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing the Shares (or to electronically deliver such Shares) upon the exercise of this Warrant as required pursuant to the terms hereof. In addition to the foregoing rights, (I) if the Company fails to deliver the applicable number of Shares upon an exercise pursuant to Section 1 by the applicable Share Delivery Date, then the Holder shall have the right to rescind such exercise in whole or in part and retain and/or have the Company return, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Notice of Exercise (including the Shares that were the subject of such rescinded exercise); provided, however that the rescission of an exercise shall not affect the Company's obligation to make any payments that have accrued prior to the date of such notice pursuant to this Section 1.2 or otherwise, and (II) if a Registration Statement covering the resale of the Shares that are subject to a Notice of Exercise is not available, but is then required to be available pursuant to Annex A of the Securities Purchase Agreement for the resale of such Shares, and the Holder has submitted a Notice of Exercise prior to receiving notice of the non-availability of such Registration Statement and the Company has not already delivered the Shares underlying such Notice of Exercise electronically without any restrictive legend by crediting such aggregate number of Shares to which the Holder is entitled pursuant to such exercise to the Holder's (or its designee's) balance account with DTC through its Deposit / Withdrawal At Custodian system, the Holder shall have the option, by delivery of notice to the Company, to (x) rescind such Notice of Exercise in whole or in part and retain and/or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Notice of Exercise (including the Shares that were the subject of such rescinded exercise); provided, however, that the rescission of a Notice of Exercise shall not affect the Company's obligation to make any payments that have accrued up to but excluding the date of such notice pursuant to this Section 1.2 or otherwise, and/or (y) switch some or all of such Notice of Exercise from a cash exercise to a Cashless Exercise.

1.3 Cashless Exercise. On any exercise of this Warrant, in lieu of payment of the aggregate Warrant Price in the manner as specified in Section 1.1 above, but otherwise in accordance with the requirements of Section 1.1, Holder shall have the right to elect to receive Shares equal to the value of this Warrant, or portion hereof as to which this Warrant is being exercised ("**Cashless Exercise**"). Thereupon, the Company shall issue to the Holder such number of fully paid and non-assessable Shares as are computed using the following formula:

$$X = (Y(A-B))/A$$

where:

X = the number of Shares to be issued to the Holder;

Y = the number of Shares with respect to which this Warrant is being exercised (inclusive of the Shares surrendered to the Company in payment of the aggregate Warrant Price);

A = the fair market value (as determined pursuant to Section 1.4 below) of one Share; and

B = the Warrant Price.

If the Shares are issued in a Cashless Exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Shares take on the registered characteristics of the Warrants being exercised. For purposes of Rule 144(d) promulgated under the Securities Act, as in effect on the above-stated Issue Date (the "**Issue Date**"), it is intended that the Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Securities Purchase Agreement and Credit Facility.

1.4 Fair Market Value.

(a) If the Common Stock is then traded or quoted on a nationally recognized securities exchange, inter-dealer quotation system or over-the-counter market, the fair market value of a Share shall be the lesser of (i) the closing price or last sale price of a share of Common Stock reported for the Business Day immediately before the date on which Holder delivers its Notice of Exercise to the Company or (ii) the average closing price or last sale price of the Common Stock reported for the five (5) Business Days immediately before the date on which Holder delivers its Notice of Exercise to the Company (or, if the Shares have not been actively trading during the five (5) business days prior to the applicable date of determination, the last sale price of the Common Stock for the Business Day immediately prior to the applicable date of determination).

(b) If the fair market value cannot be calculated for a security as of the particular time of determination on any of the foregoing bases, the fair market value of such security as of such time of determination shall be the fair market value as mutually determined by the Company and the Holder.

(c) In the case of any dispute as to the determination of fair market value as determined in accordance with this Section 1.4, any closing price or sales price of the Shares, the arithmetic calculation of the Warrant Price or the number of Shares for which this Warrant is exercisable, or any other computation required to be made hereunder (each a "**Disputed Calculation**"), the Company or the holder (as the case may be) (the "**Disputing Party**") shall notify the other party (the "**Responding Party**") of the dispute via electronic mail (A) if by the Company, within two (2) Business Days after the occurrence of the circumstances giving rise to such dispute or (B) if by such holder at any time after such holder learned of the circumstances giving rise to such dispute. If the Disputing Party and the Responding Party are unable to properly resolve such dispute relating to such Disputed Calculation, or the arithmetic calculation of such Disputed Calculation (as the case may be), at any time after the fifth (5th) Business Days following such initial notice by the Disputing Party to the Responding Party, then the Disputing Party may select and submit to the Responding Party via electronic mail a list of independent reputable investment banks to resolve such dispute (the "**Disputing Party's Selection List**"). If the Responding Party objects to all such independent, reputable investment banks included in the Disputing Party's Selection List, then the Responding Party may submit to the Disputing Party via electronic mail an alternative list of an independent, reputable investment banks (the "**Responding Party's Selection List**") within ten (10) Business Days of receiving the Disputing Party's Selection List. If the Disputing Party objects to all such independent, reputable investment banks on the Responding Party's Selection List, then the Disputing Party must notify the Responding Party via electronic mail of such objection within ten (10) Business Days of receiving the Responding Party's Selection List (the "**Selection Deadline**"). Following which, each of the Disputing Party and the Responding Party shall select an independent, reputable investment bank within five (5) Business Days of the Selection Deadline (the "**Alternative Selection Deadline**"), and the two selected independent, reputable investment banks shall have five (5) Business Days from the Alternative Selection Deadline to select a third independent, reputable investment bank to resolve the dispute (the "**Final Selection Deadline**"). The Disputing Party and the Responding Party shall take all such reasonable steps necessary to jointly engage the appointed bank as shortly thereafter as reasonably possible, and in any event, within ten (10) Business Days of the selection.

(i) The Disputing Party and the Responding Party shall each deliver to the investment bank engaged pursuant to the procedures of Section 1.4(c) (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of this Section 1.4(c) and (B) written documentation supporting such respective party's position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5th) Business Day immediately following the date on which such investment bank was engaged (the "**Dispute Submission Deadline**") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "**Required Dispute Documentation**") (it being understood and agreed that if either the Disputing Party and the Responding Party fails to raise any claims in the Required Dispute Documentation it submits by the Dispute Submission Deadline, then the party who fails to raise such claim in the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) raise such claim to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on claims raise in the Required Dispute Documentation that was delivered to such Third-Party Advisor prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Disputing Party and the Responding Party or otherwise requested by such investment bank, neither the Disputing Party nor the Responding Party shall be entitled to deliver or submit any written documentation or other support to such Third-Party Advisor in connection with such dispute (other than the Required Dispute Documentation).

(ii) The Disputing Party and the Responding Party shall use their reasonable best efforts to cause the investment bank engaged pursuant to this Section 1.4(c) to determine the resolution of such dispute and notify the Disputing Party and the Responding Party of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. Such investment bank's determination of such disputed matter(s) shall be binding upon all parties absent demonstrable error. The fees and expenses of such investment bank shall be borne solely by the Company.

(iii) Notwithstanding anything to the contrary set forth in this Section 1.4(c), nothing in this Section 1.4(c) shall limit a holder's right to pursue any and all remedies available to it, at law, in equity or otherwise, including, without limitation, any action seeking the entry of an order specifically enforcing the terms and conditions hereof, granting injunctive relief and/or awarding damages arising from any breach or threatened breach of this Section 1.4(c) or any other Section hereof. Any holder may choose to seek an alternative remedy in lieu of or in addition to effectuating the dispute resolution procedures provided in this Section 1.4(c) by providing written notice to the Corporation of its intent to do so at any time prior to the Selection Deadline.

1.5 Delivery of Shares. The Holder shall not be required to deliver the original of this Warrant in order to effect an exercise hereunder. Execution and delivery of a Notice of Exercise with respect to less than all of the Shares shall have the same effect as cancellation of the original of this Warrant and issuance of a new Warrant (for the avoidance of doubt, containing the same terms, rights and conditions, as would be contained in a Warrant issued in compliance with Section 1.7) evidencing the right to purchase the remaining number of Shares underlying the Warrant. Execution and delivery of a Notice of Exercise for all of the then-remaining Shares shall have the same effect as cancellation of the original of this Warrant after delivery of the Shares in accordance with the terms hereof.

On or before the first (1st) Trading Day following the date on which the Company has received a Notice of Exercise, the Company shall transmit by electronic mail an acknowledgment of confirmation of receipt of such Notice of Exercise, in the form attached hereto as Appendix 2, to the Holder . On or before the first (1st) Trading Day following the date on which the Company has received such Notice of Exercise (or such earlier date as required pursuant to the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") or other applicable law, rule or regulation for the settlement of a trade of such Shares initiated on the applicable Exercise Date), the Company shall (X) provided that the Transfer Agent is participating in FAST and the Company is not otherwise prohibited from delivering the Shares electronically without any restrictive legend pursuant to applicable securities laws upon advice of counsel, upon the request of the Holder, credit such aggregate number of Shares to which the Holder is entitled pursuant to such exercise to the Holder's (or its designee's) balance account with DTC through its Deposit/Withdrawal at Custodian system, or (Y) if the Transfer Agent is not participating in FAST and the Company is otherwise unable to deliver the Shares electronically without any restrictive legend pursuant to applicable securities laws upon the advice of counsel, upon the request of the Holder, issue and deliver (via reputable overnight courier or electronic mail, as applicable) to the address as specified in the Notice of Exercise, a certificate (which may be an electronic book entry statement), registered in the name of the Holder or its designee, for the number of Shares to which the Holder shall be entitled pursuant to such exercise. Upon delivery of a Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Shares with respect to which this Warrant has been exercised, irrespective of the date such Shares are credited to the Holder's DTC account or the date of delivery of the certificates (or electronic book entry statements) evidencing such Shares (as the case may be). Notwithstanding that the Holder shall not be required to deliver or submit this Warrant in order effectuate an exercise, if the original of this Warrant is submitted in connection with an exercise pursuant to this Section 1 and the number of Shares represented by this Warrant is greater than the number of Shares being acquired upon such exercise and submission of this Warrant to the Company by the Holder, then, the Company shall as soon as practicable and in no event later than two (2) Business Days after such exercise and submission and at the Company's own expense, issue and deliver to the Holder (or its designee) a new Warrant (in accordance with Section 1.7) representing the right to purchase a number of Shares equal to (i) the number of Shares purchasable pursuant to this Warrant immediately prior to such exercise under this Warrant, less (ii) the number of Shares with respect to which this Warrant is so exercised. The Company shall pay any and all transfer, stamp, issuance and similar taxes, costs and expenses (including, without limitation, fees and expenses of the Transfer Agent) that may be payable with respect to the issuance and delivery of Shares upon exercise of this Warrant. The Company's failure to deliver Shares to the Holder on or prior to the later of (i) one (1) Trading Day after receipt of the applicable Notice of Exercise (or such earlier date as required pursuant to the Exchange Act or other applicable law, rule or regulation for the settlement of a trade of such Shares initiated on the applicable Exercise Date) and (ii) one (1) Trading Day after the Company's receipt of the aggregate Warrant Price (or valid notice of a Cashless Exercise) (such later date, the "**Share Delivery Date**") shall be a breach of this Warrant. From the Issue Date through and including the Expiration Date, the Company shall maintain a transfer agent that participates in FAST.

1.6 Replacement of Warrant. On receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of loss, theft or destruction, on delivery of an indemnity agreement reasonably satisfactory in form, substance and amount to the Company or, in the case of mutilation, on surrender of this Warrant to the Company for cancellation, the Company shall, within a reasonable time, execute and deliver to Holder, in lieu of this Warrant, a new warrant of like tenor and amount in accordance with Section 1.7 below.

1.7 Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant (whether to the Holder or a transferee thereof), such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 1.6 or Section 4.5, the Shares underlying this Warrant designated by the Holder which, when added to the number of Shares underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issue Date, and (iv) shall have the same terms, rights and conditions as this Warrant.

1.8 Reservation of Shares.

(a) Required Reserve Amount. So long as this Warrant remains outstanding, the Company shall at all times keep reserved for issuance under this Warrant a number of shares of Common Stock that is not less than 100% of the maximum number of shares of Common Stock as shall be necessary to satisfy the Company's obligation to issue shares of Common Stock under all of the Warrants (the "**SPA Warrants**") then outstanding or issuable pursuant to the Securities Purchase Agreement and the Credit Facility (without regard to any limitations on exercise) (the "**Required Reserve Amount**"); provided, however, that at no time shall the number of shares of Common Stock reserved pursuant to this Section 1.8 be reduced other than proportionally to the number of Shares delivered in connection with any exercise of the SPA Warrants or such other event covered by Section 3.

(b) Insufficient Authorized Shares. If, notwithstanding Section 1.8(a), and not in limitation thereof, at any time while any of the SPA Warrants remain outstanding, the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve the Required Reserve Amount (an "**Authorized Share Failure**"), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock such that the Company shall have sufficient authorized shares of Common Stock in order to enable the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors (the "**Board**") to recommend to the stockholders that they approve such proposal. Notwithstanding the foregoing, if at any such time of an Authorized Share Failure, the Company is able to obtain the written consent of two-thirds of the shares of its issued and outstanding shares of Common Stock to approve the increase in the number of authorized shares of Common Stock in order to enable the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding, the Company may satisfy this obligation by obtaining such consent and submitting for filing with the Commission an Information Statement on Schedule 14C. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the "**Authorization Failure Shares**"), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the greatest Closing Sale Price of the Common Stock on any Trading Day during the period commencing on the date the Holder delivers the applicable Notice of Exercise with respect to such Authorization Failure Shares to the Company and ending on the date of such issuance and payment under this Section 1.8(b); plus (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any Buy-In Price payment amount, brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. Nothing contained in this Section 1.8(b) shall limit any obligations of the Company under any provision of the Securities Purchase Agreement. An Authorized Share Failure which remains uncured for more than thirty (30) consecutive Trading Days shall be an "Event of Default" under the Credit Facility.

1.9 Voting in Director Elections. At all times when the holders of preferred stock issued pursuant to the Securities Purchase Agreement have a right to appoint at least one (1) director, Holder agrees not to vote any shares of Common Stock it receives upon exercise of this Warrant in any election of directors.

