Item 1.01 Entry into a Material Definitive Agreement.

On April 10, 2023, Eos Energy Enterprises, Inc. (the "Company") and YA II PN, LTD ("Yorkville") entered into Amendment No. 5 ("Amendment No. 5") to the Standby Equity Purchase Agreement dated as of April 28, 2022 (as amended, the "SEPA"), to clarify that the Exchange Cap (as defined in the SEPA) does not apply (a) if the Company's stockholders have approved issuances in excess of the Exchange Cap, or (b) to sales of shares of common stock under the SEPA at a price that equals or exceeds \$2.47 per share (which represents the lower of (x) the Nasdaq Official Closing Price on the Trading Day (each as defined in the SEPA) immediately preceding April 10, 2023, the date of issuance of the Promissory Note (as defined below), and (y) the average Nasdaq Official Closing Price for the five Trading Days immediately preceding April 10, 2023; provided that, in the case of clause (b), the average price of all applicable sales of shares of common stock under the SEPA after December 29, 2022 equals or exceeds \$2.47 per share; provided further that, in the event that the Company obtains stockholder approval of the transactions between the Company and Yorkville from December 29, 2022 through March 22, 2023 as described in the Company's Definitive Proxy Statement on Schedule 14A filed with the SEC on March 27, 2023, as may be amended or supplemented from time to time, then the reference to "Amendment No. 3" in the definition of the Exchange Cap shall instead be read to refer to "Amendment No. 5" and the reference to December 29, 2022 in the definition of the Exchange Cap shall instead be read to refer to "April 10, 2023."

With the exception of the foregoing description of Amendment No. 5, the terms of the SEPA remain unchanged, and the SEPA, as amended, remains in full force and effect.

The foregoing description of Amendment No. 5 does not purport to be complete and is qualified in its entirety by reference to the full text of Amendment No. 5, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.1 hereto and is hereby incorporated by reference.

Supplemental Agreement to the SEPA and Promissory Note Issuance

On April 10, 2023, the Company issued and sold a convertible promissory note with an aggregate principal amount of \$15.0 million (the "Promissory Note") in a private placement to Yorkville under a supplemental agreement dated as of April 10, 2023 (the "Fourth Supplemental Agreement") to the SEPA between the Company and Yorkville.

The Company agreed to use the proceeds from the sale of the Promissory Note for working capital and other general corporate purposes or, if different, in a manner consistent with the application thereof described in the Company's prospectus relating to the SEPA filed with the Securities and Exchange Commission on April 28, 2022 and included as a part of the Company's Registration Statement on Form S-3 (File No. 333-263298).

The Promissory Note has a maturity date of August 31, 2023 (the "Maturity Date") and was issued with a 2% original issue discount. Interest shall accrue on the outstanding principal balance of the Promissory Note, beginning on the 29th day following the date of issuance, at an annual rate equal to 5.0% unless and until there is an event of default, upon the occurrence of which, interest shall accrue at a rate of 15% per year until collected in full. The Promissory Note is convertible into shares of the Company's common stock at a conversion price equal to the lower of \$2.8093 and 90.0% of the lowest daily volume weighted average price of the Company's common stock during the seven (7) consecutive trading days immediately preceding the conversion date (the "Conversion Price") any time prior to the Maturity Date, subject to the terms and conditions of the Promissory Note. The Conversion Price may not be less than \$0.53 per share (the "Floor Price"). No portion of the Promissory Note may be converted if the shares of common stock issued as a result of such conversion, together with any shares of common stock issued in connection with the SEPA and with any other related transactions that may be considered part of the same series of transactions, would exceed the aggregate number of shares of common stock that the Company may issue in a transaction (the "Promissory Note Exchange Cap") in compliance with the Company's obligations under the rules or regulations of the Nasdaq Stock Market LLC ("Nasdaq"), until the Company has obtained stockholder approval in accordance with such Nasdaq rules. If the volume weighted average price of the Company's common stock is less than the Floor Price for five consecutive trading days or if the Company has issued in excess of 99% of the common stock available under the Promissory Note Exchange Cap, subject to certain limitations, the Company must make weekly payments on the Promissory Note. At any time that there is an outstanding balance owed under the Promissory Note, Yorkville may, pursuant to the terms of the Fourth Supplemental Agreement, require the Company to deliver an advance under the SEPA for the issuance and sale of common stock at the Conversion Price in order to offset the amounts owed by the Company to Yorkville under the Promissory Note. In addition, while there is an outstanding balance owed under the Promissory Note, Yorkville shall use any advance requested by the Company pursuant to the SEPA to offset the amounts owed by the Company to Yorkville under the Promissory Note.

The foregoing descriptions of the Fourth Supplemental Agreement and the Promissory Note do not purport to be complete and are qualified in their entirety by reference to the full text of each of the Fourth Supplemental Agreement and the Promissory Note, copies of which are filed with this Current Report on Form 8-K as Exhibit 10.2 and Exhibit 4.1 hereto, respectively, and are hereby incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 of this Current Report on Form 8-K under the heading "Supplemental Agreement to the SEPA and Promissory Note Issuance" is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 of this Current Report on Form 8-K under the heading "Supplemental Agreement to the SEPA and Promissory Note Issuance" is incorporated herein by reference.

On April 10, 2023, the Company issued and sold the Promissory Note to Yorkville in a private placement pursuant to the exemption from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"). The Company offered and sold the Promissory Note to Yorkville in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act without the involvement of any underwriter. The Company relied on this exemption from registration based in part on representations made by Yorkville in the Fourth Supplemental Agreement and the SEPA.

