325,000 Warrants to Purchase Common Stock

This prospectus supplement supplements the prospectus dated March 16, 2021 (the “Prospectus”), which forms a part of registration statement on Form S-1 (No. 333-254001) (the “Registration Statement”) filed by Eos Energy Enterprises, Inc., a Delaware corporation (the “Company,” “we,” “us,” “our,” and “Eos”) with the Securities and Exchange Commission (the “Commission”). This prospectus supplement is provided solely to update the selling securityholders table in the Prospectus to reflect certain transfers or other assignments of shares of our common stock, par value \$0.0001 per share, beneficially owned by certain of the selling securityholders identified herein. The information with regard to the other selling securityholders is unchanged from the information contained in the Prospectus.

This prospectus supplement updates and supplements the information in the Prospectus and is not complete without, and may not be delivered or utilized except in combination with, the Prospectus, including any subsequent amendments or supplements thereto. This prospectus supplement should be read in conjunction with the Prospectus and if there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement. The information in this prospectus supplement modifies and supersedes, in part, the information in the Prospectus. Any information in the Prospectus that is modified or superseded shall not be deemed to constitute a part of the Prospectus except as modified or superseded by this prospectus supplement. You should not assume that the information provided in this prospectus supplement or the Prospectus is accurate as of any date other than their respective dates. Neither the delivery of this prospectus supplement and Prospectus, nor any sale made hereunder, shall under any circumstances create any implication that there has been no change in our affairs since the date of this prospectus supplement, or that the information contained in this prospectus supplement or the Prospectus is correct as of any time after the date of that information.

Investing in our securities involves a high degree of risk. You should review carefully the risks and uncertainties described under the heading “Risk Factors” beginning on page 6 of the Prospectus dated March 16, 2021, and the section entitled “Risk Factors” included in our Annual Report for the fiscal year ended December 31, 2020 dated February 26, 2021. Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities nor passed upon the adequacy or accuracy of this prospectus supplement or the Prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is November 17, 2021.

SELLING SECURITYHOLDERS

Pursuant to the terms of the Merger Agreement, on February 11, 2021 we issued 1,994,171 shares of our common stock to former members of EES LLC upon achievement of certain milestones (the “Earnout Shares”). We are obligated to register the resale of the Earnout Shares pursuant to the terms of the registration rights agreement and, accordingly, this prospectus covers the offer and resale, from time to time, by the selling securityholders of any or all of the Earnout Shares.

This prospectus also covers the offer and resale, from time to time, of (i) up to 74,531 shares of common stock that have been issued to Joe Mastrangelo, the Company’s Chief Executive Officer and a director, upon vesting of restricted stock units granted to him under the Plan, (ii) up to 5,015 shares of common stock issuable to Mr. Mastrangelo in connection with the achievement of the earnout milestones, (iii) up to 748 shares of common stock issuable Mack Treece, the Company’s Chief Strategic Alliances Officer, upon satisfaction of certain vesting terms set forth in previously issued restricted stock units held by Mr. Treece, (iv) up to 98,882 shares of common stock issuable to certain of the selling securityholders upon exercise of options granted under the Plan; (v) up to 2,853,750 shares of common stock issued in a private placement in connection with the business combination pursuant to the terms of the equity commitment letter and subscription agreements, (vi) up to 4,375,000 shares of common stock originally issued in a private placement to the Sponsor and subsequently distributed in part to certain BMRG directors and members of the Sponsor, (vii) up to 325,000 private placement warrants issued in a private placement to the Sponsor; (viii) up to 29,644,680 shares of common stock held by other selling securityholders of the Company; and (ix) up to 650,000 shares of common stock that were a constituent part of the private placement units.

In addition, this prospectus relates to the offer and sale of up to 8,750,000 shares of common stock that are issuable by us upon the exercise of the public warrants, which were previously registered, and up to 325,000 shares of common stock underlying private placement warrants issued in a private placement to the Sponsor.

The term “selling securityholders” includes the securityholders listed in the table below and their permitted transferees.

The table below provides, as of the date of this prospectus, information regarding the beneficial ownership of our common stock of each selling securityholder, the number of shares of common stock that may be sold by each selling securityholder under this prospectus and that each selling securityholder will beneficially own after this offering. We have based percentage ownership on 51,801,259 shares of common stock outstanding as of March 4, 2021.

Because each selling securityholder may dispose of all, none or some portion of their securities, no estimate can be given as to the number of securities that will be beneficially owned by a selling securityholder upon termination of this offering. For purposes of the table below, however, we have assumed that after termination of this offering none of the securities covered by this prospectus will be beneficially owned by the selling securityholder and further assumed that the selling securityholders will not acquire beneficial ownership of any additional securities during the offering. In addition, the selling securityholders may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, our securities in transactions exempt from the registration requirements of the Securities Act after the date on which the information in the table is presented.