SECTION 2. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

2.1 **Purchase Rights.** In addition to any adjustments pursuant to Section 3 below, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the "**Purchase Rights**"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of Shares acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Beneficial Ownership Cap (as defined below)) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties (as defined below) exceeding the Beneficial Ownership Cap, then the Holder shall not be entitled to participate in such Purchase Right to the extent of such excess of the Beneficial Ownership Cap (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Beneficial Ownership Cap, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).

2.2 **Fundamental Transactions.** The Company shall not enter into or be party to a Fundamental Transaction unless the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Transaction Documents (as defined in the Securities Purchase Agreement) in accordance with the provisions of this Section 2.2 pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the Shares acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the Warrant Price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of the applicable Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of each Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 2.1, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 2 hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 2.2 to permit the Fundamental Transaction without the assumption of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "**Corporate Event**"), the Company shall make appropriate provision to ensure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 2.1, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant) (the "**Corporate Event Consideration**"). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

2.3 Acceleration Redemption. Notwithstanding the foregoing and the provisions of Section 2.2 above, at the request of the Holder delivered at any time after the occurrence of an acceleration under the Credit Facility, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Closing Sale Price on the date of such request less the Warrant Price.

2.4 Equity Issuance Limit. Notwithstanding anything to the contrary herein, the Company shall not issue to any Holder, and no Holder may acquire, a number of shares of Common Stock upon any exercise of this Warrant to the extent that, upon such exercise, the number of shares of Common Stock then beneficially owned by such Holder and its Affiliates and any other persons or entities whose beneficial ownership of Common Stock would be aggregated with such Holder's for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the Securities and Exchange Commission (including shares held by any "group" of which such Holder is a member, but excluding shares beneficially owned by virtue of the ownership of any securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase similar to the limitation set forth herein) (collectively, the "*Attribution Parties*") (i) prior to the receipt of the Requisite Stockholder Approval (as defined in the Credit Facility), would exceed 19.99% of the total number of shares of Common Stock then issued and outstanding as of the Initial Funding Date and (ii) and following receipt of the Requisite Stockholder Approval, would exceed 49.9% of the number of shares of Common Stock then issued and outstanding (such percentage limits on the shares of Common Stock pursuant to (i) and (ii), the "*Beneficial Ownership Cap*"); provided, however, that the Beneficial Ownership Cap shall only apply to the extent that the Common Stock is deemed to constitute an "equity security" pursuant to Rule 13d-1(i) promulgated under the Exchange Act. Notwithstanding the foregoing, by written notice to the Company, upon receipt of the Requisite Stockholder Approval, any Holder may amend the Beneficial Ownership Cap percentage with respect to such Holder to any percentage that is lower than or equal to 49.9%. For purposes hereof, "group" has the meaning set forth in Section 13(d) of the Exchange Act and applicable regulations of the Securities and Exchange Commission, and the percentage held by any Holder shall be determined in a manner consistent with the provisions of Section 13(d) of the Exchange Act. Upon the written request of a Holder, the Company shall, within two (2) trading days, confirm orally and in writing (which may be by e-mail) to such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Company, including Series B Preferred Stock (as defined in the Securities Purchase Agreement) and SPA Warrants, by such Holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Holder.

SECTION 3. ADJUSTMENTS TO THE SHARES AND WARRANT PRICE

3.1 Stock Dividends, Splits, Etc. If the Company declares or pays a dividend or distribution on the outstanding shares of the Class payable in Common Stock or other securities or property (including in the form of cash), then upon exercise of this Warrant, for each Share acquired, Holder shall receive, without additional cost to Holder, the total number and kind of securities and property (including cash) which Holder would have received had Holder owned the Shares of record as of the date the dividend or distribution occurred. If the Company subdivides the outstanding shares of the Class by reclassification or otherwise into a greater number of shares, the number of Shares purchasable hereunder shall be proportionately increased and the Warrant Price shall be proportionately decreased, provided the aggregate Warrant Price for the Shares shall remain the same. If the outstanding shares of the Class are combined or consolidated, by reclassification or otherwise, into a lesser number of shares, the Warrant Price shall be proportionately increased and the number of Shares shall be proportionately decreased, provided the aggregate Warrant Price for the Shares shall remain the same.

3.2 Reclassification, Exchange, Combinations or Substitution. Upon any event whereby all of the outstanding shares of the Class are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Company securities of a different class and/or series, then from and after the consummation of such event, this Warrant will be exercisable for the number, class and series of Company securities that Holder would have received had the Shares been outstanding on and as of the consummation of such event, provided the aggregate Warrant Price of the Shares shall remain the same and subject to further adjustment thereafter from time to time in accordance with the provisions of this Warrant. The provisions of this Section 3.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

3.3 Adjustment for Issuance of Applicable Shares.

(a) Subject to the requirements of Section 3.3(b) below, if the Company shall issue or sell any Shares (other than shares included in the Excluded Issuances, as defined below) (the “**Applicable Shares**”), Options, warrants, Convertible Securities and similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares, in each case without consideration or for a consideration per Share initially deliverable upon issuance, conversion or exchange of such securities less than the quotient of (x) the product of (i) the fair market value (as calculated in accordance with Section 1.4) of the Common Stock on the Issue Date (as proportionately adjusted to account for stock splits, stock combinations, stock dividends or other distributions and recapitalizations affecting the Common Stock) (the “**Original Price**”) multiplied by (ii) the number Shares originally issuable upon exercise of this Warrant on the Issue Date (as adjusted to account for any transfers or exercises of this Warrant and as proportionately adjusted to account for stock splits, stock combinations, stock dividends or other distributions and recapitalizations affecting the Common Stock) divided by (y) the number of Shares then issuable upon exercise of this Warrant (the “**Original Issue Price Per Share**”), then, effective immediately upon such issuance or sale, the number of Shares issuable upon exercise of this Warrant immediately prior to any such issuance or sale shall be increased (such number of additional Shares, the “**Anti-dilution Shares**”), and shall not be reduced, in accordance with the following formula:

$$S_1 = S \times [(OS + D) / (OS + PS)]$$

S_1 = new number of Shares issuable upon exercise of this Warrant

S = then applicable number of Shares issuable upon exercise of this Warrant immediately prior to the issuance or sale

OS = the number of Shares outstanding immediately prior to the issuance of such securities

D = the maximum number of Shares deliverable upon issuance of such securities

PS = the aggregate number of Shares which the aggregate amount of consideration received by the Company upon such issuance or sale would have purchased at the Original Issue Price Per Share.

(b) Prior to the receipt of the Requisite Stockholder Approval, the number of shares issuable upon exercise of this Warrant shall not be increased by Anti-dilution Shares in connection with any issuance or sale, however, provided, that the aggregate number of shares of Common Stock equal to the Series A-1 Liquidation Value (as defined in the Certificate of Designations for the Series A-1 Preferred Stock) of all of the outstanding shares of Series A-1 Preferred Stock shall be increased by the number of Anti-Dilution Shares that would otherwise be required to be added to the number of Shares issuable upon exercise of this Warrant by this Section 3.3 in connection with such issuance or sale.

(c) Upon the expiration or termination of any unexercised Options, warrants, Convertible Securities and similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the number of shares issuable upon exercise of this Warrant, the number of shares issuable under this Warrant shall be readjusted to such number of shares as would have been issuable had such Options, warrants, Convertible Securities and similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) never been issued.

3.4 Exceptions to Adjustments. Except as specifically provided for herein, there shall be no adjustment or readjustment to the number of Shares issuable in the following circumstances (each of the following, an “**Excluded Issuance**”): (1) securities issued to the Company’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement or upon the conversion of preferred stock issued pursuant to the Credit Agreement or Securities Purchase Agreement or the exercise of this Warrant or any of the other SPA Warrants; (2) upon conversion, exercise or exchange of securities, including convertible debt securities and convertible debt securities issued as payment-in-kind interest thereon, outstanding prior to the Initial Closing Date (as defined in the Credit Facility); (3) pursuant to agreements in effect as of the Initial Closing Date (provided that such agreements are not amended after the Initial Closing Date to increase the number of securities, reduce the consideration payable in connection with such securities, or otherwise change the terms of such agreements so as to have a dilutive effect on this Warrant); and (4) pursuant to the Company’s management, directors or other service providers as part of compensation and incentive programs approved by the Board.

3.5 Certain Events. If any event of the type contemplated by the provisions of this Section 3.5 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features that is not an Excluded Issuance) occurs, then the Board shall make an appropriate adjustment in the number of the Shares issuable upon exercise of this Warrant so as to protect the rights of the Holder in a manner consistent with the provisions of this Section 3; provided, that no such adjustment pursuant to this Section 3.5 shall increase the Warrant Price or decrease the number of the Shares issuable hereunder.

3.6 No Fractional Share. No fractional Share shall be issuable upon exercise of this Warrant and the number of Shares to be issued shall be rounded down to the nearest whole Share. If a fractional Share interest arises upon any exercise of the Warrant, the Company shall eliminate such fractional Share interest by paying Holder in cash the amount computed by multiplying the fractional interest by (a) the fair market value (as determined in accordance with Section 1.4 above) of a full Share, less (b) the then-effective Warrant Price.

3.7 Notice/Certificate as to Adjustments. Upon each adjustment of the Warrant Price, Class and/or number of Shares, the Company, at the Company’s expense, shall notify Holder in writing within a reasonable time setting forth the adjustments to the Warrant Price, Class and/or number of Shares and facts upon which such adjustment is based. The Company shall, upon written request from Holder, furnish Holder with a certificate of its Chief Executive Officer or Chief Financial Officer, including computations of such adjustment and the Warrant Price, Class and number of Shares in effect upon the date of such adjustment.

SECTION 4. MISCELLANEOUS.

4.1 (a) Term and Automatic Conversion Upon Expiration. Subject to the provisions of Section 2.2 above, this Warrant is exercisable in whole or in part at any time and from time to time on or before 5:00 P.M. Eastern time, on the Expiration Date and shall be void thereafter.

(b) Automatic Cashless Exercise upon Expiration. In the event that, upon the Expiration Date, the fair market value of one Share (or other security issuable upon the exercise hereof) as determined in accordance with Section 1.4 above is greater than the Warrant Price in effect on such date, then this Warrant shall automatically be deemed on and as of such date to be exercised pursuant to Section 1.3 above as to all Shares (or such other securities) for which it shall not previously have been exercised, and the Company shall, within a reasonable time, deliver a certificate representing the Shares (or such other securities) issued upon such exercise to Holder (and if the Company’s shares are uncertificated, the Company shall deliver reasonably satisfactory evidence to the Holder signifying the valid issuance of such uncertificated shares) in accordance with Section 1.5 above.

4.2 Legends. The Shares (and the securities issuable, directly or indirectly, upon conversion of the Shares, if any) shall be imprinted with a legend in substantially the following form:

THE SHARES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**ACT**”), OR THE SECURITIES LAWS OF ANY STATE AND, EXCEPT AS SET FORTH IN THAT CERTAIN WARRANT TO PURCHASE COMMON STOCK ISSUED BY THE ISSUER TO CCM DENALI EQUITY HOLDINGS, LP DATED _____, MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED UNLESS AND UNTIL REGISTERED UNDER SAID ACT AND LAWS OR IN FORM AND SUBSTANCE SATISFACTORY TO THE ISSUER, SUCH OFFER, SALE, PLEDGE OR OTHER TRANSFER IS EXEMPT FROM SUCH REGISTRATION.

4.3 Compliance with Securities Laws on Transfer. This Warrant and the Shares issuable upon exercise of this Warrant (and the securities issuable, directly or indirectly, upon conversion of the Shares, if any) may not be transferred or assigned in whole or in part except in compliance with applicable federal and state securities laws by the transferor and the transferee (including, without limitation, the delivery of investment representation letters and legal opinions reasonably satisfactory to the Company, as reasonably requested by the Company). The Company shall not require Holder to provide an opinion of counsel if the transfer is to any Affiliate of Holder, provided that any such transferee is an “accredited investor” as defined in Regulation D promulgated under the Act. Additionally, the Company shall also not require an opinion of counsel if there is no material question as to the availability of Rule 144 promulgated under the Act, provided that, Holder represents that it has complied with Rule 144 in reasonable detail, the selling broker represents that it has complied with Rule 144, and the Company is provided with a copy of Holder’s proposed notice of sale.

4.4 No Impairment; Further Assurances. (9) If any payment or transfer (or any portion thereof) made (or deemed made) by Borrower to the Administrative Agent, the Collateral Agent or any Lender shall be subsequently invalidated, declared to be fraudulent or a fraudulent conveyance or preferential, avoided, rescinded, set aside or otherwise required to be returned or repaid, whether in bankruptcy, reorganization, insolvency or similar proceedings involving any Loan Party or otherwise, then such payment or transfer and all security interests with respect thereto shall immediately be reinstated, without need for any action by any Person (except for the filing of a new UCC1 financing statement, if applicable), and shall be enforceable against the Loan Parties and their successors and assigns as if such payment had never been made.

(10) In consideration of the agreements of the Administrative Agent, the Collateral Agent, the Lenders and the Insurers herein and in the Insurer Letter Agreement, Borrower, on behalf of itself and each other Loan Party, hereby fully and forever releases, withdraws, waives and discharges any and all claims, rights, demands, damages, causes of action, judgments or liabilities which Borrower or any other Loan Party has, had or may have ever had against the Administrative Agent, the Collateral Agent, any Lender or any Insurer, and each of their respective affiliates, and all officers, directors, employees, agents, legal counsel, advisors and attorneys-in-fact of any of the foregoing Persons, from all damages, losses, claims and liabilities of any kind or character, known or unknown, present or future in any way arising out of or relating to the Loan Documents, the Obligations or the Insurance Policy (including without limitation, all such damages, losses, claims and/or liabilities which arise out of contract, tort, violation of law or otherwise), to the extent that any such damages, losses, claim or liabilities shall be based in whole or in part upon facts, circumstances, actions or events existing on or prior to the Termination Date.