Original Principal Amount**:** $15,000,000
Issuance Date: April 10, 2023

FOR VALUE RECEIVED, EOS ENERGY ENTERPRISES, INC., a Delaware corporation (the "Company"), hereby promises to pay to the order of YA II PN, LTD., or its registered assigns (the "Holder"), the amount set out above as the Original Principal Amount (as reduced pursuant to the terms hereof pursuant to repayment, redemption, conversion or otherwise, the "Principal") and Payment Premium, in each case when due, whether upon the Maturity Date (as defined below), acceleration, redemption or otherwise (in each case in accordance with the terms hereof) and to pay interest ("Interest") on any outstanding Principal at the applicable Interest Rate (as defined below) from the date set out above as the Issuance Date (the "Issuance Date") until the same becomes due and payable, whether upon the Maturity Date or acceleration, conversion, redemption or otherwise (in each case in accordance with the terms hereof). Certain capitalized terms used herein are defined in Section 15. For the avoidance of doubt, the Issuance Date is the date of the first issuance of this Convertible Promissory Note (the "Note") regardless of the number of transfers and regardless of the number of instruments, which may be issued to evidence such Note. This Note was issued with a 2% original issue discount.

This Note is being issued pursuant to Section 2.05 of the Standby Equity Purchase Agreement, dated April 28, 2022 (as amended by that certain Amendment No. 1, dated as of June 13, 2022, as supplemented by that certain Supplemental Agreement, dated as of June 13, 2022, as further amended by that certain Amendment No. 2, dated as of November 14, 2022, as further amended by that certain Amendment No. 3, dated as of December 29, 2022, as further supplemented by that certain Second Supplemental Agreement, dated as of December 29, 2022, as further amended by that certain Amendment No. 4, dated as of March 17, 2023, as further supplemented by that certain Third Supplemental Agreement, dated as of March 17, 2023 (the "Third Supplemental Agreement"), as further amended by that certain Amendment No. 5, dated as of April 10, 2023, as further supplemented by that certain Fourth Supplemental Agreement, dated as of April 10, 2023 (the "Fourth Supplemental Agreement") and as may be further amended, amended and restated, extended, supplemented or otherwise modified in writing from time to time, the "SEPA"), between the Company and the Investor.

(1) GENERAL TERMS

(a) Maturity Date. On the Maturity Date, the Company shall pay to the Holder an amount in cash representing all then outstanding Principal, plus the Payment Premium, and all accrued and unpaid Interest. The "Maturity Date" shall be August 31, 2023. This Note may be redeemed in accordance with Sections 1(c) and 1(e) hereof.

(b) Interest Rate and Payment of Interest. Beginning on the 29th day following the Issuance Date, Interest shall accrue on the outstanding Principal balance hereof at an annual rate equal to 5% ("Interest Rate"), which Interest Rate shall increase to an annual rate of 15% upon an Event of Default for so long as it remains uncured. Interest shall be calculated based on a 365-day year and the actual number of days elapsed, to the extent permitted by applicable law.

(c) Mandatory Payments. Subject to the provisions of Section 3(c)(ii), if, any time after the Issuance Date, and from time to time thereafter, a Trigger Event occurs, then the Company shall make weekly payments (in accordance with Section 1(d)) beginning on the later of (i) the 10th calendar day after the Trigger Date, and (ii) in the event the Trigger Date occurs during or within two Trading Days preceding a Company Black Out Period (as defined in Section 15), the 5th calendar day after the cessation of such Company Black Out Period, and continuing on the same day of each successive calendar week. Each weekly payment shall be in an amount equal to the sum of (i) $1,000,000 of Principal (or the outstanding Principal if less than such amount) (the "Triggered Principal Amount"), (ii) solely with respect to a Trigger Event caused by a Floor Price Trigger, the Payment Premium (as defined below, and if applicable in accordance with Section 1(d)) in respect of such Triggered Principal Amount, and (iii) accrued and unpaid interest hereunder as of each payment date (collectively, the "Payment Amount"). The obligation of the Company to make weekly payments hereunder shall cease (with respect to any payment that has not yet come due) if at any time after the Trigger Date, (A) in the event of a Floor Price Trigger, on the date that is the fifth consecutive Trading Day that the daily VWAP is greater than the Floor Price, or (B) in the event of an Exchange Cap Trigger, the date the Company has obtained stockholder approval to increase the number of shares of Common Stock under the Exchange Cap and/or the Exchange Cap no longer applies, unless a subsequent Triggering Date occurs.

(d) Weekly Payments. With respect to any payment due by the Company pursuant to Section 1(c), the Company shall, at its own option, either (i) repay each Payment Amount by submitting an Advance Notice (an "Advance Repayment") with an Advance Date on or before each applicable due date of such Payment Amount, (ii) repay with the proceeds of sales of Common Stock pursuant to an ATM Agreement, or (iii) repay in cash, provided that, in each case, any such repayment would not violate the terms of the Atlas Facility (as defined in Section 15). In respect of any Payment Amount to be repaid by the Company in accordance with (ii) or (iii) of this Section 1(d), the Company shall pay to the Holder the Payment Amount to be paid to the Holder, which for the avoidance of doubt shall include the Payment Premium, by wire transfer of immediately available funds in cash on or before such due date. If the Company elects an Advance Repayment, then the Company shall deliver an Advance Notice to the Holder in accordance with the terms and conditions of the SEPA requesting an advance amount equal to the Payment Amount, or portion thereof, to be paid by an Advance Repayment, that will have an Advance Date on or before the applicable due date, which Advance Notice shall specify the Payment Amount to be paid pursuant to such Advance Repayment, provided however, the Investor hereby waives the amount of the Payment Premium in respect of any Advance Repayment. Upon the closing of such Advance Notice in accordance with Section 2.02 of the SEPA, the Holder shall offset the amount due to be paid by the Holder to the Company under the SEPA against the portion of the Payment Amount to be paid by the Advance Repayment. If any portion of the Payment Amount remains unpaid at the applicable due date, the Company shall repay such outstanding Payment Amount pursuant to (ii) or (iii) of this Section 1(d), provided that, in each case, any such repayment would not violate the terms of the Atlas Facility.