(11) **Confidentiality.** Each party hereto agrees that it will keep confidential and will not disclose the existence or the content of this Payoff Letter; *provided* that the parties hereto may disclose this Payoff Letter (i) to their respective attorneys, accountants, consultants, and other professionals to the extent necessary to perform their services, *provided* that such party informs such person that such information is confidential and directs such person to maintain the confidentiality of such information, (ii) to any affiliate, partner, member, stockholder, lender, or wholly owned subsidiary of any party or their respective affiliates in the ordinary course of business, *provided* that such party informs such person that such information is confidential and directs such person to maintain the confidentiality of such information, (iii) to the extent necessary to enforce such party's rights under this Payoff Letter, or (iv) as may otherwise be required by applicable law, regulation or legal process; *provided* that in the case of this clause (iv) if practicable, such party promptly notifies the other party of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure; *provided* further that Borrower hereby acknowledges and agrees that it is not required to file in any disclosure or report with the Securities Exchange Commission Annex I to this Payoff Letter, the signature page of the Insured Lender, the identity of the Insured Lender or any of its Affiliates or the amount of its respective Commitments and Loans, and prior to filing any report or disclosure with the Securities Exchange Commission or releasing any press release or other similar public disclosure that, in each case, contains the name of the Insured Lender or any of its Affiliates or the amount of its respective Commitments and Loans, the Borrower shall, except to the extent prohibited by applicable law, furnish a copy of the proposed disclosure materials to the Insured Lender and consult in good faith with the Insured Lender regarding any revisions it may request.

Form of Insurer Letter Agreement

Ladies and Gentlemen:

Reference is made to the Senior Secured Term Loan Credit Agreement, dated as of July 29, 2022 (as amended, restated, supplemented or otherwise modified on or prior to the date hereof, the "Credit Agreement"), among Eos Energy Enterprises, Inc., a Delaware corporation (the "Borrower"), the Lenders from time to time party thereto and ACP Post Oak Credit I LLC (together with its affiliates and managed funds, "ACP"), as the Administrative Agent for the Lenders and as the Collateral Agent for the Secured Parties. Any capitalized term used herein and not defined herein shall have the meaning assigned to it in the Credit Agreement.

The parties specified under the heading "Specified Insurer" on Annex A hereto (the "Specified Insurers") have issued the Insurance Policy to certain Lenders listed on Annex A, each holding a percentage of the aggregate principal amount of the Loans as indicated next to its name (such portion of the aggregate principal amount of the Loans, the "Applicable Percentage"). The Specified Insurers understand that the Borrower intends to (i) payoff all outstanding Loans (including any other Obligations) pursuant to that certain Payoff Letter, dated as of the date hereof (the "Payoff Letter"), by and among the Borrower, ACP and the Lenders party thereto and (ii) enter into that certain Credit and Guaranty Agreement, dated as of the date hereof (the "New Credit Agreement"), by and among the Borrower, the guarantors party thereto, the various lenders party thereto and CCM Denali Debt Holdings, LP, as administrative agent and collateral agent (in such capacity, "Agent"). The Specified Insurers, in exchange for their commitment to make certain payments to the Insured Lender (as defined in the Payoff Letter) (i) shall be released from all obligations under the Insurance Policy and (ii) shall receive deferred payments as described below, such payment payable by the Borrower to the Specified Insurers. Accordingly, the parties hereto hereby agree as follows:

1. First Deferred Payment on Account of Specified Loan. On December 31, 2024, subject to there being no occurrence and continuance of an Event of Default (as defined in the New Credit Agreement) as of such date, the Borrower shall pay the Specified Insurers an amount equal to \$3,000,000 (the "First Deferred Payment") in immediately available funds via wire transfer to the account or accounts identified by the Specified Insurers based on the proportions set out on Annex A; *provided that*, other than with respect to any Event of Default that occurs and continues pursuant to Sections 8.1(a), 8.1(c) (solely with respect to breach of Section 6.8 of the New Credit Agreement), 8.1(f) and/or 8.1(g) of the New Credit Agreement, if, on or prior to such date, (x) the Borrower has taken steps to cure such Event of Default or (y) Agent or the lenders under the New Credit Agreement have taken steps or otherwise expressed their willingness to waive such Event of Default, the Borrower shall make the First Deferred Payment on the date all such Event of Default has been cured or waived.

2. Second Deferred Payment on Account of Specified Loan. On June 30, 2025, subject to there being no occurrence and continuance of an Event of Default (as defined in the New Credit Agreement) as of such date, the Borrower agrees to pay the Specified Insurers an amount equal to \$4,000,000 (the “Second Deferred Payment”, and collectively with the First Deferred Payment, the “Deferred Payments”) in immediately available funds via wire transfer to the account or accounts identified by the Specified Insurers based on the proportions set out on Annex A; *provided that*, other than with respect to any Event of Default that occurs and continues pursuant to Sections 8.1(a), 8.1(c) (solely with respect to breach of Section 6.8 of the New Credit Agreement), 8.1(f) and/or 8.1(g) of the New Credit Agreement, if, on or prior to such date, (x) the Borrower has taken steps to cure such Event of Default or (y) Agent or the lenders under the New Credit Agreement have taken steps or otherwise expressed their willingness to waive such Event of Default, the Borrower shall make the First Deferred Payment on the date all such Event of Default has been cured or waived.

3. Acceleration of Deferred Payments. Notwithstanding Sections 1 and 2 above, if the obligations under the New Credit Agreement are refinanced by a third-party lender or repaid in full and the New Credit Agreement is terminated, the Borrower agrees to pay any and all outstanding Deferred Payments in immediately available funds via wire transfer to the account or accounts identified by the Specified Insurers based on the proportions set out on Annex A on the date of such refinancing or repayment, as applicable.

4. Permitted Payments under New Credit Agreement. The Borrower represents and warrants that the payments contemplated in this letter are permitted by and under the New Credit Agreement as at the date of this letter and either (x) such payments do not constitute “Indebtedness” or “Restricted Payments” thereof (each as defined in the New Credit Agreement) or (y) such payments constitute “Indebtedness” (as defined in the New Credit Agreement) permitted to be incurred under Section 6.1(f) of the New Credit Agreement and are included on Schedule 6.1 of the New Credit Agreement and “Restricted Payments” (as defined in the New Credit Agreement) thereof are permitted to be made under Section 6.5 and Section 6.20 of the New Credit Agreement. The Borrower covenants and agrees that it shall not, without the prior written consent of the Specified Insurers, amend or modify or agree to any amendment or modification of the New Credit Agreement which would result in any payments hereunder no longer being permitted by and under the New Credit Agreement.

5. Payoff Letter. By execution of this letter agreement all parties hereto agree and acknowledge that all requirements contained in clauses (C) and (D) of the definition of “Termination Date” in the Payoff Letter shall be deemed satisfied.

6. Survival. This letter agreement survives any termination of the Credit Agreement and the New Credit Agreement.

7. Amendment; Waiver. This letter agreement may be amended, and the observance of any provision of this letter agreement may be waived (either generally or in a particular instance, and either retroactively or prospectively), only by an instrument in writing signed by each of the parties hereto.

8. Governing Law. The laws of the State of New York shall govern all matters arising out of, in connection with or relating to this letter agreement, including, without limitation, its validity, interpretation, construction, performance and enforcement (including, without limitation, any claims sounding in contract or tort law arising out of the subject matter hereof and any determinations with respect to post-judgment interest).

9. **CONSENT TO JURISDICTION.** ALL JUDICIAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS LETTER SHALL BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH PARTY HERETO, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, HEREBY EXPRESSLY AND IRREVOCABLY (i) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS; (ii) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (iii) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE PARTY AT ITS ADDRESS PROVIDED IN THE SIGNATURE PAGES HERETO OR ON ANNEX B HERETO, AND SUCH SERVICE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (iv) AGREES THAT A FINAL JUDGMENT IN ANY SUCH PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

10. **WAIVER OF JURY TRIAL.** THE PARTIES HERETO, TO THE EXTENT PERMITTED BY LAW, WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS LETTER AGREEMENT AND ANY OTHER TRANSACTION CONTEMPLATED HEREBY. THIS WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE.

11. **Third-Party Beneficiaries.** The Specified Insurers hereby acknowledge and agree that the Agent, the Insured Lender (as defined in the Payoff Letter) and the Lenders (as defined in the New Credit Agreement) are third party beneficiaries of this letter agreement.

12. **Entire Agreement.** This letter agreement embodies the entire agreement between the parties hereto with respect to the specific matters set forth herein and supersedes all prior agreements and understandings relating to the subject matter hereof.

13. **Confidentiality.** Each party hereto agrees that it will keep confidential and will not disclose the existence or the content of this letter agreement; *provided* that the parties hereto may disclose this letter agreement (i) to their respective attorneys, accountants, consultants, and other professionals to the extent necessary to perform their services, *provided* that such party informs such person that such information is confidential and directs such person to maintain the confidentiality of such information, (ii) to any affiliate, partner, member, stockholder, lender, or wholly owned subsidiary of any party or their respective affiliates in the ordinary course of business, *provided* that such party informs such person that such information is confidential and directs such person to maintain the confidentiality of such information, (iii) to the extent necessary to enforce such party's rights under this letter agreement, or (iv) as may otherwise be required by applicable law, regulation or legal process; *provided* that in the case of this clause (iv) if practicable, such party promptly notifies the other party of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure.

14. **Counterparts; Electronic Signatures.** This letter agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. The words "execution," "execute," "signed," "signature," and words of like import in this letter agreement shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms such as DocuSign, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

INDEMNITY AGREEMENT

THIS INDEMNITY AGREEMENT (this "Agreement") is made effective as of _____, 2024, by and between **Eos Energy Enterprises, Inc.**, a Delaware corporation (the "Company"), and _____ ("Indemnitee").

RECITALS

The Company believes that, in order to attract and retain highly qualified persons to serve as directors or in other capacities, including as officers, it must provide those persons with adequate protection through indemnification against the risk of claims and actions against them arising out of their services to and activities on behalf of the Company. The Third Amended and Restated Certificate of Incorporation (the "Charter") and the Amended and Restated Bylaws (the "Bylaws") of the Company require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to applicable provisions of the Delaware General Corporation Law ("DGCL"). The Charter, Bylaws and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the Board of Directors of the Company (the "Board"), officers and other persons with respect to indemnification, hold harmless, exoneration, advancement and reimbursement rights; and

The Company desires and has requested Indemnitee to serve as a director and/or officer of the Company and, in order to induce the Indemnitee to serve as a director and/or officer of the Company, the Company is willing to grant the Indemnitee the indemnification provided for herein. Indemnitee is willing to so serve on the basis that such indemnification be provided.

The parties by this Agreement desire to set forth their agreement regarding indemnification and the advancement of expenses. In consideration of the mutual covenants and agreements set forth below, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

TERMS AND CONDITIONS

1. **SERVICES TO THE COMPANY.** In consideration of the Company's covenants and obligations hereunder, Indemnitee will serve or continue to serve as an officer, director, advisor, key employee or in any other capacity of the Company, as applicable, for so long as Indemnitee is duly elected or appointed or retained or until Indemnitee tenders Indemnitee's resignation or until Indemnitee is removed. The foregoing notwithstanding, this Agreement shall continue in full force and effect after Indemnitee has ceased to serve as a director, officer, advisor, key employee or in any other capacity of the Company, as provided in Section 14. This Agreement, however, shall not impose any obligation on Indemnitee or the Company to continue Indemnitee's service to the Company beyond any period otherwise required by law or by other agreements or commitments of the parties, if any.

2. **DEFINITIONS.** As used in this Agreement:

(a) References to "agent" shall mean any person who is or was a director, officer or employee of the Company or a Subsidiary of the Company or other person authorized by the Company to act for the Company, to include such person serving in such capacity as a director, officer, employee, fiduciary or other official of another corporation, partnership, limited liability company, joint venture, trust or other enterprise at the request of, for the convenience of, or to represent the interests of the Company or a Subsidiary of the Company.

(b) (i) A “change in control” shall be deemed to occur upon the earliest to occur after the date of this Agreement of any of the following: (A) any person (as defined below) is or becomes the beneficial owner (as defined below), directly or indirectly, of securities of the Company representing 15% or more of the combined voting power of the Company’s then outstanding securities, (B) during any period of two consecutive years (not including any period prior to the execution of this Agreement), individuals who at the beginning of that period constitute the Board of Directors of the Company, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in clause (A), clause (C) or clause (D) of this Section 2(b)(i) or a director whose initial nomination for, or assumption of office as, a member of the Board occurs as a result of an actual or threatened solicitation of proxies or consents for the election or removal of one or more directors by any person or group other than a solicitation for the election of one or more directors by or on behalf of the Board) whose election by the Board or nomination for election by the Company’s stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the members of the Board, (C) the effective date of a merger or consolidation of the Company with any other entity, other than a merger or consolidation that would result in the voting securities of the Company outstanding immediately prior to the merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 50% of the combined voting power of the voting securities of the surviving entity outstanding immediately after the merger or consolidation and with the power to elect at least a majority of the board of directors or other governing body of the surviving entity, and (D) the approval by the stockholders of the Company of a complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company’s assets, and (E) there occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or a response to any similar item on any similar schedule or form) promulgated under the Exchange Act (as defined below), whether or not the Company is then subject to those reporting requirement.

(ii) For purposes of Section 2(b)(i), the following terms have the following meanings:

(A) “person” has the meaning as set forth in Sections 13(d) and 14(d) of the Exchange Act; provided, however, that “person” shall exclude (1) the Company, (2) any trustee or other fiduciary holding securities under an employee benefit plan of the Company, and (3) any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

(B) “beneficial owner” has the meaning given to that term in Rule 13d-3 under the Exchange Act.

(c) “Corporate Status” describes the status of a person who is or was a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent of the Company or of any other Enterprise (as defined below) which that person is or was serving at the request of the Company.

(d) “Delaware Court” means the Court of Chancery of the State of Delaware.

(e) “Enterprise” means the Company and any other corporation, constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of its wholly owned subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent.

(f) “Exchange Act” means the Securities Exchange Act of 1934, as amended.

(g) “Expenses” shall be broadly construed and shall include, without limitation, all direct and indirect costs, fees and expenses of any type or nature whatsoever, including, without limitation, all reasonable attorneys’ fees and costs, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, fees of private investigators and professional advisors, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, fax transmission charges, secretarial services and all other disbursements, obligations or expenses in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settlement or appeal of, or otherwise participating in, a Proceeding (as defined below), including reasonable compensation for time spent by Indemnitee for which he or she is not otherwise compensated by the Company or any third party. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding (as defined below), including without limitation the principal, premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent. “Expenses,” however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(h) References to “fines” includes any excise tax assessed on Indemnitee with respect to any employee benefit plan; references to “serving at the request of the Company” includes any service as a director, officer, employee, agent or fiduciary of the Company which imposes duties on, or involves services by, the director, officer, employee, agent or fiduciary with respect to an employee benefit plan, its participants or beneficiaries; and if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan, Indemnitee shall be deemed to have acted in a manner “not opposed to the best interests of the Company” as referred to in this Agreement.