(e) Optional Redemption. The Company at its option shall have the right, but not the obligation, to redeem ("Optional Redemption") early a portion or all amounts outstanding under this Note as described in this Section; *provided* that (i) the Company provides the Holder with at least five Trading Days' prior written notice (each, a "Redemption Notice") of its desire to exercise an Optional Redemption, and (ii) the VWAP of the Company's Common Stock on each of the ten Trading Days immediately prior to the Redemption Notice is less than the Fixed Conversion Price, Each Redemption Notice shall be irrevocable and shall specify the outstanding balance of the Note to be redeemed. The "Redemption Amount" shall be equal to the outstanding Principal balance being redeemed by the Company, plus the Payment Premium, plus all accrued and unpaid interest. After receipt of the Redemption Notice, the Holder shall have five Trading Days to elect to convert all or any portion of this Note. On the sixth Trading Day after the Redemption Notice, the Company shall deliver to the Holder the Redemption Amount with respect to the Principal amount redeemed after giving effect to conversions effected during the five Trading Day period. The Holder may convert all or any part of this Note after receiving a Redemption Notice, in which case the Redemption Amount shall be reduced by the amount so converted.

(2) EVENTS OF DEFAULT.

(a) An "Event of Default", wherever used herein, means any one of the following events (whatever the reason and whether it shall be voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court, or any order, rule or regulation of any administrative or governmental body):

(i) the Company's failure to pay to the Holder any amount of Principal, Payment Premium, Interest, or other amounts when and as due under this Note or any other Transaction Document after such payment is due;

(ii) the Company or any subsidiary of the Company shall commence, or there shall be commenced against the Company or any subsidiary of the Company under any applicable bankruptcy or insolvency laws as now or hereafter in effect or any successor thereto, or the Company or any subsidiary of the Company commences any other proceeding under any reorganization, arrangement, adjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar law of any jurisdiction whether now or hereafter in effect relating to the Company or any subsidiary of the Company or there is commenced against the Company or any subsidiary of the Company any such bankruptcy, insolvency or other proceeding which remains undismissed for a period of 61 days; or the Company or any subsidiary of the Company is adjudicated insolvent or bankrupt; or any order of relief or other order approving any such case or proceeding is entered; or the Company or any subsidiary of the Company suffers any appointment of any custodian, private or court appointed receiver or the like for it or any substantial part of its property which continues undischarged or unstayed for a period of sixty one (61) days; or the Company or any subsidiary of the Company makes a general assignment for the benefit of creditors; or the Company or any subsidiary of the Company shall fail to pay, or shall state that it is unable to pay, or shall be unable to pay, its debts generally as they become due; or the Company or any subsidiary of the Company shall call a meeting of its creditors with a view to arranging a composition, adjustment or restructuring of its debts; or the Company or any subsidiary of the Company shall by any act or failure to act expressly indicate its consent to, approval of or acquiescence in any of the foregoing; or any corporate or other action is taken by the Company or any subsidiary of the Company for the purpose of effecting any of the foregoing;

(iii) the Company or any subsidiary of the Company shall default beyond applicable grace and cure periods in any of its obligations under any other debenture or any mortgage, credit agreement or other facility, indenture agreement, factoring agreement or other instrument under which there may be issued, or by which there may be secured or evidenced any indebtedness for borrowed money or money due under any long term leasing or factoring arrangement of the Company or any subsidiary of the Company in an amount exceeding $1,000,000, whether such indebtedness now exists or shall hereafter be created and such default shall result in such indebtedness becoming or being declared due and payable (excluding, for the avoidance of any doubt, payables to vendors in the ordinary course of business);

(iv) the Common Stock shall cease to be quoted or listed for trading, fail to have a bid price or VWAP, or fail to maintain a trading market on any Primary Market, for a period of 10 consecutive Trading Days;

(v) the Company or any subsidiary of the Company shall be a party to any Change of Control Transaction (as defined in Section 15) unless in connection with such Change of Control Transaction this Note is retired;

(vi) the Company's (A) failure to deliver the required number of shares of Common Stock to the Holder within two Trading Days after the applicable Share Delivery Date or (B) notice, written or oral, to the Holder of the Note, including by way of public announcement, at any time, of its intention not to comply with a request for conversion of this Note into shares of Common Stock that is tendered in accordance with the provisions of the Debentures;

(vii) the Company shall fail for any reason to deliver the payment in cash pursuant to a Buy-In (as defined herein) within five (5) Business Days after such payment is due;

(viii) The Company's failure to timely file with the Commission any Periodic Report on or before the due date of such filing as established by the Commission, it being understood, for the avoidance of doubt, that due date includes any permitted filing deadline extension under Rule 12b-25 under the Exchange Act. For purposes hereof, "Periodic Reports" means the Company's (i) Annual Report on Form 10-K for the fiscal year ending December 31, 2022, (ii) Current Report on Form 10-Q for the quarterly period ending March 31, 2023, and (iii) all other financial reports required to be filed by the Company with the Commission under applicable laws and regulations (including, without limitation, Regulation S-K) for so long as any amounts are outstanding under this Promissory Note; *provided* that all such Periodic Reports shall include, when filed, all information, financial statements, audit reports (when applicable) and other information required to be included in such Periodic Reports in compliance with all applicable laws and regulations;

(ix) Any representation or warranty made or deemed made by the Company in any Transaction Document shall prove to have been incorrect in any material respect (or, in the case of any such representation or warranty already qualified by materiality, such representation or warranty shall prove to have been incorrect) when made or deemed made;

(x) Any Event of Default (as defined in the Other Notes) occurs with respect to any Other Notes held by the Holder;

(xi) The Company shall fail to observe or perform any other material covenant, agreement or warranty contained in, or otherwise commit any material breach or default of any provision of this Note (except as may be covered by Section 2(a)(i) through 2(a)(xi) hereof) or any Transaction Document (as defined in Section 15) which is not cured within any cure period prescribed therein.