(i) “Fund Indemnitees” means the Fund Indemnitors and their respective direct and indirect partners (including partners of partners and stockholders and members of partners), members, stockholders, directors, officers, employees and agents and each person who controls any of them within the meaning of Section 15 of the Securities Act of 1933, or Section 20 of the Securities Exchange Act of 1934.

(j) “Independent Counsel” means a law firm or a member of a law firm with significant experience in matters of corporation law and that neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any matter material to either party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements); or (ii) any other party to the Proceeding (as defined below) giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement.

(k) The term “Person” has the meaning set forth in Sections 13(d) and 14(d) of the Exchange Act as in effect on the date hereof; provided, however, that “Person” shall exclude: (i) the Company; (ii) any Subsidiaries (as defined below) of the Company; (iii) any employment benefit plan of the Company or of a Subsidiary (as defined below) of the Company or of any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company; and (iv) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or of a Subsidiary (as defined below) of the Company or of a corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

(l) The term “Proceeding” includes any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil (including intentional or unintentional tort claims), criminal, administrative or investigative or related nature, in which Indemnitee or any Fund Indemnitee was, is, will or might be involved as a party or otherwise (i) by reason of the fact that Indemnitee is or was a director or officer of the Company or that any Fund Indemnitee has or had the right to appoint a director of the Company, (ii) by reason of any action (or failure to act) taken by Indemnitee or of any action (or failure to act) on Indemnitee’s part while acting as a director or officer of the Company, (iii) by reason of any action (or failure to act) taken by any Fund Indemnitee or of any action (or failure to act) on any Fund Indemnitee’s part in connection with its right to appoint a director of the Company or any claim alleging so called control person liability under securities Laws, or (iv) by reason of the fact that Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise, in each case whether or not serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement, or advancement of expenses can be provided under this Agreement.

(m) The term “Subsidiary,” with respect to any Person, means any corporation, limited liability company, partnership, joint venture, trust or other entity of which a majority of the voting power of the voting equity securities or equity interest is owned, directly or indirectly, by that Person.

3. INDEMNITY IN THIRD-PARTY PROCEEDINGS. To the fullest extent permitted by applicable law, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Section 3 if Indemnitee was, is, or is threatened to be made, a party to or a participant (as a witness, deponent or otherwise) in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor by reason of Indemnitee's Corporate Status. Pursuant to this Section 3, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of those Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement) actually, and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with the Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that Indemnitee's conduct was unlawful.

4. INDEMNITY IN PROCEEDINGS BY OR IN THE RIGHT OF THE COMPANY. To the fullest extent permitted by applicable law, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Section 4 if Indemnitee was, is, or is threatened to be made, a party to or a participant (as a witness, deponent or otherwise) in any Proceeding by or in the right of the Company to procure a judgment in its favor by reason of Indemnitee's Corporate Status. Pursuant to this Section 4, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with the Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. No indemnification, hold harmless or exoneration for Expenses shall be made under this Section 4 in respect of any claim, issue or matter as to which Indemnitee has been finally adjudged by a court to be liable to the Company; provided, however, that the Company shall indemnify, hold harmless and indemnify Indemnitee if the court in which the Proceeding was brought or the Delaware Court determines that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification, to be held harmless or to exoneration.

5. INDEMNIFICATION FOR EXPENSES OF A PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL. Notwithstanding any other provisions of this Agreement, to the extent that Indemnitee was or is, by reason of Indemnitee's Corporate Status, a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee in connection therewith. If Indemnitee is not wholly successful in the Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in the Proceeding, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with each successfully resolved claim, issue or matter. If Indemnitee is not wholly successful in the Proceeding, the Company also shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee against all Expenses reasonably incurred in connection with a claim, issue or matter related to any claim, issue, or matter on which Indemnitee was successful. For purposes of this Section 5 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to the claim, issue or matter.

6. INDEMNIFICATION FOR EXPENSES OF A WITNESS. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness or deponent in any Proceeding (including, without limitation, any Proceeding to which Indemnitee was or is not a party or threatened to be made a party), Indemnitee shall, to the fullest extent permitted by applicable law, be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith.

7. ADDITIONAL INDEMNIFICATION, HOLD HARMLESS AND EXONERATION RIGHTS. Notwithstanding any limitation in Section 3, Section 4 or Section 5, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee and the Fund Indemnitees if Indemnitee or any Fund Indemnitee is a party to or threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of those Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee or such Fund Indemnitee in connection with the Proceeding. The provisions of Section 8 through Section 13 shall apply to any Fund Indemnitee *mutatis mutandis* and the Company and Indemnitee agree that the Fund Indemnitees are express third party beneficiaries of the terms of this Section 7. No indemnification, hold harmless or exoneration rights shall be available under this Section 7 on account of Indemnitee's conduct that constitutes a breach of Indemnitee's duty of loyalty to the Company or its stockholders or is an act or omission not in good faith or that involves a knowing violation of the law.

8. CONTRIBUTION IN THE EVENT OF JOINT LIABILITY.

(a) To the fullest extent permissible under applicable law, if the indemnification, hold harmless and/or exoneration rights provided for in this Agreement are unavailable to Indemnitee in whole or in part for any reason whatsoever, the Company, in lieu of indemnifying, holding harmless or exonerating Indemnitee, shall pay, in the first instance, the entire amount incurred by Indemnitee, whether for judgments, liabilities, fines, penalties, amounts paid or to be paid in settlement and/or for Expenses, in connection with any Proceeding without requiring Indemnitee to contribute to the payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Indemnitee.

(b) The Company shall not enter into any settlement of any Proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in the Proceeding) unless the settlement provides for a full and final release of all claims asserted against Indemnitee.

(c) The Company shall fully indemnify, hold harmless and exonerate Indemnitee from any claims for contribution which may be brought by officers, directors or employees of the Company other than Indemnitee who may be jointly liable with Indemnitee.

9. **EXCLUSIONS.** Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnification, advance expenses, hold harmless or exoneration payment in connection with any claim made against Indemnitee:

(a) for which payment has actually been received by or on behalf of Indemnitee under any insurance policy or other indemnity or advancement provision, except with respect to any excess beyond the amount actually received under any insurance policy, contract, agreement, other indemnity or advancement provision or otherwise; provided, that the foregoing shall not affect the rights of the Indemnitee or the Fund Indemnitors set forth in Section 13(f);

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act (or any successor rule) or similar provisions of state statutory law or common law; or

(c) in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless, as provided pursuant to Section 8.1 of the Bylaws (or that provision as revised, amended or re-numbered), (i) the proceeding was authorized by the Board of Directors, or (ii) the indemnification is required to be made under Section 8.3 of the Bylaws, or any such provision as revised, amended or re-numbered, addressing the enforcement of an Indemnitee's indemnification rights. Indemnitee shall seek payments or advances from the Company only to the extent that the payments or advances are unavailable from any insurance policy of the Company covering Indemnitee.

10. **ADVANCES OF EXPENSES; DEFENSE OF CLAIM.**

(a) To the fullest extent permitted by the DGCL, the Company shall pay the Expenses incurred by Indemnitee (or reasonably expected by Indemnitee to be incurred by Indemnitee within three months) in connection with any Proceeding within 30 days after the receipt by the Company of a statement or statements requesting advances from time to time, prior to the final disposition of any Proceeding. Advances shall, to the fullest extent permitted by law, be unsecured and interest free. Advances shall, to the fullest extent permitted by law, be made without regard to Indemnitee's ability to repay the Expenses and without regard to Indemnitee's ultimate entitlement to be indemnified, held harmless or exonerated under the other provisions of this Agreement. Advances shall include any and all reasonable Expenses incurred pursuing a Proceeding to enforce this right of advancement, including Expenses incurred preparing and forwarding statements to the Company to support the advances claimed. To the fullest extent required by applicable law, payments of Expenses in advance of the final disposition of the Proceeding shall be made only upon the Company's receipt of an undertaking, by or on behalf of Indemnitee, to repay the advanced amounts to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified, held harmless or exonerated by the Company under the provisions of this Agreement, the Charter, the Bylaws, applicable law or otherwise. This Section 10(a) shall not apply to any claim made by Indemnitee for which an indemnification, hold harmless or exoneration payment is excluded pursuant to Section 9.

(b) The Company will be entitled to participate in the Proceeding at its own expense.

(c) The Company shall not settle any action, claim or Proceeding (in whole or in part) which would impose any Expense, judgment, liability, fine, penalty or limitation on Indemnitee without Indemnitee's prior written consent.

11. PROCEDURE FOR NOTIFICATION AND APPLICATION FOR INDEMNIFICATION.

(a) Promptly after receipt by Indemnitee of notice of the commencement of any action, suit or proceeding, Indemnitee shall, if a claim in respect thereof is to be made against the Company hereunder, notify the Company in writing of the commencement thereof. The failure to promptly notify the Company of the commencement of the action, suit or proceeding, or of Indemnitee's request for indemnification, will not relieve the Company from any liability that it may have to Indemnitee hereunder, except to the extent the Company is actually and materially prejudiced in its defense of the action, suit or proceeding as a result of the failure. To obtain indemnification under this Agreement, Indemnitee shall submit to the Company a written request therefor including any documentation and information reasonably available to Indemnitee and reasonably necessary to enable the Company to determine whether and to what extent Indemnitee is entitled to indemnification.

(b) With respect to any action, suit or proceeding of which the Company is notified as provided in this Agreement, the Company shall, subject to the last two sentences of this paragraph, be entitled to assume the defense of the action, suit or proceeding, with counsel reasonably acceptable to Indemnitee, upon the delivery to Indemnitee of written notice of its election to do so. After delivery of the notice, approval of that counsel by Indemnitee and the retention of that counsel by the Company, the Company will not be liable to Indemnitee under this Agreement for any subsequently-incurred fees of separate counsel engaged by Indemnitee with respect to the same action, suit or proceeding unless the employment of separate counsel by Indemnitee has been previously authorized in writing by the Company. Notwithstanding the foregoing, if Indemnitee, based on the advice of his or her counsel, reasonably concludes (with written notice being given to the Company setting forth the basis for the conclusion) that, in the conduct of the defense, there is or is reasonably likely to be a conflict of interest or position between the Company and Indemnitee with respect to a significant issue, then the Company will not be entitled, without the written consent of Indemnitee, to assume the defense. In addition, the Company will not be entitled, without the written consent of Indemnitee, to assume the defense of any claim brought by or in the right of the Company.

(c) To the fullest extent permitted by the DGCL, the Company's assumption of the defense of an action, suit or proceeding in accordance with Section 11(b) will constitute an irrevocable acknowledgement by the Company that any loss and liability suffered by Indemnitee and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement by or for the account of Indemnitee incurred in connection therewith are indemnifiable by the Company under this Agreement.

(d) The determination whether to grant Indemnitee's indemnification request shall be made promptly and in any event within 30 days following the Company's receipt of a request for indemnification in accordance with Section 11(a). If the Company determines that Indemnitee is entitled to indemnification or, as contemplated by Section 11(c), the Company has acknowledged the entitlement, the Company will make payment to Indemnitee of the indemnifiable amount within the 30 day period. If the Company is not deemed to have acknowledged the entitlement or the Company's determination of whether to grant Indemnitee's indemnification request has not been made within the 30 day period, the requisite determination of entitlement to indemnification shall, subject to Section 9, nonetheless be deemed to have been made and Indemnitee shall be entitled to indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of indemnification under the DGCL.

(e) If (i) the Company determines that Indemnitee is not entitled to indemnification under this Agreement, (ii) the Company denies a request for indemnification, in whole or in part, or fails to respond or make a determination of entitlement to indemnification within 30 days following receipt of a request for indemnification as described above, (iii) payment of indemnification is not made within the 30 day period, (iv) advancement of Expenses is not timely made in accordance with Section 10, or (v) the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to Indemnitee hereunder, Indemnitee shall be entitled to an adjudication in any court of competent jurisdiction of his or her entitlement to indemnification or advancement of Expenses. Indemnitee's Expenses incurred in connection with successfully establishing Indemnitee's right to indemnification or advancement of Expenses, in whole or in part, in any such proceeding or otherwise shall also be indemnified by the Company to the fullest extent permitted by the DGCL.

(f) Indemnitee shall be presumed to be entitled to indemnification and advancement of Expenses under this Agreement upon submission of a request therefor in accordance with Section 10 or Section 11, as the case may be. The Company shall have the burden of proof in overcoming the presumption, and the presumption shall be used as a basis for a determination of entitlement to indemnification and advancement of Expenses unless the Company overcomes the presumption by clear and convincing evidence. Neither the failure of the Company (including by its Independent Counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its Independent Counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(g) If there is a change in control of the Company, then with respect to all matters thereafter arising concerning the rights of Indemnitee to indemnification and advancement of expenses under this Agreement, any other agreement or the Company's Charter or Bylaws now or hereafter in effect, the Company shall seek legal advice only from independent counsel selected by Indemnitee and approved by the Company (which approval shall not be unreasonably withheld). In addition, upon written request by Indemnitee for indemnification pursuant to Section 11(a), a determination, if required by the DGCL, with respect to Indemnitee's entitlement thereto shall be made by the independent counsel in a written opinion to the Board of Directors, a copy of which shall be delivered to Indemnitee. The Company shall pay the reasonable fees of the independent counsel referred to above.

(h) Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise. The provisions of this Section 11(h) shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement. In addition, the knowledge and/or actions, or failure to act, of any director, manager, officer, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement. Whether or not the foregoing provisions of this Section 11(h) are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

12. **SECURITY.** Notwithstanding anything herein to the contrary, to the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

13. NON-EXCLUSIVITY; SURVIVAL OF RIGHTS; INSURANCE; SUBROGATION.

(a) The rights of Indemnitee as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Charter, the Bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any Proceeding (regardless of when the Proceeding is first threatened, commenced or completed) or claim, issue or matter therein arising out of, or related to, any action taken or omitted by Indemnitee in Indemnitee's Corporate Status prior to the amendment, alteration or repeal. To the extent that a change in applicable law, whether by statute or judicial decision, permits greater indemnification, hold harmless or exoneration rights or advancement of Expenses than would be afforded currently under the Charter, the Bylaws or this Agreement, it is the intent of the parties that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by the change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) The DGCL, the Charter and the Bylaws permit the Company to purchase and maintain insurance or furnish similar protection or make other arrangements including, but not limited to, providing a trust fund, letter of credit, or surety bond ("Indemnification Arrangements") on behalf of Indemnitee against any liability asserted against Indemnitee or incurred by or on behalf of Indemnitee or in the capacity as a director, officer, employee or agent of the Company, or arising out of Indemnitee's status as such, whether or not the Company would have the power to indemnify Indemnitee against that liability under the provisions of this Agreement or under the DGCL, as it may then be in effect. The purchase, establishment, and maintenance of any Indemnification Arrangement shall not in any way limit or affect the rights and obligations of the Company or of Indemnitee under this Agreement except as expressly provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights and obligations of the Company or the other party or parties thereto under any Indemnification Arrangement.

(c) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, trustees, partners, managers, managing members, fiduciaries, employees, or agents of the Company or of any other Enterprise which the person serves at the request of the Company, Indemnitee shall be covered by the policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any director, officer, trustee, partner, managers, managing member, fiduciary, employee or agent under the policy or policies. If, at the time the Company receives notice from any source of a Proceeding as to which Indemnitee is a party or a participant (as a witness, deponent or otherwise), the Company has director and officer liability insurance in effect, the Company shall give prompt notice of the Proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause the insurers to pay, on behalf of Indemnitee, all amounts payable as a result of the Proceeding in accordance with the terms of the policies.

(d) In the event of any payment under this Agreement, the Company, to the fullest extent permitted by law, shall be subrogated to the extent of the payment to all of the rights of recovery of Indemnitee (other than against any Fund Indemnitors), who shall execute all papers required and take all action necessary to secure those rights, including execution of any documents necessary to enable the Company to bring suit to enforce those rights.

(e) The Company's obligation to indemnify, hold harmless, exonerate or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, manager, managing member, fiduciary, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification, hold harmless or exoneration payments or advancement of expenses from the Enterprise. Notwithstanding any other provision of this Agreement to the contrary, (i) Indemnitee shall have no obligation to reduce, offset, allocate, pursue or apportion any indemnification, hold harmless, exoneration, advancement, contribution or insurance coverage among multiple parties possessing those duties to Indemnitee prior to the Company's satisfaction and performance of all its obligations under this Agreement, and (ii) the Company shall perform fully its obligations under this Agreement without regard to whether Indemnitee holds, may pursue or has pursued any indemnification, advancement, hold harmless, exoneration, contribution or insurance coverage rights against any person or entity other than the Company.

(f) The Company hereby acknowledges that Indemnitee may have certain rights to indemnification, advancement of expenses and/or insurance provided by Cerberus Capital Management, L.P., and certain of its affiliates (collectively, the “Fund Indemnitors”), which Indemnitee and Fund Indemnitors intend to be secondary to the primary obligation of the Company to indemnify Indemnitee as provided herein, with the Company’s acknowledgement and agreement to the foregoing being a material condition to Indemnitee’s willingness to serve on the Board. The Company hereby agrees (i) that it is the indemnitor of first resort (i.e., its obligations to Indemnitee are primary and any obligation of the Fund Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by Indemnitee are secondary), (ii) that it shall be required to advance the full amount of expenses incurred by Indemnitee and shall be liable for the full amount of all Expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement and the Charter and the Bylaws of the Company (or any other agreement between the Company and Indemnitee), without regard to any rights Indemnitee may have against the Fund Indemnitors, and (iii) that it irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all claims against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Fund Indemnitors on behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company shall affect the foregoing and the Fund Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of Indemnitee against the Company. The Company and Indemnitee agree that the Fund Indemnitors are express third party beneficiaries of the terms of this Section 13(f).

14. DURATION OF AGREEMENT. All agreements and obligations of the Company contained herein shall continue during the period any Fund Indemnitee has the right to appoint a director of the Company or Indemnitee serves as a director or officer of the Company or as a director, officer, trustee, partner, manager, managing member, fiduciary, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other Enterprise which Indemnitee serves at the request of the Company and shall continue thereafter so long as Indemnitee or any Fund Indemnitee shall be subject to any possible Proceeding (including any rights of appeal thereto and any Proceeding commenced by Indemnitee pursuant to Section 8.3 of this Agreement) by reason of Indemnitee’s Corporate Status or any Fund Indemnitee’s right to appoint a director of the Company, whether or not Indemnitee is acting in any such capacity or any Fund Indemnitee continues to hold such right at the time any liability or expense is incurred for which indemnification or advancement can be provided under this Agreement.

15. SEVERABILITY. If any provision or provisions of this Agreement are held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing the provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) the provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section, paragraph, sentence or clause of this Agreement containing the provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

16. ENFORCEMENT AND BINDING EFFECT.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director, officer or key employee of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as a director, officer or key employee of the Company.

(b) Without limiting any of the rights of Indemnitee under the Charter or Bylaws as they may be amended from time to time, this Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties with respect to the subject matter hereof.

(c) The indemnification, hold harmless, exoneration and advancement of expenses rights provided by or granted pursuant to this Agreement shall be binding upon and be enforceable by the parties and their respective successors and assigns (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business and/or assets of the Company), shall continue as to an Indemnitee who has ceased to be a director, officer, employee or agent of the Company or a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent of any other Enterprise at the Company's request, and shall inure to the benefit of Indemnitee and Indemnitee's spouse, assigns, heirs, devisees, executors and administrators and other legal representatives.

(d) The Company shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no succession had taken place.

(e) The Company and Indemnitee acknowledge that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult of proof, and further agree that a breach may cause Indemnitee irreparable harm. Accordingly, Indemnitee may, to the fullest extent permitted by law, enforce this Agreement by seeking, among other things, injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which Indemnitee may be entitled. Indemnitee shall, to the fullest extent permitted by law, be entitled to specific performance and injunctive relief, including temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by a court of competent jurisdiction. The Company hereby waives any such requirement of such a bond or undertaking to the fullest extent permitted by law.

17. **MODIFICATION AND WAIVER.** No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by the Company and Indemnitee. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

18. **NOTICES.** All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given (i) if delivered by hand and receipted for by the party to whom the notice or other communication shall have been directed, (ii) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed or (iii) when delivered by email, solely if delivery is confirmed:

19. **APPLICABLE LAW AND CONSENT TO JURISDICTION.** This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. To the fullest extent permitted by law, the Company and Indemnitee hereby irrevocably and unconditionally: (a) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Delaware Court and not in any other state or federal court in the United States of America or any court in any other country; (b) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement; (c) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court; and (d) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum, or is subject (in whole or in part) to a jury trial. To the fullest extent permitted by law, the parties hereby agree that the mailing of process and other papers in connection with any such action or proceeding in the manner provided by Section 18 or in any other manner permitted by law, shall be valid and sufficient service thereof.

20. **IDENTICAL COUNTERPARTS.** This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic transmission in portable document format (.pdf) shall be effective as delivery of a manually executed counterpart of this Agreement. Only one counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

21. **MISCELLANEOUS.** Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

22. **PERIOD OF LIMITATIONS.** No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company against Indemnitee, Indemnitee's spouse, heirs, executors or personal or legal representatives after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period; provided, however, that if any shorter period of limitations is otherwise applicable to any such cause of action such shorter period shall govern.

23. **ADDITIONAL ACTS.** If for the validation of any of the provisions in this Agreement any act, resolution, approval or other procedure is required to the fullest extent permitted by law, the Company undertakes to cause the act, resolution, approval or other procedure to be affected or adopted in a manner that will enable the Company to fulfill its obligations under this Agreement.

24. **MAINTENANCE OF INSURANCE.** The Company shall use commercially reasonable efforts to obtain and maintain in effect during the entire period for which the Company is obligated to indemnify the Indemnitee under this Agreement, one or more policies of insurance with reputable insurance companies to provide the officers/directors of the Company with coverage for losses from wrongful acts and omissions and to ensure the Company's performance of its indemnification obligations under this Agreement. Indemnitee shall be covered by the policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director or officer under the policy or policies. In all such insurance policies, Indemnitee shall be named as an insured in such a manner as to provide Indemnitee with the same rights and benefits as are accorded to the most favorably insured of the Company's directors and officers.

**Eos Energy Announces Strategic Investment of up to \$315.5 Million from Cerberus to Propel Eos' Expansion and Path to Profitability***Significant strategic investment supports Company's growth plans in an accelerating long duration battery storage market and enables Eos to restructure existing debt*

TURTLE CREEK, Pa and NEW YORK, June 24, 2024 — Eos Energy Enterprises, Inc. (NASDAQ: EOSE) ("Eos" or the "Company"), a leading provider of safe, scalable, efficient, and sustainable zinc-based long duration energy storage systems, today announced a strategic investment of up to \$315.5 million from an affiliate of Cerberus Capital Management LP ("Cerberus"), to support its growth plans during a secular shift in global energy markets. The demand for safe alternatives to incumbent battery technologies is increasing and the world is facing significant energy growth along with an increased focus on higher energy independence and security. Cerberus is a global leader in alternative investing with a dedicated platform focused on supply chain integrity and national security. The companies believe that this investment should accelerate Eos' operating capabilities and industry position.

The long-duration energy storage segment is forecasted to more than double by 2030, driven by increased energy demand from data centers and artificial intelligence growth combined with lower carbon energy mix targets and supportive government policies. This investment is structured to allow the Company to meet growing market demand effectively as evidenced by Eos' \$13.3 billion pipeline and \$602.7 million orders backlog as of March 31, 2024. This funding supports Eos' plan to scale operations and execute on its path to profitability.

"We are thrilled to partner with Cerberus at a pivotal moment in Eos' history. This investment provides the critical funding needed to execute our profitability roadmap, while also providing our customers with the confidence that Eos can produce at scale," said Eos Chief Executive Officer Joe Mastrangelo. "Cerberus' investment, combined with their deep operational and technical knowledge, enables us to expand our manufacturing capacity, streamline our supply chain, and strengthen our market position."

This partnership leverages both companies' commitments to advancing domestic manufacturing and innovation and strengthens Eos' position as a leading provider of American-made energy storage solutions. As the United States continues to transition towards a more sustainable and energy independent future, demand is growing for long duration battery storage that ensures grid stability, resilience, and efficiency.

"Cerberus is ecstatic to be investing in what we believe to be the United States' first scalable non-lithium BESS platform. Eos has evolved dramatically in recent years in both cell technology and manufacturing efficiency, making the Company now ready to accelerate its first mover-advantage in long-duration energy storage," said Nick Robinson, Managing Director of Cerberus' Supply Chain and Strategic Opportunities platform. "With Joe's leadership, plus Cerberus' focus on U.S innovation in critical technologies and next-generation manufacturing capabilities, we could not be more excited and prouder to help Eos build a big and incredibly important company for the U.S. and our allies for many years to come."

Eos. Positively ingenious.*Please consider the environment before printing.*

The capital investment will be instrumental in enabling Eos to deliver a differentiated product, a simple and safe energy storage solution with proprietary software capabilities. The investment by Cerberus is structured as a \$210.5 million delayed draw term loan that is partially based upon achieving operational milestones, and a \$105 million revolver that the Company may draw upon, if required, at Cerberus' discretion. In addition, Eos will utilize a portion of the proceeds to retire its existing \$100 million senior secured term loan on favorable terms, strengthening the Company's balance sheet. The Company reached an agreement to extinguish this debt for \$27 million, of which \$20 million has been paid and the remaining \$7 million will be payable over the next twelve months.

Eos Chief Financial Officer Nathan Kroeker added, "The strategic investment announced today, combined with Eos' highly efficient manufacturing capacity model, supports our capital needs as we execute on Project AMAZE. We look forward to working with Cerberus and their strong network to continue driving down product costs, improving performance of our storage systems, and developing financing alternatives for our customers. Our broader strategy remains unchanged, and we remain committed to the cost-out milestones and our path to profitability previously outlined at our December 2023 Strategy Call."

Eos continues to work closely with the U.S. Department of Energy with respect to closing on the previously announced conditional commitment for a loan guarantee. With Cerberus' backing, Eos is well-positioned to accelerate its growth to meet the increasing demand for sustainable energy solutions.

Mastrangelo concluded, "Today's announcement is a clear testament to the strength of Eos' vision and serves as an important validation for the need to scale an American-made battery storage solution. It also demonstrates the commitment of a recognized global strategic partner in Eos' ability to provide sustainable value to each of our stakeholders well into the future."

Strategic Investment Transaction Details

Pursuant to Cerberus' strategic investment, Eos' ability to draw on a portion of the \$210.5 million delayed draw term loan is contingent upon achieving certain operational milestones through April 2025 agreed between the parties, with the remaining \$105 million revolver to be drawn, if required, at Cerberus' discretion. As part of the strategic investment, assuming the delayed draw term loan is fully funded and depending on the Company's ability to achieve the operational milestones, Cerberus will receive penny warrants and non-voting convertible preferred stock equivalent to 33% with the potential to reach 49%, depending on the achievement of operational milestones, of the outstanding equity of the Company, on a fully diluted basis. Initial funding of \$75 million in gross proceeds was received at closing on June 21, 2024, and Cerberus was issued 43.3 million penny warrants and shares of non-voting redeemable non-convertible preferred stock with a liquidation preference equivalent to 31.9 million shares of common stock in connection with this initial funding. Subject to receipt of stockholder approval under Nasdaq listing rules, the non-voting convertible preferred stock would ultimately become convertible into common stock.

The forward-looking statements contained in this press release are also subject to additional risks, uncertainties, and factors, including those more fully described in the Company's most recent filings with the Securities and Exchange Commission, including the Company's most recent Annual Report on Form 10-K and subsequent reports on Forms 10-Q and 8-K. Further information on potential risks that could affect actual results will be included in the subsequent periodic and current reports and other filings that the Company makes with the Securities and Exchange Commission from time to time. Moreover, the Company operates in a very competitive and rapidly changing environment, and new risks and uncertainties may emerge that could have an impact on the forward-looking statements contained in this press release.

Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and, except as required by law, the Company assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.