(b) During the time that any portion of this Note is outstanding, if any Event of Default has occurred and is *continuing*, (other than an event with respect to the Company described in Section 2(a)(ii)), the full unpaid Principal amount of this Note and the Payment Premium, together with interest and other amounts owing in respect thereof, to the date of acceleration shall become at the Holder's election, immediately due and payable in cash; provided that, in case of any event with respect to the Company described in Section 2(a)(ii), the full Principal amount of this Note and the Payment Premium, together with interest and other amounts owing in respect thereof to the date of acceleration, shall automatically become due and payable. Furthermore, in addition to any other remedies, the Holder shall have the right (but not the obligation) to convert this Note (subject to the limitations set out in Section 3(c)) at any time after (x) an Event of Default or (y) the Maturity Date at the Conversion Price. The Holder need not provide and the Company hereby waives any presentment, demand, protest or other notice of any kind, (other than required notice of conversion) and the Holder may immediately enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such declaration may be rescinded and annulled by Holder at any time prior to payment hereunder. No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon. For the purposes hereof, an Event of Default relating to default in payment is "*continuing*" if it has not been waived, and an Event of Default relating to circumstances other than a default in payment is "*continuing*" if it has not been remedied or waived.

(3) CONVERSION OF NOTE. This Note shall be convertible into shares of the Company's Common Stock, on the terms and conditions set forth in this Section 3.

(a) Conversion Right. Subject to the provisions of this Section 3 and subject to the limitations on conversion set forth in Section 3(c)(ii), at any time or times on or after the Issuance Date, the Holder shall be entitled to convert any portion of the outstanding and unpaid Conversion Amount (as defined below) into fully paid and nonassessable shares of Common Stock, at the Conversion Price. The number of shares of Common Stock issuable upon conversion of any Conversion Amount pursuant to this Section 3(a) shall be determined by dividing (x) such Conversion Amount by (y) the Conversion Price. The Company shall not issue any fraction of a share of Common Stock upon any conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up or down to the nearest whole share. The Company shall pay any and all transfer, stamp and similar taxes that may be payable with respect to the issuance and delivery of Common Stock upon conversion of any Conversion Amount.

(i) "Conversion Amount" means the portion of the Principal to be converted, redeemed or otherwise with respect to which this determination is being made.

(ii) "Conversion Price" means, as of any Conversion Date (as defined below) or other date of determination the lower of (i) $2.8093 per share (the "Fixed Conversion Price"), or (ii) 90% of the lowest daily VWAP of the Common Stock during the seven (7) consecutive Trading Days immediately preceding the Conversion Date or other date of determination (the "Variable Conversion Price") but not lower than the Floor Price. The Conversion Price shall be adjusted from time to time pursuant to the other terms and conditions of this Note.

(b) Mechanics of Conversion.

(i) Optional Conversion. To convert any Conversion Amount into shares of Common Stock on any date (a "Conversion Date"), the Holder shall (A) transmit by email with confirmation of delivery (or otherwise deliver by method set forth in Section 5), for receipt on or prior to 11:59 p.m., New York Time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit I (the "Conversion Notice") to the Company and (B) if required by Section 3(c)(ii), surrender this Note to a nationally recognized overnight delivery service for delivery to the Company (or an indemnification undertaking reasonably satisfactory to the Company with respect to this Note in the case of its loss, theft or destruction). On or before the third (3rd) Business Day following the date of receipt of a Conversion Notice (the "Share Delivery Date"), the Company shall issue and deliver to the address as specified in the Conversion Notice, a certificate (or book entry), registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled. Any shares of Common Stock issued upon conversion shall bear customary restrictive legends regarding restrictions on transfers under the applicable securities laws. If this Note is physically surrendered for conversion and the outstanding balance of this Note is greater than the portion of the Conversion Amount being converted, then the Company shall as soon as practicable and in no event later than three (3) Business Days after receipt of this Note and at its own expense, issue and deliver to the holder a new Note representing the outstanding balance not converted. The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of this Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock upon the receipt of a Conversion Notice.

(ii) Company's Failure to Timely Convert. If within three (3) from the Share Delivery Date the Company shall fail to issue and deliver a certificate to the Holder, issue a book entry in the name of the Holder or credit the Holder's balance account with DTC for the number of shares of Common Stock to which the Holder is entitled upon such holder's conversion of any Conversion Amount (a "Conversion Failure"), and if on or after such Trading Day the Holder purchases (in an open market transaction or otherwise) Common Stock to deliver in satisfaction of a sale by the Holder of Common Stock issuable upon such conversion that the Holder anticipated receiving from the Company and that is saleable under Rule 144 at the time of such conversion (a "Buy-In"), then the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and other out of pocket expenses, if any) for the shares of Common Stock so purchased (the "Buy-In Price"), at which point the Company's obligation to deliver such certificate or book entry (and to issue such Common Stock) shall terminate, or (ii) promptly honor its obligation to deliver to the Holder a certificate or certificates or book entries representing such Common Stock and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock, times (B) the Closing Bid Price on the Conversion Date and such approval is applicable to issuances of shares of Common Stock upon conversion of this Note.

(iii) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion of any portion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless (A) the full Conversion Amount represented by this Note is being converted or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Note upon physical surrender of this Note. The Holder and the Company shall maintain records showing the Principal converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon conversion.

(c) Limitations on Conversions.

(i) Beneficial Ownership. The Holder shall not have the right to convert any portion of this Note to the extent that after giving effect to such conversion, the Holder, together with any affiliate thereof, would beneficially own (as determined in accordance with Section 13(d) of the Exchange Act and the rules promulgated thereunder) in excess of 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion. Since the Holder will not be obligated to report to the Company the number of shares of Common Stock it may hold at the time of a conversion hereunder, unless the conversion at issue would result in the issuance of shares of Common Stock in excess of 9.99% of the then outstanding shares of Common Stock without regard to any other shares which may be beneficially owned by the Holder or an affiliate thereof, the Holder shall have the authority, responsibility and obligation to determine whether the restriction contained in this Section will limit any particular conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the Principal amount of this Note is convertible shall be the responsibility and obligation of the Holder. The provisions of this Section may be waived by a Holder (but only as to itself and not to any other Holder) upon not less than 65 days' prior notice to the Company. Other Holders shall be unaffected by any such waiver.

(ii) Principal Market Limitations. Notwithstanding anything in this Note to the contrary, the Holder shall not have the right to convert any portion of this Note, and the Company shall not issue any shares of Common Stock upon conversion of this Note, or otherwise, if the conversion and issuance of such Common Stock, together with any Common Stock issued in connection the SEPA and with any other related transactions that may be considered part of the same series of transactions, would exceed the aggregate number of shares of Common Stock that the Company may issue in a transaction in compliance with the Company's obligations under the rules or regulations of Nasdaq Stock Market LLC (the "Nasdaq") and shall be referred to as the "Exchange Cap," except that such limitation shall not apply if the Company's stockholders have approved such issuances on such terms in excess of the Exchange Cap in accordance with the rules of the Nasdaq. Any failure by the Company to issue shares as a result of the limitations imposed by this Section 3(c)(ii) shall in nowise be considered (i) a breach or default of any provision of this Note or (ii) an Event of Default under Section 2(a)(vi), and such failure shall not trigger any of the Holder's rights or remedies under Section 2(b), and shall not result in the payment of any penalty to the Holder by the Company, including, but not limited to the Payment Premium.

(d) Other Provisions.

(i) The Company shall at all times reserve and keep available out of its authorized Common Stock the full number of shares of Common Stock issuable upon conversion of all outstanding amounts under this Note, and within three (3) Business Days following the receipt by the Company of a Holder's notice that such minimum number of Underlying Shares is not so reserved, the Company shall promptly reserve a sufficient number of shares of Common Stock to comply with such requirement.

(ii) All calculations under this Section 3 shall be rounded to the nearest $0.0001 or whole share.

(iii) Nothing herein shall limit a Holder's right to pursue actual damages or declare an Event of Default pursuant to Section 2 herein for the Company's failure to deliver certificates or issue book entries representing shares of Common Stock upon conversion within the period specified herein and such Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief, in each case without the need to post a bond or provide other security. The exercise of any such rights shall not prohibit the Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(iv) Conversion Costs. The Company agrees to reimburse the Holder for all reasonable costs incurred by the Holder in connection with any legal opinions paid for by the Holder in connection with sale of Underlying Shares (provided that the Company has first had the opportunity to obtain such a legal opinion on behalf of the Holder). The Holder shall notify the Company of any such costs and expenses it incurs that are referred to in this section from time to time and all amounts owed hereunder shall be paid by the Company with reasonable promptness.

(e) Adjustments to Conversion Price upon Subdivision or Combination of Common Stock. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision or combination.

(f) Whenever the Conversion Price is adjusted pursuant to Section 3 hereof, the Company shall promptly mail to the Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(g) In case of any (1) merger or consolidation of the Company or any subsidiary of the Company controlling more than one-half of the assets of the Company with or into another Person not affiliated with the Company, or (2) sale by the Company or any subsidiary of the Company of more than one-half of the assets of the Company in one or a series of related transactions, the Holder shall have the right to (A) exercise any rights under Section (3), (B) convert the aggregate amount of this Note then outstanding into the shares of stock and other securities, cash and property receivable upon or deemed to be held by holders shares of Common Stock following such merger, consolidation or sale, and such Holder shall be entitled upon such event or series of related events to receive such amount of securities, cash and property as the shares of Common Stock into which such aggregate Principal amount of this Note could have been converted immediately prior to such merger, consolidation or sales would have been entitled, or (C) in the case of a merger or consolidation, require the surviving entity to issue to the Holder a Convertible Note with a Principal amount equal to the aggregate Principal amount of this Note then held by such Holder, plus all accrued and unpaid interest and other amounts owing thereon, which such newly issued Convertible Note shall have terms identical (including with respect to conversion) to the terms of this Note, and shall be entitled to all of the rights and privileges of the Holder of this Note set forth herein and the agreements pursuant to which this Notes were issued. In the case of clause (C), the conversion price applicable for the newly issued Convertible Notes shall be based upon the amount of securities, cash and property that each share of Common stock would receive in such transaction and the Conversion Price in effect immediately prior to the effectiveness or closing date for such transaction. The terms of any such merger, sale or consolidation shall include such terms so as to continue to give the Holder the right to receive the securities, cash and property set forth in this Section upon any conversion or redemption following such event. This provision shall similarly apply to successive such events.

(4) REISSUANCE OF THIS NOTE.

(C) The parties have agreed that the Investor shall provide a Pre-Advance Loan in the principal amount of up to $15,000,000, on the terms and conditions set forth in this Agreement, pursuant to the issuance and sale by the Company of a convertible promissory note to the Investor (the "Promissory Note") in the form attached hereto as Exhibit A.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Investor hereby agree as follows:

1. **Definitions and Interpretation**

1.1 Capitalized terms not otherwise defined herein shall have the meanings set forth in the SEPA, as applicable.

2. **Pre-Advance Loan Closing**

2.1 Pre-Advance Loan. Subject to the satisfaction (or waiver) of the conditions precedent set forth in Section 5 below, the Company shall issue and sell to the Investor, and the Investor shall purchase from the Company, a Promissory Note with a principal amount of $15,000,000 (the "Principal Amount") for a purchase price equal to 98% of the Principal Amount (the "Purchase Price") at the closing (the "Closing"), which shall take place on the date hereof (the "Closing Date"). 3. Supplemental Agreements to the SEPA.