Key Metrics

Backlog. Our backlog represents the amount of revenue that we expect to realize from existing agreements with our customers for the sale of our battery energy storage systems and performance of services. The backlog is calculated by adding new orders in the current fiscal period to the backlog as of the end of the prior fiscal period and then subtracting the shipments in the current fiscal period. If the amount of an order is modified or cancelled, we adjust orders in the current period and our backlog accordingly, but do not retroactively adjust previously published backlogs. There is no comparable US-GAAP financial measure for backlog. We believe that the backlog is a useful indicator regarding the future revenue of our Company.

Pipeline. Our pipeline represents projects for which we have submitted technical proposals or non-binding quotes plus letters of intent ("LOI") or firm commitments from customers. Pipeline does not include lead generation projects.

Booked Orders. Booked orders are orders where we have legally binding agreements with a Purchase Order ("PO") or Master Supply Agreement ("MSA") executed by both parties.

SECTION 6. VOTING.

6.1 General. Except as required by applicable law and as set forth below, the holders of the Series B-[●] Preferred Stock shall not be entitled as such to receive notice of or to attend any meeting of the stockholders of the Corporation or to vote at any such meeting or any matters of the Corporation.

6.2 Election of Directors; Board Observer Right.

(a) At all times when the holders of Investor Preferred Stock shall beneficially own at least ten percent (10%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect one (1) director of the Corporation. At all times when the holders of Investor Preferred Stock shall beneficially own at least fifteen percent (15%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect two (2) directors of the Corporation. At all times when the holders of the Investor Preferred Stock shall beneficially own at least thirty percent (30%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect three (3) directors of the Corporation. At all times when the holders of Investor Preferred Stock beneficially own at least forty percent (40%) of the capital stock of the Corporation (subject to appropriate adjustment in the event of any stock dividend, stock split, combination, or other similar recapitalization with respect to the Preferred Stock or the Common Stock), the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to nominate and designate a fourth director of the Corporation, provided, however, that any fourth director proposed to be appointed pursuant to this Section 6.2(a) would be subject to the reasonable, good faith review and determination of the nominating and corporate governance committee of the Board (the “**Nominating Committee**”) that the election of such director not result in either (i) the Corporation being in violation of any rules and regulations (including the independence and other director qualification requirements) of the Securities and Exchange Commission or any national securities exchange on which the Corporation’s securities are then listed or any other applicable law or (ii) a determination that such appointment would constitute a change in control of the Company under the Company’s governing documents or applicable law, in the case of each of the foregoing clauses (i) and (ii) as reasonably determined in good faith by the Nominating Committee upon the written advice of counsel (which such advice shall be shared with the holders of the Investor Preferred Stock) and any such director following appointment shall be designated by the Nominating Committee (or Board) to a class of common directors for approval by the stockholders of the Company at the applicable annual meeting of stockholders. In the event that any such fourth director designated pursuant to the foregoing sentence is not approved by the stockholders of the Company at the applicable annual meeting of stockholders, the holders of record of the shares of Investor Preferred Stock shall have the right to appoint and elect a replacement for such director, in each case pursuant to the Nominating Committee approval requirements set forth above, which such director following Nominating Committee approval shall be designated to the same class of common directors as the prior appointee for approval by the stockholders of the Company at the applicable annual meeting of stockholders to approve directors of such class. To the extent one or more directors are appointed and elected as provided in this Section 6.2(a) for each committee of the Board for which at least one such director is qualified under applicable law and the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed to serve, the Board shall invite at least one such director, so qualified, to serve on such committee. The appointment and election of any director pursuant to this Section 6.2(a) may be made by, and only by, the affirmative vote of the holders of record of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders. Any director appointed and elected as provided in this Section 6.2(a) may be removed without cause by, and only by, the affirmative vote of the holders of a majority of the Investor Preferred Stock, given either at a special meeting of such stockholders duly called by such stockholders for that purpose or pursuant to a written consent of such stockholders, and any such notification may be made by electronic mail directed to the Secretary of the Corporation. In the event that a director appointed and elected by the holders of Investor Preferred Stock resigns or is unable to serve as a member of the Board, the holders of record of the shares of Investor Preferred Stock shall have the exclusive right, voting together as a separate class, to appoint and elect a director to fill such vacancy. Any appointment or removal of any director pursuant to this Section 6.2(a) shall be effective immediately upon delivery to the Corporation of a notification of the results of the applicable special meeting or upon delivery of the applicable written consent, as the case may be. If the holders of the Investor Preferred Stock fail to appoint a sufficient number of directors to fill all directorships for which they are entitled to appoint directors pursuant to this Section 6.2(a) (including following the removal or resignation of any such director or the inability of any such director to serve on the Board), then any directorship not so filled shall remain vacant until such time as the holders of the Investor Preferred Stock appoint and elect an individual to fill such directorship voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a); and no such directorship may be filled other than by the holders of the Investor Preferred Stock, voting exclusively and together as a separate class, pursuant to the terms of this Section 6.2(a). For the avoidance of doubt, the rights provided by this Section 6.2(a) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint and elect a maximum of four (4) directors of the Corporation pursuant to the designation rights provided by the certificates of designations governing the Investor Preferred Stock.

(b) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of Investor Preferred Stock share the right to appoint one non-voting observer to the Board (the “**Board Observer**”). The Board shall permit the Board Observer to attend all meetings of the Board and of any committee thereof as a non-voting observer, in each case to the extent permissible under applicable law or the rules and regulations of any national securities exchange on which the Corporation’s securities are then listed, and will give such individual notice of such meetings at the same time and in the same manner as notice is provided to the members of the Board. The Board Observer shall be entitled to concurrent receipt of any materials provided to the Board or any committee thereof, provided, that the Board Observer shall agree to hold in confidence and trust all information so provided; and provided further, that the Board may withhold any information and exclude the Board Observer from any meeting or portion thereof for any legitimate business or legal reason (as determined in the Board’s sole discretion). The Board will provide expense reimbursement to any Board Observer on the same basis as if such Board Observer were a director of the Corporation. For the avoidance of doubt, the rights provided by this Section 6.2(b) shall not be duplicative of similar rights provided in any other series of Investor Preferred Stock, and the holders of the Investor Preferred Stock, at any time, shall only be entitled to appoint one (1) Board Observer pursuant to the designation rights provided by the certificate of designations governing the Investor Preferred Stock.

(c) At all times when the holders of Investor Preferred Stock have a right to appoint at least one (1) director under Section 6.2(a), the holders of the Investor Preferred Stock shall, by exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement or conversion of the Investor Preferred Stock, be deemed to have agreed to not vote any shares of Common Stock they receive upon the conversion of any Investor Preferred Stock or the exercise of any warrants issued to such holders pursuant to the Securities Purchase Agreement in any election of directors.

6.3 Preferred Stock Protective Provisions. Until the later of (i) such time when the holders of Investor Preferred Stock shall no longer beneficially own at least 5% of the outstanding capital stock of the Corporation and (ii) five (5) years following the Original Issue date, the Corporation shall not, either directly or indirectly, by amendment, merger, consolidation, domestication, transfer, continuance, recapitalization, reclassification, waiver, statutory conversion, or otherwise, effect or validate any of the following acts or transactions without (in addition to any other vote required by law or the Restated Certificate) the written consent or affirmative vote of a majority of the outstanding shares of preferred stock (the “**Investor Preferred Stock**”) issued pursuant to that certain Securities Purchase Agreement, dated as of June 21, 2024, by and among the Corporation and CCM Denali Equity Holdings, LP (the “**Securities Purchase Agreement**”) or that certain Credit and Guaranty Agreement, dated as of the date hereof, by and among the Corporation, the guarantors party thereto, the various lenders thereto and CCM Denali Debt Holdings, LP, as Administrative Agent and Collateral Agent (the “**Credit Agreement**”), and any such act or transaction that has not been approved by such consent or vote prior to such act or transaction being effected shall be null and void ab initio, and of no force or effect:

(a) liquidate, dissolve or wind-up the business and affairs of the Corporation or effect any event that requires a distribution to the Corporation’s stockholders in accordance with their liquidation preference, or any other merger, consolidation, statutory conversion, transfer, domestication or continuance;

(b) amend, alter, repeal or waive any provision of the Restated Certificate or Bylaws of the Corporation in a manner that would adversely affect the special rights, powers, preferences or privileges of the Preferred Stock (or any series thereof);

(c) create or issue or obligate itself to issue shares of, or reclassify, any capital stock of the Corporation, other than Excluded Issuances;

(d) increase or decrease the authorized number of shares of Preferred Stock, or create any additional class or series of capital stock of the Corporation (other than increases in the number of the authorized shares of Common Stock); or

(e) purchase or redeem (or permit any subsidiary to purchase or redeem) or pay or declare any dividend or make any distribution on, any shares of capital stock of the Corporation, other than (i) redemptions of or dividends or distributions on the Investor Preferred Stock as expressly authorized herein or in the certificate of designations of any Investor Preferred Stock, and (ii) dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock;

provided, however, holders of the Investor Preferred Stock shall have the right set forth in Section 6.3(b) so long as any shares of Investor Preferred Stock remain outstanding.

SECTION 7. CONVERSION.

7.1 Conversions at Option of Holder. Each share of Series B-[●] Preferred Stock shall be convertible, at any time and from time to time from and after the Original Issue Date and through the Maturity Date (as defined in the Credit Agreement), at the option of the holder thereof, into a number of shares of Common Stock equal to the Conversion Ratio (as defined below). Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as Annex A (a "**Notice of Conversion**"), duly completed and executed. Other than a conversion pursuant to Section 5.4 or Section 9.2, or following a notice provided for under Section 7.4(b) hereof, the Notice of Conversion must specify a number of shares of Series B-[●] Preferred Stock to be converted. Conversion Shares issuable hereunder shall be transmitted by the Transfer Agent to the holder by either, as the Notice of Conversion so specifies, (i) by crediting the account of the holder's (or its designee's) balance account with The Depository Trust Company ("**DTC**") through its Deposit or Withdrawal at Custodian system ("**DWAC**") if the Transfer Agent is then a participant in the DTC Fast Automated Securities Transfer Program (a "**DWAC Delivery**") and such Conversion Shares may be so issued in compliance with the requirements of the Securities Act and DTC, or (ii) by physical or electronic delivery, at the election of the holder, of a book entry statement(s), registered in the name of the holder (or its designee), for the number of Conversion Shares to which the holder is entitled pursuant to such conversion to the address or e-mail, as applicable, specified by the holder in the Notice of Conversion. The "**Conversion Date**," or the date on which a conversion shall be deemed effective, shall be defined as the Trading Day that the Notice of Conversion, completed and executed, is sent by email to, and received during regular business hours by, an officer of the Corporation provided that, to the extent there are such officers, each such notice shall be sent to each of the chief executive officer, chief financial officer and general counsel of the Corporation; provided, further, that the original share certificate(s) (if applicable) representing such shares of Series B-[●] Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation within two (2) Trading Days thereafter. In all other cases, the Conversion Date shall be defined as the Trading Day on which the original share certificate(s) (if applicable) of Series B-[●] Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion, are received by the Corporation. The calculations set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. No ink original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required.

7.2 Conversion Ratio. Each share of Series B-[●] Preferred Stock is convertible at a rate of one million (1,000,000) shares of Common Stock for each share of Series B-[●] Preferred Stock, subject to adjustment as set forth in Section 9 below (this rate, as adjusted from time to time, the “*Conversion Ratio*”).

7.3 Beneficial Ownership Limitation. Notwithstanding anything herein to the contrary, the Corporation shall not effect any conversion of the Series B-[●] Preferred Stock, and a holder shall not have the right to convert any portion of the Series B-[●] Preferred Stock, to the extent that, after giving effect to an attempted conversion set forth on an applicable Notice of Conversion, such holder (together with such holder’s Affiliates, and any other Person whose beneficial ownership of Common Stock would be aggregated with the holder’s for purposes of Section 13(d) of the Exchange Act and the applicable regulations of the Commission, including any “group” of which the holder is a member (the foregoing, “*Attribution Parties*”)) would beneficially own a number of shares of Common Stock in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such holder and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series B-[●] Preferred Stock subject to the Notice of Conversion with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (A) conversion of the remaining, unconverted Series B-[●] Preferred Stock beneficially owned by such holder or any of its Attribution Parties, and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation beneficially owned by such holder or any of its Attribution Parties that are subject to a limitation on conversion or exercise similar to the limitation contained herein. For purposes of this Section 7.3, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable regulations of the Commission. In addition, for purposes hereof, “group” has the meaning set forth in Section 13(d) of the Exchange Act and the applicable regulations of the Commission. For purposes of this Section 7.3, in determining the number of outstanding shares of Common Stock, a holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (A) the Corporation’s most recent periodic or annual filing with the Commission, as the case may be, (B) a more recent public announcement by the Corporation that is filed with the Commission, or (C) a more recent notice by the Corporation or the Corporation’s transfer agent to the holder setting forth the number of shares of Common Stock then outstanding. Upon the written request of a holder (which may be by email), the Corporation shall, within two (2) Trading Days thereof, confirm in writing to such holder (which may be via email) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Corporation, including shares of Series B-[●] Preferred Stock and Warrant Shares (as defined in the Securities Purchase Agreement) issued pursuant to the Securities Purchase Agreement and Credit Agreement, by such holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the holder. The “*Beneficial Ownership Limitation*” shall initially be 49.9% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock pursuant to such Notice of Conversion (to the extent permitted pursuant to this Section 7.3); provided, however, that by written notice to the Corporation, which will not be effective until the 61st day after such notice is delivered to the Corporation, the holder may waive or amend the provisions of this Section 7.3 to change the Beneficial Ownership Limitation to any other number less than or equal to 49.9%, and the provisions of this Section 7.3 shall continue to apply. The Corporation shall be entitled to rely on representations made to it by the holder in any Notice of Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Corporation, any holder may amend the Beneficial Ownership Limitation percentage with respect to such holder to any percentage that is lower than or equal to 49.9%. The provisions of this Section 7.3 shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the Series B-[●] Preferred Stock in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act.