3.1 Investor Advance Notices. At any time during the Commitment Period, provided that there is an outstanding balance owed under the Promissory Note, the Investor may, by providing written notice to the Company in the form set forth herein as Exhibit B (an "Investor Notice"), require the Company to deliver an Advance Notice to the Investor in accordance with the following provisions:

(a) The Investor shall, in each Investor Notice, select the amount of the Advance, in its sole discretion, and the timing of delivery; provided that the amount of the Advance shall not exceed (i) the outstanding balance owed under the Promissory Note on the date of delivery of the Investor Notice, or (ii) the amount that would cause the aggregate number of Common Shares beneficially owned (as calculated pursuant to Section 13(d) of the Exchange Act) by the Investor and its Affiliates as a result of previous issuances and sales of Common Shares to Investor under this Agreement and the SEPA to exceed 9.99% of the then outstanding Common Shares (the "Ownership Limitation"). In connection with each Investor Notice delivered by the Investor, any portion of the Advance that would (i) cause the Investor to exceed the Ownership Limitation or (ii) cause the aggregate number of Shares issued and sold to the Investor hereunder to exceed the Commitment Amount shall automatically be withdrawn with no further action required by the Company, and such Investor Notice shall be deemed automatically modified to reduce the amount of the Advance requested by an amount equal to such withdrawn portion; provided that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.

(b) The Purchase Price of the Shares in respect of any Advance Notice delivered pursuant to an Investor Notice shall be equal to the Conversion Price (as defined in the Promissory Note) in effect on the date of delivery of the Investor Notice.

(c) Investor Notices shall be delivered in accordance with the instructions set forth at the bottom of Exhibit B. An Investor Notice shall be deemed delivered on the day it is received by the Company.

(d) Upon the deemed delivery of an Investor Notice in accordance with Section 3.1(c) above, a corresponding Advance Notice shall simultaneously be deemed to have been delivered by the Company to the Investor, and any conditions precedent to such Advance Notice under the terms of the SEPA that have not been satisfied shall be deemed to have been waived by the Investor.

(e) Notwithstanding anything to the contrary in this Agreement, if on any day that an Investor Notice is delivered (i) the Company notifies the Investor that a Material Outside Event has occurred, or (ii) the Company notifies the Investor of a Black Out Period, the parties agree that such Investor Notice shall be automatically withdrawn.

3.2 Closings of an Advance Notice delivered pursuant to an Investor Notice.

(a) In respect of an Advance Notice deemed to be delivered pursuant to Section 3.1 above, the Advance Date shall be the date that the Advance Notice is deemed to be delivered.

(b) In respect of an Advance Notice deemed to be delivered pursuant to Section 3.1 above, the Investor shall pay the aggregate purchase price of the Shares (as set forth in the Settlement Document) by offsetting the amount of the aggregate purchase price of the Shares to be paid by the Investor against an equal amount outstanding under the Promissory Note (first towards accrued and unpaid interest, and then towards outstanding principal, with no deduction for any Payment Premium, as defined in the Promissory Note).

(c) The closing of each Advance Notice deemed to be delivered pursuant to Section 3.1 above and issuance of Shares related to such Advance Notice (each, an "Advance Notice Closing") shall take place as soon as practicable on or after each Advance Date in accordance with the procedures set forth below. In connection with each Advance Notice Closing, the Company and the Investor shall fulfill each of its obligations as set forth below:

(i) On each Advance Date, the Investor shall deliver to the Company a written document, in the form attached hereto as Exhibit C (each a "Settlement Document"), setting forth the number of Shares to be purchased by the Investor, the applicable Conversion Price, the aggregate amount of accrued and unpaid interest due on the Promissory Note as of the Advance Date that shall be offset by the issuance of Shares, the aggregate principal amount of the Promissory Note as of the Advance Date that shall be offset by the issuance of Shares and the total principal amount of the Promissory Note that shall be outstanding following the Advance Notice Closing.

(ii) Promptly after receipt of the Settlement Document with respect to each Advance (and, in any event, not later than two Trading Days after such receipt), the Company will, or will cause its transfer agent to, electronically transfer such number of Shares to be purchased by the Investor (as set forth in the Settlement Document) by crediting the Investor's account or its designee's account at the Depository Trust Company through its Deposit Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto, and transmit notification to the Investor that such share transfer has been requested. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. To facilitate the transfer of the Shares by the Investor, the Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering the issuance and resale of such Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Shares in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption).

(iii) On or prior to each Advance Date, each of the Company and the Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Agreement or the SEPA in order to implement and effect the transactions contemplated herein.

4. Representations, Warranties and Covenants.

4.1 Representations and Warranties of the Company.

(a) For the purposes hereof, the Company represents and warrants to the Investor that, as of the date hereof and on the Closing Date all of the representations and warranties in the SEPA are true and correct in all material respects (other than representations and warranties which address matters only as of a certain date, which shall be true and correct as written as of such certain date) and shall apply in respect of the issuance and sale of the Promissory Note and the transactions contemplated by this Agreement.

(b) The execution, delivery and performance of this Agreement and the Promissory Note by the Company and the consummation by the Company of the transactions contemplated hereby and thereby will not conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company is a party, including, without limitation, the Senior Secured Term Loan Agreement (the "Atlas Agreement") entered into by the Company on July 29, 2022 with Atlas Credit Partners (ACP) Post Oak Credit I LLC, as administrative agent for the lenders and collateral agent for the secured parties.

(c) The Company represents and warrants that it does not require shareholder approval for the issuance of the Promissory Note hereunder or the delivery of up to 1,350,111 shares issuable upon conversion thereof or upon the delivery of an Investor Notice hereunder or thereunder.

(d) As of the date hereof, the authorized capital of the Company consists of 300,000,000 shares of common stock, par value $0.0001 per share and 1,000,000 shares of preferred stock, par value $0.0001 per share. As of March 31, 2023, the Company had 95,224,502 shares of common stock outstanding and no shares of preferred stock outstanding.

(e) Share Reserve. So long as the Promissory Note remains outstanding, the Company shall have reserved from its duly authorized capital stock and shall have instructed its transfer agent to irrevocably reserve the maximum number of Common Shares issuable upon (i) conversion of all amounts owed under the Promissory Note outstanding (assuming for purposes hereof that (x) the Promissory Note is convertible at the Floor Price (as defined therein) as of the date of determination and (y) any such conversion shall not take into account any limitations on the conversion of the Promissory Note set forth therein) (the "Maximum Underlying Shares") for issuances to the Investor from time to time upon conversions of the Promissory Note or issuance to the Investor pursuant to Investor Notices delivered hereunder.