7.4 Mechanics of Conversion

(a) Delivery of Certificate or Electronic Issuance Upon Conversion. Not later than three (3) Trading Days after the applicable Conversion Date, or if the holder requests the issuance of physical certificate(s) for its Conversion Shares, two (2) Trading Days after receipt by the Corporation of the original certificate(s) representing such shares of Series B-[●] Preferred Stock being converted, duly endorsed, and the accompanying Notice of Conversion (the “*Share Delivery Date*”), the Corporation shall (a) deliver, or cause to be delivered, to the converting holder a physical certificate or certificates (or electronic book entry statements) representing the number of Conversion Shares being acquired upon the conversion of shares of Series B-[●] Preferred Stock or (b) in the case of a DWAC Delivery, electronically transfer such Conversion Shares by crediting the account of the holder’s (or its designee’s) prime broker with DTC through its DWAC system. If in the case of any Notice of Conversion such certificate or certificates (or electronic book entry statements) are not delivered to or as directed by or, in the case of a DWAC Delivery, such shares are not electronically delivered to or as directed by, the applicable holder by the Share Delivery Date, the applicable holder shall be entitled to elect to rescind such Notice of Conversion by written notice to the Corporation at any time on or before its receipt of such certificate or certificates (or electronic book entry statements) for Conversion Shares or electronic receipt of such shares, as applicable, in which event the Corporation shall promptly return to such holder any original Series B-[●] Preferred Stock certificate delivered to the Corporation and such holder shall promptly return to the Corporation any Common Stock certificates (or electronic book entry statements) or otherwise direct the return of any shares of Common Stock delivered to the holder through the DWAC system, representing the shares of Series B-[●] Preferred Stock unsuccessfully tendered for conversion to the Corporation.

(b) Obligation Absolute. Subject to Section 7.3 hereof and subject to holder’s right to rescind a Notice of Conversion pursuant to Section 7.4(a) above, the Corporation’s obligation to issue and deliver (or cause the Transfer Agent to deliver) the Conversion Shares upon conversion of Series B-[●] Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such holder in connection with the issuance of such Conversion Shares. Subject to Section 7.3 hereof and subject to holder’s right to rescind a Notice of Conversion pursuant to Section 7.4(a) above, in the event a holder shall elect to convert any or all of its Series B-[●] Preferred Stock, the Corporation may not refuse conversion based on any claim that such holder or anyone associated or affiliated with such holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to holder, restraining and/or enjoining conversion of all or part of the Series B-[●] Preferred Stock of such holder shall have been sought and obtained by the Corporation, and the Corporation posts a surety bond for the benefit of such holder in the amount of 150% of the value of the Conversion Shares into which would be converted the Series B-[●] Preferred Stock which is subject to such injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such holder to the extent it obtains judgment. In the absence of such injunction, the Corporation shall, subject to Section 7 hereof and subject to holder’s right to rescind a Notice of Conversion pursuant to Section 7.4(a) above, issue Conversion Shares upon a properly noticed conversion. If the Corporation fails to deliver (or cause the Transfer Agent to deliver) to a holder such certificate or certificates (or book entry statements), or electronically deliver (or cause its transfer agent to electronically deliver) such shares in the case of a DWAC Delivery, pursuant to Section 7.4(a) on or prior to the fifth (5th) Trading Day after the Share Delivery Date applicable to such conversion (other than a failure caused by incorrect or incomplete information provided by holder to the Corporation), then, unless the holder has rescinded the applicable Notice of Conversion pursuant to Section 7.4(a) above, the Corporation shall pay (as liquidated damages and not as a penalty) to such holder an amount payable, at the holder’s option, either (a) in cash or (b) to the extent that it would not cause the holder or its Attribution Parties to exceed the Beneficial Ownership Limitation, in shares of Common Stock that are valued for these purposes at the Closing Sale Price on the date of such calculation, in each case equal to the product of (x) the number of Conversion Shares required to have been issued by the Corporation on such Share Delivery Date, (y) an amount equal to the Daily Failure Amount and (z) the number of Trading Days actually lapsed after such fifth (5th) Trading Day after the Share Delivery Date during which such certificates (or book entry statements) have not been delivered, or, in the case of a DWAC Delivery, such shares have not been electronically delivered; provided, however, the holder shall only receive up to such amount of shares of Common Stock such that holder and its Attribution Parties and any other persons or entities whose beneficial ownership of Common Stock would be aggregated with the holder’s for purposes of Section 13(d) of the Exchange Act (including shares held by any “group” of which the holder is a member, but excluding shares beneficially owned by virtue of the ownership of securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase similar to the limitation set forth herein) shall not collectively beneficially own greater than the Beneficial Ownership Limitation. Nothing herein shall limit a holder’s right to pursue actual damages for the Corporation’s failure to deliver (or failure to cause the Transfer Agent to deliver) Conversion Shares within the period specified herein and such holder shall have the right to pursue all remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief; provided, that holder shall not receive duplicate damages for the Corporation’s failure to deliver (or failure to cause the Transfer Agent to deliver) Conversion Shares within the period specified herein. The exercise of any such rights shall not prohibit a holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(c) Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Conversion. If the Corporation fails to deliver (or cause the Transfer Agent to electronically deliver) to a holder the applicable certificate or certificates or book entry statement or statements or to effect a DWAC Delivery, as applicable, by the Share Delivery Date pursuant to Section 7.4(a) (other than a failure caused by incorrect or incomplete information provided by holder to the Corporation), and if after such Share Delivery Date such holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such holder of the Conversion Shares which such holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Corporation shall (A) pay in cash to such holder (in addition to any other remedies available to or elected by such holder) the amount by which (x) such holder's total purchase price (including any brokerage commissions) for the shares of Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such holder, either reissue (if surrendered) the shares of Series B-[●] Preferred Stock equal to the number of shares of Series B-[●] Preferred Stock submitted for conversion or deliver to such holder the number of shares of Common Stock that would have been issued if the Corporation had timely complied (or caused the Transfer Agent to timely comply) with its delivery requirements under Section 7.4(a). For example, if a holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series B-[●] Preferred Stock with respect to which the actual sale price (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Corporation shall be required to pay such holder \$1,000. The holder shall provide the Corporation written notice, within three (3) Trading Days after the occurrence of a Buy-In, indicating the amounts payable to such holder in respect of such Buy-In together with applicable confirmations and other evidence reasonably requested by the Corporation. Nothing herein shall limit a holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Corporation's failure to timely deliver (or cause the Transfer Agent to deliver) certificates (or book entry statements) representing shares of Common Stock upon conversion of the shares of Series B-[●] Preferred Stock as required pursuant to the terms hereof; provided, however, that the holder shall not be entitled to both (i) require the reissuance of the shares of Series B-[●] Preferred Stock submitted for conversion for which such conversion was not timely honored and (ii) receive the number of shares of Common Stock that would have been issued if the Corporation had timely complied (or caused the Transfer Agent to timely comply) with its delivery requirements under Section 7.4(a).

(d) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series B-[●] Preferred Stock, free from preemptive rights or any other actual contingent purchase rights of persons other than the holders of the Series B-[●] Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments of Section 9) upon the conversion of all outstanding shares of Series B-[●] Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable.

(e) Fractional Shares. No fractional shares or scrip representing fractional shares of Common Stock shall be issued upon the conversion of the Series B-[●] Preferred Stock. As to any fraction of a share which a holder would otherwise be entitled to receive upon such conversion, such fraction shall be rounded down to the next whole share.

(f) Transfer Taxes. The issuance of certificates (or book entry statements) for shares of the Common Stock upon conversion of the Series B-[●] Preferred Stock shall be made without charge to any holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates (or book entry statements), provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate (or book entry statement) upon conversion in a name other than that of the registered holder(s) of such shares of Series B-[●] Preferred Stock and the Corporation shall not be required to issue or deliver such certificates (or book entry statements) unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

(g) Status as Stockholder. Upon each Conversion Date, (i) the shares of Series B-[●] Preferred Stock being converted shall be deemed converted into shares of Common Stock; (ii) the holders of such converted shares shall assume the rights, privileges, and obligations of a holder of Common Stock of the Corporation; and (iii) the holder's rights as a holder of such Converted Shares of Series B-[●] Preferred Stock shall cease and terminate, excepting only the right to receive certificates (or book-entry statements) or otherwise electronic delivery for such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the holder shall retain all of its rights and remedies for the Corporation's failure to convert Series B-[●] Preferred Stock.

7.5 Register. The Corporation or the Transfer Agent shall maintain a register for the recordation of the names and addresses of the holders of each share of the Series B-[●] Preferred Stock (the "**Series B-[●] Preferred Stock Register**"). The Corporation may deem and treat the registered holder as the absolute owner thereof for the purpose of any conversion thereof and for all other purposes. The Corporation shall register the transfer of any shares of Series B-[●] Preferred Stock in the Series B-[●] Preferred Stock Register, upon surrender of the certificates evidencing such shares to be transferred, duly endorsed by the holder thereof, to the Corporation at its address specified herein. Upon any such registration or transfer, a new certificate evidencing the shares of Series B-[●] Preferred Stock so transferred shall be issued to the transferee and a new certificate evidencing the remaining portion of the shares not so transferred, if any, shall be issued to the transferring holder, in each case, within three (3) Business Days. The provisions of this Certificate of Designation are intended to be for the benefit of all holders from time to time and shall be enforceable by any such holder.

SECTION 8. REDEMPTION

8.1 Redemption and Redemption Price. At any time after the fifth anniversary of the Original Issue Date any holder of the shares of Series B-[●] Preferred Stock may, at its option, require the Corporation to redeem the Series B-[●] Preferred Stock, in whole or in part, owned by such holder at the Redemption Price (as defined below); provided, however, that the Corporation shall not redeem or be required to redeem any shares of Series B-[●] Preferred Stock or give notice of any redemption unless the Corporation has sufficient and lawful funds to redeem the shares to be redeemed. The redemption price per share of the Series B-[●] Preferred Stock shall be an amount per share equal to the greater of (i) the Original Issue Price plus all accrued and unpaid dividends thereon, up to and including the Redemption Date and (ii) the number of shares of Common Stock issuable pursuant to the Conversion Ratio multiplied by the average of the Closing Sale Price of the Common Stock for the five (5) Business Days immediately prior to the date of the Redemption Notice (defined below) plus all accrued and unpaid dividends thereon, up to and including the Redemption Date (the "**Redemption Price**"). The Redemption Price must be paid in cash.

8.2 Redemption Notice. A holder of Series B-[●] Preferred Stock shall, not less than thirty (30) days nor more than sixty (60) days prior to the date of redemption, give written notice to the Corporation of the shares of Series B-[●] Preferred Stock required to be redeemed. For purposes of this Certificate of Designation, the date upon which a holder of Series B-[●] Preferred Stock desires the redemption to take effect, shall be the "**Redemption Date**," and the written notice given by a holder of Series B-[●] Preferred Stock to the Corporation in connection with such redemption, shall be the "**Redemption Notice**." The Redemption Notice shall state the total number of shares required by the holder of Series B-[●] Preferred Stock to be redeemed and the Redemption Date. Promptly following receipt of a Redemption Notice given by a holder of Series B-[●] Preferred Stock, the Corporation shall notify such holder of the time, place and manner in which the holder is to surrender to the Corporation the certificate or certificates representing the shares of Series B-[●] Preferred Stock required to be redeemed.

8.3 Payment of Redemption Price and Surrender of Stock. On the Redemption Date, the Redemption Price of the Series B-[●] Preferred Stock required by the holder thereof to be redeemed shall be payable to the holder(s) of the Series B-[●] Preferred Stock being so redeemed. On or before the Redemption Date, each holder of Series B-[●] Preferred Stock required by the holder thereof to be redeemed shall surrender the certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the notice of the Corporation described in Section 8.2 above, and thereupon the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be cancelled and retired.

8.4 Termination of Rights. If the Redemption Notice is duly given, and if at least ten (10) days prior to the Redemption Date the Redemption Price is either paid or made available for payment through the arrangement specified in Section 8.5 below, then notwithstanding that the certificates evidencing any of the shares of Series B-[●] Preferred Stock so called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, have not been surrendered, all rights with respect to such shares shall forthwith after the Redemption Date cease, except only the right of the holders to receive the Redemption Price without interest upon surrender of their certificates therefor.

8.5 Deposit of Funds. At least ten (10) days prior to the Redemption Date, the Corporation may, but shall not be obligated to, deposit with any bank or trust company in San Francisco, California, having a capital and surplus of at least \$1 billion as a trust fund, a sum equal to the aggregate Redemption Price of all shares of the Series B-[●] Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, and not yet redeemed, with irrevocable instructions and authority to the bank or trust company to pay, on or after the Redemption Date or prior thereto, the Redemption Price to the respective holders upon the surrender of their share certificates. The deposit, if made, shall constitute full payment of the shares of Series B-[●] Preferred Stock to their holders, and from and after the date of such deposit (even if prior to the Redemption Date), the shares of Series B-[●] Preferred Stock shall be deemed to be redeemed and no longer outstanding, and the holders thereof shall cease to be shareholders with respect to such shares and shall have no rights with respect thereto, except the right to receive from the bank or trust company payment of the Redemption Price of the shares, without interest, upon surrender of their certificates therefor. Any monies so deposited and unclaimed at the end of one (1) year from the Redemption Date shall be released or repaid to the Corporation, after which the holders of shares of Series B-[●] Preferred Stock called for redemption by the Corporation or required by a holder thereof to be redeemed, as the case may be, shall be entitled to receive payment of the Redemption Price only from the Corporation.

SECTION 9. ANTI-DILUTION ADJUSTMENTS.

9.1 Stock Dividends, Splits, Etc. If the Corporation declares or pays a dividend or distribution on the outstanding shares of Common Stock or securities convertible into, exercisable or exchangeable for, or which otherwise entitles the holder thereof to acquire, any shares of Common Stock ("**Convertible Securities**") then the Conversion Ratio shall be increased by the total shares of Common Stock issued (or issuable in the case of Convertible Securities) that would have been issued to a holder of the number of shares of Common Stock equal to the Conversion Ratio immediately prior to such dividend or distribution. If the Corporation subdivides the Common Stock by reclassification or otherwise into a greater number of shares, then the Conversion Ratio shall be proportionately increased, provided the Original Issue Price shall remain the same. If the outstanding shares of the Common Stock are combined or consolidated, by reclassification or otherwise, into a lesser number of shares, the Conversion Ratio shall be proportionately decreased, provided the Original Issue Price shall remain the same.