4.2 Representations and Warranties of the Investor.

(a) For the purposes hereof, the Investor represents and warrants to the Company that, as of the date hereof, on the Closing Date, each Advance Notice Date and each Advance Date, all of the representations and warranties in the SEPA are true and correct (other than representations and warranties which address matters only as of a certain date, which shall be true and correct as written as of such certain date) and shall apply in respect of the issuance and sale of the Promissory Note and the transactions contemplated by this Agreement.

(b) Investor understands that neither the Promissory Note nor the Common Shares issuable upon conversion of the Promissory Note have been registered under the Securities Act. Investor also understands that the Promissory Note is being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon Investor's representations contained in the Agreement. Investor hereby represents and warrants as follows:

(i) Investor Bears Economic Risk. Investor has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company so that it is capable of evaluating the merits and risks of its investment in the Company and has the capacity to protect its own interests. Investor must bear the economic risk of this investment indefinitely unless the Promissory Note (or the Common Shares issuable upon conversion thereof) are registered pursuant to the Securities Act, or an exemption from registration is available. Investor also understands that there is no assurance that any exemption from registration under the Securities Act will be available and that, even if available, such exemption may not allow Investor to transfer all or any portion of the Promissory Note or the Common Shares issuable upon conversion thereof under the circumstances, in the amounts or at the times Investor might propose.

(ii) Acquisition for Own Account. Investor is acquiring the Promissory Note for Investor's own account for investment only, and not with a view towards their distribution.

(iii) Purchaser Can Protect Its Interest. Investor represents that by reason of its, or of its management's, business or financial experience, Investor has the capacity to protect its own interests in connection with the transactions contemplated in this Agreement. Further, Investor is aware of no publication of any advertisement in connection with the transactions contemplated in the Agreement.

(iv) Accredited Investor. Investor represents that it is an accredited investor within the meaning of Regulation D under the Securities Act.

(v) Company Information. Investor has had an opportunity to discuss the Company's business, management and financial affairs with directors, officers and management of the Company and has had the opportunity to review the Company's operations and facilities. Purchaser has also had the opportunity to ask questions of and receive answers from, the Company and its management regarding the terms and conditions of this investment.

(vi) Rule 144. Investor acknowledges and agrees that the Promissory Note, and, if issued, the Common Shares issuable upon conversion thereof, issued to Investor, are "restricted securities" as defined in Rule 144 promulgated under the Securities Act as in effect from time to time and must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Investor has been advised or is aware of the provisions of Rule 144, which permits limited resale of securities purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the availability of certain current public information about the Company, the resale occurring following the required holding period under Rule 144 and the number of securities being sold during any three-month period not exceeding specified limitations.

(vii) Foreign Investor. Investor hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Promissory Note or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Promissory Note, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any government or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Promissory Note. Investor's subscription and payment for and continued beneficial ownership of the Promissory Note will not violate any applicable securities or other laws of Investor's jurisdiction.

(viii) Transfer Restrictions. Investor acknowledges and agrees that the Promissory Note and, if issued, the Common Shares issuable upon conversion thereof are subject to restrictions on transfer as set forth in the Promissory Note.

4.3 Opinion of Counsel. Prior to the Closing Date, the Company shall cause to be delivered to the Investor an opinion letter from counsel to the Company in form and substance reasonably satisfactory to the Investor.

4.4 Use of Proceeds. The Company will use the proceeds from the sale of the Promissory Note hereunder for working capital and other general corporate purposes or, if different, in a manner consistent with the application thereof described in the Registration Statement. Neither the Company nor any Subsidiary will, directly or indirectly, use the proceeds of the transactions contemplated herein to repay any loans from any executives or employees of the Company or to make any payments in respect of any related party debt. Neither the Company nor any Subsidiary will, directly or indirectly, use the proceeds of the transactions contemplated herein, or lend, contribute, facilitate or otherwise make available such proceeds to any Person (i) to fund, either directly or indirectly, any activities or business of or with any Person that is identified on the list of Specially Designated Nationals and Blocker Persons maintained by OFAC, or in any country or territory, that, at the time of such funding, is, or whose government is, the subject of Sanctions Programs, or (ii) in any other manner that will result in a violation of Sanctions Programs.

4.5 Form of Promissory Note. The parties agree that for the purposes of the Pre-Advance Loan contemplated herein, all references to a "Promissory Note" or "promissory note" in the SEPA shall be deemed to be to the Promissory Note.

4.6 Integration. The Company shall not issue any securities or enter into any transaction which would be integrated with the issuance of the Promissory Note pursuant to this Agreement or the issuance of additional Common Shares pursuant to this Agreement, the Promissory Note, or the SEPA for the purposes of the shareholder approval requirements of the Nasdaq. Notwithstanding the foregoing, for purposes of Section 4.6 of the Third Supplemental Agreement, the Investor consents to the issuance of the Promissory Note hereunder and the shares of Common Shares issuable upon conversion thereof or upon the delivery of an Investor Notice hereunder.

4.7 Use of SEPA. At any time during the Commitment Period, provided that there is an outstanding balance owed under a Promissory Note, if the Company delivers an Advance Notice to the Investor, the Investor shall offset the amount due to be paid to the Company under such Advance Notice against an equal amount outstanding under the Promissory Note (first towards accrued and unpaid interest, and then towards outstanding principal, with no deduction for any Payment Premium, as defined in the Promissory Note).

4.8 Use of ATM.

(a) The Company shall not effect any issuances pursuant to the Sales Agreement dated August 5, 2022, entered into between the Company and Cowen and Company, LLC or any other "ATM agreement" or other continuous offering or similar offering of Common Stock (collectively, an "ATM"), other than with the Investor, from the date hereof until the earlier of (i) May 17, 2023 and (ii) the date the Company's stockholders have approved issuances in excess of the Exchange Cap. Thereafter, at any time there is an outstanding balance owed under the Promissory Note, the Company shall not effect any issuances pursuant to an ATM unless a payment is due under the Promissory Note and the proceeds derived from such transaction are used to make such payment.