9.2 Reclassification, Exchange, Combinations or Substitution. Upon any event whereby all of the outstanding shares of Common Stock are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Corporation securities of a different class and/or series, then from and after the consummation of such event, a share of Series B-[●] Preferred Stock shall be convertible into the number, class and series of Corporation securities that a holder of the number of shares of Common Stock equal to the Conversion Ratio immediately prior to such reclassification, exchange, combination or substitution would have received, provided the Original Issue Price shall remain the same, subject to further adjustment thereafter from time to time in accordance with the provisions hereof. The provisions of this Section 9.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

9.3 Adjustment for Issuance of Applicable Shares. If the Corporation shall issue or sell any shares of Common Stock (other than shares included in the Excluded Issuances, as defined below) (“**Applicable Shares**”), or options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares, in each case without consideration or for a consideration per share initially deliverable upon issuance, conversion or exchange of such securities less than the then applicable Conversion Price, then effective immediately upon such issuance or sale, the Conversion Ratio shall be increased, and shall not be reduced, in accordance with the following formula:

$$CR_1 = CR_0 \times [(OS + D) / (OS + PS)]$$

CR ₁ =	the new Conversion Ratio
CR ₀ =	the then applicable Conversion Ratio
OS =	the number of shares of Common Stock outstanding immediately prior to the issuance of such securities
D =	the maximum number of shares of Common Stock deliverable upon issuance of such securities
PS =	the aggregate number of shares of Common Stock which the aggregate amount of consideration received by the Corporation upon such issuance or sale would have purchased at the Conversion Price

9.4 Exceptions to Adjustments. Except as specifically provided for herein, there shall be no adjustment or readjustment to the Conversion Ratio in the following circumstances (each of the following, an “**Excluded Issuance**”): (1) securities issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement or upon the exercise of warrants or conversion of preferred stock issued to the Corporation’s lenders pursuant to the Credit Agreement or Securities Purchase Agreement; (2) upon conversion, exercise or exchange of securities, including convertible debt securities and convertible debt securities issued as payment-in-kind interest thereon, outstanding prior to the date of this Certificate of Designation without alteration; (3) pursuant to agreements in effect as of date of this Certificate of Designation (provided that such agreements are not amended, amended and restated, modified or supplemented after the date of this Certificate of Designation to increase the number of securities, reduce the consideration payable in connection with such securities, or otherwise change the terms of such agreements so as to have a dilutive effect on this Certificate of Designation (or any securities issued or issuable hereunder)); (4) the issuance of Common Stock (or options or other similar instruments convertible into Common Stock) to the Corporation’s management, directors or other service providers pursuant to compensation and incentive programs approved by the Board; and (5) the issuance of Common Stock pursuant to any registered offering of Common Stock or a private placement of Common Stock in accordance with the exemptions provided under Section 4(a)(2) of the Securities Act, each as principally for bona fide equity financing purposes; provided, however, that clause (5) of the definition of Excluded Issuance shall only be an Excluded Issuance for the purposes of Section 6.3(c) of this Certificate of Designation (and, for the avoidance of doubt, not an “Excluded Issuance” for any other purposes (including, without limitation, any anti-dilution adjustments in this Certificate of Designation)).

9.5 Expiration of Securities. Expiration of Securities. Upon the expiration or termination of any unexercised options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Ratio, the Conversion Ratio shall be readjusted to such Conversion Ratio as would have been in effect had such options, warrants, or Convertible Securities or similar instruments exercisable or otherwise convertible or exchangeable for Applicable Shares (or portion thereof) never been issued.

9.6 Pre-emptive Rights.

(a) If the Corporation proposes to offer or sell any New Securities (as defined below), the Corporation shall first offer such New Securities to the holders of the Series B-[●] Preferred Stock. The holder shall be entitled to participate in the such offering of New Securities (the “*Offering*”) on a pro rata basis, determined by dividing (i) the number of shares of Series B-[●] Preferred Stock, on an as converted basis, held by the holder, by the (ii) total number of shares of Common Stock issued and outstanding at the time of such offering plus the number of shares of Series B Preferred Stock outstanding, on an as converted basis. The Corporation shall give notice (the “*Offer Notice*”) to the Purchaser, stating (i) its bona fide intention to offer such New Securities, (ii) the number of such New Securities to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such New Securities, provided that if the New Securities are to be sold in an underwritten public offering, the price with respect to such New Securities shall be such public offering price that the Corporation anticipates in such offering, as determined by the Corporation in good faith at the time of the Offer Notice. The holder may elect by written notice delivered to the Corporation within two (2) Business Days, or, in the case of a registered offering, one (1) Business Day, of the date the Offer Notice is given to purchase or otherwise acquire, at the price and on the terms specified in the Offer Notice, up to that portion of such New Securities which equals the proportion that shares of Common Stock then held by the holder (including all shares of Common Stock represented by Preferred Stock or other Convertible Securities) bears to the total number of shares of Common Stock of the Corporation then outstanding; provided that, if such holder elects to participate in the Offering pursuant to this Section 9.6, upon the request of the holder, the Corporation shall be required to extend the closing for the holder’s purchase of New Securities in the Offering to a date selected by such holder, which date shall be no later than the date that is ten (10) Business Days following the closing of the Offering.

(b) For the purposes of Section 9.6(a), “*New Securities*” shall mean any Securities other than (i) Common Stock or Convertible Securities to give effect to the transactions contemplated under the Securities Purchase Agreement and Credit Agreement; (ii) Common Stock, Convertible Securities, or Common Stock issuable upon exercise of options or restricted stock under the Corporation’s equity plans; (iii) Common Stock upon the conversion, exchange or exercise of any Convertible Securities; (iv) Common Stock issuable upon stock dividend or distribution, stock split, share subdivision, recapitalization, reclassification or similar transaction affecting the holders of Common Stock on a pro rata basis or (v) Common Stock issuable pursuant to the adjustments provided in Section 9 hereof and similar provisions contained in equity issued pursuant to the Securities Purchase Agreement and Credit Agreement.

9.7 Certain Events. If any event of the type contemplated by the provisions of this Section 9.7 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features) occurs, then the Board shall make an appropriate adjustment to the Conversion Ratio so as to protect the rights of the holders of the Series B-[●] Preferred Stock in a manner consistent with the provisions of this Section 9.7; provided, that no such adjustment pursuant to this Section 9.7 shall decrease the Conversion Ratio or decrease the Original Issue Price.

9.8 Calculations. All calculations under this Section 9.8 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 9.8, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

9.9 Notice of Adjustments. Whenever the Conversion Ratio is adjusted as provided under this Section 9.9, the Corporation shall, as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Corporation is not aware of such occurrence, as soon as reasonably practicable after becoming so aware), provide a written notice to the holders of the Series B-[●] Preferred Stock of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Ratio was determined and setting forth the adjusted applicable Conversion Ratio.

SECTION 10. NO RE-ISSUANCE OF PREFERRED STOCK. No shares of Series B-[●] Preferred Stock redeemed, purchased or acquired by the Corporation shall be reissued, and all such shares shall be canceled and eliminated from the shares the Corporation shall be authorized to issue.

SECTION 11. AMENDMENT, SUPPLEMENT AND WAIVER. Without the consent of a majority of holders of the Series B-[●] Preferred Stock, the Corporation may amend or supplement this Certificate of Designation to make any change that would grant any additional rights or benefits to the holders of the Series B-[●] Preferred Stock or that does not affect the legal rights under this Certificate of Designation of any such holder.

SECTION 12. LOST OR MUTILATED SERIES B-[●] PREFERRED STOCK CERTIFICATE. If a holder's Series B-[●] Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series B-[●] Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership thereof, reasonably satisfactory to the Corporation and, in each case, customary and reasonable indemnity, if requested. Applicants for a new certificate under such circumstances shall also comply with such other reasonable regulations and procedures as the Corporation may prescribe.

SECTION 13. NO IMPAIRMENT. The Corporation will not, by amendment of its Restated Certificate or Bylaws or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Certificate of Designation and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders against impairment.

SECTION 14. SEVERABILITY. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

SECTION 15. DISPUTE RESOLUTION.

15.1 Submission to Dispute Resolution. In the case of a dispute relating to a Closing Sale Price, Conversion Ratio, Original Issue Price, Redemption Price, Buy-In and fair market value or any other computation required to be made hereunder (each of the foregoing a "**Disputed Calculation**" and together the "**Disputed Calculations**") or the arithmetic calculation of any of the foregoing (as the case may be) (including, without limitation, a dispute relating to the determination of any of the foregoing), the Corporation or the applicable holder (as the case may be) (the "**Disputing Party**") shall notify the other party (the "**Responding Party**") of the dispute via electronic mail (A) if by the Corporation, within two (2) Business Days after the occurrence of the circumstances giving rise to such dispute or (B) if by such holder at any time after such holder learned of the circumstances giving rise to such dispute. If the Disputing Party and the Responding Party are unable to promptly resolve such dispute relating to such Disputed Calculation, or the arithmetic calculation of such Disputed Calculation (as the case may be), at any time after the fifth (5th) Business Day following such initial notice by the Disputing Party to the Responding Party, then the Disputing Party may select and submit to the Responding Party via electronic mail a list of independent, reputable investment banks to resolve such dispute (the "**Disputing Party's Selection List**"). If the Responding Party objects to all such independent, reputable investment banks included in the Disputing Party's Selection List, then the Responding Party may submit to the Disputing Party via electronic mail an alternative list of independent, reputable investment banks (the "**Responding Party's Selection List**") within ten (10) Business Days of receiving the Disputing Party's Selection List. If the Disputing Party objects to all such independent, reputable investment banks on the Responding Party's Selection List, then the Disputing Party must notify the Responding Party via electronic mail of such objection within ten (10) Business Days of receiving the Responding Party's Selection List (the "**Selection Deadline**"). Following which, each of the Disputing Party and the Responding Party shall select an independent, reputable investment bank within five (5) Business Days of the Selection Deadline (the "**Alternative Selection Deadline**"), and the two selected independent, reputable investment banks shall have five (5) Business Days from the Alternative Selection Deadline to select a third independent, reputable investment bank to resolve the dispute (the "**Final Selection Deadline**"). The Disputing Party and the Responding Party shall take all such reasonable steps necessary to jointly engage the appointed bank as shortly thereafter as reasonably possible, and in any event, within ten (10) Business Days of the Final Selection Deadline.

15.2 The Disputing Party and the Responding Party shall each deliver to the investment bank engaged pursuant to the procedures set forth in Section 15.1 (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of Section 15.1 and (B) written documentation supporting such respective party's position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5th) Business Day immediately following the date on which such investment bank was engaged (the "**Dispute Submission Deadline**") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "**Required Dispute Documentation**") (it being understood and agreed that if either the Disputing Party and the Responding Party fails to raise any claims in the Required Dispute Documentation it submits by the Dispute Submission Deadline, then the party who fails to raise such claim in the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) raise such claim to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on the claims raised in the Required Dispute Documentation that was delivered to such investment bank prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Disputing Party and the Responding Party or otherwise requested by such investment bank, neither the Disputing Party nor the Responding Party shall be entitled to deliver or submit any written documentation or other support to such investment bank in connection with such dispute (other than the Required Dispute Documentation).

15.3 The Disputing Party and the Responding Party shall use their reasonable best efforts to cause the investment bank engaged pursuant to Section 15.1 to determine the resolution of such dispute and notify the Disputing Party and the Responding Party of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. The fees and expenses of such investment bank shall be borne solely by the Corporation, and such investment bank's resolution of such dispute shall be final and binding upon all parties absent manifest error.

15.4 Notwithstanding anything to the contrary set forth in this Section 15, nothing in this Section 15 shall limit a holder's right to pursue any and all remedies available to it, at law, in equity or otherwise, including, without limitation, any action seeking the entry of an order specifically enforcing the terms and conditions hereof, granting injunctive relief and/or awarding damages arising from any breach or threatened breach of this Section 15 or any other Section hereof. Any holder may choose to seek an alternative remedy in lieu of or in addition to effectuating the dispute resolution procedures provided in this Section 15 by providing written notice to the Corporation of its intent to do so at any time prior to the Selection Deadline..

SECTION 16. CORPORATE OPPORTUNITIES. Notwithstanding anything contained herein or in any other Transaction Documents (as defined in the Securities Purchase Agreement), each of the holders of Investor Preferred Stock, any of their respective Affiliates and any of its or their respective directors, officers, employees and consultants, including any director appointed to the Board pursuant to Section 6.2(a) (collectively, the "**Investor Related Parties**"), may freely offer to any other Person or effect on behalf of itself or any other Person any other investment or business opportunity or prospective economic advantage, including those competitive with the business of the Corporation, or other transactions in which the Corporation, its subsidiaries, any member of the Board or any other shareholder of the Corporation may have an interest or expectancy, including as a result of any fiduciary duties applicable to such Person ("**Investor Transactions**"), unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, such Investor Related Party expressly and solely in such Investor Related Party's capacity as a director of the Corporation, in each case without any prior Corporation, Board or stockholder notification or approval; provided, that if the Corporation, to the Investor Related Party's knowledge, is considering the same Investor Transaction, the Investor Related Party will promptly notify the Corporation of its interest in such Investor Transaction and cause each member of the Board that is an Investor Related Party to recuse himself from all Board discussions and activities relating to such Investor Transaction. Without limiting the generality of the foregoing, the Corporation agrees and acknowledges that Investor Related Parties and their respective Affiliates may have both passive and non-passive interests in Persons deemed competitors of the Corporation, and that the provisions of the immediately preceding sentence shall be applicable to such competitors, their respective Affiliates and any of their respective directors, officers and employees in respect thereof. Because such statements are based on expectations as to future financial and operating results and are not statements of fact, actual results may differ materially from those projected. Key Metrics

Backlog. Our backlog represents the amount of revenue that we expect to realize from existing agreements with our customers for the sale of our battery energy storage systems and performance of services. The backlog is calculated by adding new orders in the current fiscal period to the backlog as of the end of the prior fiscal period and then subtracting the shipments in the current fiscal period. If the amount of an order is modified or cancelled, we adjust orders in the current period and our backlog accordingly, but do not retroactively adjust previously published backlogs. We believe that the backlog is a useful indicator regarding the future revenue of our Company.

Pipeline. Our pipeline represents projects for which we have submitted technical proposals or non-binding quotes plus customers with letters of intent ("LOI") or firm commitments. Pipeline does not include lead generation projects.

Booked Orders. Booked orders are orders where we have legally binding agreements with a Purchase Order ("PO") or Master Supply Agreement ("MSA") executed by both parties.