(b) At any time there is an aggregate outstanding principal balance owed under the Promissory Note of $7,500,000 or greater, (i) the Company shall not enter into or effect any Discounted Variable Rate Transaction, other than with the Investor, unless the investor or any holder of any securities issued in connection with such transaction is locked up from selling or hedging any shares of Common Stock acquired in such transaction through the date that is at least 90 days from the date of issuance of any such securities, unless waived by the Investor; and (ii) at any time that the price of the Company's Common Stock is below $2.00 per share, the Company shall not issue equity or debt securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional shares of Common Stock, unless waived by the Investor.

"Discounted Variable Rate Transaction" shall mean a transaction at a discount to the market price of the securities offered (as determined in accordance with the rules of the Nasdaq Stock Market) in which the Company issues or sells any equity or debt securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional shares of Common Stock either (A) at a conversion price, exercise price, exchange rate or other price that varies with the trading prices of or quotations for the Common Stock at any time after the initial issuance of such equity or debt securities, or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such equity or debt security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock (including, without limitation, any "full ratchet" or "weighted average" anti-dilution provisions, but not including any standard anti-dilution protection for any reorganization, recapitalization, non-cash dividend, stock split or other similar transaction, and excluding, without limitation, any repayment or conversion feature (including any "make-whole") in connection with a change of control or similar transaction involving the Company or in connection with any redemption of the securities).

4.9 Registration Statement. Promptly after the delivery of an Investor Notice that is not withdrawn, the Company shall prepare and file with the SEC a Prospectus Supplement pursuant to Rule 424(b) of the Securities Act, and any other filings, reports, supplements, or amendments that may be required as a result of entering into this Agreement, disclosing all information relating to this Agreement required to be disclosed therein and an updated Plan of Distribution, necessary to register the transactions contemplated herein.

4.10. Atlas Agreement. As long as this Note is outstanding, the Company shall not amend, modify, or supplement the Atlas Agreement, or consent to or accept any modification to any term or provision of the Atlas Agreement, if such amendment, modification, or supplement would conflict with the ability of the Company to perform its obligations pursuant to the terms of this Note.

5. Conditions Precedent to the Promissory Note. The obligations of the Investor to purchase the Promissory Note at the Closing shall be subject to the timely performance by the Company of its obligations hereunder, and the satisfaction, unless waived by the Investor, as of the Closing Date, of each of the following conditions:

5.1 Accuracy of Company's Representation and Warranties. The representations and warranties of the Company set forth in Section 4.1 shall be true and correct in all material respects.

5.2 Registration of the Common Shares with the SEC. There is an effective Registration Statement pursuant to which the Investor is permitted to utilize the prospectus thereunder to resell Common Shares issuable pursuant to Advance Notices (including those deemed delivered pursuant to an Investor Notice) under the SEPA.

5.4 Authority. The issuance of the Promissory Note and the performance by the Company of its obligations thereunder, including, without limitation, the issuance of the Common Shares upon conversion thereof, is legally permitted by all laws and regulations to which the Company is subject and is not in conflict with, or prohibited by, the organizational documents of the Company, or any contract, agreement, or arrangement with any third party.

5.5 No Suspension of Trading in or Delisting of Common Shares. The Common Shares are quoted for trading on the Principal Market. The Company shall not have received any written notice that is then still pending threatening the continued quotation of the Common Shares on the Principal Market.

5.6 Bring Down Certificate. The Investor shall have received on and as of the applicable Closing Date a certificate of an executive officer of the Company confirming that all of the representations and warranties of the Company in this Agreement are true and correct on and as of the applicable Closing Date, and that the Company has complied with all agreements and covenants and satisfied all other conditions on its part to be performed or satisfied hereunder at or prior to the applicable Closing Date.

5.7 Closing Statement. The Company shall have received a letter, duly executed by an officer of the Company, setting forth wire transfer instructions of the Company for the payment of the Purchase Price by the Investor in respect of the Closing.

5.8 Performance by the Company. The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company. No Event of Default as defined in the Promissory Note shall have occurred and be continuing.

6. **Counterparts and Delivery.** This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such ".pdf" signature page were an original thereof.

7. **Governing Law.** This Agreement shall be governed by and interpreted in accordance with the laws of the State of New York without regard to the principles of conflict of laws. The parties further agree that any action between them shall be heard in New York County, New York, and expressly consent to the jurisdiction and venue of the Supreme Court of New York, sitting in New York County, New York and the United States District Court of the Southern District of New York, sitting in New York, New York, for the adjudication of any civil action asserted pursuant to this Agreement.

8. **Non-Exclusive Agreement.** Notwithstanding anything contained herein, this Agreement and the rights awarded to the Investor hereunder are non-exclusive, and the Company may, at any time throughout the term of this Agreement and thereafter, issue and allot, or undertake to issue and allot, any shares and/or securities and/or convertible notes, bonds, debentures, options to acquire shares or other securities and/or other facilities which may be converted into or replaced by Common Shares or other securities of the Company, and to extend, renew and/or recycle any bonds and/or debentures, and/or grant any rights with respect to its existing and/or future share capital.

9. **Assignment.** Neither this Agreement nor any rights or obligations of the parties hereto may be assigned to any other Person.

10. **Entire Agreement; Amendments.** This Agreement supersedes all other prior oral or written agreements between the Investor, the Company, their respective affiliates and persons acting on their behalf with respect to the matters discussed herein, and this Agreement, together with the SEPA, contains the entire understanding of the parties with respect to the matters covered herein and, except as specifically set forth herein, neither the Company nor the Investor makes any representation, warranty covenant or undertaking with respect to such matters. No provision of this Agreement may be waived or amended other than by an instrument in writing signed by the parties to this Agreement.

11. **The SEPA.** Other than as supplemented by this Agreement, the SEPA shall remain in full force and effect.
